

Encore Energy Partners LP Announces Pricing of Public Offering of 8.2 Million Common Units

FORT WORTH, Texas, Jun 29, 2009 (BUSINESS WIRE) -- Encore Energy Partners LP (NYSE: ENP) announced today that it has priced its public offering of 8,200,000 common units representing limited partner interests at a price of \$14.30 per common unit. Encore Energy Partners has granted the underwriters a 30-day option to purchase up to an additional 1,230,000 common units. The offering is expected to close on July 6, 2009. The net proceeds from the offering are expected to be used to fund a portion of the purchase price of the previously announced acquisition of oil and natural gas producing properties in the Rockies and Permian Basin from Encore Acquisition Company.

Barclays Capital, Merrill Lynch & Co., UBS Investment Bank, and Wachovia Securities are acting as joint book-running managers for the offering. When available, a copy of the prospectus supplement and the accompanying prospectus relating to the offering may be obtained from the following underwriters at the addresses set forth below:

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state or jurisdiction in which such offer, sale or solicitation would be unlawful prior to registration or qualification under the securities law in any such state or jurisdiction. The offering of common units may be made only by means of a prospectus supplement and the accompanying prospectus.

Cautionary Statement

This press release includes forward-looking statements, which give ENP's current expectations or forecasts of future events based on currently available information. Forward-looking statements in this press release relate to, among other things, the closing of the offering and the use of proceeds therefrom. Such statements are subject to a number of risks and uncertainties, including those identified in "Item 1A. Risk Factors" and elsewhere in its most recent annual report on Form 10-K and other filings with the Securities and Exchange Commission. If one or more of these risks or uncertainties materialize (or the consequences of such a development changes), or if underlying assumptions prove incorrect, actual outcomes may vary materially from those forecasted or expected.
