

Energy Conversion Devices to Announce Third Quarter Financial Results on Tuesday, May 10, 2011

AUBURN HILLS, Mich., April 26, 2011 (GLOBE NEWSWIRE) -- Energy Conversion Devices, Inc. (ECD) (Nasdaq:ENER), a leading global provider of thin-film flexible solar laminate products and systems for the building integrated and commercial rooftop markets, will report financial results for the third quarter of fiscal year 2011 ended March 31, 2011 before the market opens on Tuesday, May 10, 2011.

In conjunction with the release, ECD's management will host a conference call at 10:00 a.m. eastern time on Tuesday, May 10, 2011 to review the financial results. To participate in the conference call, please dial (877) 858-2512 or (706) 643-3219 (international) at least 10 minutes prior to the start of the call. Callers will need to reference conference ID number 63346919.

The conference call will be webcast live over the Internet and can be accessed in the Investor Relations section of the company's website at energyconversiondevices.com under "Events". The webcast will also be archived on the Company's website.

About Energy Conversion Devices

Energy Conversion Devices is a leading global provider of thin-film flexible solar laminate products for the building integrated and commercial rooftop markets. The company manufactures, sells and installs thin-film solar laminates that convert sunlight to clean, renewable energy using proprietary technology. ECD's *UNI-SOLAR*[®] brand products are unique because of their flexibility, light weight, ease of installation, durability, and real-world efficiency. The company also designs, manufactures and installs rooftop photovoltaic systems which enable customers to transform unused space on their rooftop into a value-generating asset. In addition, ECD's Ovonic Materials Division is the pioneer in NiMH battery technology and other material science technologies for the renewable energy industry. For more information, please visit energyconversiondevices.com and follow ECD on Twitter @ECD_ENER.
