

EarthLink Launches 'Hot Deals' Website

--EarthLink's Comparison Shopping Site Saves Time and Money

ATLANTA, June 16, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- [EarthLink](http://www.earthlink.net), Inc. (Nasdaq: ELNK) today announced the launch of its "Hot Deals" website, a free online resource that presents great deals, prices and coupons available on the Internet in a simple web interface at <http://deals.earthlink.net>.

"Our Hot Deals website is another example of EarthLink's commitment to delivering a great Internet experience, and that includes leveraging the web to save time and money," said Kevin Brand, EarthLink's senior vice president of product management. "By compiling and showcasing online deals in one convenient web page that is updated frequently, we hope more Americans will take advantage of the tremendous cost-saving opportunities available on the Internet for all kinds of products including electronics, toys, groceries and much more."

The "Hot Deals" website features several cost- and time-saving categories:

Daily Hot Deals:

- eBay Daily Deals
 - Real time, 'Buy It Now' products with free shipping. Typical offers are discounted between 20% and 90% off the original price.
- Expedia.com
 - Features current travel deals from Expedia.com, the world's leading online travel agency.
- Shopping.com Top Products
 - Users can compare prices from top merchants for the most popular products on Shopping.com's network.
 - Consumers can also compare prices on the product they need by using the EarthLink Shopping Channel powered by Shopping.com.
- Top Sites
 - Daily Deals - a list of the top websites offering the daily deals on consumer products.
 - Coupons - a collection of the leading websites where consumers can find and print coupons they can use at both online and brick-and-mortar retailers.
 - Price Comparison - the top sites that enable consumers to compare prices from different merchants for the products that they need.

The "Hot Deals" website is open to all U.S. Internet consumers and can be found at <http://deals.earthlink.net>. It is also easily accessible for EarthLink customers on the MyEarthLink portal (<http://my.earthlink.net>).
