INFORMATION ABOUT THIS PROXY STATEMENT AND THE ANNUAL MEETING

Introduction

This Proxy Statement is being furnished to holders of Green Plains Renewable Energy, Inc. (the “Company”) common stock, \$0.001 par value per share (the “Common Stock”), in connection with the solicitation by and on behalf of the Board of Directors (the “Board”) of the Company of proxies to be used at the 2014 Annual Meeting of Shareholders of the Company (the “Annual Meeting”) to be held at 10:00 a.m., Central Time, on Wednesday, May 14, 2014 at the Omaha Marriott located at 10220 Regency Circle, Omaha, Nebraska, and any adjournment or postponement thereof. The purpose of the Annual Meeting is to elect two directors; to approve an amendment to the Company’s Articles of Incorporation to change the name of the corporation to Green Plains Inc.; to approve features related to the issuance of Common Stock upon conversion of the Company’s 3.25% Convertible Senior Notes due 2018, including flexible settlement; to approve the Company’s Umbrella Short-Term Incentive Plan (the “Umbrella Plan”); to approve the material terms of the performance goals under the Company’s 2009 Equity Incentive Plan, as amended (the “Plan”); to cast an advisory vote to approve the Company’s executive compensation; and transact such other business as may properly come before the meeting. This Proxy Statement, the Notice of Annual Meeting of Shareholders, the accompanying Proxy Card and our 2013 Annual Report are first being made available to shareholders entitled to vote at the Annual Meeting on or about April 3, 2014.

Electronic Access to Proxy Materials

Pursuant to rules adopted by the Securities and Exchange Commission (“SEC”), the Company is making this Proxy Statement and its 2013 Annual Report available to shareholders electronically via the Internet. On or before April 3, 2014, we mailed to our shareholders of record the “Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be held on May 14, 2014” (the “Notice”). All shareholders will be able to access this Proxy Statement and our 2013 Annual Report on the website referred to in the Notice or request to receive printed copies of the proxy materials. Instructions on how to access the proxy materials on the Internet or to request a printed copy may be found in the Notice.

The Notice will provide you with instructions on how to view our proxy materials for the Annual Meeting on the Internet. The website on which you will be able to view our proxy materials will also allow you to choose to receive future proxy materials electronically by email, which will save us the cost of printing and mailing documents to you. If you choose to receive future proxy statements by email, you will receive an email next year with instructions containing a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Record Date, Outstanding Shares and Quorum

The Company has fixed the close of business on March 20, 2014 as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof (the “Record Date”). There were 37,408,024 shares of Common Stock outstanding at the close of business on the Record Date. Holders of record of the Company’s Common Stock on the Record Date are entitled to cast one vote per share, exercisable in person or by properly executed proxy, with respect to each matter to be considered by them at the Annual Meeting.

The presence, in person or by properly executed proxy, at the Annual Meeting of the holders of a majority of the outstanding shares of Common Stock entitled to vote shall constitute a quorum. Proxies that are marked to “withhold authority” with respect to the election of directors and proxies for which no instructions are given will be counted for purposes of determining the presence of a quorum.

Proxy Voting and Revocability of Proxies

Common Stock, represented by the proxies received pursuant to this solicitation and not timely revoked, will be voted at the Annual Meeting in accordance with the instructions indicated in properly submitted proxies.

Table of Contents

If no instructions are indicated, such shares will be voted as recommended by the Board. If any other matters are properly presented to the Annual Meeting for action, the person(s) named in the enclosed form(s) of proxy and acting thereunder will have discretion to vote on such matters in accordance with their best judgment. Broker non-votes and abstentions are not treated as votes cast for purposes of any of the matters to be voted on at the meeting.

A holder of Common Stock who has given a proxy may revoke it prior to its exercise by providing written notice of revocation or a later-dated proxy to the Secretary of the Company at any time before the closing of the polls at the meeting, or by voting in person at the meeting. Any written notice revoking a proxy should be sent to: Green Plains Renewable Energy, Inc., Attention: Michelle S. Mapes, Corporate Secretary, 450 Regency Parkway, Suite 400, Omaha, Nebraska 68114. Attendance in person at the Annual Meeting does not itself revoke a proxy; however, any shareholder who attends the Annual Meeting may revoke a previously-submitted proxy by voting in person.

Computershare Trust Company, N.A. is the transfer agent and registrar for our Common Stock. If your shares are registered directly in your name with the Company's transfer agent, with respect to those shares, you are considered the "shareholder of record" or a "registered shareholder" and these materials were sent to you directly by the Company. If you are a shareholder of record, you may vote in person at the Annual Meeting.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name, and that organization should have forwarded these materials to you. As the beneficial owner, you have the right to direct your broker, bank or nominee holding your shares how to vote and are also invited to attend the Annual Meeting. Please refer to the information forwarded by your broker or bank for instructions on how to direct their vote. However, since you are not a shareholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the shareholder of record.

If you are a registered shareholder, there are four ways to vote:

- By going to the Internet website indicated on the Proxy Card or voting instruction card and following the instructions provided (you will need the control number that is included in the Notice of Internet Availability of Proxy Materials);
- By calling the toll-free telephone number indicated on the Proxy Card or voting instruction card (you will need the control number that is included in the Notice of Internet Availability of Proxy Materials);
- By signing, dating and returning the Proxy Card if you request to receive your proxy materials by mail; or
- By written ballot in person at the Annual Meeting.

Your shares will be voted as you indicate. If you do not indicate your voting preferences, the appointed proxies will vote your shares "For" both nominees in Proposal 1 and "For" Proposals 2, 3, 4, 5 and 6.

Broker Non-Votes

Broker non-votes occur when nominees, such as brokers and banks holding shares on behalf of the beneficial owners, are prohibited from exercising discretionary voting authority for beneficial owners who have not provided voting instructions at least ten days before the Annual Meeting date. If no instructions are given within that time frame, the nominees may vote those shares on matters deemed "routine" by the New York Stock Exchange. On non-routine matters, nominees cannot vote without instructions from the beneficial owner, resulting in so-called "broker non-votes." Broker non-votes are not counted for the purposes of determining the number of shares present in person or represented by proxy on any voting matter. All proposals are considered non-routine.

Table of Contents

Expenses and Methods of Solicitation

The Company will bear the expense of soliciting proxies. In addition to the use of the mail and Internet, proxies may be solicited personally, or by telephone or other means of communications, by directors, officers and employees of the Company and its subsidiaries who will not receive additional compensation therefor. The Company will reimburse banks, brokerage firms and nominees for their reasonable expenses in forwarding proxy solicitation materials to beneficial owners of shares held of record by such banks, brokerage firms and nominees.

Vote Required

The affirmative vote of a plurality of the votes cast at the Annual Meeting by the holders of the Common Stock, assuming a quorum is present, is required to elect each director. The two persons receiving the greatest number of votes at the Annual Meeting shall be elected as directors. Since only affirmative votes count for this purpose, broker non-votes or votes withheld will not affect the outcome of the voting on Proposal 1. The affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of the Common Stock, assuming a quorum is present, is required to approve Proposals 2, 3, 4, 5 and 6. Since only votes cast count for this purpose, broker non-votes and abstentions will not affect the outcome of the voting on Proposals 2, 3, 4, 5 or 6.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors

Pursuant to a shareholders' agreement entered into in connection with the October 2008 merger with VBV LLC and its subsidiaries (the "Shareholders' Agreement"), as long as Wilon Holdings, S.A. ("Wilon") owns at least 2.5% of the Company's outstanding Common Stock, it will have the right to designate one individual, currently Alain Treuer, to be nominated for election as a director. Except for the Wilon nominee, the directors will be nominated for election by the Board of Directors or the shareholders in accordance with the Company's bylaws and Nominating and Governance Committee procedures, as outlined below.

The Board consisted of ten members, divided into three groups, until the resignation of a director in March 2012 whose term would have expired at the 2014 Annual Meeting and the unexpected death of Gary Parker in February 2014 whose term would have expired at the 2016 annual meeting. The Board intends to fill these vacancies as soon as it identifies qualified candidates willing to serve in this capacity. One group of directors is elected at each annual meeting of shareholders for a three-year term. Each year a different group of directors is elected on a rotating basis. Jim Anderson and Wayne Hoovestol are up for re-election at the 2014 Annual Meeting (to serve until the 2017 annual meeting or until their respective successors shall be elected and qualified). The terms of Jim Barry, Todd Becker, Brian Peterson and Alain Treuer (the Wilon nominee) expire at the 2015 annual meeting. The terms of James Crowley and Gordon Glade expire at the 2016 annual meeting.

Director Independence

A director is independent if, in the opinion of the Board, he or she has no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and otherwise satisfies the independence requirements of applicable Nasdaq Stock Market ("NASDAQ") rules. The Board has reviewed the independence of its current directors and nominees and found that, except for Mr. Becker due to his current position with the Company, each of them is independent.

Board Meetings, Directors' Attendance and Shareholder Communications

The Board held four meetings during 2013. Meetings were conducted via teleconference or in person. No incumbent director attended fewer than seventy-five percent (75%) of the aggregate of Board meetings and

Table of Contents

committee meetings held on which an incumbent director served during this period. The Company's policy is to encourage, but not require, Board members to attend annual shareholder meetings. All Board members attended the 2013 annual meeting.

Shareholders who would like to send written communications to the Board may do so by submitting such communications to: Green Plains Renewable Energy, Inc., Attention: Michelle S. Mapes, Corporate Secretary, 450 Regency Parkway, Suite 400, Omaha, Nebraska 68114. The Board suggests, but does not require, that such submissions include the name and contact information of the shareholder making the submission and a description of the matter that is the subject of the communication. Ms. Mapes will then furnish such information to the Board or appropriate committee of the Board for review.

Board Committees

The Board has standing Audit, Compensation, and Nominating and Governance Committees.

Audit Committee

The Audit Committee, which was established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the "Exchange Act"), is comprised of four directors, all of whom meet the independence standards of NASDAQ and the SEC. Audit Committee members are Jim Anderson, James Crowley, Gordon Glade and Brian Peterson, with Mr. Crowley serving as Chairman. Mr. Crowley has been determined to be an audit committee financial expert as defined in Rule 407(d)(5) of Regulation S-K. During 2013, the Audit Committee held seven meetings via teleconference or in person. The Audit Committee Charter, which is reviewed, revised and updated on an annual basis, is posted on the Company's website at www.gpreinc.com.

The function of the Audit Committee, as detailed in its charter, is to provide assistance to the Board in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to maintain free and open means of communication between the directors, the independent auditors and Company management.

Compensation Committee

The Compensation Committee is comprised of three directors, all of whom meet the independence standards of NASDAQ. Compensation Committee members are Jim Anderson, Jim Barry and Alain Treuer, with Mr. Treuer serving as Chairman. During 2013, the Compensation Committee met six times via teleconference or in person. The Compensation Committee Charter is posted on the Company's website at www.gpreinc.com.

The Compensation Committee establishes the Company's general compensation policy and, except as prohibited by law, may take any and all actions that the Board could take relating to compensation of directors, executive officers, employees and other parties. The Compensation Committee's role is to (i) evaluate the performance of the Company's executive officers, (ii) set compensation for directors and executive officers, (iii) make recommendations to the Board on adoption of compensation plans, and (iv) administer Company compensation plans. When evaluating potential compensation adjustments, the Compensation Committee solicits and considers input provided by the Chief Executive Officer relating to the individual performance and contribution to the Company's overall performance by executive officers and other key employees.

Pursuant to its charter, the Compensation Committee is empowered to hire outside advisors as it deems appropriate to assist it in the performance of its duties. The Compensation Committee has sole authority to retain or terminate any compensation consultants or advisors and to approve their fees. For additional information on the Compensation Committee's role, its use of outside advisors and their roles, as well as the Committee's processes and procedures for the consideration and determination of executive compensation, see "Executive Compensation – Compensation Discussion and Analysis."

Table of Contents

Nominating and Governance Committee

The Nominating and Governance Committee is comprised of three directors, all of whom meet the independence standards of NASDAQ. Nominating and Governance Committee members are Jim Barry, Gordon Glade and Wayne Hoovestol with Mr. Barry serving as Chairman. Gary Parker had served as a member of the Nominating and Governance Committee until his death in February 2014. Mr. Hoovestol was appointed to the committee in February 2014. During 2013, the Nominating and Governance Committee met two times. The Nominating and Governance Committee Charter is posted on the Company's website at www.gpreinc.com.

The function of the Nominating and Governance Committee, as detailed in its charter, is to recommend to the Board the slate of director nominees for election to the Board and to identify and recommend candidates to fill vacancies occurring between annual shareholder meetings. The Nominating and Governance Committee has established certain broad qualifications in order to consider a proposed candidate for election to the Board. The Nominating and Governance Committee will also consider such other factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors include judgment, skill, diversity (including factors such as race, gender or experience), integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

Board Diversity

In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Nominating and Governance Committee considers criteria that include the candidate's integrity, business acumen, age, experience, commitment, diligence, conflicts of interest and ability to act in the interests of all shareholders. Moreover, the Nominating and Governance Committee considers the value of diversity of experience on the Board, taking into account the current Board membership, in the director identification and nomination process. The Nominating and Governance Committee seeks nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. The Nominating and Governance Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Director Qualifications

Presented below are biographies of each director nominee and continuing director containing information regarding the person's service as a director, business experience, director positions held currently or at any time during the last five years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the Nominating and Governance Committee and the Board to determine that the person should serve as a director for the Company.

It is the policy of the Nominating and Governance Committee to consider candidates recommended by security holders, directors, executive officers and other sources, including, but not limited to, third-party search firms. Security holders of the Company may submit recommendations for candidates for the Board. All recommendations shall be submitted in writing to: Green Plains Renewable Energy, Inc., Attention: Michelle S. Mapes, Corporate Secretary, 450 Regency Parkway, Suite 400, Omaha, Nebraska 68114. Such submissions should include the name, contact information, a brief description of the candidate's business experience and such other information as the person submitting the recommendation believes is relevant to the evaluation of the candidate. The Nominating and Governance Committee will review all such recommendations. For candidates to be considered for election at the next annual shareholder meeting, the recommendation must be made in accordance with and within the time frame set forth in the Company's bylaws and described below under "Shareholder Proposals."

Table of Contents

The Nominating and Governance Committee will evaluate whether an incumbent director should be nominated for re-election to the Board or any committee of the Board upon expiration of such director's term using the same factors as described above for other Board candidates. The Nominating and Governance Committee will also take into account the incumbent director's performance as a Board member. Failure of any incumbent director to attend at least seventy-five percent (75%) of the Board meetings held in any year of service as a Board member will be viewed negatively by the Nominating and Governance Committee in evaluating the performance of such director. The Nominating and Governance Committee recommended that both of the incumbent directors whose terms of office expire at the 2014 Annual Meeting be included on the ballot for re-election as directors for a three-year term expiring at the 2017 annual meeting. This recommendation was based on a review and evaluation of meeting attendance, knowledge of the industries in which the Company operates and overall contributions to the Board. Additionally, see "Board of Directors" above regarding the designation of a nominee by Wilon.

Code of Ethics

The Board has adopted a Code of Ethics that applies to its Chief Executive Officer and all senior financial officers, including the Chief Financial Officer, principal accounting officer, other senior financial officers and persons performing similar functions. The full text of the Code of Ethics is published on the Company's website in the "Investors – Corporate Governance" section. We intend to disclose future amendments to, or waivers from, certain provisions of the Code of Ethics on the Company's website within five business days following the adoption of such amendment or waiver.

Role in Risk Oversight

The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, and strategic and reputational risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate "risk owner" within the organization to enable it to understand the Company's risk identification, risk management and risk mitigation strategies. Additionally, the Board has approved and periodically reviews the Company's risk management policy, which specifically sets parameters of risk with respect to commodity and hedging positions. When a committee receives a report, the chairman of the relevant committee reports the discussion to the full Board during the committee reports portion of the next Board meeting. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. The risk oversight structure has no effect on the Board's leadership structure.

Board Leadership Structure

The Board does not have a policy on whether the same person should serve as both the chief executive officer and chairman of the board or, if the roles are separate, whether the chairman should be selected from the non-employee directors or should be an employee. The Board believes that it should have the flexibility to make these determinations at any given point in time in the way that it believes best provides appropriate leadership for the Company at that time. Over the last several years, the Company has had each of the following leadership structures, reflecting its circumstances at the time: separate non-employee Chairman and Chief Executive Officer (January 2009 to February 2009 and November 2009 to present); separate Chairman and Chief Executive Officer, with the Chairman being a member of the Company's management (March 2009 to November 2009); combined Chairman and Chief Executive Officer (October 2008 to December 2008); and separate non-employee Chairman and Chief Executive Officer (prior to October 2008). The Board believes that its current leadership structure, with Mr. Hoovestol, a non-employee serving as the Board Chairman, and Mr. Becker serving as the Chief Executive Officer, is appropriate given the experience of each individual. Mr. Becker is currently deemed not to be independent. The independent, non-executive members of the Board meet regularly in executive session. The Board, with guidance from the Nominating and Governance Committee, will periodically continue to review its leadership structure.

PROPOSAL 1
ELECTION OF DIRECTORS

Election of Directors

The Board is divided into three classes, with the members of each class serving three-year terms of office. This results in one class standing for election at each annual meeting of shareholders. The Nominating and Governance Committee recommended and the Board nominated for re-election Jim Anderson and Wayne Hoovestol, each to serve a term that expires at the 2017 annual meeting. There are currently two vacancies on the Board, one each among the group of directors with terms that expire at the 2014 and 2016 annual meetings. The Board intends to fill these vacancies as soon as it identifies qualified candidates willing to serve in this capacity.

Your Proxy Card will be used to vote for the election of the nominees unless you withhold the authority to do so when you submit your proxy. If no instructions are given, your shares will be voted for the two nominees. As explained above, the Company's directors are elected by the affirmative vote of the plurality of the shares present and entitled to vote. The two persons receiving the greatest number of votes at the Annual Meeting shall be elected as directors.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" BOTH NOMINEES
NAMED AS PART OF PROPOSAL 1.**

The following paragraphs set forth information about the nominees and the Company's continuing directors. All director biography information is as of April 3, 2014.

Nominees for Election at the 2014 Annual Meeting

DIRECTOR COMPENSATION

The Company, upon the recommendation of the Compensation Committee, compensates its directors through a retainer structure for knowledge of the Company and the industry in which it operates, serving in a stewardship role, preparing for and attending Board meetings and committee meetings, and serving as a committee chairman. During 2013, each non-employee director was paid \$65,000 for serving on the Board, including serving on Board committees. In addition, the Audit Committee chairman received \$20,000, the Compensation Committee chairman received \$10,000 and the Nominating and Governance Committee chairman received \$2,000. Additionally, individual deferred stock unit ("DSU") grants were awarded equal to \$65,000 in value, as measured on the date of grant. Board members are also reimbursed for travel and other business-related expenses.

As an employee, Mr. Becker does not receive director compensation. See "Summary Compensation Table" for information on his compensation.

On May 10, 2013, the Company's non-employee directors each received a grant of 4,797 DSUs with an award value of \$65,000 pursuant to the Plan. The award vests after one year. However, shares of Common Stock are not issued pursuant to the DSU agreement until the third anniversary of the grant date. The directors have no voting rights with respect to the shares of Common Stock until their issuance.

The Compensation Committee retained Hay Group as an independent consultant during 2013 to evaluate the Company's non-employee director compensation program and provide recommendations for any appropriate changes to achieve market-competitiveness and consistency with recognized corporate governance "best practices." After considering these recommendations, the Compensation Committee modified the compensation structure.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis provides an overview of the Company’s executive compensation program, including:

- the general compensation philosophy for executive compensation;
- the material elements of executive compensation and the process the Company follows for making executive compensation decisions; and
- information about 2013 compensation earned by the following executive officers (the “Named Executive Officers”):
 - Todd Becker – President and Chief Executive Officer
 - Jerry Peters – Chief Financial Officer
 - Jeff Briggs – Chief Operating Officer
 - Michelle Mapes – Executive Vice President – General Counsel and Corporate Secretary
 - Patrich Simpkins – Executive Vice President – Finance and Treasurer

Executive Compensation Philosophy

The Compensation Committee has structured the Company’s executive compensation policy based upon the following goals:

- to attract, motivate and retain talented executive officers and other key employees;
- to use incentive compensation to reinforce strategic performance objectives; and
- to align the interests of executive officers and key employees with the interests of the Company’s shareholders, such that risks and rewards of strategic decisions are shared.

Compensation for executive officers consists of three core components: base compensation, annual performance/incentive awards and long-term incentive compensation. Equity awards are made pursuant to the Plan.

Table of Contents

Compensation Committee Process and Compensation Consultant

The Compensation Committee is responsible for designing, reviewing and overseeing the administration of the Company's executive compensation program, and reviewing and approving annually all compensation decisions relating to the Company's executive officers, including the Named Executive Officers. Generally, all decisions with respect to determining the amount or form of compensation for the Company's executive officers are made by the Committee in accordance with the methodology described below.

When evaluating potential salary adjustments for executive officers, the Compensation Committee solicits and considers input provided by the Chief Executive Officer relating to the executive's performance and contribution to the Company's overall performance. The Chief Executive Officer plays no role in setting his own compensation.

The Compensation Committee considered the results of the most recent say-on-pay vote when determining compensation policies and decisions. At the 2011 annual meeting of shareholders, the frequency of holding an advisory vote to approve executive compensation was advised to be every three years, which the Board adopted. The Compensation Committee has the sole authority from the Board for the appointment, compensation and oversight of the Company's outside compensation consultant. The Compensation Committee retained Hay Group as an independent compensation consultant during 2013 to assist with its responsibilities related to the Company's executive and Board compensation programs. As required by SEC rules and NASDAQ listing standards, the Compensation Committee assessed the independence of Hay Group and concluded that it did not have a conflict of interest in completing these responsibilities.

The Compensation Committee strives to provide total compensation that is aligned and competitive with compensation data compiled by Hay Group based on a peer group of selected publicly-traded companies within the same or similar industries with comparable financial performance. The peer group is periodically reviewed and revised, if necessary, to remove companies that have not maintained similar financial structure and add companies that are similar in nature to the Company. The peer group provides a reference point when making pay decisions and benchmarking short-term and long-term incentive plan awards and mechanics. The combination of industries represented by our core businesses and the small number of U.S. publicly traded direct competitors creates challenges in identifying peer group companies.

The Compensation Committee, in consultation with Hay Group, selects peer group companies that have one of more of the following characteristics: (i) similar in size and financial performance to the Company, (ii) within a relevant industry group (including companies engaged in the production of ethanol, alternative fuels or gasoline oxygenates as well as the marketing and distribution of such fuels and companies engaged in the production of agriculture products), (iii) considered competitors to the Company according to analysts and advisory firms and other selection criteria. The composition of the peer group is periodically reviewed and, if appropriate, updated to ensure continued relevancy and to account for mergers, acquisitions, divestitures or other business-related changes that may occur. The following companies comprised the peer group for 2013:

Adams Resources & Energy, Inc.
Alon USA Energy, Inc.
The Andersons, Inc.
Calumet Specialty Products Partners, L.P.
CVR Energy, Inc.
Darling International Inc.
Delek US Holdings, Inc.

H.B. Fuller Company
Ingredion Inc.
Koppers Holdings Inc.
Methanex Corporation
Renewable Energy Group, Inc.
Scotts Miracle-Gro Company
The Valspar Corporation

Base Compensation

The Compensation Committee decides on the overall compensation package, of which the base salary is a component, for the Company's executive officers. The Compensation Committee reviews both national and

Table of Contents

industry specific compensation data derived by Hay Group by selecting a peer group of companies based upon their financial performance and operations. Each executive is evaluated against these data and adjustments are made based on individual factors such as experience level and job performance. The objective is to fashion a compensation package that will attract and retain talented employees. Individual salaries vary based upon the individual's level of responsibility, work experience, performance, impact on the business, tenure and potential for advancement within the Company.

Individual salaries for newly-hired executive officers and other key employees are determined at the time of hire, and reassessed as needed, taking into account the above-factors, other than tenure. To attract and retain quality talent with the expertise to perform required duties, total compensation is generally established to be within a range of the 50th to 75th percentile of total compensation paid to personnel in similar positions in the market. The Company generally pays base salaries below the target market given its compensation philosophy, which is designed to reward executive officers and other key employees through its cash and stock-based incentives based on performance. To retain quality talent, the Compensation Committee may recommend base salary adjustments that are commensurate with increasing job responsibilities, internal equity and to reflect competitive market data for executive officers of industry-sector firms of similar size and performance. Hay Group's methodology is used to evaluate positions and make comparisons among positions.

For 2013, the base salaries for the Named Executive Officers were as follows: Todd Becker – \$525,000; Jerry Peters – \$300,000; Jeff Briggs – \$300,000; Michelle Mapes – \$225,000; and Patrich Simpkins – \$275,000. The base salary for Ms. Mapes was increased to \$275,000 for 2014.

Annual Performance/Incentive Awards

Incentive compensation in the form of annual bonuses is used by the Company to reinforce performance-based objectives and retain key personnel. For 2013, the Compensation Committee established specific performance goals pursuant to the Company's Short-Term Incentive Plan and set target levels of cash bonuses based on a percentage of base salary. The Short-Term Incentive Plan provides that certain specified employees of the Company may be awarded cash bonuses by the Compensation Committee upon meeting certain specified performance goals or other performance criteria as determined by the Compensation Committee. The performance goals are set from time-to-time by the Compensation Committee and may differ from employee to employee and from award to award. Each current employee who is an executive officer of the Company is a participant in the Short-Term Incentive Plan.

In connection with the approval of the Short-Term Incentive Plan, the Compensation Committee also established the target levels of cash bonuses for 2013 for each participating officer, ranging from 50% to 100% of such officer's base salary, and the Company performance criteria evaluated in determining the actual cash bonus amount. Based on the Short-Term Incentive Plan, participants were eligible for awards based on a percentage of base salary as defined by the Compensation Committee depending on the level of achievement of the Company performance criteria. The Compensation Committee may also adjust the award for external conditions beyond the control of the Company or the officer with an objective that total compensation for all executive officers would be awarded within a range of the 50th to 75th percentile of industry compensation defined by our peer group analysis and other methodologies consistent with industry practice.

Factors considered by the Compensation Committee in utilization of its discretion in 2013 included the executive's performance in contributing to overall Company goals and individual measurable performance objectives. The Company financial performance component was based on achieving stated goals for 2013. Following are Company goals and weighting percentages established by the Compensation Committee that were utilized to help measure officer performance and accordingly impacted 2013 incentive awards: (1) a target range of earnings before interest, taxes, depreciation and amortization ("EBITDA") of \$71 million to \$107 million (40%), (2) a target range of return on net assets of 3.5% to 5.4% (20%), (3) a safety metric focusing on improvements on employee and process safety as defined and measured by a third party (10%), (4) a subjective

Table of Contents

performance management metric (5%), and (5) Compensation Committee discretion (25%). Individual performance objectives are non-financial business objectives such as execution and integration of acquisition transactions, coaching of key employees, efficient execution of operations and management of construction or capital expenditure projects.

The Named Executive Officers were entitled to potential cash awards under the Short-Term Incentive Plan for 2013, as set forth in the following table, subject to the discretion of the Compensation Committee.

Named Executive Officer & Title	Target Cash Bonus as a Percent of Base Salary (1)	Potential Award Range as a Percent of Base Salary (1)
Todd Becker, President & Chief Executive Officer	100%	0 - 200%
Jerry Peters, Chief Financial Officer	80%	0 - 160%
Jeff Briggs, Chief Operating Officer	80%	0 - 160%
Michelle Mapes, EVP – General Counsel and Corporate Secretary	50%	0 - 100%
Patrich Simpkins, EVP – Finance and Treasurer	50%	0 - 100%

(1) Final awards are subject to Compensation Committee discretion and awards may exceed such amounts.

Actual EBITDA for 2013 was approximately \$156.6 million. For a reconciliation of EBITDA to Net Income, see “Item 6. Selected Financial Data” in our Annual Report on Form 10-K for the year ended December 31, 2013. Actual return on net assets for 2013 was approximately 7.8%. The overall 2013 safety metric showed that the Company made improvements in the qualitative measures reviewed, and the subjective performance management metric was also achieved. Cash bonuses paid for 2013 performance ranged from 73% to 381% of base salaries for the Named Executive Officers. As previously noted, the Company generally pays base salaries below the target market given its compensation philosophy, which is designed to reward executive officers and other key employees through its cash and stock-based incentives. Cash bonuses and stock awards may fluctuate from year to year based on performance, with an overall goal of providing executive officers with total compensation within a range of the 50th to 75th percentile of industry compensation defined by our peer group analysis and other methodologies consistent with industry practice. The Compensation Committee used its discretion to determine 2013 bonuses to consider the performance of the Company compared to overall industry performance and to reward and retain key personnel. See “Summary Compensation Table” below for the cash bonus amounts awarded for 2013. Additional information is also set forth in the Grants of Plan-Based Awards table.

The Umbrella Plan, effective January 1, 2014 if approved by shareholders under Proposal 4, limits individual annual incentive bonuses to no more than \$10 million and eligible executives’ incentive bonuses, as a pool, at no more than 6% of EBITDA. The Umbrella Plan and these features are designed to satisfy certain requirements imposed by Internal Revenue Code section 162(m) related to deductibility of payments made to certain employees.

Long-Term Incentive Compensation

The Named Executive Officers are eligible to receive long-term equity-based incentive compensation awards under the Plan.

The Company’s ability to operate its business and implement its strategies effectively depends, in part, on the efforts of its executive officers and other key personnel. The Company’s executive officers have developed expertise in ethanol and related industries, and they have hired qualified managers and key personnel to operate the Company’s plants, agribusiness operations, and marketing and distribution business. The grants of restricted stock, options or deferred stock units to executive officers encourage equity ownership and closely align management’s interests with the interests of shareholders, such that risks and rewards of strategic decisions are shared. Additionally, because awards will be subject to forfeiture in certain cases if the employee leaves the Company, such awards are anticipated to provide a long-term incentive to remain with the Company.

Table of Contents

Based on Compensation Committee assessments and recommendations, the Company's long-term compensation program includes the following components to assist in aligning management's interests with the interests of shareholders:

- Emphasizes "at risk" pay such as options and other long-term incentives.
- Emphasizes long-term compensation such as options and restricted stock.
- Rewards financial results and promotion of Company objectives as well as individual performance against individual objectives.

As part of its process, in an effort to align the interests of management and shareholders with the goal of sharing the risks and rewards of strategic decisions that are made, the Compensation Committee will review the advisability of granting shares or options to members of management. The aggregate number of shares or options granted to management will be based on the executive's position, the value of each individual's contributions to the Company, as well as competitive pay data from the peer group norms.

Equity compensation is determined by the Compensation Committee, which considers Company performance, focusing primarily on annual EBITDA targets, each individual's accomplishments as compared to their goals for the year and each executive's base salary and short-term incentive payments compared to total compensation. Based on the Company's 2013 financial performance, individual performance evaluations and competitive pay data, restricted stock awards were issued in February 2014 for 2013 performance. Awards made in 2014 for 2013 performance to the Named Executive Officers consisted of grants of 109,266 shares to Mr. Becker, 21,854 shares to Mr. Peters, 15,298 shares to Mr. Briggs, 14,205 shares to Ms. Mapes, and 12,020 shares to Mr. Simpkins. To align the interests of the executives with the interests of the Company's shareholders, such that risks and rewards of strategic decisions are shared, and to encourage retention of the Company's executive officers, the restricted stock awards vest 25% on the grant date and 25% annually for the next three years. Because they were granted in 2014, the stock awards for 2013 performance do not appear in the "Summary Compensation Table" for 2013.

The amounts shown in the "Summary Compensation Table" under 2013 stock awards were for grants made in 2013 for 2012 performance and amounts shown under 2012 stock awards were for grants made in 2012 for 2011 performance. Awards to the Named Executive Officers in 2013 for 2012 performance consisted of grants of 223,214 shares to Mr. Becker, 29,297 shares to Mr. Peters, 29,297 shares to Mr. Briggs, 28,460 shares to Ms. Mapes, and 19,531 shares to Mr. Simpkins.

Tax Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), limits the amount of compensation paid to Named Executive Officers, other than the Chief Financial Officer, that may be deducted for federal income tax purposes in any fiscal year to \$1,000,000. Performance-based compensation that has been approved by our shareholders and otherwise satisfies the performance-based requirements under Section 162(m) of the Code is not subject to this \$1,000,000 deduction limit. While the Compensation Committee believes that it generally is important for compensation paid to our Named Executive Officers to be tax deductible under the Code, it also recognizes the need to retain flexibility to make compensation decisions that may not meet the standards of Section 162(m) to enable the Company to attract, retain, reward and motivate its highly-qualified executives.

Impact of FASB ASC Topic 718

The Compensation Committee considers the accounting treatment applicable to the various forms of long-term incentive plans under FASB ASC Topic 718 in the design of the Company's long-term equity incentive program. The Compensation Committee and the Company monitor ASC Topic 718 expense to ensure that it is reasonable. However, this expense amount generally will not be the most important factor in making decisions about the Company's long-term incentive plan.

Potential Payments upon Termination or Change in Control

Employment Agreement for Mr. Becker

The Company entered into an employment agreement with Mr. Becker. See "Employment Arrangements" above for additional information. Upon termination without Cause or for Good Reason, Mr. Becker is entitled to (a) one year of base salary plus the greater of his maximum annual cash bonus for that year or the average bonus

Table of Contents

paid for the prior two years, (b) up to one year of continued health and dental coverage (which ceases upon acceptance of a comparable position within such period), (c) certain relocation assistance if he relocates beyond 50 miles within six months of termination, (d) all shares acquired upon exercise of options granted therein are released from certain lock-up restrictions and (e) all outstanding options and other equity awards will fully vest.

The employment agreement also contains a “gross-up” provision to address any excess parachute payment resulting under Section 280G of the Code. In the event any severance benefits provided to Mr. Becker subject him to the excise tax imposed under the Code, the Company shall pay Mr. Becker the amount necessary to make up for the excise tax on excess parachute payments and income and payroll taxes on the excise tax.

For such purposes, “Cause” means one of the following: (a) a material breach by executive of the terms of this Agreement, not cured within thirty (30) days from receipt of notice from the Board of such breach, (b) conviction of, or plea of guilty or no contest to, a felony; (c) willful misconduct or gross negligence in connection with the performance of executive’s duties; or (d) willfully engaging in conduct that constitutes fraud, gross negligence or gross misconduct that results in material harm to the Company. For purposes of this definition, no act, or failure to act, on executive’s part shall be considered “willful” unless done, or omitted to be done, by executive in knowing bad faith and without reasonable belief that his action or omission was in, or not opposed to, the best interests of the Company. Notwithstanding the foregoing, executive shall not be deemed to have been terminated for Cause unless and until there shall have been delivered to executive a copy of a resolution duly adopted by the affirmative vote of not less than three-quarters of the entire membership of the Board at a meeting of the Board called and held for the purpose (after reasonable notice to executive and an opportunity for executive, together with his counsel, to be heard before the Board), finding that in the good faith opinion of the Board executive was guilty of the conduct set forth above in (a), (b), (c) or (d) of this definition and specifying the particulars thereof in detail.

For such purposes, “Good Reason” means any of the following if the same occurs without executive’s express written consent: (a) a material diminution in executive’s base salary as described in the employment agreement; (b) a material diminution in executive’s authority, duties, or responsibilities; (c) a material diminution in the authority, duties, or responsibilities of the person to whom executive is required to report; (d) a material change in the geographic location at which executive must perform the services (for this purpose, any relocation of more than 50 miles shall be deemed a material change); (e) any material reduction or other adverse change in executive’s benefits under any applicable and properly approved compensation plan or arrangement without the substitution of comparable benefits; or (f) any other action or inaction that constitutes a material breach by the Company under the employment agreement. To terminate for Good Reason, executive must incur a termination of employment on or before the second anniversary of the initial existence of the condition.

Employment Agreement for Mr. Peters

On October 24, 2008, the Company entered into an amended and restated employment agreement with Mr. Peters. See “Employment Arrangements” above for additional information. If Mr. Peters is terminated without Cause or for Good Reason, Mr. Peters will receive six month’s base salary plus the greater of (i) one-half of the maximum bonus for that year or (ii) one-half of the average bonus paid in the prior two years and all outstanding equity awards shall fully vest. The definitions for “Cause” and “Good Reason” are the same as described above for Mr. Becker, except that Good Reason does not include subsection (f) in the definition above and Cause does not include the requirement of an affirmative vote of the Board.

The employment agreement also contains a “gross-up” provision to address any excess parachute payment resulting under Section 280G of the Code. In the event any severance benefits provided to Mr. Peters subject him to the excise tax on excess parachute payments imposed under Section 4999 of the Code, the Company shall pay Mr. Peters the amount necessary to make up for the excise tax paid and income and payroll taxes on the excise tax.

The Company has entered into employment agreements with Messrs. Briggs and Simpkins. See “Employment Arrangements” above for additional information. Upon termination without Cause or for Good Reason, each will receive an amount equal to six months base salary and all outstanding equity awards shall fully vest. The definitions for “Cause” and “Good Reason” are the same as described above for Mr. Becker, except that the definition of Good Reason for Mr. Briggs or Mr. Simpkins does not specify the distance for an applicable relocation.

Employment Offer Letter for Ms. Mapes

On September 14, 2009, the Company provided Ms. Mapes with an offer letter setting forth the terms of her at-will employment.

Awards outstanding under the 2007 Equity Incentive Plan will fully vest upon a Change in Control unless (a) assumed by the successor corporation; (b) replaced with a cash retention program providing the same value or (c) otherwise limited by the plan administrator. A Change in Control shall be deemed to have occurred if in a single transaction or series of related transactions:

- (a) any person (as such term is used in Section 13(d) and 14(d) of the Exchange Act, or persons acting as a group, other than a trustee or fiduciary holding securities under an employment benefit program, is or becomes a “beneficial owner” (as defined in Rule 13-3 under the 1934 Act), directly or indirectly of securities of the Company representing 51% or more of the combined voting power of the Company;
- (b) there is a merger, consolidation, or other business combination transaction of the Corporation with or into another corporation, entity or person, other than a transaction in which the holders of at least a majority of the shares of voting capital stock of the Company outstanding immediately prior to such transaction continue to hold (either by such shares remaining outstanding or by their being converted into shares of voting capital stock of the surviving entity) a majority of the total voting power represented by the shares of voting capital stock of the Company (or surviving entity) outstanding immediately after such transaction; or
- (c) all or substantially all of the Company’s assets are sold.

2009 Equity Incentive Plan. Awards outstanding under the Plan will fully vest upon a Change in Control (a) if not fully converted and assumed, (b) if the awards are converted and assumed, after a Qualifying Termination, or (c) by the Participant for “Good Reason,” if “Good Reason” is defined in the applicable Award Agreement or employment agreement. Qualifying Termination is defined as a termination of employment within twenty-four months following a Change in Control or by the Company other than for Cause, gross negligence, or deliberate misconduct which demonstrably harms the Company. A Change in Control shall be deemed to have occurred if in a single transaction or series of related transactions:

- (a) any person (as such term is used in Section 13(d) and 149d) of the Exchange Act), or persons acting as a group, other than a trustee or fiduciary holding securities under an employment benefit program, is or becomes a “beneficial owner” (as defined in Rule 13-3 under the Exchange Act), directly or indirectly of securities of the Company representing 51% or more of the combined voting power of the Company;
- (b) there is a merger, consolidation, or other business combination transaction of the Company with or into another corporation, entity or person, other than a transaction in which the holders of at least a majority of the shares of voting capital stock of the Company outstanding immediately prior to such transaction continue to hold (either by shares remaining outstanding or by their being converted into shares of

voting capital stock of the surviving entity) a majority of the total voting power represented by the shares of voting capital stock of the Company (or surviving entity) outstanding immediately after such transaction;

- (c) during any period of two consecutive years, individuals who, at the beginning of such period, constitute the Board together with any new director(s) (other than a director designated by a person who shall have entered into an agreement with Company to effect a transaction described in (a) or (b) above) whose election by the Board or nomination for election by Company's shareholders was approved by a vote of at least two thirds of the directors then still in office who either were directors at the beginning of the two year period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; or
- (d) all or substantially all of the Company's assets are sold.

The option award agreement also provides that if an executive is terminated without Cause, the option will be deemed to have vested through the next annual anniversary of the grant date.

The following tables provide information on potential benefits that could be received by the Named Executive Officers upon a termination or Change in Control. The tables assume termination as of the close of business on December 31, 2013. The closing price for the Company's Common Stock on the last trading day of 2013 was \$19.38. Post-termination health care represents the approximate value of such benefits.

Upon a Change in Control of the Company the executive may be subject to certain excise taxes imposed by Section 4999 of the Code on any excess parachute payments under Section 280G. As discussed above, the Company has agreed to reimburse Mr. Becker and Mr. Peters for all such excise taxes and any income and excise taxes that are payable by the executive as a result of any such reimbursements. Currently, amounts shown as compensation related to Change in Control do not trigger excise taxes for excess parachute payments; and therefore are not included in the tables below.

Compensation Committee Interlocks and Insider Participation

No members of the Compensation Committee have ever served as officers or employees of the Company, and no officers or other employees have ever served on the Company's Compensation Committee. During 2013, no executive officers of the Company served: (i) on a compensation committee of another entity which had an executive officer serving on the Compensation Committee; (ii) as a director of another entity which had an executive officer serving on the Compensation Committee; or (iii) as a member of a compensation committee of another entity which had an executive officer who served as a director of the Company.

Compensation Risk Assessment

With the help of its compensation consultant, in 2013 the Compensation Committee reviewed the Company's executive compensation policies and practices, and determined that the Company's executive compensation programs are not reasonably likely to have a material adverse effect on the Company. The Compensation Committee also reviewed the Company's compensation programs for certain design features which have been identified by experts as having the potential to encourage excessive risk-taking.

Moreover, the Compensation Committee determined that, for all employees, the Company's non-executive compensation programs do not encourage excessive risk and instead encourage behaviors that support sustainable value creation, as these programs are fully discretionary after performance for the relevant period has been achieved, recommended by senior management to the Compensation Committee and reviewed at such time to support the Company's goals and objectives.

PROPOSAL 3

**APPROVAL OF FEATURES RELATED TO THE ISSUANCE OF COMMON STOCK UPON
CONVERSION OF THE COMPANY'S 3.25% CONVERTIBLE SENIOR NOTES DUE 2018,
INCLUDING FLEXIBLE SETTLEMENT**

Background

On September 20, 2013, the Company issued \$120.0 million of 3.25% Convertible Senior Notes due 2018 (“the 3.25% Notes”). The 3.25% Notes represent senior, unsecured obligations of the Company, with interest payable on April 1 and October 1 of each year. Prior to April 1, 2018, holders of the 3.25% Notes may convert the 3.25% Notes into shares of our Common Stock:

- during any calendar quarter if the last reported sale price of our Common Stock during a specified time is greater than 130% of the conversion price;
- if the “trading price” (as defined in the Indenture for the 3.25% Notes) of the 3.25% Notes is less than 98% of the product of the reported sale price of our Common Stock and the conversion rate on the specified day;
- upon certain corporate events; or
- if the Company calls the 3.25% Notes for redemption.

In addition, holders may convert their notes at any time on or after April 1, 2018 until the close of business on the trading day immediately preceding the maturity date.

The current conversion rate is 47.9627 shares of Common Stock per \$1,000 principal amount of 3.25% Notes, which is equal to an initial conversion price of approximately \$20.85 per share. The conversion rate is subject to adjustment upon the occurrence of certain events, including the payment of a quarterly cash dividend that exceeds \$0.04 per share. In addition, the Company may be obligated to increase the conversion rate for any conversion that occurs in connection with certain corporate events, including the Company calling the 3.25% Notes for redemption.

The Company may redeem for cash all, but not less than all, of the 3.25% Notes at any time on or after October 1, 2016 if the reported sale price of the Company’s Common Stock equals or exceeds 140% of the applicable conversion price for a specified time period. The redemption price will equal 100% of the principal amount of the 3.25% Notes, plus any accrued and unpaid interest to, but excluding, the redemption date. In addition, upon the occurrence of a fundamental change, such as a change in control, holders of the 3.25% Notes will have the right, at their option, to require the Company to repurchase their 3.25% Notes in cash at a price equal to 100% of the principal amount of the 3.25% Notes to be repurchased, plus accrued and unpaid interest.

Presently, conversion of the 3.25% Notes may only be settled in shares of the Company’s Common Stock. However, upon receipt of shareholder approval in accordance with NASDAQ requirements, the Company will have the option to settle conversions of the 3.25% Notes in cash, shares of the Company’s Common Stock, or a combination of cash and shares of the Company’s Common Stock (and cash in lieu of fractional shares) (“flexible settlement”).

This approval is requested because, as a NASDAQ-listed company, the Company is subject to NASDAQ Listing Rule 5635(d)(2). This rule requires a company to obtain shareholder approval prior to the issuance of securities convertible into common stock equal to 20% or more of the common stock outstanding before the issuance for less than the greater of book or market value. NASDAQ views convertible debt that may be converted into cash as de facto convertible at less than the greater of book or market value. Accordingly, until shareholder approval is received, the 3.25% Notes are convertible only into shares of our Common Stock (at a

Table of Contents

conversion price reflecting a premium to market value at issuance). In order to permit the flexible settlement feature of the 3.25% Notes and to otherwise provide for the issuance of shares of Common Stock equal to or in excess of 20% of the Common Stock outstanding on the date the 3.25% Notes were issued (for example, in the event of a conversion rate adjustment, such as the declaration of quarterly cash dividends that exceed \$0.04 per share), the Company is asking shareholders to approve Proposal 3.

The description above is a summary containing basic information about the 3.25% Notes and is not a complete description of the 3.25% Notes. Shareholders should read the indenture, included as Exhibit 4.1 to the Current Report on Form 8-K filed by the Company on September 20, 2013, for a more detailed account of the terms and conditions of the 3.25% Notes.

Accounting Effect on Reported Financial Results

The Company is currently required to include the number of shares of our Common Stock into which the 3.25% Notes are convertible in our calculation of earnings per share on an if-converted basis. If the shareholders approve Proposal 3, the Company may settle conversions of the 3.25% Notes in cash, shares of Common Stock, or any combination thereof, at the Company's election.

Approval of a flexible settlement option may impact our diluted earnings per share calculation by allowing us to include the 3.25% Notes in our earnings per share calculation using the treasury stock method. Under the treasury stock method, the shares issuable upon conversion of the 3.25% Notes would not be included in the calculation of diluted earnings per share unless the conversion value of the 3.25% Notes exceeds their principal amount. The number of shares included in the calculation of diluted earnings per share would be equal to the number of shares of Common Stock that would be necessary to settle the excess, if we elected to settle the excess, in shares. The treasury stock method may result in higher or lower diluted earnings per share, compared to computations using the current if-converted basis, depending upon our earnings levels and stock prices. To utilize the treasury stock method, the Company must maintain a substantive stated policy that provides a reasonable basis to believe that the debt will be settled partially or wholly in cash. A cash settlement policy is considered to be substantive if the Company has the positive intent and ability, considering current and projected liquidity, to cash settle the face value and interest components of the instrument upon conversion and has made disclosures of its intent to cash settle the face value and interest components of the instrument upon conversion. To date, the Company has not determined whether or not it will settle conversions in cash.

Reason for Shareholder Approval

The terms of the 3.25% Notes do not require the Company to seek shareholder approval to permit the flexible settlement feature or the other matters described above, and the Company will not incur any penalties under the 3.25% Notes if the shareholders do not approve Proposal 3. The Board believes approval of Proposal 3 will benefit the Company's shareholders by providing the Company with financial flexibility in the conversion of the 3.25% Notes and the ability to take other actions that would be limited by the NASDAQ approval requirement. This flexibility will allow the Company to use the settlement method and take other action that is in the best interests of the Company and its shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" PROPOSAL 3.

PROPOSAL 4

APPROVAL OF THE COMPANY’S UMBRELLA SHORT-TERM INCENTIVE PLAN

In March 2014, the Compensation Committee adopted, subject to shareholder approval, the Green Plains Renewable Energy, Inc. Umbrella Short-Term Incentive Plan (the “Umbrella Plan”).

The purpose of the Umbrella Plan is to enhance the Company’s ability to attract and retain highly-qualified executives, to provide additional financial incentives to such executives and to promote the success of the Company and its subsidiaries through awards of incentive compensation that satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended.

The Umbrella Plan, included herein as Appendix A to this Proxy Statement, covers short-term incentive awards for eligible executives, meaning the Company’s Chief Executive Officer, Chief Financial Officer and other executive officers of the Company who are “covered employees” of the Company as defined in Section 162(m) of the Code. According to the proposed plan, annual incentive bonuses per individual in no event shall exceed \$10 million and the maximum pool for incentive bonuses shall not exceed 6% of EBITDA. Each eligible executive’s maximum bonus is a specified percentage of the pool. The Umbrella Plan is administered by the Compensation Committee, which has full authority to establish rules and regulations, select participants and determine incentive award amounts. By the 90th day of the performance period, the Compensation Committee will designate the eligible executives who are participants in the Umbrella Plan for such performance period and establish the underlying operational plan governing each participant’s incentive award. Awards will be paid in either cash, unrestricted or restricted shares of the Company’s Common Stock, or a combination thereof, with payment occurring no later than March 15.

If our shareholders approve the terms of the Umbrella Plan, the Compensation Committee of the Board will have the ability to make awards and payments under the Umbrella Plan.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 4.

PROPOSAL 5

**APPROVAL OF THE MATERIAL TERMS OF THE PERFORMANCE GOALS
UNDER THE COMPANY’S 2009 EQUITY INCENTIVE PLAN, AS AMENDED,
FOR PURPOSES OF INTERNAL REVENUE CODE SECTION 162(m)**

Our shareholders are being asked to reapprove the material terms of the performance goals of the 2009 Equity Incentive Plan, as amended (the “Plan”) for purposes of Section 162(m) of the Code, including the corporate performance goals to which the payment of certain awards made under the Plan may be tied in order to qualify those awards as performance-based compensation under Section 162(m) of the Code.

Section 162(m) of the Code imposes an annual deduction limit of \$1 million on the amount of compensation paid to each of the Chief Executive Officer and the next three most highly compensated executive officers (excluding the principal financial officer). However, the \$1 million deduction limit does not apply to “qualified performance-based compensation.” To be considered qualified performance-based compensation, awards under the Plan must be subject to performance goals. The material terms of the performance goals under which compensation may qualify as “performance-based compensation,” must be approved by shareholders within the five years preceding the award. Five years have passed since the approval of the Plan. Accordingly, we are submitting Proposal 5 to shareholders for reapproval of the material terms of the performance goals of the Plan. If our shareholders reapprove these terms, the Compensation Committee of the Board will have the ability to make awards and payments under the Plan that qualify as tax-deductible performance-based compensation under Section 162(m) of the Code.

Table of Contents

The following is a summary of the material terms of the Plan and is qualified in its entirety by reference to the Plan, which is included as Appendix B to this Proxy Statement.

Summary of the 2009 Equity Incentive Plan

Administration

The Compensation Committee, which is comprised of four Independent Directors, will administer the Plan and will have full power and authority to determine when and to whom awards will be granted, consistent with the provisions of the Plan. Subject to the provisions of the Plan, the Compensation Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Compensation Committee has authority to interpret the Plan, and establish rules and regulations for the administration of the Plan.

Eligible Participants

Any employee, director or consultant of the Company or its subsidiaries, who is selected by the Compensation Committee, is eligible to receive an award under the Plan. As of December 31, 2013, the Company had 710 employees and 8 non-employee Directors eligible to participate in the Plan.

Shares and Amounts Available For Awards

The aggregate number of shares of Common Stock that may be issued under all stock-based awards made under the Plan will be 3,000,000. Shares related to awards that are forfeited or expire unexercised shall be added back and shall be available again under the Plan. Subject to adjustment for certain corporate transactions, no participant may be granted stock options or stock appreciation rights (“SARs”) in any year with respect to more than 500,000 shares, and no participant may be granted restricted stock, restricted stock units, performance shares and other stock-based awards in any year with respect to more than 500,000 shares. The maximum dollar value that may be earned by any participant in any 12-month period with respect to performance units that are intended to comply with the performance based exception under Section 162(m) of the Code and are denominated in cash is \$5,000,000.

Terms of Awards

General. Awards may be granted alone or in addition to any other award granted under the Plan or any other compensation plan. Awards may be granted for no cash consideration or for cash or other consideration as determined by the Compensation Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash, or shares of Common Stock, or any combination of these in a single payment. The exercise price per share under any stock option and the grant price of any SAR may not be less than the fair market value on the date of grant of such option or SAR. The fair market value of a share under the Plan will be the closing price on any securities exchange or NASDAQ or other over-the-counter market on which the shares are listed on the date of determination. If the shares are not listed, the Compensation Committee will determine the fair market value of the shares. The term of awards will not be longer than 10 years.

Awards other than options and SARs may be granted subject to the achievement of performance goals. The performance goals may be established by the Compensation Committee from time to time. In the case of awards intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code, the performance goals may be one or more of the following business criteria:

- Revenue;
- Operating income (before or after taxes);
- Pre- or after-tax income (before or after allocation of corporate overhead and bonus);

Table of Contents

- Net income (before or after taxes);
- Earnings (including earnings before taxes; earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization);
- Earnings per share;
- Economic value-added models or equivalent metrics;
- Cash flow or cash flow per share (before or after dividends);
- Stock price;
- Total shareholder return;
- Market share;
- Regulatory achievements;
- Implementation, completion or attainment of measurable objectives with respect to research, development, products, or projects;
- Production volume levels;
- Reductions in costs;
- Improvement in or attainment of expense levels or working capital levels;
- Operating margins, gross margins, or cash margin;
- Year-end cash;
- Debt reductions;
- Return on equity;
- Return on assets or net assets;
- Return on capital (including return on total capital or return on invested capital);
- Cash flow return on investment;
- Efficiency ratio (non-interest expense, divided by total revenue);
- Asset management;
- Asset quality;
- Asset growth or budget achievement.

The measure of performance may be set by reference to an absolute standard or a comparison to specified companies or groups of companies, and may be established separately for the Company as a whole or for our various groups, divisions or subsidiaries. The Compensation Committee shall establish performance goals and target awards for participants within the time prescribed by, and otherwise shall comply with Section 162(m) of the Code.

Stock Options. The holder of an option will be entitled to purchase a number of shares of Common Stock at a specified exercise price during a specified time period, all as determined by the Compensation Committee. The option exercise price may be payable either in cash or in previously-acquired shares of Common Stock, or at the discretion of the Compensation Committee, by any other lawful means. Options will be either “incentive stock options (“ISOs”)” within the meaning of Section 421 of the Code or “nonqualified stock options” and will vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee. The exercise price will be established by the Committee and cannot be less than the fair market value of a share on the date of grant; the exercise price of an incentive stock option granted to an employee who owns 10% or more

Table of Contents

of the combined voting power of our stock will not be less than 110% of the fair market value of a share on the date of grant. The aggregate fair market value of Common Stock for which ISOs are granted and which are first exercisable in any one calendar year by any one employee may not exceed \$100,000 in fair market value, which is determined as of the date of the grant.

Stock Appreciation Rights. The holder of a SAR is entitled to receive the excess of the fair market value, calculated as of the exercise date, of a specified number of shares of Common Stock over the grant price of the SAR. Such amount shall be paid in shares of Common Stock or in cash, as specified in the award agreement. SARs shall vest and become exercisable in accordance with a vesting schedule established by the Compensation Committee.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of Common Stock subject to restrictions imposed by the Compensation Committee for a specified time period determined by the Compensation Committee. The holder of restricted stock will be entitled to vote the shares and to receive any dividends declared on the shares; however, any dividends declared in shares will be subject to the same restrictions as the underlying shares. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Compensation Committee, to receive shares of Common Stock, at some future date determined by the Compensation Committee. The holder of restricted stock units will not have voting rights but will receive dividends paid with respect to the underlying shares. The Compensation Committee may award restricted stock or restricted stock units subject to satisfaction of performance goals, which may include awards intended to qualify as “performance-based compensation” under Section 162(m) of the Code. If the participant’s employment terminates during the vesting period for any other reason, the Restricted Stock and Restricted Stock Units will be forfeited, unless the Compensation Committee determines that it would be in the Company’s best interest to waive any remaining time-based restrictions.

Performance Awards. Performance awards give participants the right to receive payments in cash, or shares based solely upon the achievement of certain performance goals during a specified performance period. Any shares granted may be subject to any restrictions as determined by the Compensation Committee. Performance awards granted under the Plan may qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code.

Stock-Based Awards. The Compensation Committee may grant other equity-based awards, including unrestricted shares of our Common Stock, subject to terms and conditions determined by the Compensation Committee and limitations imposed by the Plan. The awards may be conditioned on meeting performance goals and may be structured to qualify as “performance-based compensation” within the meaning of Section 162(m) of the Code.

Duration, Termination and Amendment. Unless discontinued or terminated by the Board, the Plan will expire on May 6, 2019. No awards may be made after that date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the Plan prior to expiration may extend beyond the end of such period through the award’s normal expiration date.

The Board may amend, alter or discontinue the Plan at any time, although shareholder approval must be obtained if required to maintain compliance with the Code, by any applicable law or for any action that would, absent such approval, violate the rules and regulations of any securities exchange applicable to the Company.

Repricing Awards

The Compensation Committee may cancel outstanding options and SARs and replace them with either new options or SARs covering the same or a different number of shares but with an exercise price not less than fair market value on the new grant date, or with cash or shares, either vested or unvested, equal in value to the cancelled options or SARs. The Compensation Committee also may reduce the exercise price of options or SARs to a price not less than the then current fair market value of Common Stock on the date of adjustment.

Table of Contents

Change in Control

Upon change in control, as defined in the Plan, all outstanding options, SARs, restricted stock and restricted stock units that are not converted into similar awards with respect to the survivor or successor parent corporation shall become fully vested and, in the case of options and SARs, fully exercisable. Options, SARs, restricted stock and restricted stock units that are converted into similar awards with respect to the survivor or successor parent corporation upon a change in control shall vest and, in the case of options and SARs, become fully exercisable upon a qualifying termination, as defined in the Plan.

Unless provided otherwise in an award agreement or employment agreement, performance shares will be converted into restricted stock upon a change in control. If the restricted stock is not converted into stock or units of the survivor or successor parent corporation, the restricted stock will vest upon a change in control, and if the restricted stock is converted into stock or units of the survivor or successor parent corporation, it will vest upon a qualifying termination.

Unless otherwise provided in an award agreement or employment agreement, performance units shall be converted into time-vesting restricted cash upon a change in control, and will vest upon a qualifying termination or in accordance with the vesting schedule under the original award if earlier.

Transferability of Awards

Unless otherwise provided by the Compensation Committee, awards under the Plan may only be transferred by will or by the laws of descent and distribution. The Compensation Committee may permit a participant to transfer all or a portion of his awards to members of his immediate family, to trusts for the benefit of immediate family members, or to family limited partnerships in which the participant and his family members are the only partners.

Federal Income Tax Consequences

Grant of Stock Options and SARs. The grant of a stock option or SAR is not expected to result in any taxable income for the recipient.

Exercise of Options and SARs. Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of Common Stock acquired on the date of exercise over the exercise price, and the Company will generally be entitled at that time to an income tax deduction for the same amount. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and the Company will not be entitled to an income tax deduction. Upon exercising a SAR, the amount of any cash received and the fair market value on the exercise date of any shares of Common Stock received are taxable to the recipient as ordinary income and generally deductible by the Company, subject to the limits of Section 162(m) of the Code if applicable.

Disposition of Shares Acquired Upon Exercise of Options and SARs. The tax consequence upon a disposition of shares acquired through the exercise of an option or SAR will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option, a non-qualified stock option or SAR. Generally, there will be no tax consequence to the Company in connection with the disposition of shares acquired under a non-qualified option or SAR. If shares purchased pursuant to the exercise of an ISO are not disposed of by the employee within two years from the date of grant of the option or within one year after the transfer of shares to him, the entire gain, if any, realized upon disposition will be taxable to the employee as long-term capital gain or loss and the Company will not be entitled to any federal income tax deduction. If an employee sells or exchanges the shares acquired under an ISO before the expiration of the required holding period, the employee will realize ordinary income in the year of such disposition in an amount equal to the

Table of Contents

difference between the option price and the lesser of the fair market value of the shares on the date of exercise (minus the exercise price) or the selling price (minus the exercise price). In such event, the Company will be entitled to a tax deduction in the year of disposition equal to the amount of ordinary income recognized by the employee, subject to the limits of Section 162(m) of the Code if applicable.

Awards Other than Options and SARs. As to other awards granted under the Plan that are payable either in cash or shares of Common Stock that are either transferable or not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to (a) the amount of cash received or, as applicable, (b) the excess of (i) the fair market value of the shares received (determined as of the date of receipt) over (ii) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

As to an award that is payable in shares of Common Stock that are restricted from transfer and subject to a substantial risk of forfeiture, unless a special election is made by the holder of the award under the Code, the holder must recognize ordinary income equal to the excess of (i) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (ii) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

Tax Deductibility and Section 162(m). Section 162(m) places a \$1,000,000 annual limit on the deductible compensation of certain executives of publicly-traded corporations. The limit, however, does not apply to “qualified performance-based compensation.” The Plan is designed so that awards made thereunder may qualify for the performance-based compensation exception to the deductibility limit, assuming that Proposal 5 is approved by shareholders.

Application of Section 16. Special rules may apply to individuals subject to Section 16 of the Exchange Act. In particular, unless a special election is made pursuant to the Code, shares received through the exercise of a stock option or SAR may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized and the amount of our income tax deduction will be determined as of the end of that period.

Delivery of Shares for Tax Obligation. Under the Plan, the Compensation Committee may permit participants receiving or exercising awards, subject to the discretion of the Compensation Committee and upon such terms and conditions as it may impose, to deliver shares of Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the holder of the option) to the Company to satisfy federal and state income tax obligations.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 5.

PROPOSAL 6

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

Our Compensation Discussion and Analysis is presented above under “Executive Compensation.” As discussed there, the Board believes that the Company’s long-term success depends in large measure on the efforts and talents of our employees. The Company’s compensation system plays a significant role in our ability to attract, retain, and motivate the highest quality workforce. The Board believes that its current compensation program directly links executive compensation to performance, aligning the interests of the Company’s executive officers with those of its shareholders.

This Proposal 6 provides shareholders with the opportunity to cast an advisory vote to approve the Company’s executive compensation program.

The Board invites you to review carefully the Compensation Discussion and Analysis and the tabular and other disclosures on compensation under executive compensation. The Company is asking its shareholders to indicate their support for the Company’s executive compensation program as described in this Proxy Statement. This Proposal 6, commonly known as a “say on pay” proposal, provides the Company’s shareholders the opportunity to express their views on the Company’s Named Executive Officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s Named Executive Officers and the compensation philosophy, policies and practices described in this Proxy Statement. Accordingly, the Company asks you to vote “For” the following resolution:

“Resolved that stockholders approve, on an advisory basis, the compensation of the Company’s executive officers as discussed and disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the compensation tables, and any narrative executive compensation disclosure contained in this Proxy Statement.”

While the vote does not bind the Board to any particular action, the Board values the input of the Company’s shareholders and will take into account the outcome of this vote in considering future compensation arrangements or any modifications of current arrangements. Brokers are prohibited from giving proxies to vote to approve executive compensation matters unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to Proposal 6 if you want your broker to vote your shares on Proposal 6.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” PROPOSAL 6.

INDEPENDENT PUBLIC ACCOUNTANTS

Pre-Approval of Audit and Non-Audit Services

The Company has adopted policies and procedures for pre-approval of all audit and non-audit services to be provided to the Company by its independent auditor. It is the Company’s policy that the Audit Committee pre-approve all audit, tax and other non-audit services. A proposal for audit or non-audit services must include a description and purpose of the services, estimated fees and other terms of the services. To the extent a proposal relates to non-audit services, a determination that such services qualify as permitted non-audit services and an explanation as to why the provision of such services would not impair the independence of the independent auditor are also required.

All of the services provided by KPMG during 2013 and 2012 were approved in advance by the Company’s Audit Committee. The Audit Committee has considered whether the provision of the services performed by the Company’s principal accountant is compatible with maintaining the principal accountant’s independence.

Availability of Accountants

Representatives from KPMG are expected to be present at the Annual Meeting, and they will have the opportunity to make a statement if they desire to do so. Such representatives are also expected to be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Company has an Audit Committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934. The Board of Directors has designated Mr. James Crowley as its audit committee financial expert as defined in Rule 407(d)(5) of Regulation S-K. Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's internal control over financial reporting and an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements for the year ended December 31, 2013, which has primary responsibility for the financial statements. KPMG, the Company's independent auditor for the year ended December 31, 2013, is responsible for expressing an opinion as to whether the Company's audited consolidated financial statements are presented fairly in all material respects in conformity with generally accepted accounting principles. The Audit Committee met with KPMG and Company management to discuss the Company's financial reports. The Audit Committee discussed with KPMG the matters required to be discussed by Statement of Auditing Standard No. 61 (Communication with Audit Committees), as may be modified or supplemented. Additionally, the Audit Committee received the written disclosures and the letter from KPMG required to be delivered to them under the applicable requirements of the Public Company Oversight Board regarding communications concerning independence, and the Audit Committee considered whether KPMG maintained its independence during the year ended December 31, 2013. Based on these discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's report on Form 10-K for the year ended on December 31, 2013.

**GREEN PLAINS RENEWABLE ENERGY, INC.
UMBRELLA SHORT-TERM INCENTIVE PLAN**

The purpose of the Green Plains Renewable Energy, Inc. Umbrella Short-Term Incentive Plan (the “Plan”) is to enhance the Company’s ability to attract and retain highly-qualified executives, to provide additional financial incentives to such executives and to promote the success of the Company and its subsidiaries through awards of incentive compensation that satisfy the requirements for performance-based compensation under Section 162(m) of the Code.

1. **Definitions.** As used herein, the following terms shall have the respective meanings indicated:

(a) “Board” shall mean the Board of Directors of the Company.

(b) “Code” shall mean the Internal Revenue Code of 1986, as amended, or the corresponding provisions of any subsequent federal internal revenue law.

(c) “Committee” shall mean the Compensation Committee of the Board or such other committee as may be appointed by the Board to administer the Plan that is comprised of not less than two directors of the Company, each of whom is an “outside director” within the meaning of Section 162(m) of the Code and Section 1.162-27(e)(3) of the Regulations.

(d) “Company” shall mean Green Plains Renewable Energy, Inc., an Iowa corporation.

(e) “EBITDA” shall mean earnings before interest, income taxes, depreciation and amortization for any Fiscal Quarter or Fiscal Year reported in the Company’s quarterly or annual earnings release, as applicable. In the event that the Company’s earnings release with respect to any Fiscal Year is delayed beyond March 15 of the next following year, EBITDA for such Fiscal Year shall be determined in good faith by the Committee by such March 15 of the next following year.

(f) “Eligible Executive” shall mean the Company’s Chief Executive Officer, the Company’s Chief Financial Officer, and other executive officers of the Company who are “covered employees” of the Company as defined in Section 162(m) of the Code.

(g) “Fiscal Year” or “Fiscal Quarter” shall mean a fiscal year or fiscal quarter, respectively, of the Company.

(h) “Formula Bonus” shall mean, for each Performance Period, an Incentive Bonus per individual for such Performance Period as set by the Committee, which shall be the following percentage of the Pool:

Eligible Executive	Percentage
Chief Executive Officer	60%
Each other Eligible Executive	10%

Notwithstanding the foregoing, in no event shall the amount awarded under the Plan for any Participant on account of any Fiscal Year exceed \$10,000,000.

(i) “Incentive Bonus” shall mean, for each Participant, a bonus to be paid under the Plan in the amount determined by the Committee pursuant to Sections 5 and 6 below.

(j) “Participant” shall mean, with respect to any Performance Period, an Eligible Executive who is designated as a Participant in the Plan for such Performance Period in accordance with Section 3.

(k) “Performance Period” shall mean a Fiscal Year or any other period designated by the Committee with respect to which an award is granted under the Plan. In the event the Committee determines that an individual is

Table of Contents

first eligible for the Plan after the first day of a Fiscal Year because of commencement of employment or promotion, the first Performance Period for such individual shall commence on the first day of the Fiscal Quarter coinciding with or next following the day on which such individual first becomes eligible for the Plan.

(l) “Pool” shall mean, for each Performance Period, a maximum pool for Incentive Bonus of six percent (6%) of the EBITDA for such Performance Period.

(m) “Regulations” shall mean the Treasury Regulations promulgated under Section 162 of the Code, as amended from time to time.

2. Administration of the Plan. The Plan shall be administered by the Committee, which shall have full authority to interpret the Plan, to establish rules and regulations relating to the operation of the Plan, to select Participants, to determine the amount of any Incentive Bonus, and to make all determinations and take all other actions necessary or appropriate for the proper administration of the Plan. The Committee’s interpretation of the Plan, and all actions taken within the scope of its authority, shall be final and binding on the Company, its stockholders, Participants, employees, former employees, and their respective successors and assigns. Such authority shall include the right to exercise discretion to reduce, at any time prior to the payment thereof, the Incentive Bonus payable to any Participant to any amount, including zero, that is below the Formula Bonus; provided, however, that the exercise of such discretion with respect to any Participant shall not have the effect of increasing the Incentive Bonus payable to any other Participant. Decisions of the Committee shall be final, conclusive and binding on all persons or entities, including the Company, its subsidiaries, any Participant and any person claiming any benefit or right under the Plan. No member of the Committee shall be eligible to participate in the Plan.

3. Participation and Performance Goals. Not later than the Applicable Deadline with respect to a Performance Period, the Committee shall (a) designate the Eligible Executives who are Participants in the Plan for such Performance Period, and (b) establish, in writing, the operational plan for such Participant’s Formula Bonus for such Performance Period. The aggregate amount of the Formula Bonuses for all Participants for a Performance Period shall not exceed the amount of the Pool for such Performance Period; the Committee in its discretion shall reduce the Formula Bonuses for some or all Participants as the Committee considers appropriate to prevent the aggregate amount of Formula Bonuses from exceeding the amount of the Pool for a Performance Period, and any such reductions need not be uniform. The “Applicable Deadline” shall mean the 90th day of the Performance Period, provided that the outcome is substantially uncertain at the time the formula is established; provided, however, that if the Performance Period for a Participant begins on a date other than the first day of a Fiscal Year, the Applicable Deadline shall mean 30 days following the first day of such Performance Period (or, if earlier, prior to the expiration of 25% of the Performance Period to which such bonus will relate).

4. Committee Certification. As soon as reasonably practicable after the end of each Performance Period of the Company, but in no event later than March 15 following the end of such Performance Period, the Committee shall certify, in writing, the level of Adjusted Operating Income achieved for such Performance Period and the dollar amount of the Formula Bonus for each Participant in the Plan for such Performance Period.

5. Determination of Incentive Bonus Amount. At any time before an Incentive Bonus for a Performance Period is paid, the Committee may, in its sole discretion and taking into consideration such factors as it deems appropriate (which may include the degree to which objective and subjective performance goals and other criteria have been attained for such Performance Period), determine to pay a Participant an Incentive Bonus that is less than the Formula Bonus, or to pay no Incentive Bonus. The amount by which any Formula Bonus is reduced shall not be paid to any other Participant.

6. Payment of Incentive Bonus. An Incentive Bonus shall be paid in either cash, unrestricted or restricted shares of Company stock (which may be provided under a shareholder-approved stock plan of the Company, subject to the terms and conditions of such plan or program), or a combination of the foregoing. The payment of an Incentive Bonus shall be made at such time as the Committee determines in its sole discretion, which in no

Table of Contents

event shall be later than March 15 following the Performance Period to which such Incentive Bonus relates unless the Committee, in its sole discretion, had provided, prior to the first day of the Performance Period, for the deferral of an Incentive Bonus under a nonqualified deferred compensation program maintained by the Company, subject to the terms and conditions of such plan or program.

7. No Right to Bonus or Continued Employment. Neither the establishment of the Plan, the provision for or payment of any amounts hereunder, nor any action of the Company, the Board or the Committee with respect to the Plan shall be held or construed to confer upon any person (a) any legal right to receive, or any interest in, an Incentive Bonus or any other benefit under the Plan or (b) any legal right to continue to serve as an officer or employee of the Company or any subsidiary or affiliate of the Company. The Company expressly reserves any and all rights to discharge any Participant without incurring liability to any person under the Plan or otherwise. Notwithstanding any other provision hereof and notwithstanding the fact that the stated performance goal has been achieved or the individual Incentive Bonus amounts have been determined, the Company shall have no obligation to pay any Incentive Bonus hereunder unless the Committee otherwise expressly provides by written contract or other written commitment.

8. Withholding. The Company shall have the right to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any applicable federal, state, local or foreign withholding tax requirements imposed with respect to the payment of any Incentive Bonus.

9. Nontransferability. Except as expressly provided by the Committee, the rights and benefits under the Plan are personal to the Participant and shall not be subject to any voluntary or involuntary alienation, assignment, pledge, transfer or other disposition.

10. Unfunded Plan. The Company shall have no obligation to reserve or otherwise fund in advance any amounts that are or may in the future become payable under the Plan. Any funds that the Company, acting in its sole and absolute discretion, determines to reserve for future payments under the Plan may be commingled with other funds of the Company and need not in any way be segregated from other assets or funds held by the Company. A Participant's rights to payment under the Plan shall be limited to those of a general creditor of the Company.

11. Adoption, Amendment, Suspension and Termination of the Plan.

(a) Subject to the approval of the Plan by the Company's stockholders, the Plan shall be effective January 1, 2014 and shall continue in effect until terminated as provided below. Upon such approval of the Plan by the Company's stockholders, all Incentive Bonuses awarded under the Plan on or after January 1, 2014 shall be fully effective as if the stockholders had approved the Plan on or before January 1, 2014. If the Plan is not approved by stockholders at the Company's 2014 Annual Meeting of Stockholders, the Plan and any awards granted under the Plan shall be null and void and of no effect.

(b) Subject to the limitations set forth in paragraph (c) below, the Board may at any time suspend or terminate the Plan and may amend it from time to time in such respects as the Board may deem advisable, subject to any requirement for stockholder approval imposed by applicable law, including Section 162(m) of the Code.

(c) No amendment, suspension or termination of the Plan shall, without the consent of the person affected thereby, materially, adversely alter or impair any rights or obligations under any Incentive Bonus previously awarded under the Plan.

13. Section 162(m). If any provision of this Plan would cause an Incentive Bonus not to constitute "qualified performance-based compensation" under Section 162(m) of the Code, that provision shall be severed from, and shall be deemed not to be a part of, the Plan, but the other provisions hereof shall remain in full force and effect. It is intended that this Plan and all Incentive Bonuses hereunder be administered in a manner that will be exempt from or comply with Section 409A of the Code, including proposed, temporary or final Regulations or

Table of Contents

any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. The Committee is authorized to adopt rules or regulation deemed necessary or appropriate to qualify for an exception from or to comply with the requirements of Section 409A of the Code.

14. **Governing Law.** The validity, interpretation and effect of the Plan, and the rights of all persons hereunder, shall be governed by and determined in accordance with the laws of the State of Nebraska, other than the choice of law rules thereof.

(b) *Substitute Awards* . Substitute Awards shall not reduce the Shares authorized for grant under the Plan or authorized for grant to a Participant in any calendar year. Additionally, in the event that a company acquired by the Company or any Subsidiary or with which the Company or any Subsidiary combines has shares available under a pre-existing plan approved by shareholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation ratio or formula used in such acquisition or combination) to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not Employees or Directors prior to such acquisition or combination.

Any such numerical limitations shall be subject to adjustment under this Section only to the extent such adjustment will not affect the status of any Award intended to qualify as "performance-based compensation" under section 162 (m) of the Code or the ability to grant or the qualification of Incentive Stock Options under the Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on all Participants.

8.5 *Exercisability of Stock Appreciation Rights* . Stock Appreciation Rights granted under the Plan shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall determine. After a Stock Appreciation Right is granted, the Committee may accelerate or waive any restrictions constituting a substantial risk of forfeiture on the exercisability of the Stock Appreciation Right.

8.6 *Payment of Stock Appreciation* . Upon the exercise of a Stock Appreciation Right, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The difference between the Fair Market Value of a Share on the date of exercise over the Exercise Price; by

(c) *Other Voluntary Terminations* . Unless otherwise specifically provided in the Award Agreement, a Stock Appreciation Right may not be exercised after a Participant's voluntary Termination of Service for any reason other than Retirement.

8.8 *Voting Rights* . Participants holding Stock Appreciation Rights granted hereunder shall have no voting rights.

ARTICLE IX

PERFORMANCE UNITS/PERFORMANCE SHARES

9.1 *Grant of Performance Units/Shares* . Subject to the terms of the Plan, Performance Units and/or Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee. Subject to Section 5.3, the Committee shall have complete discretion in determining the number of Performance Units and Performance Shares granted to any Participant.

9.2 *Value of Performance Units/Shares* . Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. The Committee shall set performance goals or Performance Measures in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units/Shares that will be paid out to the Participant.

9.3 *Performance Objectives and Other Terms* . The Committee shall set Performance Goals in its sole discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares, or both, that will be paid out to the Participants. The time period during which the Performance Goals must be met shall be called the "Performance Period". Performance Periods of Awards granted to Section 16 Persons shall, in all cases, exceed six (6) months in length (or such shorter period as may be permissible while maintaining compliance with Rule 16b-3). Each Award of Performance Units or Performance Shares shall be evidenced by an Award Agreement that shall specify the Performance Period, and such other terms and conditions as the Committee, in its sole discretion, shall determine.

9.4 *Earning of Performance Units/Shares* . Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Shares shall be entitled to receive payout on the number and value of Performance Units/Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals or Performance Measures have been achieved.

9.5 *Form and Timing of Payment of Performance Units/Shares* . Payment of earned Performance Units/Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of the Plan the Committee, in its sole discretion, may pay earned Performance Units/Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Shares at the close of the applicable Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award. Awards shall be paid no later than the last date permitted in order for the payment to be exempted from the definition of deferred compensation under section 409A of the Code.

9.6 *Dividends and Other Distributions* . At the discretion of the Committee, Participants holding Performance Units/Shares may be entitled to receive dividend equivalents with respect to dividends declared with respect to the Shares. Such dividends may be subject to the accrual, forfeiture, or payout restrictions as determined by the Committee in its sole discretion.

9.7 *Termination of Employment/Service Relationship* . In the event of a Participant's Termination of Service, all Performance Units/Shares shall be forfeited by the Participant unless determined otherwise by the Committee, as set forth in the Participant's Award Agreement. Any such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Performance Units/Shares issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE X

STOCK-BASED AWARDS

10.1 *Stock-Based Awards* . The Committee may grant other types of equity-based or equity-related Awards (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Subject to Section 5.3, the Committee shall have complete discretion in determining the amount of Stock-Based Awards granted to any Participant. Stock-Based Awards shall be available as a form of payment of other Awards granted under the Plan and other earned cash-based incentive compensation.

ARTICLE XI

MISCELLANEOUS

11.1 *Deferrals* . To the extent consistent with the requirements of section 409A of the Code, the Committee may provide in an Award Agreement or another document that a Participant is permitted to defer receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant under an Award. Any such deferral election shall be subject to such rules and procedures as shall be determined by the Committee.

11.2 *409A Compliance* . To the extent any provision of the Plan or any Award or action by the Board or Committee would subject any Participant to liability for interest or additional taxes under Section 409A of the Code, it will be deemed null and void, to the extent permitted by law and deemed advisable by the Committee. It is intended that the Plan and all Awards will comply with or be exempt from Section 409A of the Code, and the Plan and each Award shall be interpreted consistent with such intent. The Plan and any Award may be amended in any respect deemed necessary (including retroactively) by the Committee in order to pursue compliance with or exemption from, as applicable, Section 409A of the Code. If any deferred compensation is payable to a “specified employee” upon “separation from service,” as those terms are defined in Section 409A of the Code and the regulations thereunder, then payment of such amount shall be delayed for a period of six months following separation from service and paid in a lump sum on the first payroll date following the expiration of such six month period. The foregoing shall not be construed as a guarantee of any particular tax effect for Plan benefits or Awards. A Participant or beneficiary as applicable is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on the Participant or beneficiary in connection with any payments to such Participant or beneficiary under the Plan, including any taxes and penalties under Section 409A of the Code, and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold a Participant or beneficiary harmless from any and all of such taxes and penalties.

11.3 *No Effect on Employment or Service* . Nothing in the Plan shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant’s employment or service at any time, with or without Cause. Employment with the Company or any Subsidiary is on an at-will basis only, unless otherwise provided by an applicable employment or service agreement between the Participant and the Company or any Subsidiary, as the case may be.

11.4 *Participation* . No Participant shall have the right to be selected to receive an Award under the Plan, or, having been so selected, to be selected to receive a future Award.

11.5 *Indemnification* . Each person who is or shall have been a member of the Committee, or of the Committee, to the extent permitted under state law, shall be indemnified and held harmless by the Company against and from (a) any loss, cost, liability or expense (including attorneys’ fees) that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to

act under the Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's prior written approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit or proceeding against him or her; provided, however, that he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Certificate of Incorporation or Bylaws, by contract, as a matter of law or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

11.6 *Successors* . All obligations of the Company under the Plan, with respect to Awards granted hereunder, shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the business or assets of the Company.

11.7 *Beneficiary Designations* . If permitted by the Committee, a Participant under the Plan may name a beneficiary or beneficiaries to whom any vested but unpaid Award shall be paid in the event of the Participant's death. Each such designation shall revoke all prior designations by the Participant and shall be effective only if given in a form and manner acceptable to the Committee. In the absence of any such designation, any vested benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate and, subject to the terms of the Plan and of the applicable Award Agreement, any unexercised vested Award may be exercised by the administrator, executor or the personal representative of the Participant's estate.

11.8 *No Rights as Stockholder* . Except to the limited extent provided in Sections 7.6 and 7.7, no Participant (nor any beneficiary thereof) shall have any of the rights or privileges of a stockholder of the Company with respect to any Shares issuable pursuant to an Award (or the exercise thereof), unless and until certificates representing such Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to the Participant (or his or her beneficiary).

11.9 *Investment Representation* . As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required.

11.10 *Uncertificated Shares* . To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

11.11 *Fractional Shares* . No fractional Shares shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, or Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

ARTICLE XII

AMENDMENT, TERMINATION, AND DURATION

12.1 *Amendment, Suspension, or Termination* . The Board, in its sole discretion, may amend or terminate the Plan, or any part thereof, at any time and for any reason; provided, however, that if and to the extent required by law or to maintain the Plan's compliance with the Code, the rules of any national securities exchange (if applicable), or any other applicable law, any such amendment shall be subject to stockholder approval; and further provided, that the Board may not, without the approval of the Company's shareholders, take any other action with respect to an Option or Stock Appreciation Right that may be treated as a repricing under the rules and regulations of the principal securities market on which the Shares are traded, including a reduction of the exercise price of an Option

or the grant price of a Stock Appreciation Right or the exchange of an Option or Stock Appreciation Right for cash or another Award. The amendment, suspension or termination of the Plan shall not, without the consent of the Participant, alter or impair any rights or obligations under any Award theretofore granted to such Participant. No Award may be granted during any period of suspension or after termination of the Plan.

12.2 *Duration of the Plan* . The Plan shall become effective in accordance with Section 1.1, and subject to Section 12.1 shall remain in effect until the tenth anniversary of the effective date of the Plan.

ARTICLE XIII

TAX WITHHOLDING

13.1 *Withholding Requirements* . Prior to the delivery of any Shares or cash pursuant to an Award (or the exercise thereof), the Company shall have the power and the right to deduct or withhold from any amounts due to the Participant from the Company, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state and local taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or the exercise thereof).

13.2 *Withholding Arrangements* . The Committee, pursuant to such procedures as it may specify from time to time, may permit a Participant to satisfy such tax withholding obligation, in whole or in part, by (a) electing to have the Company withhold otherwise deliverable Shares, or (b) delivering to the Company Shares then owned by the Participant having a Fair Market Value equal to the amount required to be withheld. The amount of the withholding requirement shall be deemed to include any amount that the Committee agrees may be withheld at the time any such election is made, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined. The Fair Market Value of the Shares to be withheld or delivered shall be determined as of the date that the taxes are required to be withheld.

ARTICLE XIV

CHANGE IN CONTROL

14.1 *Upon the occurrence of Change in Control:*

(a) *Options and Stock Appreciation Rights* .

(i) If in connection with a Change in Control, any outstanding Option or Stock Appreciation Right is not continued in effect or converted into an Option to purchase or Stock Appreciation Right with respect to stock of the survivor or successor parent corporation in a manner that complies with Sections 424 and 409A of the Code, such outstanding Option(s) or Stock Appreciation Rights shall vest and become fully exercisable.

(ii) If outstanding Options or Stock Appreciation Rights are continued or converted as described in Section 14.1(a)(i), then upon the occurrence of a Qualifying Termination of the holder thereof, such Options or Stock Appreciation Rights shall vest and become fully exercisable.

(b) *Restricted Stock and Restricted Stock Units* .

(i) If in connection with a Change in Control, any outstanding Restricted Stock or Restricted Stock Units are not continued in effect or converted into restricted shares or units, as applicable, representing interests in stock of the survivor or successor parent corporation on a basis substantially equivalent to the consideration received by stockholders of the Company in connection with the Change in Control, such outstanding Restricted Stock or Restricted Stock Units shall vest and be valued at the time of the Change in Control.

Table of Contents

(ii) If any outstanding Restricted Stock or Restricted Stock Units are continued or converted as described in Section 14.1(b)(i), then upon occurrence of a Qualifying Termination of employment of the holder thereof, such Restricted Stock or Restricted Stock Units shall vest in full.

(c) *Performance Share* .

(i) Unless otherwise provided in an Award Agreement or an employment agreement, upon a Change in Control, any outstanding Performance Shares shall be converted into time-vesting Restricted Stock, based on actual performance, giving effect to the transaction constituting the Change in Control. Unless otherwise specified in the Award Agreement corresponding to the Performance Shares, the number of Shares converted into Restricted Stock shall be pro-rated based on the number of days in the Performance Period occurring prior to the Change in Control, and the vesting period of such Restricted Stock shall be the time remaining in the Performance Period of the converted Performance Shares. If in connection with such Change in Control, the converted Restricted Stock is not continued in effect or converted into restricted shares or units relating to the stock of the successor or survivor parent corporation on a basis substantially equivalent the consideration, if any, received by stockholders of the Company in connection with the Change in Control, then all such outstanding Restricted Stock shall vest and be valued pursuant to Section 14.1(b)(i).

(ii) The Restricted Stock into which any outstanding Performance Shares are converted as described in Section 14(c)(i) shall vest upon a Qualifying Termination of the holder.

(d) *Performance Units*

(i) Unless otherwise provided in an Award Agreement or an employment agreement, upon a Change in Control, any outstanding Performance Units shall be converted into time-vesting restricted cash, based on actual performance, giving effect to the transaction constituting the Change in Control. Unless otherwise specified in the Award Agreement corresponding to the Performance Units, the value converted into restricted cash shall be pro-rated based on the number of days in the Performance Period occurring prior to the Change in Control, and the vesting period of such restricted cash shall be the time remaining in the Performance Period of the converted Performance Units.

(ii) The restricted cash into which any outstanding Performance Units are converted as described in Section 14(d)(i) shall vest upon a Qualifying Termination of the holder.

(e) *Qualifying Termination* . For purposes of this Section, a “Qualifying Termination” shall mean a termination of employment within twenty-four months following a Change in Control (i) by the Company other than for Cause, gross negligence, or deliberate misconduct which demonstrably harms the Company or (ii) by the Participant for “good reason,” if “good reason” is defined in the applicable Award Agreement or employment agreement.

14.2 *Continued or Converted* . For purposes of Section 14.1(a), (b), (c), and (d) hereof, (i) no Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, Performance Share or Performance Unit shall be treated as “continued or converted” on a basis consistent with the requirements of Sections 14.1(a)(i), (b)(i), (c)(i), or (d)(i) as applicable, unless the stock underlying such Award after such continuation or conversion consists of securities of a class that is widely held and publicly traded on a U.S. national securities exchange, and (ii) no Performance Share or Performance Unit will be treated as “continued or converted” on a basis consistent with the requirements described in Section 14.1(c)(i) and 14.(d)(i) unless the performance conditions applicable to a Participant’s earning of the Award are practicably susceptible of continuing measurement following the Change in Control transaction and do not effectively increase the performance required to be achieved in order for the Participant to earn any portion or level of Award.

14.3 *Section 409A* . If the implementation of any of the foregoing provisions of this Article XIV would cause a Participant to incur adverse tax consequences under Section 409A of the Code, the implementation of such provision shall be delayed until the first date on which such implementation would not cause any adverse tax consequences under Section 409A.

Table of Contents

14.4 *Conflict* . The preceding sections of this Article XIV shall apply notwithstanding any other provision of the Plan to the contrary, unless the Committee shall have expressly provided in any applicable Award for different provisions to apply in the event of a Change in Control. For the avoidance of doubt, any such different provisions may be more or less favorable to either of the parties to the Award, but if the application of such different provisions is unclear, uncertain or ambiguous, the provisions of this Article XIV shall govern.

ARTICLE XV

15.2 *Severability* . In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

15.3 *Requirements of Law* . The grant of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required from time to time.

15.4 *Securities Law Compliance* .
