

DynCorp International Prices Initial Public Offering

Irving, Texas -- May 3, 2006 - DynCorp International Inc. announced today the initial public offering of 25.0 million of its Class A common shares at a price of \$15.00 per share. Shares of DynCorp International's Class A common stock will be traded on the New York Stock Exchange under the symbol "DCP." In addition, DynCorp International has granted the underwriters a 30-day over-allotment option to purchase an additional 3,750,000 shares.

The offering was made through an underwriting syndicate led by Credit Suisse Securities (USA) LLC and Goldman, Sachs & Co., who acted as joint book-running managers. Bear, Stearns & Co. Inc. acted as co-lead manager. CIBC World Markets Corp., Jefferies Quarterdeck (a division of Jefferies & Company, Inc.), UBS Securities LLC and Wachovia Capital Markets LLC acted as co-managers.

A registration statement relating to these securities was filed with the Securities and Exchange Commission and declared effective. The offering is being made solely by means of a prospectus. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

A copy of the final prospectus relating to these securities may be obtained by contacting the Credit Suisse Prospectus Department at 1-800-221-1037 or 1-212-325-2580.

Forward-looking Statements: The statements in this press release that are not historical fact are "forward-looking statements." All of these forward-looking statements are based on estimates and assumptions made by the company's management that, although believed by the company to be reasonable, are inherently uncertain. Forward-looking statements involve risks and uncertainties, including, but not limited to, economic, competitive, governmental, and technological factors outside of its control that may cause its business, strategy or actual results to differ materially from the forward-looking statements. These risks and uncertainties may include, among other things: changes in the demand for services which the company provides; the activities of competitors; changes in significant operating expenses; changes in availability of capital; general economic and business conditions in the United States; acts of war or terrorist activities; variations in performance of financial markets; and other factors described in the "Risk Factors" section in the company's Form S-1 filed with the Securities and Exchange Commission on May 3, 2006. Given these risks and uncertainties, you are cautioned not to place undue reliance on forward-looking statements. The company undertakes no obligation to publicly update or revise any forward-looking statement as a result of new information, future events or otherwise, except as required by law.
