

CTG Announces Extension of 10b5-1 Plan to Facilitate Share Repurchases

BUFFALO, N.Y., April 5, 2011 /PRNewswire/ -- CTG (NASDAQ: CTGX), an international information technology (IT) solutions and services company, today announced that it has extended a stock repurchase plan under Rule 10b5-1 of the Securities and Exchange Commission (the "Company 10b5-1 Plan") to facilitate the repurchase of its common stock. The Company had approximately 1.1 million shares available for repurchase as of March 31, 2011 under its outstanding repurchase authorizations.

"We are again extending our 10b5-1 plan as it gives us the ability to repurchase shares during our self-imposed blackout periods prior to the announcement of quarterly results," said CTG Chairman and Chief Executive Officer James R. Boldt.

The plan is effective from April 7, 2011 until the day following the Company's release of its 2011 first quarter financial results. CTG's 10b5-1 plan allows for the repurchase of shares during the time following the close of a quarter and the announcement of quarterly financial results when the Company's stock repurchase policy does not allow for the direct purchase of shares by the Company. Repurchases are subject to SEC regulations as well as certain price, market, volume, and timing constraints specified in the plan. The plan does not require that any shares be purchased.

About CTG

CTG develops innovative IT solutions to address the business needs and challenges of companies in several higher-growth industries including healthcare, energy, and technology services.
