REDWOOD CITY, Calif.--(BUSINESS WIRE)-- Electronic Arts Inc. (NASDAQ:EA) and Maxis today announced *The Sims™ 4*, the previously PC/Mac-only game that celebrates creativity, inclusivity and freedom of choice, will be coming to Xbox One and PlayStation® 4 players worldwide on November 17<sup>th</sup>. From creating unique Sims and building amazing homes to developing Sim's relationships and pursuing careers, *The Sims 4* delivers the same emotional connection our PC players cherish to a new wave of console players. Fans will enjoy being empowered to create and control people in a vibrant virtual world as they experience life's unpredictable, entertaining moments along the way.

The logo for The Sims 4, featuring the word 'The' in a small blue font above 'SIMS' in large blue letters, with a green diamond shape to the left of 'SIMS' and '4' in green below it.

"The addition of a console-version of *The Sims 4* has been long-awaited by fans and newcomers alike, and we at Maxis are beyond excited to bring *The Sims* to new platforms," said Executive Producer, Lyndsay Pearson. "The game delivers a beautiful *The Sims* experience on console and comes packed with tons of the fan-favorite content, so players can look forward to the unique gameplay, self-expression, and fun that have come to be tentpoles of *The Sims* brand. The possibilities to play with life are as endless as the players' creativity."

As with *The Sims 4* on PC, console players can experience and test life's limits in a world where there are no rules. Fans will have the power to create unique Sims, customizing everything from their hair color
