This press release includes statements that may constitute "forward-looking" statements, usually containing the words "believe", "estimate", "project", "intend", "expect", "should" or similar expressions. These statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, continued acceptance of the Company's products and services in the marketplace, changes in its relationship with the Governments of the jurisdictions in which it operates, the manner in which the disputed issues between Ocean Conversion (BVI) Ltd. and the British Virgin Islands Government are resolved, the ability to successfully secure contracts for water projects, the ability to develop and operate such projects profitably and the Company's ability to manage growth and other risks detailed in the Company's periodic report filings with the Securities and Exchange Commission. By making these forward-looking statements, the Company undertakes no obligation to update these statements for revisions or changes after the date of this release.
