## EarthLink Receives 2017 INTERNET TELEPHONY Product of the Year Award

### Unified Communications Recognized for Industry Innovation and Quality

ATLANTA, Feb. 09, 2017 (GLOBE NEWSWIRE) -- EarthLink (EarthLink Holdings Corp.) (NASDAQ:ELNK), a leading network services provider dedicated to delivering great customer experiences, today announced that [TMC](#), a global, integrated media company, has named EarthLink's Unified Communications as a recipient of a 2017 INTERNET TELEPHONY Product of the Year Award. These awards recognize the most innovative and highest quality IP communications brought to market, or updated, in the past year.

"EarthLink continues to strive for Best-in-Class with our UC solutions," said Scott Yelton, Director of Product Management at EarthLink. "The award recognizes the advancements in our solution and the service oriented approach we use to deliver high performance unified communications."

EarthLink's Unified Communications includes Hosted Voice, EarthLink Meeting Room™ and Hosted Contact Center to provide a complete communications solution that enables businesses to create a flexible, collaborative Mobile Office environment supporting all employees regardless of location. It's a fully-managed, cloud-based solution that scales to support an organization without the capital expense of owning and maintaining premises-based equipment. It also provides built-in continuity and obsolescence protection.

"It gives me great pleasure to recognize EarthLink with a Product of the Year Award for 2017. I have always been impressed with their commitment to excellence and innovation," said [Rich Tehrani](#), CEO, TMC. "In the opinion of our distinguished judges, EarthLink's Unified Communications has proven to be among the best IP communications solutions available on the market. I look forward to continued innovation from EarthLink."

The winners of the 2017 INTERNET TELEPHONY Product of the Year are featured in the January issue of the *INTERNET TELEPHONY* magazine.
