An online archive of the broadcast will be available within one hour of the conclusion of the event and will remain available until May 17, 2018. Participants must have a soundcard and speakers to listen to the online broadcast.

Fastenal sells different types of industrial and construction supplies in the following product categories: threaded fasteners and miscellaneous supplies; tools; metal cutting tool blades and abrasives; fluid transfer components and accessories for hydraulic and pneumatic power; material handling; storage and packaging products; janitorial, chemical and paint products; electrical supplies; welding supplies; safety supplies; metals, alloys and materials; and office supplies.

The company operates more than 3,000 in-market locations, including more than 2,300 branches and approximately 700 Onsite locations, located primarily in North America, with additional locations in Asia, Europe, Central and South America, and Africa. We supplement these locations with point-of-use replenishment solutions such as industrial vending and bin stocks (Fastenal Managed Inventory, or FMI[®]). These local channels are supported by 14 distribution centers spanning North America: eleven in the United States (Minnesota, Indiana, Ohio, Pennsylvania, Texas, Georgia, Washington, California, Utah, North Carolina, and Kansas) and three outside the U.S. (Ontario, Canada; Alberta, Canada; and Nuevo León, Mexico).
