

Leading Independent Proxy Advisory Firms Recommend that Stockholders of GSC Investment Corp. Vote "FOR" Proposals Relating to Recapitalization Plan at July 30th Special Meeting

ISS and Glass Lewis Say Approval of All Proposals is in Stockholders' Best Interests

NEW YORK, July 20, 2010 /PRNewswire via COMTEX News Network/ -- GSC Investment Corp. (NYSE: GNV) ("GNV" or the "Company") announced today that the two major independent proxy advisory firms, ISS Proxy Advisory Services ("ISS") and Glass Lewis have recommended that GNV's stockholders vote "FOR" the proposal to approve the issuance of 9,868,422 shares of the Company's common stock for an aggregate purchase price of approximately \$15,000,000 at a price per share below the current net asset value per share of such stock and "FOR" the proposal to approve the Investment Advisory and Management Agreement, pursuant to which Saratoga Investment Advisors, LLC ("Saratoga") would be appointed as the Company's new investment adviser at GNV's Special Meeting of Stockholders that will occur on July 30, 2010.

ISS and Glass Lewis are the leading independent proxy advisory firms and their voting analyses and recommendations are relied upon by major institutional investment funds, mutual funds and fiduciaries throughout the world.

In recommending that GNV stockholders support the proposals, ISS said:

*"We note that the company and its advisors have conducted an extensive strategic review process to determine the most viable option for the company given its liquidity needs, lack of superior financial alternatives and the downside risk."**

ISS also acknowledged that the recapitalization plan allows stockholders to participate in the future growth of the Company:

*"[The recapitalization plan] would permit the company's shareholders the greatest opportunity to participate in the company's economic recovery on a post-transaction basis."**

In its July 9th report Glass Lewis concluded that:

*"...the Proposed Agreement (Proposal 2) is in the best interests of shareholders, who should directly benefit from the services and duties of Saratoga and the capital infusion provided by Saratoga Partners (Proposal 1)."**

GNV's stockholders are encouraged to read the definitive proxy statement detailing the \$55 million recapitalization plan of GSC Investment Corp. in its entirety as it provides, among other things, a comprehensive discussion of the process that led to the recapitalization plan. GNV's board of directors unanimously recommends that GNV's stockholders vote "FOR" all proposals at the upcoming special meeting.
