

GOVERNANCE & NOMINATING COMMITTEE CHARTER

I. Purpose

The Governance & Nominating Committee (the "Committee") is a committee of, and reports to, the Board of Directors (the "Board") of Cumberland Pharmaceuticals Inc. (the "Company"). The Committee shall be primarily responsible for the oversight of the Company's director nominations process, including recommending nominees to the Board for approval and for the development and maintenance of the Company's corporate governance policies.

II. Authority

Except as restricted by law, the Company's charter, or its bylaws, and except for such activities as the Board may specifically reserve for consideration or approval by the Board, the Committee shall have, and may exercise, all authority that is vested in the Board with respect to nomination and corporate governance related matters that may reasonably be considered or approved by the Committee.

The Committee shall be given the resources and assistance necessary to discharge its responsibilities. The Committee shall also have the authority to engage outside advisers as it deems necessary or appropriate and as approved by the Board.

III. Composition

The Committee shall be appointed by the Board. It shall consist of a minimum of one director and be composed solely of independent directors.¹ Each Committee member shall be appointed annually and shall serve until his or her Committee service is completed. The Committee Chairperson (the "Chair") shall also be appointed by the Board. Committee members must have an understanding of, and interest in, Board composition, nomination issues, and corporate governance issues.

IV. Meetings

The Committee shall meet at least once per year by teleconference or in person and as often as it determines is appropriate to carry out its responsibilities under this Charter. Meetings may be called by the Chair or by the Chairman of the Board of the Company. Committee Meetings may be held at any time, in any place and in any manner permitted by applicable law and the bylaws of the Company.

The presence in person or by telephone of a majority of the Committee shall constitute a quorum. The Committee may also act by unanimous written consent. Any member of the Board who is not a member of the Committee may attend any Committee meeting with the concurrence of the Chair. The Committee will maintain minutes or other records of its meetings and activities. The results of the meetings shall be reported to the full Board by the Chair.

To the extent practicable, the meeting agenda, draft minutes from the prior meeting and supporting materials shall be provided to members of the Committee prior to each meeting to allow time for review. The Committee shall have authority to create and delegate specific tasks to such standing or ad hoc subcommittees as it may determine to be necessary or appropriate for the discharge of its responsibilities, as long as the subcommittee contains at least the minimum number of directors necessary to meet any regulatory requirements.

¹ "Independent Director" is defined in accordance with NASDAQ listing standards and Securities and Exchange Commission regulations.
