PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Energy XXI Gulf Coast, Inc. a Delaware corporation (the "Company"), is filing this Notification of Late Filing on Form 12b-25 with respect to its Quarterly Report on Form 10-Q for the period ended March 31, 2017 (the "March Form 10-Q"). On May 9, 2017, Netherland Sewell and Associates, Inc. delivered a third-party independent reserve engineer report as of March 31, 2017 (the "March 31 Reserve Report") based on SEC 12-month average NYMEX pricing. The Company is unable to file its March Form 10-Q by the prescribed due date because the timing of the receipt of the March 31 Reserve Report resulted in unexpected delays in the completion of its financial statements and related portions of its March Form 10-Q. The changes in the Company's reserves in the March 31 Reserve Report will impact, among other items, depreciation, depletion and amortization, impairment and asset retirement obligation calculations. The Company is working diligently to process this information through its financial statements and anticipates that the Form 10-Q will be filed on or before the fifth calendar day following its prescribed due date.

PART IV — OTHER INFORMATION

If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The changes in the Company's reserves in the March 31 Reserve Report will impact, among other items, depreciation, depletion and amortization, impairment and asset retirement obligation calculations. The Company is working diligently to process this information through its financial statements; however, the changes to these line items are not reasonably estimable at this time.
