\* The Company adopted FASB Statement No. 160, "Noncontrolling Interests in Consolidated Financial Statements - An Amendment of ARB No. 51" (SFAS 160), on January 1, 2009. To conform to the current year's presentation, net income attributable to noncontrolling interests in less-than-wholly owned subsidiaries has been reclassified from Other (income) expense, net to a new line below Operating profit called Net income attributable to noncontrolling interests. The reclassification had no effect on Net income or Earnings per common share.

Refer to the Company's web site for a reconciliation to previously reported amounts for all quarters of 2008 as well as full year 2008 and 2007.

Note: The impact of "Restructuring" on the basic and diluted earnings per share may not necessarily equal the earnings per share if calculated independently as a result of rounding.
