

Compensation Committee Charter

1. PURPOSE

The Compensation Committee (the "Committee") of the Board of Directors (the "Board") is appointed by the Board to discharge the Board's responsibilities relating to the Company's compensation of officers, directors and employees. The Committee has overall responsibility for approving and evaluating the compensation plans, policies and programs of Citi Trends, Inc. (the "Company"). The guiding principle of the Compensation Committee is to provide a compensation program that enables the Company to retain and motivate a team of high quality executives who will create long-term stockholder value.

2. MEMBERSHIP

- A. **Number and Independence.** The number of individuals serving on the Committee shall be fixed by the Board from time to time but shall consist of no fewer than two members, each of whom shall be a director of the Company and each of whom shall be "independent" in accordance with the rules of the Securities and Exchange Commission (the "SEC"), including Rule 10C-1 under the Exchange Act, and The Nasdaq Stock Market ("Nasdaq") subject to exceptions under the Nasdaq rules. In addition, each member shall meet the definition of "non-employee director" for purposes of Rule 16b-3 under the Exchange Act and "outside director" for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended. Independent Committee members shall be free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as Committee members. A director shall not serve as a member of the Committee if the Chief Executive Officer ("CEO") or another executive officer of the Company serves on the compensation committee of another company that employs that director as an executive officer.
- B. **Appointment and Removal.** The members of the Committee shall be appointed annually by the Board and shall serve until their successors are duly elected and qualified or their earlier resignation or removal. Any member of the Committee may be replaced or removed by the Board at any time with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically constitute resignation or removal, as applicable, from the Committee. Vacancies may be filled by the Board.
- C. **Chairperson.** The Board shall designate one member of the Committee to serve as its Chairperson.

3. DUTIES AND RESPONSIBILITIES

- A. In carrying out its responsibilities, the Board and Committee believe that Committee policies and procedure should remain flexible, in order to react to changing conditions and to ensure the effective oversight of the Company's compensation programs. Specific responsibilities and duties of the Committee, which shall be performed in accordance with applicable laws, rules and regulations and the By-Laws of the Company, include:
 - i. **Director Compensation.** The Committee will consider and make recommendations to the Board concerning compensation arrangements for non-employee members of the Board.
 - ii. **Chief Executive Officer Compensation.** The Committee shall review and approve corporate goals and objectives relevant to the compensation of the CEO, evaluate the CEO's performance in light of those goals and objectives, and either as a committee or together with the other independent directors (as directed by the Board) exercise sole authority to determine and approve the CEO's compensation level based on this evaluation, including base salary, cash bonuses and equity awards, with a view toward the alignment of the CEO's compensation with Company and executive performance. In determining the long-term incentive component of the CEO's compensation, the Committee shall consider, among other factors selected by the Committee, the Company's performance and relative

- shareholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the CEO in past years.
- iii. *Non-CEO Compensation.* The Committee shall annually review and make recommendations to the Board relevant to the salaries and bonuses of the Company's corporate officers (i.e., the officers, elected by the Board), including awards pursuant to incentive compensation plans and equity-based plans, with a view toward the alignment of the officers' compensation with Company and officer performance. The Committee shall consider the recommendations of the CEO with respect to non-CEO management and key employee compensation and shall have the authority to determine and approve such compensation.
 - iv. *Employee Compensation.* The Committee shall annually review the compensation systems that are in place for employees of the Company and ensure that overall compensation policies include a fair balance of risk and reward. The Committee shall review the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking and review and discuss the relationship between risk management policies and practices and compensation and evaluate methods to mitigate any such risk.
 - v. *Incentive and Equity-Based Compensation Plans.* The Committee shall review and make recommendations to the Board with respect to incentive compensation plans and equity-based compensation plans or material changes to any such existing plans and shall discharge and administer any such plans as required by the terms thereof.
 - vi. *Annual Compensation Committee Report.* The Committee shall review and discuss the Compensation Discussion and Analysis ("CD&A") section of the proxy statement with management and recommend to the Board that the CD&A be included in, and shall prepare and approve an annual report of the Committee to be included in, the Company's annual proxy statement or annual reports on Form 10-K in accordance with applicable SEC regulations or Nasdaq rules.
 - vii. *Consideration of Say on Pay and Say on Frequency Votes.* In reviewing and making recommendations/determinations regarding CEO and other executive compensation, including incentive compensation plans and equity-based plans, the Committee shall consider the results of the most recent stockholder advisory vote on executive compensation (the "Say on Pay" vote) required by Section 14A of the Exchange Act. In addition, the committee shall review and recommend to the Board for approval the frequency with which the Company should conduct Say on Pay votes, taking into account the results of the most recent stockholder advisory vote on frequency of Say on Pay votes.
 - viii. *Compliance.* The Committee shall, in consultation with management, oversee regulatory compliance with respect to compensation matters, including overseeing the Company's policies on structuring compensation programs to preserve tax deductibility, and, as and when required, establishing performance goals and confirming that performance goals have been attained for purposes of Section 162(m) of the Internal Revenue Code.
