Dolby Cinema is thoughtfully designed to provide the best sound, picture, and environment for any movie - letting you step into another reality and surrender to the story. Dolby Cinema combines [Dolby Vision](#) - a state-of-the-art, laser-based imaging system, [Dolby Atmos](#) - an immersive audio system, and inspired design elements. The award-winning Audio Visual Pathway is a unique, continuously curved wall immersed in full-height projected imagery and sound, enabling you to experience the story before a show begins.

About Dolby Laboratories

Dolby Laboratories (NYSE:DLB) creates audio, video, and voice technologies that transform entertainment and communications in mobile devices, at the cinema, at home, and at work. For more than 50 years, sight and sound experiences have become more vibrant, clear, and powerful in Dolby. For more information, please visit <http://www.dolby.com/>.

About The Clio Awards

The Clio Awards, the esteemed international awards competition for the creative business, was founded in 1959 to celebrate high achievement in advertising. Clio surfaces work from around the world to identify creativity that not only moves consumers and makes icons of brands, but also shapes a global industry. Clio honors the talent, agencies and brands behind the world's most innovative work annually at the Clio Awards in September, which includes Clio Fashion & Beauty and Clio Music; at Clio Sports held in May; at the Clio Entertainment Awards in November; and online with Clio Health. Noting the vast, diverse and ever-changing creative landscape, Clio re-launched its content platform, clios.com, with Ads of the World, to celebrate creativity 365 days a year.

Dolby, Dolby Atmos, and the double-D symbol are registered trademarks of Dolby Laboratories. Dolby Cinema and Dolby Vision are trademarks of Dolby Laboratories. All other trademarks remain the property of their respective owners.
