Unless otherwise indicated, all section references in this Amendment refer to sections of the Credit Agreement.

Section 2. Amendments to Credit Agreement.

2.1 Amendments to Section 1.02. The following definitions are hereby amended in their respective entireties, or added where alphabetically appropriate to read as follows:

“ Agreement ” means this Second Amended and Restated Credit Agreement, including the Schedules and Exhibits hereto, as amended by the First Amendment, the Second Amendment, the Third Amendment, the Fourth Amendment, the Fifth Amendment, the Sixth Amendment, the Seventh Amendment, the Eighth Amendment, the Ninth Amendment, the Tenth Amendment and as the same may be amended, modified or supplemented from time to time.

In connection with each redetermination of the Borrowing Base, the Borrower shall review the Reserve Report and the list of current Mortgaged Properties (as described in Section 8.12(c)(vi)) to ascertain whether the Mortgaged Properties represent at least 95% of the total value of the Oil and Gas Properties evaluated in the most recently completed Reserve Report after giving effect to exploration and production activities, acquisitions, dispositions and

production. In the event that the Mortgaged Properties do not represent at least 95% of such total value, then the Borrower shall, and shall cause its Subsidiaries to, grant to the Administrative Agent or its designee as security for the Indebtedness a first-priority Lien interest (provided the Excepted Liens of the type described in clauses (a) to (d) and (f) of the definition thereof may exist, but subject to the provisos at the end of such definition) on additional Oil and Gas Properties not already subject to a Lien of the Security Instruments such that after giving effect thereto, the Mortgaged Properties will represent at least 95% of such total value. All such Liens will be created and perfected by and in accordance with the provisions of deeds of trust, security agreements and financing statements or other Security Instruments, all in form and substance reasonably satisfactory to the Administrative Agent or its designee and in sufficient executed (and acknowledged where necessary or appropriate) counterparts for recording purposes. In order to comply with the foregoing, if any Subsidiary places a Lien on its Oil and Gas Properties and such Subsidiary is not a Guarantor, then it shall become a Guarantor and comply with Section 8.14(b).

2.3 Amendment to Section 9.20. Section 9.20 is hereby amended by deleting such Section in its entirety and replacing it with the following:

For each deposit or securities account that the Borrower or any Guarantor maintains as of the Tenth Amendment Effective Date (other than any Excluded Account), the Borrower will, by the date (the “DACA Compliance Date”) no later than thirty (30) days after the Tenth Amendment Effective Date, either (a) cause such account to be subject to a deposit account control agreement or securities account control agreement, as applicable, with a Lender in form and substance reasonably satisfactory to the Administrative Agent naming the Administrative Agent as the secured party thereunder for the benefit of the Guaranteed Creditors, or (b) close such account and transfer any funds therein to an account that otherwise meets the requirements of this Section 9.20. From and after the DACA Compliance Date, neither the Borrower nor any Guarantor shall open, any deposit or securities account (other than any Excluded Account) unless such deposit or securities account is with a Lender and is subject to a deposit account control agreement or securities account control agreement, as applicable, in form and substance reasonably satisfactory to the Administrative Agent naming the Administrative Agent as the secured party thereunder for the benefit of the Guaranteed Creditors.

Section 3. Amendments to Guaranty and Collateral Agreement. The Guaranty and Collateral Agreement is hereby amended and restated to be in the form of the Third Amended and Restated Guaranty and Collateral Agreement attached as Annex I hereto.

Such Grantor will not create or suffer to be created or permit to exist any Lien, security interest or charge prior or junior to or on a parity with the Lien created by this Agreement upon the Collateral or any part thereof other than Liens permitted by Section 9.03 of the Credit Agreement. Such Grantor will warrant and defend the title to the Collateral against the claims and demands of all other Persons whomsoever (other than Liens permitted by Section 9.03 of the Credit Agreement) and will maintain and preserve the Lien created hereby (and the priority specified herein) until Payment in Full. If (i) an adverse claim be made against any part of the Collateral other than Liens permitted by Section 9.03 of the Credit Agreement or (ii) any Person, including the holder of a Lien permitted by Section 9.03 of the Credit Agreement (other than permitted Liens that have priority by operation of law over the Liens created hereby or Liens permitted by Section 9.03(b), to the extent constituting a prior Lien, or 9.03(c) of the Credit Agreement), shall challenge the priority or validity of the Liens created by this Agreement, then such Grantor agrees to promptly defend against such adverse claim, take appropriate action to remove such cloud or subordinate such Liens permitted by Section 9.03 of the Credit Agreement (other than permitted Liens that have priority by operation of law over the Liens created hereby or Liens permitted by Section 9.03(b), to the extent constituting a prior Lien, or 9.03(c) of the Credit Agreement), in each case, at such Grantor's sole cost and expense. (c) At any time and from time to time, upon the reasonable written request of the Administrative Agent, and at the sole expense of such Grantor, such Grantor will promptly and duly give, execute, deliver, indorse, file or record any and all financing statements, continuation statements, amendments, notices (including notifications to financial institutions and any other Person), contracts, agreements, assignments, certificates, stock powers or other instruments, obtain any and all governmental approvals and consents and take or cause to be taken any and all steps or acts that may be necessary or as the Administrative Agent may reasonably request to create, perfect, establish at least the priority described in Section 5.03 of, or to preserve the validity, perfection or priority of, the Liens granted by this Agreement or to enable the Administrative Agent or any other Guaranteed Creditor to enforce its rights, remedies, powers and privileges under this Agreement with respect to such Liens or to otherwise obtain or preserve the full benefits of this Agreement and the rights, powers and privileges herein granted. It is understood that, with respect to motor vehicles and other similar assets subject to certificates of title, the Administrative Agent shall not request its security interest therein to be perfected by means other than filing a financing statement.

(d) Without limiting the obligations of the Grantors under Section 6.02(c), but subject to Section 9.20 of the Credit Agreement, at any time and from time to time upon the written request of the Administrative Agent such Grantor shall take or cause to be taken all actions (other than any actions required to be taken by the Administrative Agent or any Lender) reasonably requested by the Administrative Agent to cause the Administrative Agent to (i) have "control" (within the meaning of Sections §8.106, 9.104, 9.105, 9.106, and 9.107 of the UCC) over any Collateral constituting Deposit

(e) This Section 6.02 and the obligations imposed on each Grantor hereof shall be interpreted as broadly as possible in favor of the Administrative Agent and the other Guaranteed Creditors in order to effectuate the purpose and intent of this Agreement.

Maintenance of Records

. Such Grantor will keep and maintain at its own cost and expense complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts. Such Grantor shall provide access to any such books and records to the Administrative Agent or to its representatives during normal business hours at the written request of the Administrative Agent (made upon prior notice) and shall provide such clerical and other assistance as may be reasonably requested with regard thereto.

Further Identification of Collateral

. Such Grantor will furnish to the Administrative Agent from time to time, at such Grantor’s sole cost and expense, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Administrative Agent may reasonably request, all in reasonable detail, including without limitation requests pursuant to Section 8.11(a) of the Credit Agreement.

(f) If such Grantor shall become entitled to receive or shall receive any stock certificate or other instrument (including any certificate or instrument representing a dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate or instrument issued in connection with any reorganization), option or rights in respect of the capital stock or other Equity Interests of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares (or such other interests) of the Pledged Securities, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Administrative Agent, hold the same in trust for the Administrative Agent and deliver the same forthwith to the Administrative Agent in the exact form received, duly indorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or other equivalent instrument of transfer acceptable to the Administrative Agent covering such certificate or instrument duly executed in blank by such Grantor, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Secured Obligations. Upon the occurrence and during the continuance of an Event of Default, (i) any sums paid upon or in respect of any Investment Property upon the liquidation or dissolution of any Issuer shall be paid over to the Administrative Agent to be held, at the Administrative Agent’s option, either by it hereunder as additional Collateral for the Secured Obligations or applied to the Secured Obligations as provided in Section 7.04, and (ii) in case any distribution of capital shall be made on or in respect of any Investment Property or any property shall be distributed upon or with respect to any Investment Property pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof, the property so distributed shall, unless otherwise subject to a perfected security interest in favor of the Administrative Agent for the ratable benefit of the Guaranteed Creditors, be delivered to the Administrative Agent to be held, at the Administrative Agent’s option, either by it hereunder as additional Collateral for the Secured Obligations or applied to the Secured Obligations as provided in Section 7.04. Upon the occurrence and during the continuance of an Event of Default, if any sums of money or property so paid or distributed in respect of any Investment Property shall be received

by such Grantor, such Grantor shall, until such money or property is paid or delivered to the Administrative Agent, hold such money or property in trust for the Guaranteed Creditors, segregated from other funds of such Grantor, as additional Collateral for the Secured Obligations.

(g) Without the prior written consent of the Administrative Agent, such Grantor will not (i) vote to enable, or take any other action to permit, any Issuer to issue any stock or other Equity Interests of any nature or to issue any other securities or interests convertible into or granting the right to purchase or exchange for any stock or other Equity Interests of any nature of any Issuer, (ii) sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Investment Property or Proceeds thereof (except pursuant to a transaction expressly permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien except for Liens permitted by Section 9.03 of the Credit Agreement or option in favor of, or any claim of any Person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement or (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Administrative Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof.

(h) In the case of each Grantor which is also an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Investment Property issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Administrative Agent promptly in writing of the occurrence of any of the events described in Section 6.05(a) with respect to the Investment Property issued by it and (iii) the terms of Section 7.01(c) and Section 7.05 shall apply to it, *mutatis mutandis*, with respect to all actions that may be required of it pursuant to Section 7.01(c) or Section 7.05 with respect to the Investment Property issued by it. Each Grantor will use commercially reasonable efforts to have each non-Grantor Issuer execute and deliver an Acknowledgment and Consent substantially in the form of Annex II. In addition, each Grantor which is also either an Issuer or an owner of any Investment Property consents to the grant by each other Grantor of the security interest hereunder in favor of the Administrative Agent and to the transfer of any Investment Property to the Administrative Agent or its nominee upon the occurrence or during the continuation of an Event of Default and to the substitution of the Administrative Agent or its nominee as a partner, member or shareholder of the Issuer of the related Investment Property.

(i) Without the prior written consent of the Administrative Agent, such Grantor shall not vote to enable, consent to or take any other action to: (i) amend, terminate or waive any default under or breach of any terms of any governing document in any way that adversely affects the validity, perfection or priority of the Administrative Agent's security interest hereunder or (ii) cause or, to the fullest extent possible, permit any Issuer of any Pledged Securities that are not securities (for purposes of Article 8 of the UCC) on the date hereof (or, if such Pledged Securities are owned or acquired by such Grantor after the date hereof, then on such date of acquisition) to elect or otherwise take any action that would cause such Pledged Securities to be treated as securities for purposes of Article 8 of the UCC except to the extent such Grantor complies with Section 6.05(a) with respect to such Pledged Securities and ensures the Administrative Agent has a perfected security interest with at least the priority described in Section 5.03(b) in such Pledged Securities substantially concurrently with such election or taking of any such action. With respect to any securities for purposes of Article 8 of the UCC owned by any Grantor which are securities on the date hereof or, if such Pledged Securities are owned or acquired by such Grantor after the date hereof, the Grantor shall ensure the Administrative Agent has a perfected security interest with at least the priority described in Section 5.03(b) in such security on the date hereof or substantially concurrently with the date of acquisition, as the case may be.

(j) Such Grantor shall furnish to the Administrative Agent such stock powers and other equivalent instruments of transfer as may be required by the Administrative Agent to assure the transferability of and the perfection of the security interest in the Pledged Securities as may be reasonably

requested by the Administrative Agent. No Grantor shall permit any Issuer to certificate any Pledged Security unless such Grantor substantially concurrently delivers such Pledged Securities to the Administrative Agent in the exact form received, duly indorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or other equivalent instrument of transfer acceptable to the Administrative Agent covering such certificate or instrument duly executed in blank by such Grantor.

(k) The Pledged Securities will at all times constitute not less than 100% (or, in the case of Foreign Subsidiary Voting Stock, not less than 65% of the outstanding Foreign Subsidiary Voting Stock of each relevant Issuer) of the capital stock or other Equity Interests of the Issuer thereof owned by any Grantor. Upon the issuance of any new shares (or other interests) of any class of capital stock or other Equity Interests of an Issuer to a Grantor, such Equity Interests shall be pledged to the Administrative Agent pursuant to the terms hereof and the Grantor shall substantially concurrently with such issuance, deliver any such Equity Interests that are required to be pledged hereunder in the exact form received, duly indorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power or other equivalent instrument of transfer acceptable to the Administrative Agent covering such certificate or instrument duly executed in blank by such Grantor.

Limitations on Modifications, Waivers, Extensions of Agreements Giving Rise to Accounts

. Such Grantor will not (a) amend, modify, terminate or waive any provision of any Chattel Paper, Instrument or any agreement giving rise to an Account or Payment Intangible in any manner which could reasonably be expected to materially adversely affect the collective value of the Collateral as a whole, or (b) fail to exercise promptly and diligently each and every material right which it may have under any Chattel Paper, Instrument and each agreement giving rise to an Account or Payment Intangible with a value in excess of \$2,000,000 in the aggregate (other than any right of termination); provided, that, a Grantor may make such adjustments, settlements or compromises and release wholly or partly any account debtor or obligor thereof and allow any credit or discounts thereon so long as (i) no Event of Default has occurred and is continuing, (ii) such action is taken in the ordinary course of business and consistent with past practices, and (iii) such action is, in such Grantor's good-faith business judgment, commercially reasonable.

Instruments and Tangible Chattel Paper

(b) If an Event of Default shall occur and be continuing and the Administrative Agent shall give written notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Secured Obligations in accordance with Section 10.02 of the Credit Agreement, and (ii) any or all of the Investment Property shall be registered in the name of the Administrative Agent or its nominee, and the Administrative Agent or its nominee may thereafter exercise (A) all voting and corporate or other organizational rights pertaining to such Investment Property at any meeting of shareholders (or other equivalent body) of the relevant Issuer or Issuers or otherwise and (B) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Investment Property as if it were the absolute owner thereof (including, the right to exchange at its discretion any and all of the Investment Property upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other organizational structure of any Issuer, or upon the exercise by any Grantor or the Administrative Agent of any right, privilege or option pertaining to such Investment Property, and in connection therewith, the right to deposit and deliver any and all of the Investment Property with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine), all without liability except to account for property actually received by it, but the Administrative Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Investment Property pledged by such Grantor hereunder (and each Issuer party hereto hereby agrees) to (i) comply with any instruction received by it from the Administrative Agent in writing that (A) states that an Event of Default has occurred and is continuing and (B) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, at any time that an Event of Default exists, comply with any instruction received by it from the Administrative Agent in writing to pay any dividends or other payments with respect to the Investment Property directly to the Administrative Agent.

(d) After the occurrence and during the continuation of an Event of Default, if the Issuer of any Pledged Securities is the subject of bankruptcy, insolvency, receivership, custodianship or other proceedings under the supervision of any Governmental Authority, then all rights of the Grantor in respect thereof to exercise the voting and other consensual rights which such Grantor would otherwise be entitled to exercise with respect to the Pledged Securities issued by such Issuer shall cease, and all such rights shall thereupon become vested in the Administrative Agent who shall thereupon have the sole right to exercise such voting and other consensual rights, but the Administrative Agent shall have no duty to exercise any such voting or other consensual rights and shall not be responsible for any failure to do so or delay in so doing.

Collections on Accounts, Etc.

The Administrative Agent hereby authorizes each Grantor to collect upon the Accounts, Instruments, Chattel Paper and Payment Intangibles subject to the

Administrative Agent's direction and control, and the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. Upon the written request of the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify the Account Debtors that the applicable Accounts, Chattel Paper and Payment Intangibles have been assigned to the Administrative Agent for the ratable benefit of the Guaranteed Creditors and that payments in respect thereof shall be made directly to the Administrative Agent. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent may in its own name or in the name of others communicate with the Account Debtors to verify with them to its satisfaction the existence, amount and terms of any Accounts, Chattel Paper or Payment Intangibles.

Proceeds

. If required by the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Accounts, Instruments, Chattel Paper and Payment Intangibles, when collected or received by each Grantor, and any other cash or non-cash Proceeds received by each Grantor upon the sale or other disposition of any Collateral, shall be forthwith (and, in any event, within five Business Days) deposited by such Grantor in the exact form received, duly indorsed by such Grantor to the Administrative Agent if required, in a special collateral account maintained by the Administrative Agent, subject to withdrawal by the Administrative Agent for the ratable benefit of the Guaranteed Creditors only, as hereinafter provided, and, until so turned over, shall be held by such Grantor in trust for the Administrative Agent for the ratable benefit of the Guaranteed Creditors, segregated from other funds of any such Grantor. Any such Proceeds so deposited shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit. All Proceeds (including Proceeds constituting collections of Accounts, Chattel Paper, Instruments) while held by the Administrative Agent (or by any Grantor in trust for the Administrative Agent for the ratable benefit of the Guaranteed Creditors) shall continue to be collateral security for all of the Secured Obligations and shall not constitute payment thereof until applied as hereinafter provided. At such intervals as may be agreed upon by each Grantor and the Administrative Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent shall apply all or any part of the funds on deposit in said special collateral account on account of the Secured Obligations in accordance with Section 10.02(c) of the Credit Agreement. Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

Uniform Commercial Code and Other Remedies

(e) If an Event of Default shall occur and be continuing, the Administrative Agent, on behalf of the Guaranteed Creditors, may exercise in its discretion, in addition to all other rights, remedies, powers and privileges granted to them in this Agreement or any other Secured Agreement, all rights, remedies, powers and privileges of a secured party under the UCC (whether the UCC is in effect in the jurisdiction where such rights, remedies, powers or privileges are asserted) or any other applicable law or otherwise available at law or equity. Without limiting the generality of the foregoing, if an Event of Default has occurred and is continuing, the Administrative Agent (or its agent), without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Administrative Agent or any other Guaranteed Creditor or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem appropriate, for cash or on credit or for future delivery without assumption of any

credit risk. The Administrative Agent or any other Guaranteed Creditor shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. If an Event of Default shall occur and be continuing, each Grantor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere. Any such sale or transfer by the Administrative Agent either to itself or to any other Person shall be absolutely free from any claim of right by Grantor, including any equity or right of redemption, stay or appraisal which Grantor has or may have under any rule of law, regulation or statute now existing or hereafter adopted. Upon any such sale or transfer, the Administrative Agent shall have the right to deliver, assign and transfer to the purchaser or transferee thereof the Collateral so sold or transferred. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 7.04, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Administrative Agent and the other Guaranteed Creditors hereunder, including reasonable out-of-pocket attorneys' fees and disbursements, to the payment in whole or in part of the Secured Obligations, in accordance with Section 10.02(c) of the Credit Agreement, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including Section 9.615 of the UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Administrative Agent or any other Guaranteed Creditor arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least 10 days before such sale or other disposition.

(f) In the event that the Administrative Agent elects not to sell the Collateral, the Administrative Agent retains its rights to dispose of or utilize the Collateral or any part or parts thereof in any manner authorized or permitted by law or in equity, and to apply the proceeds of the same towards payment of the Secured Obligations. The Administrative Agent may appoint any Person as agent to perform any act or acts necessary or incident to any sale or transfer of the Collateral.

Private Sales of Pledged Securities

(g) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Securities, by reason of certain prohibitions contained in the Securities Act of 1933 (as amended, the "Securities Act") and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so. Each Grantor agrees to use its commercially reasonable efforts to do or cause to be done all such other acts as may reasonably be necessary to make such sale or sales of all or any portion of the Pledged Securities pursuant to this Section 7.05 valid and binding and in compliance with any and all other applicable Governmental Requirements. Each Grantor further agrees that a breach of any of the covenants contained in this Section 7.05 will cause irreparable injury to the Administrative Agent and the other Guaranteed Creditors, that the

Administrative Agent and the other Guaranteed Creditors have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 7.05 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants.

Waiver: Deficiency

. To the extent permitted by applicable law, each Grantor waives and agrees not to assert any rights or privileges which it may acquire under the UCC or any other applicable law. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Secured Obligations and the fees and disbursements of any attorneys employed by the Administrative Agent or any other Guaranteed Creditor to collect such deficiency.

Non-Judicial Enforcement

. The Administrative Agent may enforce its rights hereunder without prior judicial process or judicial hearing, and to the extent permitted by law, each Grantor expressly waives any and all legal rights which might otherwise require the Administrative Agent to enforce its rights by judicial process.

ARTICLE VIII
The Administrative Agent

Administrative Agent's Appointment as Attorney-in-Fact, Etc.

(a) Each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all reasonably appropriate action and to execute any and all documents and instruments which may be reasonably necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) unless being disputed under Section 8.04(a) of the Credit Agreement, pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Administrative Agent may request to evidence the Administrative Agent's and the other Guaranteed Creditors' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) execute, in connection with any sale provided for in Section 7.04 or Section 7.05, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(iv) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (B) take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Account, Instrument, General Intangible, Chattel Paper or Payment Intangible or with respect to any other

Collateral, and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Account, Instrument or General Intangible or with respect to any other Collateral whenever payable; (C) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (D) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (E) receive, change the address for delivery, and open and dispose of mail addressed to any Grantor, and to execute, assign and indorse negotiable and other instruments for the payment of money, documents of title or other evidences of payment, shipment or storage for any form of Collateral on behalf of and in the name of any Grantor; (F) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (G) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (H) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; and (I) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Administrative Agent's and the other Guaranteed Creditors' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 8.01(a) to the contrary notwithstanding, the Administrative Agent agrees that it will not, and will not permit any of its officers or agents to, exercise any rights under the power of attorney provided for in this Section 8.01(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein within the applicable grace periods, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section 8.01, together with interest thereon at the rate applicable to ABR Loans, or during the continuance of an Event of Default, the Post-Default Rate from the date of payment by the Administrative Agent to the date reimbursed by the relevant Grantor, shall be payable jointly and severally by such Grantor to the Administrative Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue and in compliance hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

Duty of Administrative Agent

The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9.207 of the UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account and shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which comparable secured parties accord comparable collateral. Neither the Administrative Agent, any other Guaranteed Creditor nor any of their respective officers,

directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Administrative Agent and the other Guaranteed Creditors hereunder are solely to protect the Administrative Agent's and the other Guaranteed Creditors' interests in the Collateral and shall not impose any duty upon the Administrative Agent or any other Guaranteed Creditor to exercise any such powers. The Administrative Agent and the other Guaranteed Creditors shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, willful misconduct or bad faith, in each case, as determined by a final and non-appealable judgment in a court of competent jurisdiction. To the fullest extent permitted by applicable law, the Administrative Agent shall be under no duty whatsoever to make or give any presentment, notice of dishonor, protest, demand for performance, notice of non-performance, notice of intent to accelerate, notice of acceleration, or other notice or demand in connection with any Collateral or the Secured Obligations, or to take any steps necessary to preserve any rights against any Grantor or other Person or ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Collateral, whether or not it has or is deemed to have knowledge of such matters. Each Grantor, to the extent permitted by applicable law, waives any right of marshaling in respect of any and all Collateral, and waives any right to require the Administrative Agent or any other Guaranteed Creditor to proceed against any Grantor or other Person, exhaust any Collateral or enforce any other remedy which the Administrative Agent or any other Guaranteed Creditor now has or may hereafter have against each Grantor, any Grantor or other Person.

Filing of Financing Statements

. Pursuant to the UCC and any other applicable law, each Grantor authorizes the Administrative Agent, its counsel or its representative, at any time and from time to time, to file or record financing statements, continuation statements, amendments thereto and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Administrative Agent under this Agreement. Additionally, each Grantor authorizes the Administrative Agent, its counsel or its representative, at any time and from time to time, to file or record such financing statements that describe the collateral covered thereby as "all assets of the Grantor", "all personal property of the Grantor" or words of similar effect. In no event shall the above authorizations be deemed to be obligations.

Authority of Administrative Agent

. Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the other Guaranteed Creditors, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Guaranteed Creditors with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

ARTICLE IX Subordination of Indebtedness

Subordination of All Grantor Claims

. As used herein, the term "Grantor Claims" shall mean all debts and obligations of any Grantor to any other Grantor, whether such debts and

obligations now exist or are hereafter incurred or arise, or whether the obligation of the debtor thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or obligations be evidenced by note, contract, open account, or otherwise, and irrespective of the Person or Persons in whose favor such debts or obligations may, at their inception, have been, or may hereafter be created, or the manner in which they have been or may hereafter be acquired by. After the occurrence and during the continuation of an Event of Default, no Grantor shall receive or collect, directly or indirectly, from any obligor in respect thereof any amount upon the Grantor Claims.

Claims in Bankruptcy

. In the event of receivership, bankruptcy, reorganization, arrangement, debtor's relief or other insolvency proceedings involving any Grantor, the Administrative Agent on behalf of the Guaranteed Creditors shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends and payments which would otherwise be payable upon Grantor Claims. Each Grantor hereby assigns such dividends and payments to the Administrative Agent for the benefit of the Guaranteed Creditors for application against the Secured Obligations as provided under Section 10.02 of the Credit Agreement. Should any Agent or Guaranteed Creditor receive, for application upon the Secured Obligations, any such dividend or payment which is otherwise payable to any Grantor, and which, as between such Grantor, shall constitute a credit upon the Grantor Claims, then upon Payment in Full, the intended recipient shall become subrogated to the rights of the Administrative Agent and the other Guaranteed Creditors to the extent that such payments to the Administrative Agent and the other Guaranteed Creditors on the Grantor Claims have contributed toward the liquidation of the Secured Obligations, and such subrogation shall be with respect to that proportion of the Secured Obligations which would have been unpaid if the Administrative Agent and the other Guaranteed Creditors had not received dividends or payments upon the Grantor Claims.

Payments Held in Trust

. In the event that notwithstanding Section 9.01 and Section 9.02, any Grantor should receive any funds, payments, claims or distributions which is prohibited by such Sections, then it agrees: (a) to hold in trust for the Administrative Agent and the other Guaranteed Creditors an amount equal to the amount of all funds, payments, claims or distributions so received segregated from the other funds of such Grantor and (b) that it shall upon receipt, pay them promptly to the Administrative Agent in the exact form agreed (duly endorsed by such Grantor to the Administrative Agent, if required), for the benefit of the Guaranteed Creditors; and each Grantor covenants promptly to pay the same to the Administrative Agent.

Liens Subordinate

. Each Grantor agrees that, until Payment in Full, any Liens securing payment of the Grantor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Secured Obligations, regardless of whether such encumbrances in favor of such Grantor, the Administrative Agent or any other Guaranteed Creditor presently exist or are hereafter created or attach. Prior to Payment in Full, without the prior written consent of the Administrative Agent, no Grantor shall (a) exercise or enforce any creditor's right it may have against any debtor in respect of the Grantor Claims, or (b) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any Lien held by it.

Notation of Records

. Upon the request of the Administrative Agent, all promissory notes and all accounts receivable ledgers or other evidence of the Grantor Claims accepted by or held by any Grantor shall contain a specific written notice thereon that the indebtedness evidenced thereby is subordinated under the terms of this Agreement.

ARTICLE X

In such event, each Security Instrument shall be automatically reinstated and each Grantor shall take such action as may be reasonably requested by the Administrative Agent and the other Guaranteed Creditors to effect such reinstatement.

Each Lender and Issuing Bank agrees promptly to notify the relevant Grantor and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation," no amounts received from, or set off with respect to, any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor .

Releases

(l) Release Upon Payment in Full. If Payment in Full has occurred, the Liens and security interests of the Administrative Agent in the Collateral granted hereby shall be automatically released and the Administrative Agent, at the written request and expense of the Borrower, will promptly deliver any documents necessary, or reasonably requested by a Grantor, to evidence the release, reassignment and transfer of the Collateral to the Grantors.

(m) Further Assurances. If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, then the Administrative Agent, at the request and sole expense of such Grantor, shall promptly execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral; provided that the Borrower shall have delivered to the Administrative Agent, at least five (5) Business Days prior to the date of the proposed release (or such other time period as the Administrative Agent may agree), a written request for release identifying the relevant Collateral, together with a certification by the Borrower stating (i) that such transaction is in compliance with this Agreement and the other Loan Documents, (ii) the Borrower has complied with its obligations under Section 8.01(j) of the Credit Agreement, if applicable and (iii) no Collateral other than the Collateral required to be released is being released. At the request and sole expense of the Borrower, a Grantor shall be released from its obligations hereunder in the event that all the capital stock or other Equity Interests of such Grantor shall be sold, transferred or otherwise disposed of in a transaction permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Administrative Agent, at least five (5) Business Days prior to the date of the proposed release (or such other time period as the Administrative Agent may agree), a written request for release identifying the relevant Grantor, together with a certification by the Borrower stating (x) that such transaction is in compliance with the Credit Agreement and the other Loan Documents and the Borrower has complied with its obligations under Section 8.01(j) of the Credit Agreement, if applicable, (y) such Equity Interests are no longer required to be Collateral and (z) no Collateral other than the Collateral required to be released is being released.

Acceptance

. Each Grantor hereby expressly waives notice of acceptance of this Agreement, acceptance on the part of the Administrative Agent and the other Guaranteed Creditors being conclusively presumed by their request for this Agreement and delivery of the same to the Administrative Agent.

Section 10.02 Amendment and Restatement. On the date hereof, the Existing Guarantee and Collateral Agreement shall be amended and restated and superseded in their entirety by this Agreement. Each Grantor acknowledges and agrees that (a) the Liens described in the Existing Guarantee and Collateral Agreement are carried forward and shall continue in full force and effect to secure the Secured Obligations and (b) none of the Liens, properties, rights and interests existing and to exist under the
