

Global Traffic Network Fiscal Third Quarter 2009 Conference Call Scheduled for May 11, 2009

NEW YORK, May 05, 2009 (BUSINESS WIRE) -- **Global Traffic Network, Inc. (Nasdaq: GNET)**, a leading provider of custom traffic and news reports to radio and television stations outside the United States, announced that it will release its fiscal third quarter 2009 results on Monday, May 11, 2009 during pre-market hours.

Following the release on May 11, Global Traffic Network will host a conference call at 8:30 a.m. ET. The Company invites you to listen to the call by dialing (877) 723-9523 (domestic) or (719) 325-4816 (international), and entering the passcode 8230549. The call will also be available live on the Internet at www.globaltrafficnetwork.com.

A replay of the call will be available from 11:30 a.m. ET on May 11 through midnight May 18. To access the replay, please call (888) 203-1112 (domestic) or (719) 457-0820 (international) and enter the following code: 8230549.

About Global Traffic Network, Inc.

Global Traffic Network, Inc. (Nasdaq: GNET) is a leading provider of custom traffic and news reports to radio and television stations outside the U.S. The Company operates the largest traffic and news network in Australia, operates eight traffic networks in Canada and a national radio traffic network across the United Kingdom. In exchange for providing custom traffic and news reports, television and radio stations provide Global Traffic Network, Inc. with commercial airtime inventory that the Company sells to advertisers. As a result, radio and television stations incur no out-of-pocket costs when contracting to use Global Traffic Network, Inc.'s services. For more information, visit the Company's website at www.globaltrafficnetwork.com

This press release contains statements that constitute forward-looking Statements. These statements reflect our current views with respect to future events. These forward-looking statements involve known and unknown risks, uncertainties and other factors, including those discussed under the heading "Risk Factors" and elsewhere in our annual report 10-K that may cause our actual results, performance or achievements to be materially different from any future results, performances or achievements anticipated or implied by these forward-looking statements. These statements can be recognized by the use of words such as "may," "will," "intend," "should," "could," "can," "would," "expect," "believe," "estimate," "predict," "potential," "plan," "is designed to," "target" or the negative of these terms, and similar expressions. We do not undertake to revise any forward-looking statements to reflect future events or circumstances.
