The Summer Heat is On with Hot Back-to-School Savings on CLEAR 4G

50% Off All CLEAR Devices Wherever Devices are Sold

BELLEVUE, Wash., July 30, 2012 (GLOBE NEWSWIRE) -- School may be out for summer, but CLEAR's back-to-school promotions are in full swing. Right now, parents and students can purchase CLEAR devices for the upcoming school year and save big. All CLEAR devices - including the CLEAR Spot[®] Voyager, a powerful mobile broadband hotspot that fits in the palm of the hand and the CLEAR Stick Atlas, a mobile USB that connects instantly to the internet without complicated software - are a whopping 50% off.

The discounts are being offered online at www.clear.com and everywhere CLEAR devices are sold. With these devices and a CLEAR service plan, students can stay connected at school, whether in their home or on-the-go, as long as they are in the CLEAR coverage area. The back-to-school promotion kicked off July 1st and runs through August 31st.

"According to PriceGrabber[®] survey data, 35% of consumers start shopping for back-to-school items in July and 44% in August," said Dow Draper, senior vice president and general manager - CLEAR. "Our hope is that these consumers, and others, take advantage of our great offering. Not only will they save a significant amount of money on our unique products, but they will also enjoy a new way to stay connected with a true mobile broadband experience on CLEAR unlimited* internet plans and no long term contracts."

The CLEAR Spot Voyager is a personal mobile hotspot allowing users to easily and securely share unlimited* super-fast internet access, virtually anywhere within CLEAR coverage, simultaneously with up to eight Wi-Fi-enabled devices, including the iPad[®], iPhone[®], iPod[®] touch, laptops, smartphones, and portable gaming devices. The CLEAR Spot Voyager is manufactured by Infomark and carries a Manufacturer's Suggested Retail Price of \$99.99 and is on sale for \$49.99**. The device is 2.6" square, weighs only 2.1 ounces, and runs on a rechargeable battery that provides up to six hours of continuous use.***

The CLEAR Stick Atlas is manufactured by Ubee Interactive and carries a Manufacturer's Suggested Retail Price of \$49.99 and is on sale for \$24.99**. It is a mobile USB that doesn't require complicated software so you can instantly connect to the internet. The device is 1.2 inches wide by 3.25 inches high with a 0.65 inch diameter, weighing only 1.1 ounces. The color is charcoal grey with a matte finish, and includes an LED light showing signal strength and connection status. The device supports most operating systems, including: Windows[®] 7, Windows Vista[®], Windows[®] XP, Mac[®] OSX, Linux, Android[™] and Chrome.
