### About the Partnership

On March 9, 2010, Denbury Resources Inc. ("Denbury") acquired Encore Acquisition Company, which owned the general partner of Encore Energy Partners LP ("ENP"). As a result of that merger, Denbury now owns the general partner of ENP and approximately 46% of the common units of ENP.

Denbury Resources Inc. ([www.denbury.com](http://www.denbury.com)) is a growing independent oil and gas company. The Company is the largest oil and natural gas operator in Mississippi and Montana, owns the largest reserves of CO<sub>2</sub> used for tertiary oil recovery east of the Mississippi River, and holds significant operating acreage in the Rockies and Gulf Coast. The Company's goal is to increase the value of acquired properties through a combination of exploitation, drilling and proven engineering extraction practices, with its most significant emphasis relating to tertiary recovery operations.
