Paradise
REMASTERED

Burnout Paradise Remastered includes the original base game and the eight add-on game packs released during the Year of Paradise*, including the extension to the drivable world with Big Surf Island. *Burnout Paradise Remastered* also features a range of technical enhancements for greater visual fidelity, including high resolution textures for players to explore Paradise City in 4K with supporting 60FPS on the PlayStation 4 Pro and Xbox One X.

"When people think of Criterion Games, they often remember the *Burnout* franchise and for good reason. What we created 10 years ago, is as fun and unique today as it was back then," said Matt Webster, General Manager at Criterion Games. "*Burnout Paradise* is an open world arcade racer built to provide players the thrill of racing with their friends, in a free form way that's both seamless and immersive. Featuring Criterion's trademark speed and destruction with awesome stunts and spectacular crashes. With the release of this remaster, we're able to share this action-packed ride and innovate online vehicle play with a whole new generation of players."
