Golden 1 Credit Union Enhances Member Experience With Selection of Accel Debit Payments Network from Fiserv

Accel helps deliver secure, convenient and innovative debit funds access and payments

BROOKFIELD, Wis.--(BUSINESS WIRE)-- Focused on delivering enhanced and personalized member experiences, Golden 1 Credit Union chose the Accel[®] debit payments network from [Fiserv, Inc.](https://www.fiserv.com) (NASDAQ: FISV), a leading global provider of financial services technology solutions, to ensure members have access to real-time debit payment functionality, as well as the latest technology to move money and transact whenever and however they choose.

California's leading credit union with more than \$11 billion in assets and 860,000 members is expanding its relationship with Fiserv by leveraging capabilities of Accel to continue to strengthen its unique and flexible point-of-sale interchange programs, nationwide ATM access and coverage as well as PIN and PINless transactions. This is in addition to enhanced payment capabilities and technologies, including transactions secured with a token to enhance the secure debit payments options available to members.

"We are constantly evaluating ways to fulfill our mission to provide financial solutions with value, convenience, and exceptional service," said Kathy Flynn, vice president, Account Services at Golden 1 Credit Union. "We chose Fiserv as our partner to ensure our members have access to quick and easy debit card transactions on a nationwide ATM and point-of-sale network."

"The strategy driving any successful payments network is rooted in one simple fact - consumers want what they want when they want it," said Carol Specogna, vice president, Product Strategy, Card Services, Fiserv. "We are partnering with Golden1 to provide its members with a steady stream of smooth, effortless transactions across all channels, as well as member engagement.

In a world that is moving faster than ever before, Fiserv helps financial institutions deliver solutions that are in step with the way people live and work today - financial services at the speed of life. Learn more at [fiserv.com](https://www.fiserv.com).
