Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ▶ During 2016, EarthLink distributed cash in an aggregate amount of \$0.20 per share of common stock to its shareholders as follows:

<u>\$0.05 per share on January 5, 2016</u>
<u>\$0.05 per share on April 4, 2016</u>
<u>\$0.05 per share on July 5, 2016</u>
<u>\$0.05 per share on October 4, 2016</u>

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ▶ EarthLink has determined that the cash distributions described above, the entire amount will be treated as a return of capital under Section 301(c)(2). Generally, a distribution of common stock that is treated as a return of capital should reduce the tax basis in the shares of common stock up to a holder's adjusted basis in the common stock, with any excess treated as capital gains pursuant to Section 301(c)(3).

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ▶ As described above, EarthLink has determined that the entire amount of cash distributed to common stock holder's is a return of capital under Section 301(c).
