

Chordiant to Present at Upcoming Investment Conferences

CUPERTINO, Calif., Mar 09, 2009 (BUSINESS WIRE) -- Chordiant Software, Inc. (Nasdaq:CHRD), the leading provider of Customer Experience (Cx(TM)) software and services, today announced its plans to participate in two upcoming investment conferences.

Chief Financial Officer Peter Norman will present at the 5th Annual Winter Technology Conference hosted by Security Research Associates, being held at the Omni Hotel in San Francisco, CA, on Monday, March 9th at 10:00 a.m. PT.

Norman will also present at the B. Riley & Co. 10th Annual Las Vegas Institutional Investor Conference being held at the Palms Casino Resort in Las Vegas, NV, on Wednesday, March 18th at 2:00 p.m. PT.

An audio webcast of each session will be available for 30 days. To join the conferences online or access the webcast replays, please visit the investor relations section of Chordiant's website at <http://chrd.client.shareholder.com/events.cfm>.

About Chordiant Software, Inc.

Chordiant helps leading global brands with high-volume customer service needs deliver the best possible customer experience. Unlike traditional business applications, Chordiant Customer Experience (Cx) front-office solutions blend multi-channel interaction management with predictive desktop decisioning, enabling companies to capture and effectively anticipate and respond to customer behavior in all channels, in real-time. For global leaders in insurance/healthcare, telecommunications and financial services, this deeper understanding cultivates a lasting, one-to-one relationship that aligns the most appropriate value proposition to each consumer. With Chordiant Cx solutions, customer loyalty, operational productivity and profitability reach new levels of return. For more information, visit Chordiant at www.chordiant.com.

Safe Harbor Statement

This news release includes "forward-looking statements" that are subject to risks, uncertainties and other factors that could cause actual results or outcomes to differ materially from those contemplated by the forward-looking statements. Forward-looking statements in this release are generally identified by words, such as "believes," "plans," "expects," "will," "guidance," and similar expressions which are intended to identify forward-looking statements. There are a number of important factors that could cause the results of Chordiant to differ materially from those indicated by these forward-looking statements, including, among others, whether Chordiant will be able to attract and close license transactions with new and existing customers and achieve its revenue targets. Other risks relating to Chordiant's products are detailed under "Risk Factors" in Chordiant's Quarterly Report on Form 10-Q for the quarter ended December 31, 2008, as filed with the Securities and Exchange Commission. This filing is available on a Web site maintained by the Securities and Exchange Commission at <http://www.sec.gov>. Chordiant does not undertake an obligation to update forward-looking or other statements in this release.
