"*The Sims 4 Seasons* expansion pack provides even more ways for players to tell exciting, relevant stories in *The Sims 4*," said Grant Rodiek, Senior Producer. "The weather and passage of the seasons changes your Sims' lives in delightful ways, whether it's tossing on a raincoat to splash around in a Spring shower, shoving snow in a rival's face in Winter, or harvesting some sweet honey in Fall. There is tons of new gameplay, challenges, and stories to tell. This is personally my favorite pack and our team was thrilled to finally craft this fan-favorite expansion. We cannot wait to see how players will incorporate the weather into their game."

In addition to the ever-changing weather, *The Sims 4 Seasons* adds a calendar full of festive holidays for Sims to get together and celebrate with their friends and family. During Harvestfest, Sims can gather 'round and enjoy a feast fit for kings. During Winterfest, a visit from Father Winter will brighten the day for any Scrooge-like Sims. After ringing in the New Year, Sims can enjoy a romantic date on Love Day. In *The Sims 4 Seasons*, players can even create their own custom holidays for Sims and choose how to celebrate. With a calendar full of festivities, Sims will be busy all year long!

Each season also comes with its own special activities. With Fall comes an abundance of leaves for Sims to play in. During Winter, Sims can bundle up and take to the ice for some pre-Winterfest skating featuring twirls, twists, and of course hot cocoa. In the sweltering Summer heat, Sims can dress in new swimwear to cool off in the kiddie pool. As the seasons change, Sims can explore the great outdoors and earn badges in Spring.
