

CDI IT Solutions Selected as Prime Vendor by Citrix Systems, Inc.

PHILADELPHIA, April 20, 2010 /PRNewswire via COMTEX News Network/ -- CDI IT Solutions (CDI), a technology services delivery leader and a division of CDI Corp. (NYSE: CDI), today announced it has been selected as a prime vendor by Citrix Systems, Inc. (Citrix) to provide IT staffing and direct hire services.

Under the agreement, CDI will provide IT services to Citrix Systems including supplying critical staff on a temporary basis as well as fulfilling permanent positions for key IT projects.

"This partnership seems natural given our long and successful history of working with high technology clients," said Andy Cvitanov, President of CDI IT Solutions. "Our vast industry knowledge, along with our highly skilled IT managers, will allow us to become a valuable contributor to Citrix's success and we look forward to building a long-standing relationship."

"We are pleased to be working with a fiscally responsible company with seasoned management such as CDI. They have a reputation of providing the right skilled resources at a reasonable price and have a track record of delivering hard-to-find niche technologies nationwide," said Michael McKiernan, Managing Director, WorldWide Procurement, Citrix Systems. "We chose CDI as a prime vendor based upon their willingness to commit to the success of Citrix, strong ROI model and national footprint."
