Glide, Jump, and Sing Your Way Through a Beautiful Forest with Fe, An EA Originals Title, Available Worldwide Today

Uncover the Mysteries of Nature on Xbox One, PlayStation 4, Origin for PC, and Nintendo Switch

[View the Fe Launch Trailer](#)

REDWOOD CITY, Calif--(BUSINESS WIRE)-- Today, Electronic Arts Inc. (NASDAQ: EA) and the imaginative Swedish studio ZoinK Games announced that *Fe*, a seamless narrative adventure game is now available for download to players worldwide on Xbox One, PlayStation 4, Nintendo Switch, and Origin for PC. *Fe* is the first game to launch as part of the EA Originals program, announced at EA PLAY 2017, which aims to bring players unique and memorable gaming experiences from the best independent studios.

Glide, Jump, and Sing Your Way Through a Beautiful Forest with Fe, An EA Originals Title, Available Worldwide Today (Graphic: Business Wire)

Named after the game's protagonist, players will run, climb, and glide through the Nordic forest as the cub-like creature, Fe. Uncover the secrets of Fe's origin while protecting the ecosystem from the menacing machines, the Silent Ones. As Fe embarks on a voyage of discovery, the wordless experience requires Fe to learn to speak the language of the forest by singing in-tune with various fantastical plants and animals, each of which offers unique gameplay benefits that will help along the journey.

"In *Fe*, sounds connect every living thing in the diverse ecosystem," said Klaus Lyngedel, CEO and Creative Lead at ZoinK Games. "The forest holds a multitude of secrets to be uncovered by connecting with the flora and fauna. As a wordless experience, the entire story is up for the players' own interpretation as they move through the forest at their own pace. *Fe* is a beautiful, connected world that players will never want to leave."

Uncover the mysteries of nature in a world worth exploring as Fe happens upon ancient ruins, hidden artifacts, secret places, and new powers. Each experience offers a hand-crafted short story, wrapped in a visually stunning, memorable, and fun environment. Discover Fe's origin and learn that nothing is what it first seems.

Fe is rated 'E' for Everyone by the ESRB and is available now for \$19.99 on Xbox One, PlayStation 4, Origin for PC, and Nintendo Switch. To find out more on Fe, please visit the blog at <https://www.ea.com/games/fe>. Visit <https://www.EA.com/EA-Originals> for information and to keep up-to-date on EA Originals.
