Citrix to Present at Upcoming Investor Conferences

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Citrix Systems, Inc. (NASDAQ:CTXS) today announced that executives will attend three upcoming investor conferences.

David Henshall, chief operating officer and chief financial officer, will present at the Goldman Sachs Technology and Internet Conference in San Francisco on February 15 at 5:40 p.m. eastern.

Kirill Tatarinov, president and chief executive officer, will present at the Morgan Stanley Technology, Media & Telecom Conference in San Francisco on February 27 at 4:35 p.m. eastern.

Eduardo Fleites, vice president, investor relations will present at the Pacific Crest Emerging Technology Summit in San Francisco on February 28 at 4:00 p.m. eastern.

A webcast of each presentation will be available live on the investor section of the Citrix website at www.citrix.com/investors. A replay will be available for approximately 30 days.

About Citrix

Citrix (NASDAQ:CTXS) aims to power a world where people, organizations and things are securely connected and accessible to make the extraordinary possible. Its technology makes the world's apps and data secure and easy to access, empowering people to work anywhere and at any time. Citrix provides a complete and integrated portfolio of Workspace-as-a-Service, application delivery, virtualization, mobility, network delivery and file sharing solutions that enables IT to ensure critical systems are securely available to users via the cloud or on-premise and across any device or platform. With annual revenue in 2016 of \$3.42 billion, Citrix solutions are in use by more than 400,000 organizations and over 100 million users globally. Learn more at www.citrix.com.

For Citrix Investors

This release contains forward-looking statements which are made pursuant to the safe harbor provisions of Section 27A of the Securities Act of 1933 and of Section 21E of the Securities Exchange Act of 1934. These forward-looking statements do not constitute guarantees of future performance. Those statements involve a number of factors that could cause actual results to differ materially, including risks associated with transitions in key personnel and succession, products, their development, integration and distribution, product demand and pipeline, customer acceptance of new products, economic and competitive factors, Citrix's key strategic relationships, acquisition and related integration risks as well as other risks detailed in Citrix's filings with the Securities and Exchange Commission. Citrix assumes no obligation to update any forward-looking information contained in this press release or with respect to the announcements described herein.
