The approximate date on which this statement and the enclosed proxy will be sent to stockholders will be March 24, 2014. The form of proxy indicates a space for you to withhold your vote for any proposal. You are urged to indicate your vote on each matter in the space provided. If signed but no space is marked, it will be voted upon by the persons named at the meeting: (i) for the election of five persons to our Board of Directors to serve until the 2015 annual meeting of stockholders, or until their respective successors are duly elected and qualified or until their earlier death, resignation, or removal; (ii) for the approval of the Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan; (iii) for the ratification of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and (iv) in their discretion, upon such other business as may properly come before the meeting.

Representatives of Grant Thornton LLP, our independent registered public accounting firm, are expected to attend the Annual Meeting.

We will bear the cost of the Board's proxy solicitation. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally and by telephone and e-mail, all without extra compensation.

At the close of business on Monday, March 17, 2014 (the "Record Date"), we had outstanding 54,145,633 shares of our common stock, par value \$0.001 per share. Each share of our common stock entitles the holder thereof on the Record Date to one vote on each matter submitted to a vote of stockholders at the Annual Meeting. Only stockholders at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares of our common stock. In the event that there are not sufficient proxies for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies.

Shares represented by proxies that are marked "abstain" or which are marked to deny discretionary authority will only be counted for determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In addition, where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided

voting instructions (commonly referred to as “broker non-votes”), those shares will not be included in the vote totals.

A list of the stockholders entitled to vote at the Annual Meeting will be available at our principal executive office located at 355 Alhambra Circle, Suite 1500, Coral Gables, Florida 33134 for a period of ten (10) days prior to the Annual Meeting for examination by any stockholder. The list will also be available for inspection at the Annual Meeting by any stockholder who is present.

Whether or not you plan to attend the Annual Meeting, please fill in, sign and return your proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

A STOCKHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE BY DELIVERING A LATER-DATED WRITTEN NOTICE TO THE CORPORATE SECRETARY OF THE COMPANY, BY EXECUTING A LATER-DATED PROXY OR BY ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON. UNLESS AUTHORITY IS WITHHELD, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors and persons who own more than 10% of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in their ownership of common stock. Officers, directors, and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations made to us that no other reports were required, during the year ended December 31, 2013 all Section 16(a) filings required to be filed by our officers, directors, and greater than 10% stockholders were timely filed.

Independent Directors

As required under NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent NASDAQ listing standards, as in effect from time to time. Consistent with these considerations, the Board affirmatively has determined that all of the Company's directors are independent directors within the meaning of the applicable NASDAQ listing standards, except for Mr. McEnany, the Company's President and Chief Executive Officer.

Corporate Governance

Our Board of Directors and management are committed to utilizing good corporate governance practices to ensure we are managed for the long-term benefit of our stockholders. We have in place a variety of policies and practices to promote good corporate governance. A majority of our Board of Directors is independent, in accordance with Nasdaq Capital Market listing standards, and all members of our Audit Committee, our Compensation Committee, and our Nominating and Corporate Governance Committee also meet Nasdaq standards for independence. We have also established:

- written charters for our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee that address corporate governance practices in accordance with the Sarbanes-Oxley Act, current Nasdaq corporate governance guidelines, and other applicable rules and regulations;
- a Code of Business Conduct and Ethics applicable to our officers, directors, and employees;
- a procedure for receipt and treatment of anonymous and confidential complaints or concerns regarding audit or accounting matters; and
- disclosure control policies and procedures.

The Nominating and Corporate Governance Committee of our Board of Directors is responsible for establishing and reviewing our corporate governance guidelines from time to time and reporting and making recommendations to the Board of Directors concerning corporate governance matters. Among the matters addressed by our corporate governance guidelines are:

- Director Independence—Independent directors shall constitute at least a majority of our Board of Directors and all of the Audit, Compensation, and Nominating and Corporate Governance Committees in accordance with the independence standards set forth in the Marketplace Rules for Nasdaq-listed companies.
- Executive Sessions of Independent Directors—Our non-employee directors regularly meet in executive sessions without management present.

Copies of our Code of Business Conduct and Ethics can be found on the corporate governance page of our Investor Relations website, located at <http://ir.catalystpharma.com/governance.cfm>.

Board Diversity

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment and diversity. The Nominating and Corporate Governance Committee construes diversity as meaning a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of our Board at that point in time.

Leadership Structure

Patrick J. McEnany serves as both our Chairman of the Board and CEO. The Board believes that independent oversight of management is an important component of an effective board of directors. The Board and its independent members believe that the most effective Board leadership structure at the present time is for the CEO to serve as Chairman of the Board, a structure that has served us well in the past. The independent members of the Board believe that because the CEO is ultimately responsible for our day-to-day operations and for executing our strategy, and because our performance is an integral part of the deliberations undertaken by the Board, the CEO is the director best qualified to act as our Chairman of the Board. The Board reserves the authority to modify this structure to best address and advance the interests of all stockholders, as and when appropriate.

The Board also believes, for the reasons set forth below, that our existing corporate governance practices achieve independent oversight and management accountability. Our governance practices provide for strong independent leadership, independent discussion among directors and for independent evaluation of, and communication with, our officers. These governance practices are reflected in our various committee charters, which are available on our website at www.catalystpharma.com. Some of the relevant processes and other corporate governance practices include:

- At each regularly scheduled Board meeting, all of our independent directors meet in an executive session without Mr. McEnany. In these executive sessions, the independent directors deliberate on matters such as those involving the performance of our officers.
- Each of our directors is elected annually by our stockholders.
- All of our directors, except for Mr. McEnany, are independent directors. Each director is an equal participant in decisions made by the full Board. All of the Committees of the Board are comprised of only independent directors.

Lead Independent Director

The Board of Directors of the Company has appointed a non-management director to serve in a lead capacity (the “Lead Independent Director”) to perform such duties and responsibilities as the Board of Directors may determine. Charles B. O’Keeffe serves as the Lead Independent Director. The role of the Lead Independent Director includes:

- in consultation with the Chairman, determining the length and timing of Board meetings, including regular and special meetings;
- determining the agenda and materials to be provided to directors in advance of each meeting of the Board;
- serving as chair of executive sessions of the Board and other meetings of the Board in the absence of the Chairman of the Board;
- serving as liaison between the Chairman of the Board and other independent directors;
- overseeing the Board’s stockholder communication policies and procedures; and
- calling meetings of independent directors.

Board Meetings and Committees

During 2013, our Board of Directors held six meetings and took two actions by unanimous written consent. For 2013, all of our directors attended at least 75% or more of the aggregate number of meetings held by our Board of Directors and the committees on which they served. Four of the members of our Board of Directors attended the 2013 Annual Meeting of Stockholders that was held on May 30, 2013. Directors are encouraged, but not required, to attend the Annual Meeting in person.

Audit Committee

The Audit Committee of the Board of Directors assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and reporting practices of the Company, and such other duties as directed by the Board. The Committee's purpose is to oversee the accounting and financial reporting processes of the Company, the audits of the Company's financial statements, the qualifications of the public accounting firm engaged as the Company's independent auditor to prepare or issue an audit report on the financial statements of the Company, and the performance of the Company's internal and independent auditors. The Committee's role includes a particular focus on the qualitative aspects of financial reporting to stockholders, the Company's processes to manage business and financial risk, and compliance with applicable legal, ethical, and regulatory requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent auditor.

The Board of Directors has determined that Philip Coelho, the chairman of the Audit Committee, is an "audit committee financial expert" as defined in Regulation S-K.

The Audit Committee held four meetings in 2013. The Audit Committee's charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Compensation Committee

The role of the Compensation Committee is to discharge the Board's responsibilities related to compensation of the Company's executives, to produce an annual report on executive compensation for inclusion in the Company's proxy statement, and to oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans.

The Compensation Committee held two meetings in 2013 and took two actions by unanimous written consent. The Compensation Committee's charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Nominating and Corporate Governance Committee

The role of the Nominating and Corporate Governance Committee is to appoint nominees for election to the Company's Board of Directors, to identify and recommend candidates to fill vacancies between annual stockholder meetings, to review, evaluate and recommend changes to the Company's corporate governance policies, and to review the Company's policies and programs that relate to matters of corporate responsibility, including public issues of significance to the Company and its stockholders.

The Nominating and Corporate Governance Committee held one meeting in 2013. The Nominating and Corporate Governance Committee's charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Risk Oversight

Risk oversight is administered through the Board as a whole. The Board does not believe that risk management issues have an effect on the Company's leadership structure. The Board provides feedback to management at regularly held board meetings. The independent directors meet in executive session at each meeting of the Board of Directors and provide insight to our management on a variety of topics, including risk oversight.

Audit Committee Report

Management has the primary responsibility for our internal control over financial reporting, the financial reporting process and preparation of our financial statements. Grant Thornton LLP, our independent registered

public accounting firm, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and to issue a report thereon. The Audit Committee's responsibility is to select the independent auditors and to monitor and oversee these processes.

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors. In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of our financial statements is compatible with maintaining the independent auditors' independence. During such discussions, the independent auditors confirmed that, as of December 31, 2013, they were independent accountants with respect to Catalyst Pharmaceutical Partners, Inc. within the meaning of applicable federal securities laws and the requirements of the PCAOB.

Based upon the audit committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2013.

The Audit Committee has also reviewed all non-audit services being provided by the independent auditors and has concluded that the provision of such services has been compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with representatives of the independent auditors and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by our independent accountants are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

EXECUTIVE COMPENSATION—DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee of our board of directors establishes and regularly reviews our compensation philosophy and programs, exercises authority with respect to the determination and payment of base and incentive compensation to our officers and administers our 2006 Stock Incentive Plan (the “2006 Plan”). Our Compensation Committee consists of four members, each of whom is independent as that term is defined in the Sarbanes-Oxley Act of 2002 and the rules and regulations that have been promulgated thereunder, and in the listing standards of the Nasdaq Capital Market. The Compensation Committee operates under a written charter that was first adopted by our board of directors in July 2006 and thereafter was amended and restated in February 2014. The charter more fully describes the role, responsibilities, and functioning of the Compensation Committee. A copy of the Committee’s charter can be viewed on our website at <http://ir.catalystpharma.com/governance.cfm>.

Narrative to Summary Compensation Table

Overview of compensation structure

The compensation structure for our named executive officers consists of three components — a base salary, discretionary bonuses based on performance and equity compensation. Each of these components is reflected in the Summary Compensation Table set forth above and is also discussed in further detail below.

Compensation program objectives and what our compensation program seeks to reward

Our executive compensation program is designed to retain our named executive officers and to motivate them to increase stockholder value on both an annual and longer term basis primarily by positioning our business to maximize our product development efforts and over time to turn those efforts into revenues and net income. To that end, compensation packages typically include significant incentive forms of stock-based compensation to ensure that each executive officer's interest is aligned with the interests of our stockholders.

Why each element of compensation is paid and how the amount of each element is determined

The following is a brief discussion of each element of our named executive officer compensation. The Compensation Committee intends to pay each of these elements in order to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace with which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our named executive officers.

Salaries. Mr. McEnany has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2013. Our other named executive officers (Ms. Grande and Dr. Miller) are employees at will. Since 2011, any increases in the salaries of our named executive officers have been made at the discretion of the Compensation Committee. Mr. McEnany, who serves as our Chief Executive Officer, receives no additional compensation for serving on our board of directors.

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreement with Mr. McEnany. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended.

In 2013, we paid a year-end cash bonus of five percent (5%) of base salary to each of our employees, including each of our named executive officers. This bonus for 2013 services was awarded on a discretionary basis by the Compensation Committee based on the Compensation Committee's assessment of the employees' performance during 2013. We also paid an additional bonus of \$20,000, \$12,500, and \$20,000, respectively, to Dr. Miller during 2013, 2012 and 2011 for services performed by Dr. Miller in each of these years.

Equity Compensation. We have previously granted stock options and restricted stock units to our officers, directors and consultants under the 2006 Plan. Under the 2006 Plan, unless otherwise determined by the Compensation Committee, equity compensation awards generally vest over a three-year period. We did not grant any stock options to our named executive officers during the 2013 fiscal year.

Perquisites. We offer health benefits to each of our named executive officers. Such benefits are identical to those received by all of our employees. None of our named executive officers receives any further perquisite benefit.

Employment Agreements and Potential Payments Upon Termination or Change in Control

We have an employment agreement with Patrick J. McEnany, our Chairman, President and Chief Executive Officer, which provides for the payment of a base salary plus bonus compensation based on performance. Mr. McEnany's employment agreement also contains a "change of control" severance arrangement if the employee is not retained in our employment after a change of control. The employment agreement for Mr. McEnany expires on November 8, 2016. After the expiration of his employment agreement, Mr. McEnany becomes an employee-at-will, and he will still be entitled to payments for termination without cause or in the event of a change in control, as set forth below.

Pursuant to the employment agreement that we have with Mr. McEnany, we may terminate his employment at any time for "cause", in which he would have no right to receive compensation or other benefits for any period after termination. Termination for "cause" may also occur when the executive performs dishonest acts intended to benefit the executive personally, the executive's willful neglect of the executive's duties, or failure to perform such duties because of gross negligence on the part of the executive, violation of any obligation under the executive's employment agreement not remedied by the executive after ten (10) days' notice of such violation, or the executive's arrest for, conviction of or plea of nolo contendere to a crime constituting a felony.

In certain circumstances, Mr. McEnany is entitled to severance pay. These circumstances include (1) his voluntary resignation after a change in control or a demotion, or our failure to perform our material obligations under his employment agreement and our failure to remedy such violation within ten (10) days' notice of such violation, (2) his termination without cause, (3) his total and permanent disability, or (4) his death.

A change in control under our employment agreement with Mr. McEnany includes:

- the sale, transfer, assignment or other disposition (including by merger or consolidation, but excluding any sales by stockholders made as part of an underwritten public offering of the common stock of the company), in one transaction or a series of related transactions, of more than fifty percent (50%) of the voting power represented by the then-outstanding capital stock of the Company to one or more Persons (other than to the executive officer or a "group" (as defined under the Securities Exchange Act of 1934) in which the executive officer is a member);
- the sale of substantially all of the assets of the Company (other than a transfer of financial assets made in the ordinary course of business for the purpose of securitization); or
- the liquidation or dissolution of the Company

Under any of those circumstances, the executive's severance package includes:

- the payment of any accrued but unpaid annual bonus at the time of termination;
- the payment of the executive's base salary for a period of at least twelve (12) months; and
- continuation of the executive's medical benefits, including to his family (in case of death or disability).

Effective December 16, 2011, we entered into a letter agreement with Ms. Grande regarding her continued employment with the Company. Under such letter agreement, if Ms. Grande is terminated without "cause" (such term is defined in the same manner as set forth above in the description of Mr. McEnany's employment agreement), she will receive twelve (12) months of base salary. Ms. Grande will also receive twelve (12) months of base salary if she resigns from her employment for "good reason." "Good reason" is defined as any material alteration by the Company of positions, functions, duties, or responsibilities, or a material decrease in base salary not agreed to by Ms. Grande.

The amounts payable to each executive officer with an employment agreement or letter agreement, in the event of termination, death, disability, or retirement, are set forth in the following chart assuming the event occurred on December 31, 2013:

<u>Name</u>	<u>Payment Due Upon Termination either by Company without Cause or Officer for Good Reason (1)</u>	<u>Payment Due Upon the Death or Permanent Disability of Officer (1)</u>	<u>Payment Due Upon a Termination by Company with Cause or Resignation or Retirement by Officer (1)</u>	<u>Payment Due upon a Change of Control</u>
Patrick J. McEnany	\$406,202	\$423,254	—	\$812,404
Alicia Grande	\$220,000	—	—	\$220,000
Steven R. Miller, Ph.D.	—	—	—	\$275,625

(1) Under our employment agreement with Mr. McEnany and our letter agreement with Ms. Grande, these amounts would have been payable to Mr. McEnany and Ms. Grande had their employment been terminated on December 31, 2013.

EQUITY COMPENSATION PLAN INFORMATION

Securities issued outside the 2006 Plan	729,610	\$0.69	—

2006 Stock Incentive Plan

In July 2006, we adopted the 2006 Plan. We have reserved 3,688,828 shares for issuance under the 2006 Plan. To date, options to purchase 3,598,888 shares of our common stock and 55,484 restricted shares of our common stock have been granted under the 2006 Plan. We presently have 217,604 shares of our common stock available for future grant under the 2006 Plan.

Administration. The Compensation Committee of our board of directors administers the 2006 Plan and determines which persons will receive grants of awards and the type of award to be granted to such persons. The Compensation Committee also interprets the provisions of the 2006 Plan and makes all other determinations that it deems necessary or advisable for the administration of the 2006 Plan.

Eligibility. All eligible individuals will be able to participate in the 2006 Plan. Eligible individuals include our directors, officers, employees, independent contractors and consultants, as well as individuals who have accepted an offer of employment with us.

Transferability of awards. Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and stock appreciation rights may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Change of control. If there is a change in control of Catalyst Pharmaceutical Partners, Inc., any award that is not exercisable and vested may become immediately exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation.

Amendments, modifications and termination. Our board of directors may, at any time, suspend or terminate the 2006 Plan, but the board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2006 Plan may be made without consent of our stockholders. In the event that an

award is granted to a person residing outside of the United States, the board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2006 Plan will terminate 10 years after its effective date.

2014 Stock Incentive Plan

In February 2014, our Board of Directors adopted the “Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan” (the “2014 Plan”). Our stockholders are being asked to approve the 2014 Plan at the 2014 annual meeting of stockholders. “Proposal Two — Approval of the Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan” below (“Proposal Two”), which begins on page 23 of this proxy statement, describes the terms of the 2014 Plan. If the 2014 Plan is approved, no further equity grants will be made under the 2006 Plan.

Vote Required

The election of directors requires a plurality of the votes cast by the holders of our common stock. A “plurality” means the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the election of directors.

The Board of Directors recommends a vote in favor of those persons nominated for election to the Board of Directors.

**PROPOSAL TWO
APPROVAL OF THE CATALYST PHARMACEUTICAL PARTNERS, INC.
2014 STOCK INCENTIVE PLAN**

General

We currently have in effect the 2006 Plan, the features of which are described in “Equity Compensation Plan Information — 2006 Stock Incentive Plan” on page 16 of this proxy statement. As of March 17, 2014, there

were options to purchase 2,672,296 shares of common stock outstanding under the 2006 Plan, with a weighted average exercise price of \$0.81 per share. Further, 217,604 shares of common stock remained available for future issuance under the 2006 Plan.

The Board of Directors and the Compensation Committee have determined that the number of shares available under the 2006 Plan are insufficient to meet the Company's needs for future periods. In addition, the 2006 Plan will terminate in accordance with its terms in 2016. As a result, we are asking our stockholders to approve the "Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan" (the "2014 Plan"), pursuant to which 4,000,000 shares of our common stock will be reserved for issuance. The 2014 Plan, if approved by our stockholders, will replace the 2006 Plan. A copy of the 2014 Plan is Annex "A" to this proxy statement.

Administration

The Compensation Committee of the Board of Directors will administer the 2014 Plan and determine which persons will receive grants of awards and the type of award to be granted to such persons. The Compensation Committee will also interpret the provisions of the 2014 Plan and make all other determinations that it deems necessary or advisable for the administration of the 2014 Plan.

Eligibility to Participate in the 2014 Plan

All eligible individuals will be able to participate in the 2014 Plan. Eligible individuals include our directors, officers, employees, independent contractors and consultants, as well as individuals who have accepted an offer of employment with us.

Form of Awards

Awards under the 2014 Plan may be granted in any one or all of the following forms: (i) Incentive Stock Options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), (ii) stock options that are not Incentive Stock Options ("Non-Qualified Stock Options", unless otherwise noted herein, "Options" refers to both Incentive Stock Options and Non-Qualified Stock Options), (iii) the right to receive all or some portion of the increase in value of a fixed number of shares of the Company's common stock ("Stock Appreciation Rights" or "SARs"), which may be awarded either in tandem with Options or on a stand-alone basis, (iv) shares of Common Stock that are restricted ("Restricted Shares"), (v) the right to receive shares of the Company's common stock at the end of a specified period ("RSUs"), (vi) the right to receive a fixed number of shares of the Company's common stock, or the cash equivalent, which is contingent on the achievement of certain performance goals ("Performance Shares"), and (vii) the right to receive a designated dollar value, or shares of the Company's common stock of the equivalent value, which is contingent on the achievement of certain performance goals ("Performance Units").

Stock Options

Options may be granted under the 2014 Plan for the purchase of shares of our common stock. The Compensation Committee may designate Options as either Incentive Stock Options or Non-Qualified Stock Options. The term of each Option granted will be determined by the Compensation Committee. However, no Incentive Stock Option will be exercisable more than ten years after the date it is granted, or in the case of an Incentive Stock Option granted to an employee owning more than 10% of the total combined voting power of all classes of stock of the Company (a "10% Stockholder"), more than five years after the date it is granted.

The purchase price per share under each Incentive Stock Option will be specified by the Compensation Committee, but in no event may it be less than 100% of the market price per share of our common stock on the date the Incentive Stock Option is granted. In the case of an Incentive Stock Option granted to a 10% Stockholder, the purchase price per share must not be less than 110% of the market price of our common stock on the date of grant.

Options may be exercised in whole or in part. Payment for such exercise must be made in cash or through the delivery to the Company of shares of common stock previously owned by the Option holder. The Compensation Committee, in its sole and absolute discretion, may allow other forms of payment.

Stock Appreciation Rights

Stock Appreciation Rights may be awarded by the Compensation Committee in such amounts and on such terms and conditions as the Compensation Committee shall determine, in its sole and absolute discretion. The terms and conditions of any Stock Appreciation Right shall be substantially identical to the terms and conditions that would apply if the grant of such Stock Appreciation Right had been the grant of an Option.

Upon exercise of a Stock Appreciation Right, the owner of such Stock Appreciation Right shall be entitled to receive payment in cash, in shares of common stock, or a combination thereof, as determined by the Compensation Committee in its sole and absolute discretion. The amount of such payment shall be determined by multiplying the excess, if any, of the fair market value of a share of common stock on the date of exercise over the fair market value of the common stock on the grant date, by the number of shares of common stock with respect to which the Stock Appreciation Rights are being exercised.

Restricted Stock

Shares of Restricted Stock may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. The Compensation Committee shall impose such restrictions on any Restricted Stock granted under the 2014 Plan as it may deem advisable.

Except as provided by the Compensation Committee in its sole and absolute discretion, Restricted Stock granted under the 2014 Plan will vest over a four year period after the grant date in equal annual increments of 25%. Shares of Restricted Stock may also be granted subject to performance goals, and such shares will be released from restrictions only after the attainment of such performance goals has been certified by the Compensation Committee.

Unless otherwise provided by the Compensation Committee, until the expiration of all applicable restrictions, (i) the Restricted Stock is treated as outstanding common stock in the Company, (ii) the participant holding shares of Restricted Stock may exercise full voting rights with respect to such shares, and (iii) the participant holding shares of Restricted Stock is entitled to all dividends and other distributions paid with respect to such shares while they are so held.

RSUs

RSUs may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. The Compensation Committee shall impose such restrictions on any RSUs granted under the 2014 Plan as it may deem advisable.

Unless otherwise provided by the Compensation Committee in an award agreement, upon the expiration of all applicable restrictions, shares of the Company's common stock will be paid within 60 days following the date the restrictions lapse. Participant's holding RSUs will not have any rights of a stockholder until the underlying shares of the Company's common stock are delivered.

Performance Shares and Performance Units

Performance Shares and Performance Units may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. Performance Shares and Performance Units are intended to be treated as "performance compensation" pursuant to

Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder and will be subject to the attainment of one or more pre-established performance goals. Such performance goals shall be established by the Committee in writing (other than options and SARs) and shall be based on one or more of the following business criteria: (i) the attainment of certain target levels of, or a specified increase in, the Company's enterprise value or value creation targets; (ii) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax profits including, without limitation, that attributable to the Company's continuing and/or other operations; (iii) the attainment of certain target levels of, or a specified increase relating to, the Company's operational cash flow or working capital, or a component thereof; (iv) the attainment of certain target levels of, or a specified decrease relating to, the Company's operational costs, or a component thereof; (v) the attainment of a certain level of reduction of, or other specified objectives with regard to limiting the level of increase in all or a portion of bank debt or other of the Company's long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee; (vi) the attainment of a specified percentage increase in earnings per share or earnings per share from the Company's continuing operations; (vii) the attainment of certain target levels of, or a specified percentage increase in, the Company's net sales, revenues, net income or earnings before income tax or other exclusions; (viii) the attainment of certain target levels of, or a specified increase in, the Company's return on capital employed or return on invested capital; (ix) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax return on stockholder equity; (x) the attainment of certain target levels in the fair market value of the Company's common stock; (xi) the growth in the value of an investment in the common stock assuming the reinvestment of dividends; (xii) the attainment of certain target levels of, or a specified increase in, EBITDA (earnings before income tax, depreciation and amortization); and/or attainment of synergies and cost reductions in connection with mergers, acquisitions and similar corporate transactions involving the Company.

As soon as practicable after the end of a performance period (as set forth by the Compensation Committee), the Compensation Committee shall determine to what extent the Performance Shares or Performance Units have been earned on the basis of the Company's performance.

Transferability of Awards

Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and SARs may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Treatment of Awards upon a Change in Control

If there is a change in control of Catalyst Pharmaceutical Partners, Inc., any award that is not exercisable and vested may immediately become exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation.

Amendments, Modifications and Termination

Our board of directors may, at any time, amend, suspend or terminate the 2014 Plan, but the board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2014 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the board may, at its discretion, modify the terms of the agreement to comply with

the laws of the country of which the eligible individual is a resident. The 2014 Plan will terminate 10 years after its effective date.

The Board of Directors recommends that the stockholders approve the above-described proposal to adopt the 2014 Stock Incentive Plan.

CATALYST PHARMACEUTICAL PARTNERS, INC.

2014 STOCK INCENTIVE PLAN**1. ESTABLISHMENT, EFFECTIVE DATE AND TERM**

Catalyst Pharmaceutical Partners, Inc., a Delaware corporation (the “Company”), hereby establishes the Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan (the “Plan”). The Effective Date of the Plan shall be the later of: (i) the date the Plan was approved by the Board, and (ii) the date the Plan was approved by the stockholders of the Company in accordance with the laws of the State of Delaware, or such later date as provided in the resolutions adopting the Plan; provided, however, no Award may be granted unless and until the Plan has been approved by the stockholders of the Company. Unless earlier terminated pursuant to Section 15(k) hereof, the Plan shall terminate on the tenth anniversary of the Effective Date. Capitalized terms used herein are defined in Appendix A attached hereto.

As of the Effective Date no new awards shall be granted under the Catalyst Pharmaceutical Partners, Inc. 2006 Stock Incentive Plan (the “2006 Plan”); provided, however, that the awards outstanding under the 2006 Plan as of the Effective Date shall continue on their terms.

2. PURPOSE

The purpose of the Plan is to enable the Company Group to attract, retain, reward and motivate Eligible Individuals by providing them with an opportunity to acquire or increase a proprietary interest in the Company and to incentivize them to expend maximum effort for the growth and success of the Company, so as to strengthen the mutuality of the interests between the Eligible Individuals and the stockholders of the Company.

3. ELIGIBILITY

Awards may be granted under the Plan to any Eligible Individual, as determined by the Committee from time to time, on the basis of their importance to the business of the Company Group, pursuant to the terms of the Plan.

4. ADMINISTRATION

(a) Committee. The Plan shall be administered by the Committee, which shall have the full power and authority to take all actions, and to make all determinations not inconsistent with the specific terms and provisions of the Plan and deemed by the Committee to be necessary or appropriate to the administration of the Plan, any Award granted or any Award Agreement entered into hereunder. The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award Agreement in the manner and to the extent it shall deem expedient to carry the Plan into effect as it may determine in its sole discretion. The decisions by the Committee shall be final, conclusive and binding with respect to the interpretation and administration of the Plan, any Award or any Award Agreement entered into under the Plan. The Committee may, in its sole discretion, accelerate the vesting, exercisability or lapse of restrictions with respect to any Award, provided that the exercise of such discretion is not otherwise prohibited by the Plan or violates the requirements of the Code.

(b) Delegation to Officers or Employees. The Committee may designate officers or employees of the Company to assist the Committee in the administration of the Plan. The Committee may delegate authority to officers or employees of the Company to grant Awards and execute Award Agreements or other documents on behalf of the Committee in connection with the administration of the Plan, subject to whatever limitations or restrictions the Committee may impose and in accordance with applicable law.

(c) Designation of Advisors. The Committee may designate professional advisors to assist the Committee in the administration of the Plan. The Committee may employ such legal counsel, consultants, and agents as it may deem desirable for the administration of the Plan and may rely upon any advice and any computation received from any such counsel, consultant, or agent. The Company shall pay all expenses and costs incurred by the Committee for the engagement of any such counsel, consultant, or agent.

(d) Participants Outside the U.S. In order to conform with the provisions of local laws and regulations of foreign countries which may affect the Awards or the Participants, the Committee shall have the sole discretion to (i) modify the terms and conditions of the Awards granted under the Plan to Eligible Individuals located outside the United States; (ii) establish subplans with such modifications as may be necessary or advisable under the circumstances present by local laws and regulations; and (iii) take any action which it deems advisable to comply with or otherwise reflect any necessary governmental regulatory procedures, or to obtain any exemptions or approvals necessary with respect to the Plan or any subplan established hereunder.

(e) Liability and Indemnification. No Covered Individual shall be liable for any action or determination made in good faith with respect to the Plan, any Award granted hereunder or any Award Agreement entered into hereunder. The Company shall, to the maximum extent permitted by applicable law and its Certificate of Incorporation and Bylaws, indemnify and hold harmless each Covered Individual against any cost or expense (including reasonable attorney fees reasonably acceptable to the Company) or liability (including any amount paid in settlement of a claim with the approval of the Company), and amounts advanced to such Covered Individual necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the Plan, any Award granted hereunder or any Award Agreement entered into hereunder. Such indemnification shall be in addition to any rights of indemnification such individuals may have under other agreements, applicable law or under the Articles of Incorporation or Bylaws of the Company. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by a Covered Individual with regard to Awards granted to such Covered Individual under the Plan or arising out of such Covered Individual's own fraud or bad faith.

5. SHARES OF COMMON STOCK SUBJECT TO PLAN

(a) Shares Available for Awards. The Common Stock that may be issued pursuant to Awards granted under the Plan shall be treasury shares or authorized but unissued shares of the Common Stock. The total number of shares of Common Stock that may be issued pursuant to Awards granted under the Plan shall be Four Million (4,000,000) shares.

(b) Certain Limitations on Specific Types of Awards. The granting of Awards under this Plan shall be subject to the following limitations:

(i) With respect to the shares of Common Stock issuable pursuant to this Section, a maximum of Four Million (4,000,000) of such shares may be subject to grants of Incentive Stock Options;

(ii) With respect to the shares of Common Stock issuable pursuant to this Section, a maximum of One Million (1,000,000) such shares may be issued in connection with Awards, other than Options and Stock Appreciation Rights, that are settled in Common Stock;

(iii) With respect to the shares of Common Stock issuable pursuant to this Section, a maximum of Three Hundred Thousand (300,000) of such shares may be subject to grants of Options or Stock Appreciation Rights to any one Eligible Individual during any one fiscal year;

(iv) With respect to the shares of Common Stock issuable pursuant to this Section, a maximum of Two Hundred Thousand (200,000) of such shares may be subject to grants of Performance Shares, Restricted Stock, and Awards of Common Stock to any one Eligible Individual during any one fiscal year; and

(v) The maximum value at Grant Date of grants of Performance Units or other Awards contingent on achievement of Performance Goals which may be granted to any one Eligible Individual during any one fiscal year shall be \$500,000.

(vi) The maximum number of shares of Common Stock that may be issued under all Awards granted in a fiscal year shall not exceed Three percent (3%) of the Company's maximum authorized and outstanding shares of Common Stock at any time during said fiscal year; provided, however, that (A) such limitation shall not include any awards assumed in connection with a corporate transaction, and (B) any shares of Common Stock repurchased or redeemed by the Company after any Awards have been made which have been authorized by the Board shall nevertheless be deemed to be outstanding for purposes of calculating whether there has been a violation of this Section 5(b)(iv).

(c) Reduction of Shares Available for Awards. Upon the granting of an Award, the number of shares of Common Stock available for issuance under this Section for the granting of further Awards shall be reduced as follows:

(i) In connection with the granting of an Option or Stock Appreciation Right, the number of shares of Common Stock shall be reduced by the number of shares of Common Stock subject to the Option or Stock Appreciation Right;

(ii) In connection with the granting of an Award that is settled in Common Stock, other than the granting of an Option or Stock Appreciation Right, the number of shares of Common Stock shall be reduced by the number of shares of Common Stock subject to the Award; and

(iii) Awards settled in cash or property other than Common Stock shall not count against the total number of shares of Common Stock available to be granted pursuant to the Plan.

(d) Cancelled, Forfeited, or Surrendered Awards. Notwithstanding anything to the contrary in this Plan, if any Award is cancelled, forfeited or terminated for any reason prior to exercise, delivery or becoming vested in full, the shares of Common Stock that were subject to such Award shall, to the extent cancelled, forfeited or terminated, immediately become available for future Awards granted under this Plan, as if said Awards had never been granted; provided, however, that any shares of Common Stock subject to an Award which is cancelled, forfeited or terminated in order to pay the exercise price of a stock option, purchase price or any taxes or tax withholdings on an Award shall not be available for future Awards granted under this Plan.

(e) Recapitalization. If the outstanding shares of Common Stock are increased or decreased or changed into or exchanged for a different number or kind of shares or other securities by reason of any recapitalization, reclassification, reorganization, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock of the Company or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, an appropriate and proportionate adjustment shall be made by the Committee including to: (i) the limits with respect to number and kind of shares (including, but not limited to, the limits of the number of shares of Common Stock described in Section 5(a) and (b)), (ii) the calculation of the reduction of shares of Common Stock available under the Plan, (iii) the number and kind of shares of Common Stock issuable pursuant to outstanding Awards granted under the Plan and/or (iv) the Exercise Price of outstanding Options or Stock Appreciation Rights granted under the Plan. No fractional shares of Common Stock or units of other securities shall be issued pursuant to any such adjustment under this Section 5(e), and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share or unit. Any adjustments made under this Section 5(e) with respect to any Incentive Stock Options must be made in accordance with Code Section 424.

6. OPTIONS

(a) Grant of Options. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Options to purchase such number of shares of Common

Stock and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of an Option shall satisfy the requirements set forth in this Section.

(b) Type of Options. Each Option granted under the Plan may be designated by the Committee, in its sole discretion, as either (i) an Incentive Stock Option, or (ii) a Non-Qualified Stock Option. Options designated as Incentive Stock Options that fail to continue to meet the requirements of Code Section 422 shall be re-designated as Non-Qualified Stock Options automatically on the date of such failure to continue to meet such requirements without further action by the Committee. In the absence of any designation, Options granted under the Plan will be deemed to be Non-Qualified Stock Options.

(c) Exercise Price. Subject to the limitations set forth in the Plan relating to Incentive Stock Options, the Exercise Price of an Option shall be fixed by the Committee and stated in the respective Award Agreement, provided that the Exercise Price of the shares of Common Stock subject to such Option may not be less than Fair Market Value of such Common Stock on the Grant Date, or if greater, the par value of the Common Stock.

(d) Limitation on Repricing. Unless such action is approved by the Company's stockholders in accordance with applicable law: (i) no outstanding Option granted under the Plan may be amended to provide an Exercise Price that is lower than the then-current Exercise Price of such outstanding Option (other than adjustments to the Exercise Price pursuant to Sections 5(f) and 12); (ii) the Committee may not cancel any outstanding Option and grant in substitution therefore new Awards under the Plan covering the same or a different number of shares of Common Stock and having an Exercise Price lower than the then-current Exercise Price of the cancelled Option (other than adjustments to the Exercise Price pursuant to Sections 5(f) and 12); and (iii) the Committee may not authorize the repurchase of an outstanding Option which has an Exercise Price that is higher than the then-current fair market value of the Common Stock (other than adjustments to the Exercise Price pursuant to Sections 5(f) and 12).

(e) Limitation on Option Period. Subject to the limitations set forth in the Plan relating to Incentive Stock Options, Options granted under the Plan and all rights to purchase Common Stock thereunder shall terminate no later than the tenth anniversary of the Grant Date of such Options, or on such earlier date as may be stated in the Award Agreement relating to such Option. In the case of Options expiring prior to the tenth anniversary of the Grant Date, the Committee may in its discretion, at any time prior to the expiration or termination of said Options, extend the term of any such Options for such additional period as it may determine, but in no event beyond the tenth anniversary of the Grant Date thereof.

(f) Limitations on Incentive Stock Options. Notwithstanding any other provisions of the Plan, the following provisions shall apply with respect to Incentive Stock Options granted pursuant to the Plan.

(i) Limitation on Grants. Incentive Stock Options may only be granted to Section 424 Employees. The aggregate Fair Market Value (determined at the time such Incentive Stock Option is granted) of the shares of Common Stock for which any individual may have Incentive Stock Options which first become vested and exercisable in any calendar year (under all incentive stock option plans of the Company) shall not exceed \$100,000. Options granted to such individual in excess of the \$100,000 limitation, and any Options issued subsequently which first become vested and exercisable in the same calendar year, shall automatically be treated as Non-Qualified Stock Options.

(ii) Minimum Exercise Price. In no event may the Exercise Price of a share of Common Stock subject an Incentive Stock Option be less than 100% of the Fair Market Value of such share of Common Stock on the Grant Date.

(iii) Ten Percent Stockholder. Notwithstanding any other provision of the Plan to the contrary, in the case of Incentive Stock Options granted to a Section 424 Employee who, at the time the Option is granted, owns (after application of the rules set forth in Code Section 424(d)) stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company, such

Incentive Stock Options (i) must have an Exercise Price per share of Common Stock that is at least 110% of the Fair Market Value as of the Grant Date of a share of Common Stock, and (ii) must not be exercisable after the fifth anniversary of the Grant Date.

(g) Vesting Schedule and Conditions. No Options may be exercised prior to the satisfaction of the conditions and vesting schedule provided for in the Plan and in the Award Agreement relating thereto. Except as otherwise provided by the Committee, Options covered by any Award under this Plan that are subject solely to a future service requirement shall vest, subject to Sections 10, 12 and 13 of the Plan, as follows: (i) 20% of the Options subject to an Award shall vest immediately upon the Grant Date; and (ii) the remaining 80% of the Options subject to an Award shall vest over the four-year period immediately following the Grant Date in equal annual increments of 20%, with one increment vesting on each anniversary date of the Grant Date.

(h) Exercise. When the conditions to the exercise of an Option have been satisfied, the Participant may exercise the Option only in accordance with the following provisions. The Participant shall deliver to the Company a written notice stating that the Participant is exercising the Option and specifying the number of shares of Common Stock which are to be purchased pursuant to the Option, and such notice shall be accompanied by payment in full of the Exercise Price of the shares for which the Option is being exercised, by one or more of the methods provided for in the Plan. Said notice must be delivered to the Company at its principal office and addressed to the attention of the Chief Executive Officer. An attempt to exercise any Option granted hereunder other than as set forth in the Plan shall be invalid and of no force and effect.

(i) Payment. Payment of the Exercise Price for the shares of Common Stock purchased pursuant to the exercise of an Option shall be made by one of the following methods:

(i) by cash, certified or cashier's check, bank draft or money order;

(ii) through the delivery to the Company of shares of Common Stock which have been previously owned by the Participant for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes; such shares shall be valued, for purposes of determining the extent to which the Exercise Price has been paid thereby, at their Fair Market Value on the date of exercise; without limiting the foregoing, the Committee may require the Participant to furnish an opinion of counsel acceptable to the Committee to the effect that such delivery would not result in the Company incurring any liability under Section 16(b) of the Exchange Act; or

(iii) by any other method which the Committee, in its sole and absolute discretion and to the extent permitted by applicable law, may permit, including, but not limited to through a "cashless exercise sale and remittance procedure" pursuant to which the Participant shall concurrently provide irrevocable instructions (1) to a brokerage firm approved by the Committee to effect the immediate sale of the purchased shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate Exercise Price payable for the purchased shares plus all applicable federal, state and local income, employment, excise, foreign and other taxes required to be withheld by the Company by reason of such exercise and (2) to the Company to deliver the certificates for the purchased shares directly to such brokerage firm in order to complete the sale.

(j) Termination of Employment. Unless otherwise provided in an Award Agreement, upon the termination of the employment and other service of a Participant with the Company Group for any reason, all of the Participant's outstanding Options (whether vested or unvested) shall be subject to the rules of this paragraph. Upon such termination, the Participant's unvested Options shall expire. Notwithstanding anything in this Plan to the contrary, the Committee may provide, in its sole and absolute discretion, that following the termination of employment and other service of a Participant with the Company Group for any reason (i) any unvested Options held by the Participant that vest solely upon a future service requirement shall vest in whole or in part, at any time subsequent to such termination of employment and other service, and/or (ii) a Participant or the Participant's estate, devisee or heir at law (whichever is applicable), may exercise an Option, in whole or in part,

at any time subsequent to such termination of employment and other service and prior to the termination of the Option pursuant to its terms that are unrelated to termination of service. Unless otherwise determined by the Committee, temporary absence from employment and other service because of illness, vacation, approved leaves of absence or military service shall not constitute a termination of employment or other service.

(i) Termination for Reason Other Than Cause, Disability or Death. If a Participant's termination of employment and other service is for any reason other than death, Disability or Cause, any Option held by such Participant may be exercised, to the extent exercisable at termination, by the Participant at any time within a period not to exceed ninety (90) days from the date of such termination, but in no event after the termination of the Option pursuant to its terms that are unrelated to termination of service.

(ii) Disability. If a Participant's termination of employment and other service with the Company is by reason of a Disability of such Participant, any Option held by such Participant may be exercised, to the extent exercisable at termination, by the Participant at any time within a period not to exceed one (1) year after such termination, but in no event after the termination of the Option pursuant to its terms that are unrelated to termination of service; provided, however, that if the Participant dies within such period, any vested Option held by such Participant upon death shall be exercisable by the Participant's estate, devisee or heir at law (whichever is applicable) for a period not to exceed one (1) year after the Participant's death, but in no event after the termination of the Option pursuant to its terms that are unrelated to termination of service.

(iii) Death. If a Participant dies while in the employment or other service of the Company, any Option held by such Participant may be exercised, to the extent exercisable at termination, by the Participant's estate or the devisee named in the Participant's valid last will and testament or the Participant's heir at law who inherits the Option, at any time within a period not to exceed one (1) year after the date of such Participant's death, but in no event after the termination of the Option pursuant to its terms that are unrelated to termination of service.

(iv) Termination for Cause. In the event the termination is for Cause, any Option held by the Participant at the time of such termination shall be deemed to have terminated and expired upon the date of such termination.

7. STOCK APPRECIATION RIGHTS

(a) Grant of Stock Appreciation Rights. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Stock Appreciation Rights, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of a Stock Appreciation Right shall satisfy the requirements as set forth in this Section.

(b) Terms and Conditions of Stock Appreciation Rights. Unless otherwise provided in an Award Agreement, the terms and conditions (including, without limitation, the limitations on the Exercise Price, exercise period, repricing and termination) of the Stock Appreciation Right shall be substantially identical (to the extent possible taking into account the differences related to the character of the Stock Appreciation Right) to the terms and conditions that would have been applicable under Section 6 above were the grant of the Stock Appreciation Rights a grant of an Option.

(c) Exercise of Stock Appreciation Rights. Stock Appreciation Rights shall be exercised by a Participant only by written notice delivered to the Chief Executive Officer of the Company, specifying the number of shares of Common Stock with respect to which the Stock Appreciation Right is being exercised.

(d) Payment of Stock Appreciation Right. Unless otherwise provided in an Award Agreement, upon exercise of a Stock Appreciation Right, the Participant or Participant's estate, devisee or heir at law (whichever is applicable) shall be entitled to receive payment, in cash, in shares of Common Stock, or in a combination thereof, as determined by the Committee in its sole and absolute discretion. The amount of such payment shall be determined by multiplying the excess, if any, of the Fair Market Value of a share of Common Stock on the date

of exercise over the Fair Market Value of a share of Common Stock on the Grant Date, by the number of shares of Common Stock with respect to which the Stock Appreciation Rights are then being exercised. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to a Stock Appreciation Right by including such limitation in the Award Agreement.

8. RESTRICTED STOCK

(a) Grant of Restricted Stock. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Restricted Stock, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of Restricted Stock shall satisfy the requirements as set forth in this Section.

(b) Restrictions. The Committee shall impose such restrictions on any Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, time-based vesting restrictions or the attainment of Performance Goals. The determination with respect to achievement of Performance Goals shall be made pursuant to Section 9 hereof. Except as otherwise provided by the Committee in its sole and absolute discretion and subject to Sections 10, 12 and 13 of the Plan, Restricted Stock covered by any Award under this Plan that are subject solely to a future service requirement shall vest over the four-year period immediately following the Grant Date in equal annual increments of 25%, with one increment vesting on each anniversary date of the Grant Date.

(c) Certificates and Certificate Legend. With respect to a grant of Restricted Stock, the Company may issue a certificate evidencing such Restricted Stock to the Participant or issue and hold such shares of Restricted Stock for the benefit of the Participant until the applicable restrictions expire. The Company may legend the certificate representing Restricted Stock to give appropriate notice of such restrictions. In addition to any such legends, each certificate representing shares of Restricted Stock granted pursuant to the Plan shall bear the following legend:

“Shares of stock represented by this certificate are subject to certain terms, conditions, and restrictions on transfer as set forth in Catalyst Pharmaceutical Partners, Inc. 2014 Stock Incentive Plan (the “Plan”), and in an agreement entered into by and between the registered owner of such shares and Catalyst Pharmaceutical Partners, Inc. (the “Company”), dated _____, 20____ (the “Award Agreement”). A copy of the Plan and the Award Agreement may be obtained from the Secretary of the Company.”

(d) Removal of Restrictions. Except as otherwise provided in the Plan or the Award Agreement, shares of Restricted Stock shall become freely transferable by the Participant upon the lapse of the applicable restrictions. Once the shares of Restricted Stock are released from the restrictions, the Participant shall be entitled to have the legend required by paragraph (c) above removed from the share certificate evidencing such Restricted Stock and the Company shall pay or distribute to the Participant all dividends and distributions held in escrow by the Company with respect to such Restricted Stock, if any.

(e) Stockholder Rights. Unless otherwise provided in an Award Agreement, until the expiration of all applicable restrictions, (i) the Restricted Stock shall be treated as outstanding, (ii) the Participant holding shares of Restricted Stock may exercise full voting rights with respect to such shares, and (iii) the Participant holding shares of Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such shares while they are so held. If any such dividends or distributions are paid in shares of Common Stock, such shares shall be subject to the same restrictions on transferability and forfeitability as the shares of Restricted Stock with respect to which they were paid. Notwithstanding anything to the contrary, at the discretion of the Committee, all such dividends and distributions may be held in escrow by the Company (subject to the same restrictions on forfeitability) until all restrictions on the respective Restricted Stock have lapsed.

(f) Termination of Service. Unless otherwise provided in an Award Agreement, if a Participant’s employment and other service with the Company terminates for any reason, all unvested shares of Restricted

Stock held by the Participant and any dividends or distributions held in escrow by the Company with respect to such Restricted Stock shall be forfeited immediately and returned to the Company. Notwithstanding this paragraph, all grants of Restricted Stock that vest solely upon the attainment of Performance Goals shall be treated pursuant to the terms and conditions that would have been applicable under Section 9 as if such grants of Restricted Stock were Awards of Performance Shares, to the extent such terms and conditions are applicable to shares of Restricted Stock. Notwithstanding anything in this Plan to the contrary, the Committee may provide, in its sole and absolute discretion, that following the termination of employment and other service of a Participant with the Company for any reason, any unvested shares of Restricted Stock held by the Participant that vest solely upon a future service requirement shall vest in whole or in part, at any time subsequent to such termination of employment and other service.

9. PERFORMANCE SHARES, PERFORMANCE UNITS AND RSUs

(a) Grant of Performance Shares, Performance Units and RSUs. Subject to the terms and conditions of the Plan, the Committee may grant to such Eligible Individuals as the Committee may determine, Performance Shares, Performance Units and RSUs, in such amounts and on such terms and conditions as the Committee shall determine in its sole and absolute discretion. Each grant of a Performance Share, a Performance Unit or an RSU shall satisfy the requirements as set forth in this Section.

(b) Performance Goals. Performance Goals will be based on one or more of the following criteria, as determined by the Committee in its absolute and sole discretion: (i) the attainment of certain target levels of, or a specified increase in, the Company's enterprise value or value creation targets; (ii) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax profits including, without limitation, that attributable to the Company's continuing and/or other operations; (iii) the attainment of certain target levels of, or a specified increase relating to, the Company's operational cash flow or working capital, or a component thereof; (iv) the attainment of certain target levels of, or a specified decrease relating to, the Company's operational costs, or a component thereof; (v) the attainment of a certain level of reduction of, or other specified objectives with regard to limiting the level of increase in all or a portion of bank debt or other of the Company's long-term or short-term public or private debt or other similar financial obligations of the Company, which may be calculated net of cash balances and/or other offsets and adjustments as may be established by the Committee; (vi) the attainment of a specified percentage increase in earnings per share or earnings per share from the Company's continuing operations; (vii) the attainment of certain target levels of, or a specified percentage increase in, the Company's net sales, revenues, net income or earnings before income tax or other exclusions; (viii) the attainment of certain target levels of, or a specified increase in, the Company's return on capital employed or return on invested capital; (ix) the attainment of certain target levels of, or a percentage increase in, the Company's after-tax or pre-tax return on stockholder equity; (x) the attainment of certain target levels in the fair market value of the Company's Common Stock; (xi) the growth in the value of an investment in the Common Stock assuming the reinvestment of dividends; (xii) the attainment of certain target levels of, or a specified increase in, EBITDA (earnings before income tax, depreciation and amortization); and/or attainment of synergies and cost reductions in connection with mergers, acquisitions and similar corporate transactions involving the Company. In addition, Performance Goals may be based upon the attainment by a subsidiary, division or other operational unit of the Company of specified levels of performance under one or more of the measures described above. Further, the Performance Goals may be based upon the attainment by the Company (or a subsidiary, division, facility or other operational unit of the Company) of specified levels of performance under one or more of the foregoing measures relative to the performance of other corporations. To the extent permitted under Code Section 162(m) of the Code (including, without limitation, compliance with any requirements for stockholder approval), the Committee may, in its sole and absolute discretion: (i) designate additional business criteria upon which the Performance Goals may be based; (ii) modify, amend or adjust the business criteria described herein; or (iii) incorporate in the Performance Goals provisions regarding changes in accounting methods, corporate transactions (including, without limitation, dispositions or acquisitions) and similar events or circumstances. Performance Goals may include a threshold level of performance below which

no Award will be earned, levels of performance at which an Award will become partially earned and a level at which an Award will be fully earned.

(c) Terms and Conditions:

(i) *Performance Shares and Performance Units.* The applicable Award Agreement shall set forth (A) the number of Performance Shares or the dollar value of Performance Units granted to the Participant; (B) the Performance Period and Performance Goals with respect to each such Award; (C) the threshold, target and maximum shares of Common Stock or dollar values of each Performance Share or Performance Unit and corresponding Performance Goals; and (D) any other terms and conditions as the Committee determines in its sole and absolute discretion. The Committee shall establish, in its sole and absolute discretion, the Performance Goals for the applicable Performance Period for each Performance Share or Performance Unit granted hereunder. Performance Goals for different Participants and for different grants of Performance Shares and Performance Units need not be identical. Unless otherwise provided in an Award Agreement, a holder of Performance Shares or Performance Units is not entitled to the rights of a holder of Common Stock.

(ii) *RSUs.* The applicable Award Agreement shall set forth such terms and conditions with respect to the RSUs as the Committee may impose, including restrictions on transferability, risk of forfeiture and other restrictions, if any, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments or otherwise and under such other circumstances as the Committee may determine at the date of grant or thereafter.

(d) Determination and Payment:

(i) *Performance Units or Performance Shares Earned.* Following the end of a Performance Period, the Committee shall determine the extent to which Performance Shares or Performance Units have been earned on the basis of the Company's actual performance in relation to the established Performance Goals as set forth in the applicable Award Agreement and shall certify these results in writing. Unless otherwise provided in the Award Agreement, the payment with respect to Performance Shares or Performance Units shall be made within 60 days following the end of the applicable Performance Period. Unless otherwise provided in an Award Agreement, the Committee shall determine in its sole and absolute discretion whether payment with respect to the Performance Share or Performance Unit shall be made in cash, in shares of Common Stock, or in a combination thereof.

(ii) *RSUs.* Unless provided otherwise in the Award Agreement, Restricted Stock Units shall be paid within 60 days following the date on which the restrictions on the RSUs lapse.

(e) Termination of Employment. Unless otherwise provided in an Award Agreement, if a Participant's employment and other service with the Company terminates for any reason, all of the Participant's outstanding RSUs that remain subject to restrictions as of the date of such termination shall be forfeited and Performance Shares and Performance Units shall be subject to the rules of paragraph (i) and (ii) of this Section 9(e).

(i) *Termination for Reason Other Than Death or Disability.* If a Participant's employment or other service with the Company terminates prior to the expiration of a Performance Period with respect to any Performance Units or Performance Shares held by such Participant for any reason other than death or Disability, the outstanding Performance Units or Performance Shares held by such Participant for which the Performance Period has not yet expired shall terminate upon such termination and the Participant shall have no further rights pursuant to such Performance Units or Performance Shares.

(ii) *Termination of Employment for Death or Disability.* If a Participant's employment or other service with the Company terminates by reason of the Participant's death or Disability prior to the end of a Performance Period, the Participant, or the Participant's estate, devisee or heir at law (whichever is applicable) shall be entitled to a payment of the Participant's outstanding Performance Units and Performance Shares, pursuant to the terms of the Plan and the Participant's Award Agreement; provided,

however, that the Participant shall be deemed to have earned only that proportion (to the nearest whole unit or share) of the Performance Units or Performance Shares granted to the Participant under such Award as the number of full months of the Performance Period which have elapsed since the first day of the Performance Period for which the Award was granted to the end of the month in which the Participant's termination of employment or other service, bears to the total number of months in the Performance Period, subject to the attainment of the Performance Goals associated with the Award as certified by the Committee. The remaining Performance Units or Performance Shares and any rights with respect thereto shall be canceled and forfeited.

10. VESTING OF AWARD GRANTS TO NON-EMPLOYEE DIRECTORS

Notwithstanding the minimum vesting provisions in Section 6(g) and 8(b) of the Plan, any Award granted to a Non-Employee Director in lieu of cash compensation shall not be subject to any minimum vesting requirements.

11. OTHER AWARDS

Awards of shares of Common Stock, phantom stock and other Awards that are valued in whole or in part by reference to, or otherwise based on, Common Stock, may also be made, from time to time, to Eligible Individuals as may be selected by the Committee. Such Awards may be issued in satisfaction of Awards granted under any other plan sponsored by the Company or compensation payable to an Eligible Individual. In addition, such Awards may be made alone or in addition to or in connection with any other Award granted hereunder. The Committee may determine the terms and conditions of any such Award, including conditioning such Awards on achievement of Performance Goals. Each such Award shall be evidenced by an Award Agreement between the Eligible Individual and the Company which shall specify the number of shares of Common Stock subject to the Award, any consideration therefore, any vesting or performance requirements and such other terms and conditions as the Committee shall determine in its sole and absolute discretion.

12. CHANGE IN CONTROL

Upon the occurrence of a Change in Control of the Company, the Committee may in its sole and absolute discretion, provide on a case by case basis that (i) some or all outstanding Awards may become immediately exercisable or vested, without regard to any limitation imposed pursuant to this Plan (ii) that all Awards shall terminate, provided that Participants shall have the right, immediately prior to the occurrence of such Change in Control and during such reasonable period as the Committee in its sole discretion shall determine and designate, to exercise any vested Award in whole or in part, (iii) that all Awards shall terminate, provided that Participants shall be entitled to a cash payment equal to the Change in Control Price with respect to shares subject to the vested portion of the Award net of the Exercise Price thereof, if applicable, (iv) provide that, in connection with a liquidation or dissolution of the Company, Awards, to the extent vested, shall convert into the right to receive liquidation proceeds net of the Exercise Price (if applicable), (v) accelerate the vesting of Awards and (vi) any combination of the foregoing. In the event that the Committee does not terminate or convert an Award upon a Change in Control of the Company, then the Award shall be assumed, or substantially equivalent Awards shall be substituted, by the acquiring, or succeeding corporation (or an affiliate thereof).

13. CHANGE IN STATUS OF PARENT OR SUBSIDIARY

Unless otherwise provided in an Award Agreement or otherwise determined by the Committee, in the event that an entity or business unit which was previously a part of the Company is no longer a part of the Company, as determined by the Committee in its sole discretion, the Committee may, in its sole and absolute discretion: (i) provide on a case by case basis that some or all outstanding Awards held by a Participant employed by or performing service for such entity or business unit may become immediately exercisable or vested, without regard to any limitation imposed pursuant to this Plan; (ii) provide on a case by case basis that some or all

outstanding Awards held by a Participant employed by or performing service for such entity or business unit may remain outstanding, may continue to vest, and/or may remain exercisable for a period not exceeding one (1) year, subject to the terms of the Award Agreement and this Plan; and/or (iii) treat the employment or other services of a Participant performing services for such entity or business unit as terminated if such Participant is not employed by Company or any entity that is a part of the Company immediately after such event.

14. REQUIREMENTS OF LAW

(a) Violations of Law. The Company shall not be required to make any payments, sell or issue any shares of Common Stock under any Award if the sale or issuance of such shares would constitute a violation by the individual exercising the Award, the Participant or the Company of any provisions of any law or regulation of any governmental authority, including without limitation any provisions of the Sarbanes-Oxley Act, and any other federal or state securities laws or regulations. Any determination in this connection by the Committee shall be final, binding, and conclusive. The Company shall not be obligated to take any affirmative action in order to cause the exercise of an Award, the issuance of shares pursuant thereto or the grant of an Award to comply with any law or regulation of any governmental authority.

(b) Registration. At the time of any exercise or receipt of any Award, the Company may, if it shall determine it necessary or desirable for any reason, require the Participant (or Participant's heirs, legatees or legal representative, as the case may be), as a condition to the exercise or grant thereof, to deliver to the Company a written representation of present intention to hold the shares for their own account as an investment and not with a view to, or for sale in connection with, the distribution of such shares, except in compliance with applicable federal and state securities laws with respect thereto. In the event such representation is required to be delivered, an appropriate legend may be placed upon each certificate delivered to the Participant (or Participant's heirs, legatees or legal representative, as the case may be) upon the Participant's exercise of part or all of the Award or receipt of an Award and a stop transfer order may be placed with the transfer agent. Each Award shall also be subject to the requirement that, if at any time the Company determines, in its discretion, that the listing, registration or qualification of the shares subject to the Award upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of or in connection with, the issuance or purchase of the shares thereunder, the Award may not be exercised in whole or in part and the restrictions on an Award may not be removed unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Company in its sole discretion. The Participant shall provide the Company with any certificates, representations and information that the Company requests and shall otherwise cooperate with the Company in obtaining any listing, registration, qualification, consent or approval that the Company deems necessary or appropriate. The Company shall not be obligated to take any affirmative action in order to cause the exercisability or vesting of an Award, to cause the exercise of an Award or the issuance of shares pursuant thereto, or to cause the grant of Award to comply with any law or regulation of any governmental authority.

(c) Withholding. The Committee may make such provisions and take such steps as it may deem necessary or appropriate for the withholding of any taxes that the Company is required by any law or regulation of any governmental authority, whether federal, state or local, domestic or foreign, to withhold in connection with the grant or exercise of an Award, or the removal of restrictions on an Award including, but not limited to: (i) the withholding of delivery of shares of Common Stock until the holder reimburses the Company for the amount the Company is required to withhold with respect to such taxes; (ii) the canceling of any number of shares of Common Stock issuable in an amount sufficient to reimburse the Company for the amount it is required to so withhold; (iii) withholding the amount due from any such person's wages or compensation due to such person; or (iv) requiring the Participant to pay the Company cash in the amount the Company is required to withhold with respect to such taxes.

(d) Governing Law. The Plan shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware.

15. GENERAL PROVISIONS

(a) Award Agreements. All Awards granted pursuant to the Plan shall be evidenced by an Award Agreement. Each Award Agreement shall specify the terms and conditions of the Award granted and shall contain any additional provisions as the Committee shall deem appropriate, in its sole and absolute discretion (including, to the extent that the Committee deems appropriate, provisions relating to confidentiality, non-competition, non-solicitation and similar matters). The terms of each Award Agreement need not be identical for Eligible Individuals provided that each Award Agreement shall comply with the terms of the Plan.

(b) Purchase Price. To the extent the purchase price of any Award granted hereunder is less than par value of a share of Common Stock and such purchase price is not permitted by applicable law, the per share purchase price shall be deemed to be equal to the par value of a share of Common Stock.

(c) Dividends and Dividend Equivalents. Except as otherwise set forth in the Plan, an Award Agreement or provided by the Committee in its sole and absolute discretion, a Participant shall not be entitled to receive, currently or on a deferred basis, cash or stock dividends, Dividend Equivalents, or cash payments in amounts equivalent to cash or stock dividends on shares of Common Stock covered by an Award. The Committee in its absolute and sole discretion may credit a Participant's Award with Dividend Equivalents with respect to any Awards. To the extent that dividends and distributions relating to an Award are held in escrow by the Company, or Dividend Equivalents are credited to an Award, a Participant shall not be entitled to any interest on any such amounts. The Committee may not grant Dividend Equivalents to an Award subject to performance-based vesting to the extent that the grant of such Dividend Equivalents would limit the Company's deduction of the compensation payable under such Award for federal tax purposes pursuant to Code Section 162(m).

(d) Deferral of Awards. The Committee may from time to time establish procedures pursuant to which a Participant may elect to defer, until a time or times later than the vesting of an Award, receipt of all or a portion of the shares of Common Stock or cash subject to such Award and to receive Common Stock or cash at such later time or times, all on such terms and conditions as the Committee shall determine. The Committee shall not permit the deferral of an Award unless counsel for the Company determines that such action will not result in adverse tax consequences to a Participant under Section 409A of the Code. If any such deferrals are permitted, then notwithstanding anything to the contrary herein, a Participant who elects to defer receipt of Common Stock shall not have any rights as a stockholder with respect to deferred shares of Common Stock unless and until shares of Common Stock are actually delivered to the Participant with respect thereto, except to the extent otherwise determined by the Committee.

(e) Prospective Employees. Notwithstanding anything to the contrary, any Award granted to a Prospective Employee shall not become vested prior to the date the Prospective Employee first becomes an employee of the Company.

(f) Stockholder Rights. Except as expressly provided in the Plan or an Award Agreement, a Participant shall not have any of the rights of a stockholder with respect to Common Stock subject to the Awards prior to satisfaction of all conditions relating to the issuance of such Common Stock, and no adjustment shall be made for dividends, distributions or other rights of any kind for which the record date is prior to the date on which all such conditions have been satisfied.

(g) Transferability of Awards. A Participant may not Transfer an Award other than by will or the laws of descent and distribution. Awards may be exercised during the Participant's lifetime only by the Participant. No Award shall be liable for or subject to the debts, contracts, or liabilities of any Participant, nor shall any Award be subject to legal process or attachment for or against such person. Any purported Transfer of an Award in contravention of the provisions of the Plan shall have no force or effect and shall be null and void, and the purported transferee of such Award shall not acquire any rights with respect to such Award. Notwithstanding anything to the contrary, the Committee may in its sole and absolute discretion permit the Transfer of an Award

to a Participant's "family member" as such term is defined in the Form S-8 Registration Statement under the Securities Act of 1933, as amended, under such terms and conditions as specified by the Committee. In such case, such Award shall be exercisable only by the transferee approved of by the Committee. To the extent that the Committee permits the Transfer of an Incentive Stock Option to a "family member", so that such Option fails to continue to satisfy the requirements of an incentive stock option under the Code such Option shall automatically be re-designated as a Non-Qualified Stock Option.

(h) Buyout and Settlement Provisions. Except as prohibited hereunder, the Committee may at any time on behalf of the Company offer to buy out any Awards previously granted based on such terms and conditions as the Committee shall determine which shall be communicated to the Participants at the time such offer is made.

(i) Use of Proceeds. The proceeds received by the Company from the sale of Common Stock pursuant to Awards granted under the Plan shall constitute general funds of Company.

(j) Modification or Substitution of an Award. Subject to the terms and conditions of the Plan, the Award Agreement and applicable law (including the Code), the Committee may modify outstanding Awards, provided that, except as permitted in the Plan or the applicable Award Agreement, no modification of an Award shall materially adversely affect any rights or obligations of the Participant under the applicable Award Agreement without the Participant's consent. Nothing in the Plan shall limit the right of the Company to pay compensation of any kind outside the terms of the Plan.

(k) Amendment and Termination of Plan. The Board may, at any time and from time to time, amend, suspend or terminate the Plan as to any shares of Common Stock as to which Awards have not been granted; *provided, however,* that the approval of the stockholders of the Company in accordance with applicable law and the Certificate of Incorporation and Bylaws of the Company shall be required for any amendment: (i) that changes the class of individuals eligible to receive Awards under the Plan; (ii) that increases the maximum number of shares of Common Stock in the aggregate that may be subject to Awards that are granted under the Plan (except as permitted under Section 5 or Section 12 hereof); (iii) the approval of which is necessary to comply with federal or state law (including without limitation Section 162(m) of the Code and Rule 16b-3 under the Exchange Act) or with the rules of any stock exchange or automated quotation system on which the Common Stock may be listed or traded; or (iv) that proposes to eliminate a requirement provided herein that the stockholders of the Company must approve an action to be undertaken under the Plan. Except as expressly provided in the Plan, no amendment, suspension or termination of the Plan shall, without the consent of the holder of an Award, alter or impair rights or obligations under any Award theretofore granted under the Plan. Awards granted prior to the termination of the Plan may extend beyond the date the Plan is terminated and shall continue subject to the terms of the Plan as in effect on the date the Plan is terminated.

(l) Section 409A and 162(m) of the Code. With respect to Awards subject to Section 409A or 162(m) of the Code, this Plan is intended to comply with the requirements of such Sections, and the provisions hereof shall be interpreted in a manner that satisfies the requirements of such Sections and the related regulations, and the Plan shall be operated accordingly. If any provision of this Plan or any term or condition of any Award would otherwise frustrate or conflict with this intent, the provision, term or condition will be interpreted and deemed amended so as to avoid this conflict.

(m) Notification of 83(b) Election. If in connection with the grant of any Award, any Participant makes an election permitted under Code Section 83(b), such Participant must notify the Company in writing of such election within ten (10) days of filing such election with the Internal Revenue Service.

(n) Detrimental Activity. All Awards shall be subject to cancellation by the Committee in accordance with the terms of this Section 15(n) if the Participant engages in any Detrimental Activity. To the extent that a Participant engages in any Detrimental Activity at any time prior to, or during the one year period after, any exercise or vesting of an Award but prior to a Change in Control, the Company shall, upon the recommendation

of the Committee, in its sole and absolute discretion, be entitled to (i) immediately terminate and cancel any Awards held by the Participant that have not yet been exercised, and/or (ii) with respect to Awards of the Participant that have been previously exercised, recover from the Participant at any time within two (2) years after such exercise but prior to a Change in Control (and the Participant shall be obligated to pay over to the Company with respect to any such Award previously held by such Participant): (A) with respect to any Options exercised, an amount equal to the excess of the Fair Market Value of the Common Stock for which any Option was exercised over the Exercise Price paid (regardless of the form by which payment was made) with respect to such Option; (B) with respect to any Award other than an Option, any shares of Common Stock granted and vested pursuant to such Award, and if such shares are not still owned by the Participant, the Fair Market Value of such shares on the date they were issued, or if later, the date all vesting restrictions were satisfied; and (C) any cash or other property (other than Common Stock) received by the Participant from the Company pursuant to an Award. Without limiting the generality of the foregoing, in the event that a Participant engages in any Detrimental Activity at any time prior to any exercise of an Award and the Company exercises its remedies pursuant to this Section 15(n) following the exercise of such Award, such exercise shall be treated as having been null and void, provided that the Company will nevertheless be entitled to recover the amounts referenced above.

(o) Disclaimer of Rights. No provision in the Plan, any Award granted hereunder, or any Award Agreement entered into pursuant to the Plan shall be construed to confer upon any individual the right to remain in the employ of or other service with the Company or to interfere in any way with the right and authority of the Company either to increase or decrease the compensation of any individual, including any holder of an Award, at any time, or to terminate any employment or other relationship between any individual and the Company. The grant of an Award pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure or to merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

(p) Unfunded Status of Plan. The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments as to which a Participant has a fixed and vested interest but which are not yet made to such Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

(q) Nonexclusivity of Plan. The adoption of the Plan shall not be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or individuals) as the Board in its sole and absolute discretion determines desirable.

(r) Other Benefits. No Award payment under the Plan shall be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any agreement between a Participant and the Company, nor affect any benefits under any other benefit plan of the Company now or subsequently in effect under which benefits are based upon a Participant’s level of compensation.

(s) Headings. The section headings in the Plan are for convenience only; they form no part of this Agreement and shall not affect its interpretation.

(t) Pronouns. The use of any gender in the Plan shall be deemed to include all genders, and the use of the singular shall be deemed to include the plural and vice versa, wherever it appears appropriate from the context.

The Committee shall determine in its sole and absolute discretion whether Cause exists for purposes of the Plan.

“Change in Control” shall be deemed to occur upon:

(a) any “person” as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, any company owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of common stock of the Company, or Patrick J. (c) a merger, consolidation, reorganization, or other business combination of the Company with any other entity, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person acquires more than twenty-five percent (25%) of the combined voting power of the Company’s then outstanding securities shall not constitute a Change in Control; or

(d) complete liquidation of the Company or the consummation of the sale or disposition by the Company of all or substantially all of the Company's assets other than (x) the sale or disposition of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, at least fifty percent (50%) or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale or (y) pursuant to a spin-off type transaction, directly or indirectly, of such assets to the stockholders of the Company.
