

DISH Network Introduces 13 New HD Channels In Puerto Rico

Launches HD Free For Life Promotion

ENGLEWOOD, Colo., June 7, 2010 – DISH Network L.L.C., America's fastest-growing pay-TV provider, today announced an expansion of high definition services in Puerto Rico with the introduction of 13 new HD channels*, plus new PPV and VOD HD channels. DISH Network now broadcasts more than 75 HD channels in Puerto Rico – the most offered by any pay-TV provider on the island.

DISH Network customers in Puerto Rico can now add their core HD channels for free via DISH Network's newly-introduced HD Free For Life promotion. Both new and existing customers are eligible for the promotion, which includes any HD feeds of the standard definition channels available in a customer's main programming package.

"DISH Network is proud to offer customers in Puerto Rico the highest quality and largest variety of HD channels on the island," said Dave Shull, senior vice president of Programming for DISH Network. "Without question, the introduction of 13 new high definition channels and our HD Free For Life promotion gives DISH Network subscribers the best viewing experience on the island at an unmatched value."
