Fiserv Recognized as One of the World's Most Admired Companies by FORTUNE for Fifth Consecutive Year

BROOKFIELD, Wis.--(BUSINESS WIRE)-- [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of financial services technology solutions, has been named among the 2018 FORTUNE Magazine "World's Most Admired Companies[®]." This marks the fifth consecutive year Fiserv has earned this prestigious recognition and eight times in the last 10 years.

Fiserv received high marks in innovation, and is category leading in use of corporate assets and long-term investment value. This recognition acknowledges the strength of the company's business and its leadership in delivering integrated financial services technology solutions that enable best-in-class results for more than 12,000 clients worldwide. Every day, millions of consumers and thousands of financial institutions and businesses around the world rely on Fiserv to move and manage money and information on their behalf.

"Earning this distinction is a tremendous point of pride for Fiserv, which reflects the commitment to excellence of our more than 23,000 associates who bring their best to our clients every day," said Jeffery Yabuki, President and Chief Executive Officer, Fiserv.

The annual FORTUNE Magazine "World's Most Admired Companies" list is a definitive benchmark of corporate reputation. FORTUNE collaborates with global management consulting firm Korn Ferry on the survey, asking executives, directors and analysts to rank organizations in nine categories -- financial soundness, long-term investment value, people management, social responsibility, use of corporate assets, quality of management, quality of products/services, innovation and global competitiveness.

In a world moving faster than ever before, Fiserv helps clients deliver solutions that are in step with the way people live and work today - financial services at the speed of life. Learn more at [fiserv.com](#).
