

## Majilite to Host Solar Celebration Aug. 20

### Highlights Rooftop Solar Photovoltaic Installation at Dracut Manufacturing Site

DRACUT, Mass.-Aug. 11, 2009--Majilite will host a solar celebration on Thursday, Aug. 20, 2009 to highlight its new solar photovoltaic power system. The system delivers 459,000 kilowatt hours of clean, renewable electricity each year, preventing the release of nearly 5,000 metric tons of carbon dioxide. Please join us on Aug. 20 to learn more about the project.

<b>Who:</b>	Lieutenant Governor Timothy P. Murray; Congresswoman Niki Tsongas; State Senator Susan Tucker; State Representative Colleen M. Garry; and representatives from Dracut, Majilite, and Constellation Energy, project developer.
<b>What:</b>	Overview of the solar installation and what it means for Majilite and the future of energy and the environment in Massachusetts.
<b>Where:</b>	Majilite Manufacturing Office, 1530 Broadway Road, Dracut, MA 01826
<b>When:</b>	Thursday, Aug. 20, 9:00 a.m. - 10:00 a.m.

For more information on the event or the solar installation, please contact John Kapeckas, Majilite, 978-441-6800 x 7405.
