

## **Energy XXI (Bermuda) Limited (“Energy XXI” or “the Company”)**

### **Treasury Shares and Total Voting Rights**

Energy XXI provides the following summary of transfers of its US\$0.001 common stock (“Shares”) out of treasury made as a result of vesting of employee restricted stock units over the last 12 months:

20 May 2009 - 86,315 Shares (April 2009 vesting)  
16 June 2009 – 23,524 Shares (May (2009 vesting)  
16 July 2009 – 187,194 Shares (June 2009 vesting)  
18 August 2009 – 268,963 Shares (July 2009 vesting)  
16 September 2009 – 26,819 Shares (August 2009 vesting)  
15 October 2009 – 135 Shares (September 2009 vesting)  
24 November 2009 – 16,189 Shares (October 2009 vesting)  
15 December 2009 – 42,040 Shares (November 2009 vesting)

In addition, as previously announced, on 6 July 2009 the Company issued 425,410 Shares out of treasury related to Shares due to employees under the Company’s employee stock purchase plan period ended 30 June 2009.

Lastly, as previously announced, on 2 July 2009 the Company purchased 780,597 Shares for future vesting of employee restricted stock units and Shares due under the employee stock purchase plan for the 31 December 2009 period.

Following the above purchase of Shares and the transfers of Shares out of treasury, the Company holds 478,516 Shares in treasury. The Company has a total of 249,512,873 Shares in issue, excluding treasury shares. The total number of voting rights in the Company is therefore 249,512,873.
