## **Baltimore Gas and Electric Company Employee Helps Reunite Missing Elderly Man with Family**

*Missing Anne Arundel County man had been subject of state's first Silver Alert*

**BALTIMORE**, Nov. 4, 2009 – Baltimore Gas and Electric Company (BGE), a subsidiary of Constellation Energy (NYSE: CEG), today announced that an employee was instrumental in helping locate an elderly Anne Arundel County man who had been the subject of the state's first *Silver Alert* which asks for the public's assistance in finding a vulnerable adult.

On Tuesday morning, gas mechanic Bruce Kief, a 21year veteran of BGE, was approached by 84-year-old Arthur Mulkey near the intersection of Eastern Ave. and Haven St. in Baltimore City. Mulkey, who had been reported missing by his family on Monday, asked Kief for directions. After several additional exchanges with Mulkey, Kief determined that Mulkey was lost and contacted his family and police.

“At BGE, safety is always our top priority. It's a part of our culture and Bruce is to be commended for going above and beyond the call of duty to ensure the safety of another human being,” said Brian C. Daschbach Sr., senior vice president of integrated field services for BGE. “His actions speak volumes about the importance that BGE puts on the safety of its employees and customers.”

After contacting Mulkey's family and police, Kief stayed with Mulkey until his son arrived to take him home. Kief was just beginning his shift when the incident began at approximately 7:00 a.m. Tuesday. Several years ago, Kief was recognized by Maryland State Police for coming to the aid of a motorcyclist who had been seriously injured in an accident in Harford County.
