PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

GENERAL

The enclosed proxy is solicited on behalf of the Board of Directors of Endologix, Inc. (“Endologix” or the “Company”) for use at the 2005 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on May 24, 2005 at 8:30 a.m., Pacific time, at the offices of Stradling Yocca Carlson & Rauth, at 660 Newport Center Drive, Suite 1600, Newport Beach, California 92660, at which time stockholders of record as of April 22, 2005 will be entitled to vote. On April 22, 2005, Endologix had 31,916,705 shares of its common stock outstanding.

Endologix intends to mail this proxy statement and the accompanying proxy card on or about April 28, 2005 to all stockholders entitled to vote at the Annual Meeting. Endologix principal executive offices are currently located at 13900 Alton Parkway, Suite 122, Irvine, California 92618. After June 30, 2005, Endologix principal executive offices will be located at 11 Studebaker, Irvine, California 92618. The telephone number at the current address is (949) 595-7200.

VOTING

The shares of common stock constitute the only outstanding class of voting securities of the Company. The presence in person or by proxy of the holders of a majority of the common stock issued and outstanding constitutes a quorum for the transaction of business at the Annual Meeting. Each stockholder of record is entitled to one vote for each share of common stock held as of the record date on each matter to be voted on at the Annual Meeting. For purposes of the quorum and the discussion below regarding the vote necessary to take stockholder action, stockholders of record who are present at the Annual Meeting in person or by proxy and who abstain, including brokers holding customers’ shares of record who cause abstentions to be recorded at the Annual Meeting, are considered stockholders who are present and entitled to vote and count toward the quorum. Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. As used herein, “uninstructed shares” means shares held by a broker who has not received instructions from its customers on such matters and the broker has so notified the Company on a proxy form in accordance with industry practice or has otherwise advised the Company that it lacks voting authority. As used herein, “broker non-vote” means the votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers’ instructions.

Directors are elected by the affirmative vote of a plurality of votes cast at the Annual Meeting; therefore, broker non-votes and abstentions or votes that are withheld will be excluded entirely from the vote and have no effect on the election of directors. Ratification of the selection of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2005 requires the affirmative vote of a majority of the shares present or represented and entitled to be voted at the Annual Meeting. Uninstructed shares are entitled to vote on this matter, and therefore broker non-votes and abstentions will have the effect of votes against the proposal.

Table of Contents

Shares of common stock represented by a properly executed proxy received in time for the Annual Meeting will be voted as specified therein, unless the proxy previously has been revoked. Unless otherwise specified in the proxy, the persons named therein will vote **FOR** the election of each of the director nominees named in this proxy statement and **FOR** ratification of the selection of PricewaterhouseCoopers LLP as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2005. As to any other business properly submitted to stockholders at the Annual Meeting, the persons named in the proxy will vote as recommended by the Board of Directors or, if no recommendation is given, in their discretion.

REVOCABILITY OF PROXIES

Any person giving a proxy pursuant to this solicitation has the power to revoke it at any time before it is voted. It may be revoked by the holder of record by filing with the Secretary of Endologix at the principal executive office of Endologix at the address above, a written notice of revocation or a new duly executed proxy bearing a date later than the date indicated on the previous proxy, or it may be revoked by the holder of record attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

SOLICITATION

Endologix will bear the entire cost of proxy solicitation, including costs of preparing, assembling, printing and mailing this proxy statement, the proxy card and any additional material furnished to stockholders. Copies of the solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others, to forward to such beneficial owners. Endologix may, if deemed necessary or advisable, retain a proxy solicitation firm to deliver solicitation materials to beneficial owners and to assist the Company in collecting proxies from such individuals. Endologix may reimburse persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of Endologix. No additional compensation will be paid to directors, officers or other regular employees for such services.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board of Directors currently consists of eight members, divided into three classes approximately equal in size. Each class of directors is elected for three-year terms on a staggered term basis, so that each year the term of office of one class will expire and the terms of office of the other classes will continue for periods of one and two years, respectively. The nominees for election at this year's Annual Meeting will serve as Class I directors, with a term expiring at the annual meeting of stockholders to be held in 2008. Each director is elected to serve until the expiration of his term, or until his successor is duly elected and qualified.

The nominees for election as Class I directors at this year's Annual Meeting are Jeffrey F. O'Donnell and Ronald H. Coelyn. The nominees for election to the Board of Directors at the Annual Meeting currently are directors of the Company. Mr. O'Donnell has served as a director since 1998 and Mr. Coelyn was appointed as a director in January 2005. Dr. Buchbinder, a current Class I director, will not stand for re-election at the Annual Meeting. Therefore, while there currently are eight members of the Board of Directors, there will be only seven members of the Board of Directors after the Annual Meeting, and, effective as of the date of the Annual Meeting, the Company's Bylaws, as amended, will authorize a total of seven directors.

The Board of Directors will vote all proxies received by them **FOR** the nominees listed above unless otherwise instructed in writing on such proxy. The two candidates receiving the highest number of affirmative votes of shares entitled to vote at the Annual Meeting will be elected directors of Endologix. In the event any nominee is unable to or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for an additional nominee who shall be designated by the current Board of Directors to fill the vacancy. As of the date of this proxy statement, the Board of Directors is not aware of any nominee who is unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in favor of the nominees listed above.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE TWO NOMINEES NAMED ABOVE.

Table of Contents

Meetings of the Board of Directors

The Board of Directors met five times during the year ended December 31, 2004. Each director attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which he served.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Each committee operates under a written charter adopted by the Board of Directors. A copy of the charter of the Audit Committee was included as Appendix A to the Company's proxy statement relating to its 2004 annual meeting of stockholders. Copies of the charters of all standing committees are available on the "Investor Relations" page on the Company's web site located at www.endologix.com.

Audit Committee

The Audit Committee is composed of three directors. The current members are Gregory D. Waller, Roderick de Greef and Jeffrey O'Donnell. Each member of the Audit Committee qualifies as an "independent director" in compliance with the applicable rules of the Securities and Exchange Commission and the Nasdaq Marketplace Rules. The Board of Directors has determined that each member of the Audit Committee qualifies as an "audit committee financial expert" as that term is defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee has the sole authority to appoint and, when deemed appropriate, replace the Company's independent registered public accounting firm, and has established a policy of pre-approving all audit and permissible non-audit services provided by the Company's independent registered public accounting firm. The Audit Committee has, among other things, the responsibility to review and approve the scope and results of the annual audit, to evaluate with the independent registered public accounting firm the performance and adequacy of the Company's financial personnel and the adequacy and effectiveness of the Company's systems and internal financial controls, to review and discuss with management and the independent registered public accounting firm the content of the Company's financial statements prior to the filing of the Company's quarterly reports on Form 10-Q and annual reports on Form 10-K, to establish procedures for receiving, retaining and investigating reports of illegal acts involving the Company or complaints or concerns regarding questionable accounting or auditing matters and to establish procedures for the confidential, anonymous submission by the Company's employees of concerns or complaints regarding questionable accounting or auditing matters. The Audit Committee met six times during the year ended December 31, 2004. To ensure independence, the Audit Committee also meets separately with the Company's independent registered public accounting firm and members of management.

Compensation Committee

The Compensation Committee consists of two directors. During 2004, the members of the Compensation Committee were Edward M. Diethrich, M.D. and Franklin D. Brown. In 2005, Ronald Coelyn replaced Mr. Brown as a member of the Compensation Committee. Each of Dr. Diethrich and Mr. Coelyn satisfies the independence standards set forth in the Nasdaq Marketplace Rules. The Compensation Committee is primarily responsible for evaluating and approving the cash and equity compensation for the Chief Executive Officer and other executive officers, and administers the Company's employee compensation plans. The Compensation Committee held three meetings during the year ended December 31, 2004.

Nominating and Governance Committee

In 2004, the Board of Directors established a Nominating and Governance Committee. The members of the Nominating and Governance Committee are Jeffrey O'Donnell and Roderick de Greef, each of whom satisfies the independence standards set forth in the Nasdaq Marketplace Rules. The primary purposes of the Nominating and Governance Committee are to identify and recommend to the Board of Directors individuals qualified to serve as members of the Company's Board of Directors and each of its committees, to develop and recommend to the Board of Directors corporate governance guidelines and to lead the Board of Directors in its annual review of its composition, effectiveness and performance.

Evaluation of Director Nominees

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors' overall service to the Company during their term, including their level of participation and the quality of their performance. In the case of new director nominees, the Nominating and Governance Committee screens candidates, does reference checks, prepares a biography for each candidate for the Board to review and conducts interviews. The members of the Nominating and Governance Committee and the Company's Chief Executive Officer interview candidates that meet the criteria described below, and the Nominating and Governance Committee recommends nominees to the Board that best suit the Board's needs. The Nominating and Governance Committee does not intend to evaluate nominees for director any differently because the nominee is or is not recommended by a stockholder. All of the nominees for director in this proxy statement are standing for re-election. The Company does not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential director nominees.

The Nominating and Governance Committee believes that nominees for director must meet certain minimum qualifications, including:

- having the highest character and integrity;
- having business or other experience that is of particular relevance to the Company;
- having sufficient time available to devote to the affairs of the Company; and
- being free of any conflicts of interest which would violate any applicable law or regulations or interfere with the proper performance of the responsibilities of a director.

Stockholder Nominations of Directors

The Nominating and Governance Committee will consider stockholder recommendations for directors sent to the Nominating and Governance Committee, c/o Corporate Secretary, Endologix, Inc., 13900 Alton Parkway, Suite 122, Irvine, California 92618. Communications with the Board of Directors

Stockholders can send communications to the Board of Directors, or an individual director, by sending a written communication to: Endologix, Inc., 13900 Alton Parkway, Suite 122, Irvine, CA 92618, Attn: Corporate Secretary. All communications sent to this address are sent to the specific directors identified in the communication or if no directors are identified, the communication is delivered to the Chairman of the Board. The Company does not have a policy with respect to director attendance at annual meetings of the Company's stockholders. Historically, other than employees of the Company, few stockholders have attended the Company's annual meetings. Two directors, both of whom were employees of the Company, attended the Company's annual meeting in 2004.

Code of Ethics

The Company has adopted a Code of Conduct and Ethics that applies to its principal executive officer, principal financial officer and principal accounting officer. A copy of the Code of Conduct and Ethics is available on the “Investor Relations” page on the Company’s website at www.endologix.com, and a copy may also be obtained by any person, without charge, upon written request delivered to Endologix, Inc., Attn: Corporate Secretary, 13900 Alton Parkway, Suite 122, Irvine, California 92618. The Company will disclose any amendment to, or waiver from, a provision of the Code of Conduct and Ethics by posting such information on the Company’s website at the above address.

Compensation of Directors

Non-employee directors each receive a fee of \$1,500 per quarter, \$2,000 for each Board meeting attended in person and reimbursement for certain travel expenses and other out-of-pocket costs. Members of Board committees, other than the Audit Committee, each receive an additional fee of \$500 for each committee meeting attended. Additionally, each member of the Audit Committee is entitled to a fee of \$1000 per meeting attended and the chairman of the Audit Committee is entitled to an additional quarterly retainer of \$1,000. Non-employee Board members are eligible to receive periodic option grants under the Automatic Option Grant Program in effect under the Company’s 1996 Stock Option/Stock Issuance Plan. Each individual who first becomes a non-employee Board member, whether elected by the stockholders or appointed by the Board, automatically will be granted, at the time of such initial election or appointment, an option to purchase 30,000 shares of Common Stock at the fair market value per share of Common Stock on the grant date, which vests over four years, with 25% of the options vesting after one year and the remaining options vesting on a pro rata basis over the next 36 months thereafter. On the date of each annual meeting of stockholders, each individual who is to continue to serve as a non-employee Board member after the annual meeting will receive an additional option grant to purchase 20,000 shares of Common Stock, which vests upon the completion of one year of Board service.

There are no arrangements or understandings involving any director or any nominee regarding such person’s status as a director or nominee.

Change in Control and Severance Agreements

The Company has entered into employment agreements with each of its Named Executive Officers. The agreements expire on October 18, 2005, unless sooner terminated pursuant to the terms and provisions thereof. Unless thirty days notice is provided by either party to the agreement before the expiration date, the agreement automatically renews for successive one-year terms thereafter. The agreement provides that if the Company terminates the executive officer's employment without cause or he or she resigns for good reason, the executive officer is entitled to his or her base salary and continued benefits for six months, all stock options that would have vested over the following six months will vest immediately upon termination and he or she would be entitled to a prorated payment equal to the target bonus amount for which he or she would have been eligible for the year of termination. In addition, in the event the executive officer is terminated, or resigns for good reason, in connection with a change in control, the executive officer is entitled to his or her base salary and continued benefits for twelve months, all stock options will accelerate and vest and he or she would be entitled to a prorated payment equal to the target bonus amount for which he or she would have been eligible for the year of termination.

Compensation Committee Interlocks and Insider Participation

None of the Company's executive officers served on the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors evaluates and approves the base salary and bonuses to be paid to the Company's executive officers each fiscal year. In addition, the Compensation Committee administers the Endologix 1996 Stock Option/Stock Issuance Plan with respect to option grants and stock issuances made thereunder to officers and other key employees. The following is a summary of the policies of the Compensation Committee that affect the compensation paid to executive officers, as reflected in the tables and text set forth elsewhere in this proxy statement.

General Compensation Policy. The Company's compensation policy is designed to attract and retain qualified key executives critical to the Company's success and to provide such executives with performance-based

Table of Contents

incentives tied to the achievement of certain milestones. One of the Compensation Committee's primary objectives is to have a substantial portion of each officer's total compensation contingent upon the Company's performance as well as upon the individual's contribution to the Company's success as measured by his personal performance. Accordingly, each executive officer's compensation package is comprised primarily of three elements:

- base salary which reflects individual performance and expertise and is designed to be competitive with salary levels in the industry;
- variable performance awards payable in cash and tied to the Company's achievement of certain goals; and
- long-term stock-based incentive awards that strengthen the mutuality of interests between the executive officers and the Company's stockholders.

The following are the principal factors that the Compensation Committee considered in establishing the components of each executive officer's compensation package for the 2004 fiscal year. However, the Compensation Committee may in its discretion apply different factors, particularly different measures of financial performance, in setting executive compensation for future fiscal years.

Base Salary . The base salary levels for the executive officers were established for the 2004 fiscal year on the basis of the following factors: personal performance, the estimated salary levels in effect for similar positions at a select group of companies with which the Company competes for executive talent, and internal comparability considerations. Although the Compensation Committee reviewed various compensation surveys, the Board did not rely upon any specific survey for comparative compensation purposes. Instead, the Board made its decisions as to the appropriate market level of base salary for each executive officer on the basis of its understanding of the salary levels in effect for similar positions at those companies with which the Company competes for executive talent. The Compensation Committee on an annual basis will review base salaries, and adjustments will be made in accordance with the factors indicated above.

Annual Incentive Compensation . The Endologix Employee Bonus Plan provides the Board of Directors with discretionary authority to award cash bonuses to executive officers and employees in accordance with recommendations made by the Compensation Committee. The Compensation Committee's recommendations are based upon the extent to which financial and performance targets (established semi-annually by the Compensation Committee) are met and the contribution of each such officer and employee to the attainment of such targets. For fiscal year 2004, the performance targets for each of the executive officers included gross sales, cash flow, engineering product goals and regulatory goals. The weight given to each factor varied from individual to individual.

Long-Term Incentive Compensation . The 1996 Stock Option/Stock Issuance Plan also provides the Board with the ability to align the interests of the executive officer with those of the stockholders and provide each individual with a significant incentive to manage Endologix from the perspective of an owner with an equity stake in the business. The number of shares subject to each option grant is based upon the officer's tenure, level of responsibility and relative position in Endologix. The Company has established general guidelines for making options grants to the executive officers in an attempt to target a fixed number of unvested option shares based upon the individual's position with Endologix and their existing holdings of unvested options. However, the Company does not adhere strictly to these guidelines and will vary the size of the option grant made to each executive officer as it feels the circumstances warrant. Each grant allows the officer to acquire shares of the Company's common stock at a fixed price per share (the market price on the grant date) over a specified period of time (up to 10 years from the date of grant). The option normally vests in periodic installments over a four-year period, contingent upon the executive officer's continued employment with the Company. Accordingly, the option will provide a return to the executive officer only if he or she remains in the Company's employ and the market price of the Company's common stock appreciates over the option term.

Table of Contents

CEO Compensation . The Compensation Committee sets the base salary for Paul McCormick, the Company's Chief Executive Officer, at a level which is designed to provide a salary competitive with salaries paid to chief executive officers of similarly-sized companies in the industry and commensurate with each such individual's experience. Mr. McCormick's critical role in completing the commercial launch of the Company's Powerlink product was an important determinant in setting his compensation. As the Company's activities for 2004 were mainly for research and development, the Compensation Committee did not intend to have the base salary component of compensation affected to any significant degree by the Company's financial performance, but by the Company's achievement of regulatory milestones.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Company's independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report on the Company's financial statements and of its internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

Table of Contents

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Based upon the Audit Committee's discussions with management and the independent registered public accounting firm and the Audit Committee's review of the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Endologix Annual Report on Form 10-K for the fiscal year ended December 31, 2004 filed with the Securities and Exchange Commission.

**DEADLINE FOR RECEIPT OF
STOCKHOLDER PROPOSALS FOR 2006 ANNUAL MEETING**

If the Company holds its 2006 annual meeting of stockholders on or about the same time as this year's Annual Meeting, then any stockholder desiring to submit a proposal for action at the 2006 annual meeting of stockholders should arrange for such proposal to be delivered to the Company at its principal place of business no later than December 27, 2005, in order to be considered for inclusion in the Company's proxy statement relating to that meeting. However, if the Company holds its 2006 annual meeting of stockholders on a date that is more than 30 days earlier or later than this year's Annual Meeting, then a stockholder proposal must be received by the Company at its principal place of business in a reasonable amount of time prior to when the Company begins to print and mail its proxy materials. Matters pertaining to such proposals, including the number and length thereof, the eligibility of persons entitled to have such proposals included and other aspects are regulated by the Securities Exchange Act of 1934, rules and regulations of the SEC and other laws and regulations.

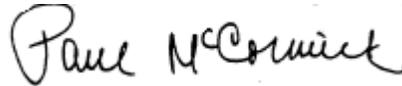

SEC rules also establish a different deadline, the discretionary vote deadline, for submission of stockholder proposals that are not intended to be included in the Company's proxy statement with respect to discretionary voting. The discretionary vote deadline for the 2006 annual meeting of stockholders is March 11, 2006 (which is at least 45 calendar days prior to the anniversary of the mailing date of this proxy statement). If a stockholder gives notice of such a proposal after the discretionary vote deadline, the Company's proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the Company's 2006 annual meeting of stockholders.

The Company was not notified of any stockholder proposals to be addressed at the Annual Meeting. Because the Company was not provided notice of any stockholder proposal to be included in the proxy statement within a reasonable time before mailing, the Company will be allowed to use its voting authority if any stockholder proposals are raised at the meeting.

OTHER BUSINESS

The Board of Directors is not aware of any other matter which may be presented for action at the Annual Meeting. Should any other matter requiring a vote of the stockholders arise, it is intended that the proxy holders will vote on such matters in accordance with their best judgment.
