Note: Basic and diluted earnings per share for the "As Reported" and "Excluding Restructuring & Other Items" are computed independently for each quarter and the year to date period presented. As a result of changes in shares outstanding during the year and rounding, the sum of the quarters' earnings per share may not necessarily equal the earnings per share for the year to date period. In addition, the impact of "Restructuring" and "Other Items" on the basic and diluted earnings per share may not necessarily equal the earnings per share if calculated independently as a result of rounding.
