ANNUAL GENERAL AND SPECIAL MEETING OF SHAREHOLDERS
THURSDAY, JUNE 1, 2006
MANAGEMENT INFORMATION CIRCULAR

NOTE: Shareholders who do not hold their common shares (“Common Shares”) in their own name as registered shareholders should read “Advice to Beneficial Shareholders” herein for an explanation of their rights.

This Management Information Circular constitutes a definitive proxy statement under the rules of the U.S. Securities and Exchange Commission (the “SEC”).

SOLI CITATION OF PROXIES

This Management Information Circular (“Circular”) is provided in connection with the solicitation by management of Gastar Exploration Ltd., a corporation organized under the laws of the Province of Alberta, Canada (the “Company”), of proxies for the Annual General and Special Meeting of the shareholders of the Company (the “Meeting”) to be held on Thursday, June 1, 2006, at 2:00 p.m. (CDT) at The Four Seasons Hotel, 1330 Lamar Street, Houston, Texas.

Management of the Company does not contemplate a solicitation of proxies otherwise than by mail. The costs thereof will be borne by the Company. This Circular and accompanying form of proxy is being first sent or given to shareholders on or about May 3, 2006.

APPOINTMENT AND REVOCATION OF PROXIES

A shareholder has the right to appoint a nominee (who need not be a shareholder) to represent him at the Meeting, other than the persons designated in the enclosed proxy form, by inserting the name of his chosen nominee in the space provided for that purpose on the form or by completing another proper form of proxy. Such shareholder should notify the nominee of his appointment, obtain his consent to act as proxy and should instruct him on how the shareholder’s Common Shares are to be voted. In any case, the form of proxy should be dated and executed by the shareholder or, where the form of proxy has been executed by an attorney of the shareholder, by the shareholder’s attorney authorized in writing, with proof of such authorization attached.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and delivered to the registrar and transfer agent of the Company, CIBC Mellon Trust Corporation, Attention: Proxy Department, 200 Queens Quay East, Unit 6, Toronto, Ontario, M5A 4K9, at least twenty-four (24) hours, excluding Saturdays and holidays, before the time of the Meeting or any adjournment thereof.

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the shareholder or by his attorney authorized in writing and deposited either at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof.

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) are advised that only proxies from shareholders of record can be recognized and voted upon at the Meeting. Beneficial Shareholders who complete and return a proxy must indicate thereon the person (usually a

Table of Contents

brokerage house) who holds their Common Shares as a registered shareholder. Every intermediary (broker) has its own mailing procedure and provides its own return instructions, which should be carefully followed. The form of proxy supplied to registered shareholders is identical to that provided to Beneficial Shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder.

All references to shareholders in this Circular and the accompanying form of proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be shown upon request to registered shareholders who produce proof of their identity.

VO TING OF PROXIES

The persons named in the enclosed form of proxy have been selected by the directors of the Company and have indicated their willingness to represent as proxy the shareholder who appoints them. Each shareholder may instruct his proxy how to vote his Common Shares by completing the blanks on the proxy form.

Common Shares represented by properly executed proxy forms in favor of the person designated on the enclosed form will be voted or withheld from voting in accordance with the instructions given on the proxy forms. In the absence of such instructions, such Common Shares **WILL BE VOTED FOR THE APPROVAL OF ALL RESOLUTIONS IDENTIFIED IN THIS CIRCULAR.**

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments and variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

VOTI NG COMMON SHARES

The Company will prepare a list of shareholders of record at the close of business on May 1, 2006 (the "Record Date"). A holder of Common Shares of the Company named on that list will be entitled to vote the Common Shares then registered in such holder's name, except to the extent that: (a) the holder has transferred the ownership of any of his Common Shares after that date, and (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he owns the Common Shares, and demands not later than the close of business, ten (10) days before the Meeting, that his name be included in the list of persons entitled to vote at the Meeting, in which case the transferee will be entitled to vote his Common Shares at the Meeting.

As of the Record Date set for the Meeting, the Company has 166,288,735 issued and outstanding Common Shares that are without nominal or par value. Holders of Common Shares are entitled to one (1) vote at the Meeting for each Common Share held.

A quorum of shareholders is necessary for a valid meeting. The required quorum for the transaction of business at the Meeting is the presence of a holder or holders of 5% of the total outstanding Common Shares entitled to vote at the Meeting, either present in person or represented by proxy. Abstentions and proxies returned by brokerage firms for which no voting instructions have been received from their principals will be counted for the purpose of determining the presence of a quorum.

If a quorum is present at the Meeting, the five director nominees who receive the greatest number of votes cast by Common Shares present in person or by proxy and entitled to vote shall be elected as directors. The affirmative vote by the holders of a majority of Common Shares present and voting is required to ratify the selection of BDO Seidman, LLP as our independent registered accounting firm for 2006 provided such Common

Shares voting affirmatively also constitute a majority of the number of Common Shares required for a quorum. The affirmative vote by the holders of a majority of Common Shares present and voting is required to ratify and approve our 2006 Long-Term Incentive Plan, provided such Common Shares present in person or by proxy and entitled to vote also constitute at least $33 \frac{1}{3}$ % of the number of outstanding Common Shares eligible to vote at the meeting.

Abstentions and broker non-votes will have no effect on the outcome of the election of directors, assuming a quorum is present or represented by proxy at the Meeting. With respect to all other matters, abstentions and broker non-votes are not considered to be votes cast and therefore will have no effect on such matters. A broker non-vote occurs if a broker or other nominee of Common Shares does not have discretionary authority and has not received voting instructions with respect to a particular matter.

PRINCIPAL SHAREHOLDERS

The following table sets forth certain information about the beneficial ownership of Common Shares as of March 15, 2006 by:

- Each of our directors;
- Named Executive Officers set forth in the Summary Compensation Table set forth under the caption “Compensation of Executive Officers and Directors” below;
- All of our Named Executive Officers and directors as a group; and
- Each person known to the Company to be the beneficial owner of more than 5% of our outstanding Common Shares.

For purposes of the following table, a person is deemed to be the beneficial owner of securities that can be acquired by that person within 60 days from March 15, 2006 upon the exercise of warrants or options or upon the conversion of convertible securities. Each beneficial owner’s percentage is determined by assuming that options, warrants or conversion rights that are held by that person regardless of price, but not those held by any other person, and which are exercisable within 60 days from March 15, 2006, have been exercised.

Unless otherwise indicated and subject to community property laws where applicable, management of the Company believes that all persons named in the following table have sole voting and investment power over all Common Shares reported as beneficially owned by them. The address for our directors and Named Executive Officers is 1331 Lamar Street, Suite 1080, Houston, Texas 77010. The address for Chesapeake Energy Corporation is 6100 North Western Avenue, Oklahoma City, OK 73118. The address for GeoStar Corporation and Mr. Ferguson is 2480 W. Campus Drive, Building C, Mt. Pleasant, Michigan 48858. The address for FMR Corp. is 82 Devonshire Street, Boston MA 02109.

The information in the following table is based upon information supplied by officers, directors, certain named individuals, principal shareholders and from documents filed with the SEC. Applicable percentages are based on 164,748,380 Gstar Common Shares outstanding on March 15, 2006, subject to adjustment for each beneficial owner as described above.

Table of Contents

Option Grants in 2005

The following table shows certain information about the number of stock options granted to Named Executive Officer during the year ended December 31, 2005.

| Name | Number of Shares Underlying Options Granted (1) | % of Total Options Granted During Year | Exercise Price (2) | Expiration Date | Potential Realizable Value at Assumed Annual Rates of Stock Price Appreciation for Option Term | |
|--------------------|---|--|--------------------|-----------------|--|------------|
| | | | | | 5% (3) | 10% (3) |
| J. Russell Porter | — | — | — | — | — | — |
| Michael A. Gerlich | 250,000 | 35.2% | CDN\$3.50 | 06/24/10 | \$ 207,418 | \$ 458,340 |

- (1) The options granted are exercisable over four years, one-quarter after one year and one-quarter on each of the next three anniversaries of the grant.
- (2) Options are granted at an exercise price equal to the closing price of our Common Shares on the Toronto Stock Exchange on the day of the grant.
- (3) Amounts have been converted from Canadian dollars to U.S. dollars at CDN\$1.00 equals \$0.8580, the exchange rate on December 31, 2005. Amounts represent hypothetical gains that could be achieved for the options if they are exercised at the end of the option term. Those gains are based on assumed rates of stock price appreciation of 5% and 10% compounded annually from the date such options were granted, through the expiration date. For the option term ending June 24, 2010, based on a strike price of CDN\$3.50 on June 24, 2010, a common share would have a value on the ending date of the option term of approximately CDN\$4.47 at an assumed appreciation rate of 5% and approximately \$5.64, at an assumed appreciation rate of 10%.

Aggregate Option Values

The following table shows certain information about the number of stock options and warrants exercised during the year ended December 31, 2005 and the number of stock options owned by the Named Executive Officer at December 31, 2005. Options in the columns marked “unexercisable” are subject to vesting and will be forfeited if employment with the Company is terminated for certain reasons.

| Name | Shares Acquired on Exercise (1) | Value Realized (1) | Number of Unexercised Stock Options at December 31, 2005 (1) | | Value of Unexercised In-the-Money Stock Options at December 31, 2005 (2) | |

| Michael A. Gerlich | — | — | — | 250,000 | — | \$ 160,875 |

- (1) The exercise prices of our stock option grants are specified in Canadian dollar. The value of each unexercised in-the-money stock option in the table above has been converted from CDN\$ to U.S. dollars at CDN\$1.00 equals \$0.8580, the exchange rate on December 31, 2005. The values calculated are equal to the difference between the closing price of our Common Shares on the Toronto Stock Exchange on December 30, 2005 of CDN\$4.25 per share and the exercise price of the stock option.
- (2) There were no stock options exercised by Named Executive Officers during the year ended December 31, 2005.

Equity Compensation Plans

Our 2002 Stock Option Plan, our only equity compensation plan, was approved and ratified by our shareholders on July 5, 2002. The 2002 Stock Option Plan superseded and replaced our prior stock-based compensation plans. Unexercised stock options granted under our prior stock option plans that had not expired or been cancelled on the effective date of the 2002 Stock Option Plan were ratified and confirmed as included under the 2002 Plan. Consequently, all currently outstanding stock options are subject to the terms of the 2002 Stock Option Plan. In April 2004, our Board of Directors amended the provisions of the 2002 Stock Option Plan to specifically incorporate a provision to provide for stock options to be exercised on a cashless basis, whereby the Company issues the optionee the number of Common Shares equal to the stock option exercised, less the number of Common Shares which when multiplied by the market price at the date of exercise equals the aggregate exercise price for all of the Common Shares exercised.

The Company is authorized to issue a maximum of 25.0 million Common Shares for awards under the 2002 Stock Option Plan. If any option granted under the 2002 Stock Option Plan expires or terminates for any reason in accordance with the terms of the 2002 Stock Option Plan without being exercised, the unpurchased Common Shares subject to that option will become available for other option grants under the 2002 Stock Option Plan.

The 2002 Stock Option Plan is administered by our Board of Directors. Pursuant to the 2002 Stock Option Plan, our Board of Directors may allocate non-transferable options to purchase Common Shares to directors, officers, employees and consultants of Gastar and its subsidiaries. At the time of granting options under the 2002 Stock Option Plan, the aggregate number of Common Shares underlying all options granted under the 2002 Stock Option Plan and the aggregate number of Common Shares underlying the options granted to each individual under the 2002 Stock Option Plan may not exceed the maximum number permitted by any stock exchange on which our Common Shares are listed or by any other regulatory body having jurisdiction. Options issued pursuant to the 2002 Stock Option Plan have an exercise price determined by the Board of Directors, but that exercise price cannot be less than the price permitted by any stock exchange on which our Common Shares are then listed.

The following table provides information as of December 31, 2005 about our Common Shares that may be issued upon the exercise of stock options and warrants under (i) all compensation plans previously approved by security holders and (ii) individual compensation arrangements not approved by security holders. All of such securities are options issued under the 2002 Stock Option Plan.

| Plan Category | Number of securities to be issued upon exercise of outstanding options, warrants and rights | Weighted average | | Number of Remaining Available for Future Issuance (1) |

Severance benefits will be payable over the "Severance Pay Period", as set forth in his employment agreement. Compensation of Directors

Commencing November 2005, the independent, non-employee and non-executive directors are to receive the following fees:

- \$7,500 for all meetings attended in person;
- \$1,500 per meeting attended telephonically; and
- \$500 per committee meeting attended in person.

The Chairman of the Board of Directors has elected to waive his future director meeting fees. All directors are reimbursed for certain expenses incurred in connection with their attendance of Board and committee meetings in accordance with Company policy.

Directors are eligible to receive stock option grants under our 2002 Stock Option Plan. During the fiscal year ended December 31, 2005, no stock options were issued to the Chairman of the Board or directors who were not employees.

Compensation Committee Interlocks and Insider Participation

From January 1, 2004 until May 28, 2004, the compensation committee of our Board of Directors, which the Company refers to as the Remuneration Committee, was comprised of Messrs. Crow, Kapuscinski, Heysel and Robinson. Other than Mr. Robinson who served as our Chief Executive Officer until February 17, 2004, no member of the Remuneration Committee was during the 2004 fiscal year or at any time prior to the 2004 fiscal year an officer or employee of the Company or any of our subsidiaries. Since May 28, 2004, our Remuneration Committee has been comprised of Messrs. Badwi, Crow, Kapuscinski and Heysel, none of whom is or has ever served as an officer or employee of the Company or any of its subsidiaries. None of our executive officers serves as a member of the board of directors or compensation committee (or committee performing similar functions) of any entity that has one or more executive officers who serve on our Board of Directors or Remuneration Committee.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Except as provided under the caption "Interests of Insiders in Material Transactions" below, no director, executive officer or any of their respective associates or affiliates is, or was at end of the fiscal year ended December 31, 2005, indebted to the Company or any of its subsidiaries.

INTERESTS OF INSIDERS IN MATERIAL TRANSACTIONS

GeoStar currently is the beneficial owner of approximately 10.3% of our Common Shares. Our Chairman of the Board of Directors is an officer and director of GeoStar. Except as disclosed elsewhere in our Form 10-K for the year ended December 31, 2005, the Company had the following related party transactions with GeoStar:

In 2001, the Company entered into a Participation and Operating Agreement (“POA”) with GeoStar. For the East Texas properties, the POA was replaced effective January 1, 2005 with a Joint Operating Agreement (“JOA”), as detailed below. Pursuant to the terms of the original POA, which still governs our West Virginia and certain Australian assets, the Company has the option to participate as a working interest partner in properties in which GeoStar and its subsidiaries have interests in on an “at cost” basis, subject to our full due diligence review prior to our participation election. Upon agreeing to participate, the Company is responsible for our proportionate share of actual costs expended by GeoStar and its subsidiaries to third parties on an “at cost” basis. The \$601,000 due to related parties at December 31, 2004 represented the amount owed to GeoStar and its subsidiaries for natural gas and oil property development. In 2003 and 2004, pursuant to the terms of the POA, GeoStar billed the Company \$369,000 and \$27,000, respectively, for administrative overhead.

In June 2000, the Company entered into an agreement with GeoStar to settle accounts payable related to the development of natural gas and oil properties with the issuance of a floating convertible debenture for up to CDN\$25.0 million. Under the debenture agreement, GeoStar would continue to provide funds for development and operations by allowing the Company to draw on the debenture. Advances under the debenture were subject to GeoStar’s availability of funds and the approval of the requested advances by GeoStar’s board of directors. The debenture was payable in cash or convertible into Common Shares, at prevailing market prices, at our option.

Effective January 1, 2005, the Company and GeoStar entered into a JOA covering an Area of Mutual Interest (“AMI”) in East Texas, with the Company as non operator and GeoStar as operator. Under the terms of the JOA, GeoStar would receive overhead reimbursement equal to 12.5% of development costs for the first 10 wells drilled after the effective date, 10% of the development costs for the 11th through 20th wells and 8.5% of the developments costs for all subsequent wells. As a result of the JOA, GeoStar ceased charging the Company a proportionate amount of direct salary and shared premises rent expense for GeoStar employees providing administrative and technical support services to the Company. In conjunction with the execution of the JOA, the Company terminated the convertible debenture arrangement with GeoStar and is required to finance its share of future joint venture costs.

During 2005, GeoStar billed the Company \$1.4 million, which was equal to 12.5% of development costs for two wells drilled in East Texas. These costs have been capitalized to property and equipment and were paid in 2005. The GeoStar Acquisitions Properties agreement provides for certain post closing adjustments relating to expenditures incurred on the acquired properties, which may include additional agreed upon drilling overhead charges.

At December 31, 2005, the Company had a due from related parties receivable of \$2.3 million owed to the Company by GeoStar primarily relating to revenues earned on GeoStar operated properties and property cost advances. Pursuant to the GeoStar Acquisition Properties agreement, the final purchase price adjustments are to be settled 50% in cash and 50% in Company Common Shares valued at CDN\$4.50 per share. At December 31, 2005, the Company had a due to related parties payable of \$2.1 million with a corresponding \$2.1 million included in the liability to be settled by issuance of 548,128 Common Shares related to purchase price adjustments. The GeoStar Acquisitions Properties agreement provides for certain post closing adjustments relating to expenditures incurred on the acquired properties, which may include additional agreed upon drilling overhead charges.

In 2004, the Company recorded \$1.3 million in general and administrative costs for administrative and technical support provided by GeoStar to the Company. The consolidated financial statements also include approximately

Table of Contents

\$1,000, \$115,000 and \$33,000 in seismic reprocessing fees paid to GeoStar at December 31, 2005, 2004 and 2003, respectively. The seismic reprocessing fees were capitalized to natural gas and oil properties.

Effective January 1, 2005, the Company agreed to hire and employ directly certain GeoStar employees as members of the management team.

All related party transactions in the normal course of operations have been measured at the agreed to exchange amounts, which is the amount of consideration established and agreed to by the related parties and which is similar to those negotiated with third parties.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who was a director or senior officer of the Company at any time since the beginning of the last financial year of the Company, any proposed nominee for election as a director at the Meeting, or any associate or affiliate of any of the foregoing persons, in any matter to be acted upon at the Meeting other than the election of the directors.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

1. Fixing Number of Directors

The Company's Board of Directors is currently fixed by the shareholders at six members. Only five persons have been proposed for election to the Board of Directors at the Meeting. The Restated Articles of the Company provide that the Board of Directors be comprised of a minimum of three and a maximum of fifteen members. The bylaws of the Company require the shareholders to fix the number of the Board of Directors. Accordingly, a proposal to fix the number of members of the Board of Directors at five is being presented to shareholders for approval at the Meeting. In the event the proposal is not approved and the five nominated directors are elected at the Meeting, the Board of Directors will have a vacancy that may be filled by resolution of the remaining directors.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTE "FOR" THE PROPOSAL TO FIX THE NUMBER OF MEMBERS OF THE BOARD OF DIRECTORS AT FIVE (5).

2. Election of Board of Directors

As of the Record Date, there are six (6) directors of the Company, the terms of each of which will expire on the date of the Meeting, subject to reappointment.

Unless otherwise directed, it is the intention of management to vote proxies in favor of the election as directors of the five (5) nominees hereinafter set forth in Table 1 below.

Management does not contemplate that any such nominees will be unable to serve as directors. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, the persons named in the form of proxy reserve the right to vote for any other nominee in their sole discretion.

BDO Seidman, LLP was appointed auditor of the Company on January 10, 2006 to replace its Canadian based affiliate, BDO Dunwoody LLP, independent registered public accounting firm, as a result of our relocation of its corporate headquarters to Houston, Texas and the adoption of United States generally accepted accounting principles for its financial reporting.

4. Adoption of a 2006 Long-Term Stock Incentive Plan

Management will be presenting to its shareholders our proposed 2006 Long-Term Stock Incentive Plan (the "Plan") for approval. It is the view of management that this plan will: (i) attract and retain for the Company and its affiliates the best available personnel; (ii) provide additional incentive to employees and directors and increase their interest in the Company's welfare; and (iii) promote the success of the business of the Company.

Summary of Plan

The number of Common Shares subject to the Plan is 5,000,000 shares.

The Plan's purposes are to:

- Attract and retain the best available personnel;
- Provide additional incentives to employees, officers and directors;
- Increase the Plan participants' interest in our welfare; and
- Promote the success of our business.

The Board of Directors believes that the Plan is structured to accomplish these purposes. Accordingly, at the March 29, 2006 meeting, our Board of Directors approved the Plan subject to shareholders ratification and approval at the Company's annual meeting.

The following summary of the Plan is qualified by reference to the full text, which is attached as Appendix C to this Circular.

General Provisions

The Remuneration Committee (the "Committee") administers the Plan with respect to awards to our employees, officers and directors. In the future, the Board or other committees may be allocated some or all of the Committee's duties. The Committee consists solely of two or more non-employee directors in accordance with the Internal Revenue Code and Rule 16b-3 under the Securities Exchange Act. The Committee is authorized to:

- Interpret the Plan and all awards;
- Establish and amend rules and regulations for the Plan's operation;
- Select recipients of awards;
- Determine the form, amount and other terms and conditions of awards;
- Modify or waive restrictions on awards; and
- Amend awards.

Our officers, other employees and directors, in addition to those of our affiliates, are eligible to be selected to participate in the Plan. Incentive stock options may be granted only to our employees and employees of our

Table of Contents

subsidiaries in which the Company owns directly or indirectly more than a 50% voting equity interest. The Committee has the sole discretion to select participants from among the eligible persons.

The aggregate number of Common Shares which may be issued under the Plan with respect to awards may not exceed 5,000,000, which number represents 3% of the number of the currently issued and outstanding Common Shares. No individual may receive stock options, stock appreciation rights, bonus stock awards or any combination thereof during the ten-year term of this Plan which would entitle that individual to be awarded more than 1,250,000 Common Shares under the Plan, which number represents 0.75% of the number of the currently issued and outstanding Common Shares. These limits are subject to adjustment for certain transactions affecting the Common Stock. Lapsed, forfeited or canceled awards will not count against this limit and can be regranted under the Plan. However, the cancellation of an option upon exercise of a stock appreciation right granted in tandem with the option will count against the limit. If the exercise price of an option is paid in Common Shares or if Common Shares are withheld from payment of an award to satisfy tax obligations with respect to the award, those Common Shares will count against the above limits. Any and all Common Shares available under the Plan may be granted to any employee, officer or director during the term of the Plan. The Common Shares issued under the Plan may be issued from (1) authorized but unissued Common Shares, (2) Common Shares held in the treasury of the Company, or (3) previously issued Common Shares reacquired by the Company, including Common Shares purchased on the open market, in each situation as the Committee may determine from time to time in its sole discretion.

Types of Awards

The Plan provides for the grant of:

- Stock options, including incentive stock options and nonqualified stock options;
- Stock appreciation rights, in tandem with stock options or freestanding;
- Bonus stock awards; and
- Any other type of award established by the Committee which is consistent with the Plan's purposes.

Any stock option granted in the form of an incentive stock option must comply with Section 422 of the Internal Revenue Code. The Committee may grant awards individually, in combination, or in tandem.

General Award Provisions

All awards will be evidenced by award agreements, as determined by the Committee. The award will be effective on the date of grant unless the Committee specifies otherwise.

The exercise or measurement price will be at least equal to the fair market value of our Common Shares. The fair market value generally is determined to be the closing sales price quoted on any established stock exchange (*i.e.*, currently for the Company, the American Stock Exchange) on the date of the grant of the award.

Awards will normally terminate on the earliest of (i) 10 years from the date of grant; (ii) for an incentive stock option granted to a ten percent shareholder, five years from the date of grant of the option; (iii) three months after the grantee is no longer serving in any capacity as an employee, officer or director of the Company for a reason other than the death or disability of the grantee; (iv) one year after death; or (v) one year after disability. The terms of an individual award agreement may provide for extended periods upon termination of employment or service and may provide for automatic termination of the award upon termination of employment or service for cause.

Awards are non-transferable except by disposition on death or to certain family members, trusts and other family entities as the Committee may approve.

The Committee may authorize the assumption of awards granted by other entities that are acquired by the Company or otherwise.

Table of Contents

Awards may be paid in cash, Common Shares or a combination, in lump sum or installments and currently or by deferred payment, all as determined by the Committee.

A participant's breach of the terms of the Plan or the award agreement will result in a forfeiture of the award.

Options

Options granted under the Plan may be:

- Incentive stock options, as defined in the Internal Revenue Code, as amended; or
- Non-qualified options, which do not qualify for treatment as incentive stock options.

The Committee selects the recipients of options and sets the terms of the options, including:

- The number of Common Shares for which an option is granted;
- The term of the option; and
- The time(s) when the option can be exercised.

The Committee determines how an option may be exercised, whether for cash or securities. Arrangements may also be made, if permitted by law, for same-day-sale and margin account transactions through NASD dealers.

An option agreement or the Committee's procedures may set forth conditions respecting the exercise of an option. The Committee may in its discretion waive any condition respecting the exercise of any option and may accelerate the time at which any option is exercisable.

Bonus Stock

The Committee will have discretion to make grants of bonus stock. A bonus stock grant entitles the recipient to acquire, at no cost or for a purchase price determined by the Committee on the date of the grant, Common Shares subject to such restrictions and conditions as the Committee may determine at the time of the grant. If bonus stock is granted subject to restrictions, it is referred to as restricted stock. The recipient may have all the rights of a shareholder with respect to the bonus stock. These rights include voting and dividend rights, and they are effective as soon as:

- Bonus stock is granted (or upon payment of the purchase price for bonus stock if a purchase price is required); and
- Issuance of the bonus stock is recorded by our transfer agent.

A grant of bonus stock may be subject to non-transferability restrictions, repurchase and forfeiture provisions and such other conditions (including conditions on voting and dividends) as the Committee may impose at the time of grant.

Any bonus Common Shares that are subject to restrictions at the time of grant cease to be restricted stock and will be deemed "vested" after the lapse of all restrictions. The Committee may in its discretion waive any condition or restriction related to a grant of restricted stock or accelerate the dates on which a grant of restricted stock vests.

If a participant's employment or service is terminated for any reason prior to Common Shares of restricted stock becoming vested, the Company has the right, in the discretion of the Committee, to:

- Repurchase the unvested Common Shares at their purchase price; or
- Require forfeiture of those Common Shares if acquired at no cost.

Table of Contents

Stock Appreciation Rights

The Committee may decide that stock appreciation rights may be granted separately or in tandem with the grant of an option. A stock appreciation right is a grant entitling the participant to receive an amount in cash or Common Shares or a combination thereof, as the Committee may determine, in an amount equal to the increase in the fair market value between the grant and exercise dates of the Common Shares with respect to which the stock appreciation right is exercised.

A stock appreciation right granted in tandem with a nonqualified option may be granted either at or after the time of the grant of the nonqualified option. A stock appreciation right granted in tandem with an incentive stock option may be granted only at the time of the grant of the incentive stock option. A stock appreciation right granted in tandem with an option terminates and is no longer exercisable upon the termination or exercise of the related option. The Committee may set the terms and conditions of stock appreciation rights, subject to the limitations set forth in the Plan. At any time it may accelerate the exercisability of any stock appreciation right and otherwise waive or amend any conditions to the grant of a stock appreciation right.

Performance-Based Compensation

In general, under Section 162(m) of the Internal Revenue Code, income tax deductions of publicly held corporations may be limited to the extent total compensation for certain executive officers exceeds \$1 million in any one year. However, under Section 162(m), the deduction limit does not apply to certain “performance-based compensation.”

Market-priced options and stock appreciation rights granted under the Plan will automatically qualify as performance-based awards that are fully deductible without regard to the \$1 million deduction limit imposed by Section 162(m). The Committee may designate any other award under the Plan as qualified performance-based compensation in order to make the award fully deductible under Section 162(m). If an award is so designated, the Committee must establish objectively determinable performance goals for the award based on one or more of the following performance criteria, which may be expressed in terms of company wide objectives or in terms of objectives that relate to the performance of a division, affiliate, department or function within the company or an affiliate:

- Earnings;
- Earnings per share;
- EBITDA (earnings before interest, taxes, depreciation and amortization);
- EBIT (earnings before interest and taxes);
- Economic profit;
- Cash flow;
- Revenue;
- Revenue growth;
- Sales growth;
- Net profit before tax;
- Gross profit;

- Changes in working capital;
- Shareholder return;
- Cost reduction;
- Customer satisfaction or growth;
- Employee satisfaction; and
- Any other performance objective approved by the shareholders of the Company in accordance with Section 162(m).

The Committee must establish the goals prior to the beginning of the period for which these goals relate (or such later date as may be permitted under applicable tax regulations), and the Committee may not increase any award or, except in the case of certain qualified terminations of employment, waive the achievement of any specified goal. Any payment of an award granted with performance goals will be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied.

Provisions Relating to a Change in Control, Death or Disability

The Plan provides certain benefits in the event of a change in control. A change in control is deemed to have occurred if:

- Any person acquires beneficial ownership of 50% or more of our voting securities;
- As a result of, or in connection with, a tender or exchange offer, merger or other business combination, there is a change in the composition of a majority of our Board of Directors;
- The Company merges or consolidates with another corporation, after which less than 75% of the outstanding voting securities of the Company or the surviving entity outstanding immediately thereafter is owned by our former shareholders;
- A tender or exchange offer results in the acquisition of 50% or more of our outstanding voting securities; or
- The Company transfers all or substantially all of its assets to another corporation.

Upon the occurrence of a change in control, our Board of Directors will negotiate for the surviving entity or other purchaser involved to assume all of our obligations under all outstanding awards or convert all outstanding awards into awards of at least equal value as to capital stock of that surviving entity or purchaser. If that surviving entity or purchaser does not agree to assume or convert all outstanding awards, then all outstanding awards will immediately vest or become exercisable or payable, and all forfeiture restrictions will lapse, unless the related agreements provide otherwise.

Upon the occurrence of a participant's death or disability, an agreement may provide that the outstanding award will immediately vest or become exercisable or payable.

Other Modifications

In the event of specified changes in our capital structure, the Committee will have the power to adjust the number and kind of shares authorized by the Plan (including any limitations on individual awards) and the number,

Table of Contents

exercise price or kinds of shares covered by outstanding awards. The Committee will also have the power to make other appropriate adjustments in awards under the Plan.

Examples of modifications which are in the discretion of the Committee and which will not require shareholder approval are:

- Amendments of a “housekeeping” nature;
- A change to the vesting provisions of a security; and
- A change to the termination provisions of a security which does not entail an extension beyond the original expiry date.

Modifications of the following nature will however require shareholder approval (excluding the votes of Common Shares held directly or indirectly by insiders benefiting from the amendment):

- Reduction of an exercise price; and
- Extension of a term of a security based compensation arrangement benefiting an insider.

Federal Income Tax Consequences

The Internal Revenue Code provides that a participant receiving a nonqualified option ordinarily does not realize taxable income upon the grant of the option. A participant does, however, realize income upon the exercise of a nonqualified option to the extent that the fair market value of the Common Shares on the date of exercise exceeds the option price. The Company is entitled to a federal income tax deduction for compensation in an amount equal to the ordinary income so realized by the participant. This deduction is conditioned on the Company withholding federal income tax with respect to the amount of that compensation. When the participant sells the Common Shares acquired pursuant to a nonqualified option, any gain or loss will be capital gain or loss. This assumes that the Common Shares represent a capital asset in the participant’s hands, although there will be no tax consequences for the Company.

The grant of an incentive stock option does not result in taxable income to an employee. The exercise of an incentive stock option also does not result in taxable income, provided that the circumstances satisfy the employment requirements in the Internal Revenue Code. However, the exercise of an incentive stock option may give rise to alternative minimum tax liability for the employee. In addition, if the employee does not dispose of the Common Shares acquired upon exercise of an incentive stock option during the statutory holding period, then any gain or loss upon subsequent sale of the Common Shares will be a long-term capital gain or loss. This assumes that the Common Shares represent a capital asset in the employee’s hands.

The statutory holding period lasts until the later of:

- Two years from the date the option is granted; and
- One year from the date the Common Shares are transferred to the employee pursuant to the exercise of the option.

If the employment and statutory holding period requirements are satisfied, the Company may not claim any federal income tax deduction upon either the exercise of the incentive stock option or the subsequent sale of the Common Shares received upon exercise. If these requirements are not satisfied, the amount of ordinary income taxable to the employee is the lesser of:

- The fair market value of the Common Shares on the date of exercise minus the option price; and
- The amount realized on disposition minus the option price.

Table of Contents

Any excess is long-term or short-term capital gain or loss, assuming the Common Shares represent a capital asset in the employee's hands. The Company is entitled to a federal income tax deduction in an amount equal to the ordinary income realized by the employee.

An award of bonus stock that is not subject to restrictions results in taxable income to the participant in an amount equal to the excess of the fair market value of the bonus Common Shares on the date of grant over the amount paid, if any, for those Common Shares. Under Section 83(b) of the Internal Revenue Code, a participant may elect to include in ordinary income, as compensation at the time restricted stock is first issued, the excess of the fair market value of the stock at the time of issuance over the amount paid, if any, by the participant. Unless a Section 83(b) election is made, no taxable income will generally be recognized by the recipient of a restricted stock award until the Common Shares are no longer subject to the restrictions or the risk of forfeiture. When either the restrictions or the risk of forfeiture lapses, the participant will recognize ordinary income in an amount equal to the excess of the fair market value of the Common Shares on the date of lapse over the amount paid, if any, by the participant for the stock. Absent a Section 83(b) election, any cash dividends or other distributions paid with respect to the restricted stock prior to the lapse of the restrictions or risk of forfeiture will be included in the participant's ordinary income as compensation at the time of receipt.

Generally, a participant will not recognize any taxable income upon the award of stock appreciation rights. At the time the participant receives the payment for the stock appreciation right, the fair market value of Common Shares or the amount of any cash received in payment for such award generally is taxable to the participant as ordinary income.

As a general rule, the Company will be entitled to a deduction for federal income tax purposes at the same time and in the same amount that a participant recognizes ordinary income from awards under the Plan. The amount of the deduction is the amount of the award that is considered reasonable compensation under the Internal Revenue Code.

Section 162(m) of the Internal Revenue Code generally disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to the chief executive officer or any of the four other most highly compensated executive officers who are employed by the corporation on the last day of the taxable year, but does not disallow a deduction for performance-based compensation the material terms of which are disclosed to and approved by shareholders. The Company has structured and intend to implement the Plan so that resulting compensation would be performance-based compensation, where applicable. To allow the Company to qualify the compensation, the Board of Directors of the Company is seeking shareholder approval of the Plan and the material terms of the related performance goals.

The exercisability of an option or a stock appreciation right or the elimination of restrictions on restricted stock, may be accelerated, and special cash settlement rights may be triggered and exercised, as a result of a change in control.

If any of the foregoing occurs, all or a portion of the value of the relevant award at that time may be a parachute payment. This is relevant for determining whether a 20% excise tax (in addition to income tax otherwise owed) is payable by the participant as a result of the receipt of an excess parachute payment pursuant to the Internal Revenue Code. The Company will not be entitled to a deduction for that portion of any parachute payment which is subject to the excise tax.

Not all of the important information about the Plan is contained in the foregoing summary. The full text of the Plan is attached to this Circular as Appendix C.

(d) Stock Appreciation Rights, and (e) any other type of Award established by the Committee which is consistent with the Plan's purposes, as designated at the time of grant.

4. **SHARES SUBJECT TO PLAN.** Subject to adjustment pursuant to Section 11(a) hereof, the total amount of Common Stock with respect to which Awards may be granted under the Plan shall not exceed Five Million (5,000,000) shares. At all times during the term of the Plan, the Company shall reserve and keep available such number of shares of Common Stock as will be required to satisfy the requirements of outstanding Awards under the Plan. Any shares of Common Stock covered by an Award (or a portion of an Award) that is forfeited or canceled or that expires shall be deemed not to have been issued for purposes of determining the maximum aggregate number of shares of Common Stock which may be issued under the Plan and shall again be available for Awards under the Plan. Nothing in this Section 4 shall impair the right of the Company to reduce the number of outstanding shares of Common Stock pursuant to repurchases, redemptions, or otherwise; provided, however, that no reduction in the number of outstanding shares of Common Stock shall (a) impair the validity of any outstanding Award, whether or not that Award is fully vested or exercisable, or (b) impair the status of any shares of Common Stock previously issued pursuant to an Award as duly authorized, validly issued, fully paid, and nonassessable. The shares to be delivered under the Plan shall be made available from (a) authorized but unissued shares of Common Stock, (b) Common Stock held in the treasury of the Company, or (c) previously issued shares of Common Stock reacquired by the Company, including shares purchased on the open market, in each situation as the Committee may determine from time to time in its sole discretion.

5. **ELIGIBILITY.** Awards other than Incentive Stock Options may be granted to Employees, Officers and Directors. Incentive Stock Options may be granted only to Employees (including Officers and Directors who are also Employees), as limited by clause (iii) of Section 2(a). The Committee in its sole discretion shall select the recipients of Awards. A Grantee may be granted more than one Award under the Plan, and Awards may be granted at any time or times during the term of the Plan. The grant of an Award to an Employee, Officer or Director shall not be deemed either to entitle that individual to, or to disqualify that individual from, participation in any other grant of Awards under the Plan.

6. **LIMITATION ON INDIVIDUAL AWARDS.** Any and all shares available for Awards under the Plan may be awarded by way of Options, Bonus Stock Awards or Stock Appreciation Rights (regardless of the form of payment) to any one person. Subject to the provisions of Section 11(a), the maximum number of shares of Common Stock that may be subject to Options, Bonus Stock Awards and Stock Appreciation Rights granted to any one Covered Employee under the Plan shall not exceed One Million Two Hundred Fifty Thousand (1,250,000) shares. The limitations set forth in the preceding sentence shall be applied in a manner which will permit compensation generated under the Plan, where appropriate, to constitute "performance-based" compensation for purposes of Section 162(m) of the Code, including counting against such maximum number of shares, to the extent required under Section 162(m) of the Code and applicable interpretive authority thereunder, any shares of Common Stock subject to Options or other Awards that are canceled or repriced.

7. **OPTIONS.**

(a) Grant of Options. An Option is a right to purchase shares of Common Stock during the option period for a specified exercise price. The Committee shall determine (i) whether each Option shall be granted as an Incentive Stock Option or as a Non-Qualified Stock Option, and (ii) the provisions, terms and conditions of each Option including, but not limited to, the vesting schedule, the number of shares of Common Stock subject to the Option, the exercise price of the Option (which may never be less than Fair Market Value of the Common Stock on the date of the grant of the Award), the period during which the Option may be exercised, forfeiture provisions, methods of payment, and all other terms and conditions of the Option.

(b) Limitations on Incentive Stock Options. The aggregate Fair Market Value (determined as of the date of grant of an Option) of Common Stock which any Employee is first eligible to purchase during any calendar year by exercise of Incentive Stock Options granted under the Plan and by exercise of incentive stock options (within

Table of Contents

the meaning of Section 422 of the Code) granted under any other incentive stock option plan of the Company or an Affiliate shall not exceed \$100,000. If the Fair Market Value of stock with respect to which all incentive stock options described in the preceding sentence held by any one Optionee are exercisable for the first time by such Optionee during any calendar year exceeds \$100,000, the Options (that are intended to be Incentive Stock Options on the date of grant thereof) for the first \$100,000 worth of shares of Common Stock to become exercisable in such year shall be deemed to constitute incentive stock options within the meaning of Section 422 of the Code and the Options (that are intended to be Incentive Stock Options on the date of grant thereof) for the shares of Common Stock in the amount in excess of \$100,000 that become exercisable in that calendar year shall be treated as Non-Qualified Stock Options. If the Code or the Treasury regulations promulgated thereunder are amended after the effective date of the Plan to provide for a different limit than the one described in this Section 7(b), such different limit shall be incorporated herein and shall apply to any Options granted after the effective date of such amendment.

(c) **Acquisitions and Other Transactions.** Notwithstanding the provisions of Section 10(g), in the case of an Option issued or assumed pursuant to Section 10(g), the exercise price and number of shares for the Option shall be determined in accordance with the principles of Section 424(a) of the Code and the Treasury regulations promulgated thereunder. The Committee may, from time to time, assume outstanding options granted by another entity, whether in connection with an acquisition of such other entity or otherwise, by either (i) granting an Option under the Plan in replacement of or in substitution for the option assumed by the Company, or (ii) treating the assumed option as if it had been granted under the Plan if the terms of such assumed option could be applied to an Option granted under the Plan. Such assumption shall be permissible if the holder of the assumed option would have been eligible to be granted an Option hereunder if the other entity had applied the rules of the Plan to such grant. The Committee also may grant Options under the Plan in settlement of or substitution for, outstanding options or obligations to grant future options in connection with the Company or an Affiliate acquiring another entity, an interest in another entity or an additional interest in an Affiliate whether by merger, stock purchase, asset purchase or other form of transaction.

(d) **Payment or Exercise.** Payment for the shares of Common Stock to be purchased upon exercise of an Option may be made in cash (by check) or, if elected by the Optionee and in one or more of the following methods stated in the Option Agreement (at the date of grant with respect to any Option granted as an Incentive Stock Option) and where permitted by law: (i) if a public market for the Common Stock exists, through a “same day sale” arrangement between the Optionee and a broker-dealer that is a member of the National Association of Securities Dealers, Inc. (an “NASD Dealer”) whereby the Optionee irrevocably elects to exercise the Option and to sell a portion of the shares of Common Stock so purchased to pay for the exercise price and whereby the NASD Dealer irrevocably commits upon receipt of such shares of Common Stock to forward the exercise price directly to the Company; (ii) if a public market for the Common Stock exists, through a “margin” commitment from the Optionee and an NASD Dealer whereby the Optionee irrevocably elects to exercise the Option and to pledge the shares of Common Stock so purchased to the NASD Dealer in a margin account as security for a loan from the NASD Dealer in the amount of the exercise price, and whereby the NASD Dealer irrevocably commits upon receipt of such shares of Common Stock to forward the exercise price directly to the Company; or (iii) by surrender for cancellation of Qualifying Shares at the Fair Market Value per share at the time of exercise (provided that such surrender does not result in an accounting charge for the Company). No shares of Common Stock may be issued until full payment of the purchase price therefor has been made.

8. **BONUS STOCK AWARDS.**

(a) **Bonus Stock Awards.** A Bonus Stock Award is a grant of shares of Common Stock for such consideration, if any, and subject to such restrictions on transfer, rights of first refusal, repurchase provisions, forfeiture provisions and other terms and conditions as are established by the Committee.

(b) **Forfeiture Restrictions.** Shares of Common Stock that are the subject of a Bonus Stock Award may be subject to restrictions on disposition by the Grantee and to an obligation of the Grantee to forfeit and surrender

Table of Contents

the shares to the Company under certain circumstances (the “Forfeiture Restrictions”). The Forfeiture Restrictions shall be determined by the Committee in its sole discretion, and the Committee may provide that the Forfeiture Restrictions shall lapse on the passage of time, the attainment of one or more performance targets established by the Committee, or the occurrence of such other event or events determined to be appropriate by the Committee; provided, however, that (i) for a Bonus Stock Award subject to Forfeiture Restrictions based on the passage of time, the Forfeiture Restrictions shall lapse ratably over a minimum period of three (3) years, and (ii) for a Bonus Stock Award subject to Forfeiture Restrictions based on Performance Criteria or any other event, the Forfeiture Restrictions shall not lapse prior to one year after grant of the Bonus Stock Award. The Forfeiture Restrictions, if any, applicable to a particular Bonus Stock Award (which may differ from any other such Bonus Stock Award) shall be stated in the Bonus Stock Agreement.

(c) **Rights as Shareholder.** Shares of Common Stock awarded pursuant to a Bonus Stock Award shall be represented by a stock certificate registered in the name of the Grantee of such Bonus Stock Award. The Grantee shall have the right to receive dividends with respect to the shares of Common Stock subject to a Bonus Stock Award, to vote the shares of Common Stock subject thereto and to enjoy all other shareholder rights with respect to the shares of Common Stock subject thereto, except that, unless provided otherwise in this Plan, or in the Bonus Stock Agreement, (i) the Grantee shall not be entitled to delivery of the shares of Common Stock except as the Forfeiture Restrictions expire, (ii) the Company or an escrow agent shall retain custody of the shares of Common Stock until the Forfeiture Restrictions expire, (iii) the Grantee may not sell, transfer, pledge, exchange, hypothecate or otherwise dispose of the shares of Common Stock until the Forfeiture Restrictions expire.

(d) **Stock Certificate Delivery.** One or more stock certificates representing shares of Common Stock, free of Forfeiture Restrictions, shall be delivered to the Grantee promptly after, and only after, the Forfeiture Restrictions have expired. The Grantee, by his acceptance of the Bonus Stock Award, irrevocably grants to the Company a power of attorney to transfer any shares so forfeited to the Company, agrees to execute any documents requested by the Company in connection with such forfeiture and transfer, and agrees that such provisions regarding transfers of forfeited shares shall be specifically performable by the Company in a court of equity or law.

(e) **Payment for Bonus Stock.** The Committee shall determine the amount and form of any payment for shares of Common Stock received pursuant to a Bonus Stock Award. In the absence of such a determination, the Grantee shall not be required to make any payment for shares of Common Stock received pursuant to a Bonus Stock Award, except to the extent otherwise required by law.

(f) **Forfeiture of Bonus Stock.** Unless otherwise provided in a Bonus Stock Agreement, on termination of the Grantee’s Continuous Service prior to lapse of the Forfeiture Restrictions, the shares of Common Stock which are still subject to the Forfeiture Restrictions under Bonus Stock Award shall be forfeited by the Grantee. Upon any forfeiture, all rights of the Grantee with respect to the forfeited shares of the Common Stock subject to the Bonus Stock Award shall cease and terminate, without any further obligation on the part of the Company except to repay any purchase price per share paid by the Grantee for the shares forfeited.

(g) **Waiver of Forfeiture Restrictions; Committee’s Discretion.** With respect to a Bonus Stock Award that has been granted to a Covered Employee where such Award has been designed to meet the exception for performance based compensation under Section 162(m) of the Code, the Committee may not waive the Forfeiture Restrictions applicable to such Bonus Stock Award.

9. **STOCK APPRECIATION RIGHTS.**

(a) **Stock Appreciation Rights.** A Stock Appreciation Right is a right to receive, upon exercise of the right, shares of Common Stock or their cash equivalent in an amount equal to the increase in Fair Market Value, if any, of the Common Stock between the grant and exercise dates.

(b) **Tandem Rights.** Stock Appreciation Rights may be granted in connection with the grant of an Option, in which case exercise of Stock Appreciation Rights will result in the surrender of the right to purchase the shares

Table of Contents

under the Option as to which the Stock Appreciation Rights were exercised. Alternatively, Stock Appreciation Rights may be granted independently of Options in which case each Award of Stock Appreciation Rights shall be evidenced by a Stock Appreciation Rights Agreement. With respect to Stock Appreciation Rights that are subject to Section 16 of the Exchange Act, the Committee shall retain sole discretion (i) to determine the form in which payment of the Stock Appreciation Right will be made (i.e., cash, securities or any combination thereof), or (ii) to approve an election by a Grantee to receive cash in full or partial settlement of Stock Appreciation Rights.

(c) Limitations on Exercise of Stock Appreciation Rights. A Stock Appreciation Right shall be exercisable in whole or in such installments and at such times as determined by the Committee.

10. **GENERAL PROVISIONS REGARDING AWARDS.**

(a) Form of Award Agreement. Each Award granted under the Plan shall be evidenced by a written Award Agreement in such form (which need not be the same for each Grantee) as the Committee from time to time approves, but which is not inconsistent with the Plan, including any provisions that may be necessary to assure that any Option that is intended to be an Incentive Stock Option will comply with Section 422 of the Code.

(b) Awards Criteria. In determining the amount and value of Awards to be granted, the Committee may take into account the responsibility level, performance, potential, other Awards and such other considerations with respect to a Grantee as it deems appropriate. The terms of an Award Agreement may provide that the amount payable as an Award may be adjusted for dividends or dividend equivalent.

(c) Date of Grant. The date of grant of an Award will be the date specified by the Committee as the effective date of the grant of an Award or, if the Committee does not so specify, will be the date on which the Committee makes the determination to grant such Award. The Award Agreement evidencing the Award will be delivered to the Grantee with a copy of the Plan and other relevant Award documents within a reasonable time after the date of grant.

(d) Stock Price. The exercise price or other measurement of stock value relative to any Award shall be the price determined by the Committee (which shall be not less than either the Fair Market Value or the par value of the shares of Common Stock on the date of grant of the Award). The exercise price of any Incentive Stock Option shall not be less than 100% of the Fair Market Value of the shares of Common Stock for the date of grant of the Option; provided, however, the exercise price of any Incentive Stock Option granted to a Ten Percent Shareholder shall not be less than 110% of the Fair Market Value of the shares of Common Stock for the date of grant of the Option.

(e) Period of Award. Awards shall be exercisable or payable within the time or times or upon the event or events determined by the Committee and set forth in the Award Agreement. Unless otherwise provided in an Award Agreement, Awards other than Bonus Stock Awards shall terminate on (and no longer be exercisable or payable after) the earlier of: (i) ten (10) years from the date of grant of the Award; (ii) for an Incentive Stock Option granted to a Ten Percent Shareholder, five (5) years from the date of grant of the Option; (iii) three (3) months after the Grantee is no longer serving in any capacity as an Employee or Director of the Company for a reason other than the death or Disability of the Grantee; (iv) one (1) year after death of the Grantee; or (v) one (1) year after Disability of the Grantee.

(f) Transferability of Awards. Awards granted under the Plan, and any interest therein, shall not be transferable or assignable by the Grantee, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution, and shall be exercisable or payable during the lifetime of the Grantee only by the Grantee; provided, that the Grantee may designate persons who or which may exercise or receive his Awards following his death. Notwithstanding the preceding sentence, Awards other than Incentive Stock Options may be transferred to such family members, family member trusts, family limited partnerships and other family member entities as the Committee, in its sole discretion, may approve prior

Table of Contents

to any such transfer. No such transfer will be approved by the Committee if the Common Stock issuable under such transferred Award would not be eligible to be registered on Form S-8 promulgated under the Securities Act.

(g) **Acquisitions and Other Transactions.** The Committee may, from time to time, approve the assumption of outstanding awards granted by another entity, whether in connection with an acquisition of such other entity or otherwise, by either (i) granting an Award under the Plan in replacement of or in substitution for the awards assumed by the Company, or (ii) treating the assumed award as if it had been granted under the Plan if the terms of such assumed award could be applied to an Award granted under the Plan. Such assumption shall be permissible if the holder of the assumed award would have been eligible to be granted an Award hereunder if the other entity had applied the rules of this Plan to such grant.

(h) **Payment.** Payment of an Award (i) may be made in cash, Common Stock or a combination thereof, as determined by the Committee in its sole discretion, (ii) shall be made in a lump sum or in installments as prescribed by the Committee in its sole discretion, and (iii) to the extent applicable, shall be based on the Fair Market Value of the Common Stock for the payment or exercise date. The Committee may permit or require the deferral of payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest, dividend equivalents or other forms of investment return.

(i) **Notice.** If an Award involves an exercise, it may be exercised only by delivery to the Company of a written exercise agreement approved by the Committee (which need not be the same for each Grantee), stating the number of shares of Common Stock being purchased, the method of payment, and such other matters as may be deemed appropriate by the Company in connection with the issuance of shares upon exercise of the Award, together with payment in full of any exercise price for any shares of Common Stock being purchased. Such exercise agreement may be part of a Grantee's Award Agreement.

(j) **Withholding Taxes.** The Committee may establish such rules and procedures as it considers desirable in order to satisfy any obligation of the Company to withhold the statutory prescribed minimum amount of federal or state income taxes or other taxes with respect to the grant, exercise or payment of any Award under the Plan, including procedures for a Grantee to have shares of Common Stock withheld from the total number of shares of Common Stock to be issued or purchased upon grant or exercise of an Award. Prior to issuance of any shares of Common Stock, the Grantee shall pay or make adequate provision acceptable to the Committee for the satisfaction of the statutory minimum prescribed amount of any federal or state income or other tax withholding obligations of the Company, if applicable. Upon grant, exercise or payment of an Award, the Company shall withhold or collect from the Grantee an amount sufficient to satisfy such tax withholding obligations.

(k) **Exercise of Award Following Termination of Continuous Service.**

(i) An Award may not be exercised after the expiration date of such Award set forth in the Award Agreement and may be exercised following the termination of a Grantee's Continuous Service only to the extent provided in the Award Agreement.

(ii) Where the Award Agreement permits a Grantee to exercise an Award following the termination of the Grantee's Continuous Service for a specified period, the Award shall terminate to the extent not exercised on the last day of the specified period or the last day of the original term of the Award, whichever occurs first.

(iii) Any Option designated as an Incentive Stock Option, to the extent not exercised within the time permitted by law for the exercise of Incentive Stock Options following the termination of an Optionee's Continuous Service, shall convert automatically to a Non-Qualified Stock Option and thereafter shall be exercisable as such to the extent exercisable by its terms for the period specified in the Option Agreement.

(iv) The Committee shall have discretion to determine whether the Continuous Service of a Grantee has terminated and the effective date on which such Continuous Service terminates and whether the Grantee's Continuous Service terminated as a result of the Disability of the Grantee.

Table of Contents

(l) Limitations on Exercise.

(i) The Committee may specify a reasonable minimum number of shares of Common Stock or a percentage of the shares subject to an Award that may be purchased on any exercise of an Award; provided, that such minimum number will not prevent a Grantee from exercising the full number of shares of Common Stock as to which the Award is then exercisable.

(ii) The obligation of the Company to issue any shares of Common Stock pursuant to the exercise of any Award or otherwise make payments hereunder shall be subject to the condition that such exercise and the issuance and delivery of such shares and other actions pursuant thereto comply with the Securities Act, all applicable state securities and other laws and the requirements of any stock exchange or national market system upon which the shares of Common Stock may then be listed or quoted, as in effect on the date of exercise. The Company shall be under no obligation to register the shares of Common Stock with the Securities and Exchange Commission or to effect compliance with the registration, qualification or listing requirements of any state securities laws or stock exchange or national market system, and the Company shall have no liability for any inability or failure to do so.

(iii) As a condition to the exercise of an Award, the Company may require the person exercising such Award to represent and warrant at the time of any such exercise that the shares of Common Stock are being purchased only for investment and without any present intention to sell or distribute such shares of Common Stock if, in the opinion of counsel for the Company, such a representation is required by any securities or other applicable laws.

(m) Privileges of Stock Ownership. Except as provided in the Plan with respect to Bonus Stock Awards, no Grantee will have any of the rights of a shareholder with respect to any shares of Common Stock subject to an Award until such Award is properly exercised and the purchased or awarded shares are issued and delivered to the Grantee, as evidenced by an appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company. No adjustment shall be made for dividends or distributions or other rights for which the record date is prior to such date of issuance and delivery, except as provided in the Plan.

(n) Breach; Additional Terms. A breach of the terms and conditions of this Plan or established by the Committee pursuant to the Award Agreement shall cause a forfeiture of the Award. At the time of such Award, the Committee may, in its sole discretion, prescribe additional terms, conditions or restrictions relating to the Award, including provisions pertaining to the termination of the Grantee's employment (by retirement, Disability, death or otherwise) prior to expiration of the Forfeiture Restrictions or other vesting provisions. Such additional terms, conditions or restrictions shall also be set forth in an Award Agreement made in connection with the Award.

(o) Performance-Based Compensation. The Committee may designate any Award as "qualified performance-based compensation" for purposes of Section 162(m) of the Code. Any Awards designated as "qualified performance-based compensation" shall be conditioned on the achievement of any one or more Performance Criteria, and the measurement may be stated in absolute terms or relative to individual performances, comparable companies, peer or industry groups or other standard indexes, and in terms of Company-wide objectives or in terms of absolute or comparative objectives that relate to the performance of divisions, affiliates, departments or functions within the Company or an Affiliate. Notwithstanding any other provision of the Plan, the Committee may grant an Award that is not contingent on performance goals or is contingent on performance goals other than the Performance Criteria, so long as the Committee has determined that such Award is not intended to satisfy the requirements for "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

11. ADJUSTMENT UPON CHANGES IN CAPITALIZATION AND CORPORATE EVENTS.

(a) Capital Adjustments. The number of shares of Common Stock (i) covered by each outstanding Award granted under the Plan, the exercise, target or purchase price of each such outstanding Award, and any other

Table of Contents

terms of the Award that the Committee determines require adjustment and (ii) available for issuance under Sections 4 and 6 shall be adjusted to reflect, as deemed appropriate by the Committee, any increase or decrease in the number of shares of Common Stock resulting from a stock dividend, stock split, reverse stock split, combination, reclassification or similar change in the capital structure of the Company without receipt of consideration, subject to any required action by the Board or the shareholders of the Company and compliance with applicable securities laws; provided, however, that a fractional share will not be issued upon exercise of any Award, and either (i) any fraction of a share of Common Stock that would have resulted will be cashed out at Fair Market Value or (ii) the number of shares of Common Stock issuable under the Award will be rounded up to the nearest whole number, as determined by the Committee; and provided further that the exercise, target or purchase price may not be decreased to below either the Fair Market Value or the par value, if any, for the shares of Common Stock as adjusted pursuant to this Section 11(a). Except as the Committee determines, no issuance by the Company of shares of capital stock of any class, or securities convertible into shares of capital stock of any class, shall affect, and no adjustment by reason hereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

(b) **Dissolution or Liquidation.** The Committee shall notify the Grantee at least twenty (20) days prior to any proposed dissolution or liquidation of the Company. Unless specifically provided otherwise in an individual Award or Award Agreement or in a then-effective written employment agreement between the Grantee and the Company or an Affiliate, to the extent that an Award has not been previously exercised, if applicable, such Award shall terminate immediately prior to consummation of such dissolution or liquidation.

(c) **Change in Control.** Unless specifically provided otherwise with respect to Change in Control events in an individual Award or Award Agreement or in a then-effective written employment agreement between the Grantee and the Company or an Affiliate, if, during the effectiveness of the Plan, a Change in Control occurs, the surviving entity or purchaser described in Section 2(g), the “Purchaser”, shall either assume the obligations of the Company under the outstanding Awards or convert the outstanding Awards into awards of at least equal value as to capital stock of the Purchaser. In the event such Purchaser refuses to assume or substitute Awards pursuant to a Change in Control, each Award which is at the time outstanding under the Plan shall (i) except as provided otherwise in an individual Award or Award Agreement, automatically become, subject to all other terms of the Award or Award Agreement, fully vested and exercisable or payable, as appropriate, and be released from any repurchase or forfeiture provisions, immediately prior to the specified effective date of such Change in Control, for all of the shares of Common Stock at the time represented by such Award, (ii) the Forfeiture Restrictions applicable to all outstanding Bonus Stock Awards shall lapse and shares of Common Stock subject to such Bonus Stock Awards shall be released from escrow, if applicable, and delivered to the Grantees of the Awards free of any Forfeiture Restriction, (iii) all other Awards shall become fully vested and payment thereof shall be accelerated using, if applicable, the then-current Fair Market Value to measure any payment that is based on the value of the Common Stock or using such higher amount as the Committee may determine to be more reflective of the actual value of such stock, and (iv) notwithstanding any contrary terms in the Award or Award Agreement, expire on a date at least twenty (20) days after the Committee gives written notice to Grantees specifying the terms and conditions of such termination.

To the extent that a Grantee exercises an Award before or on the effective date of the Change in Control, the Company shall issue all Common Stock purchased by exercise of that Award (subject to the Grantee’s satisfaction of the requirements of Section 10(j)), and those shares of Common Stock shall be treated as issued and outstanding for purposes of the Change in Control. Upon a Change in Control, when the outstanding Awards are not assumed by the Purchaser, the Plan shall terminate and any unexercised Awards outstanding under the Plan at that date shall terminate.

12. **SHAREHOLDER APPROVAL.** The Company shall obtain the approval of the Plan by the Company’s shareholders to the extent required to satisfy Sections 162(m) or 422 of the Code or to satisfy or comply with any applicable laws or the rules of any stock exchange or national market system on which the Common Stock may be listed or quoted.

13. **ADMINISTRATION.** The Plan shall be administered by the Committee. The Committee shall interpret the Plan and any Awards granted pursuant to the Plan and shall prescribe such rules and regulations in connection with the operation of the Plan as it determines to be advisable for the administration of the Plan. The Committee may rescind and amend its rules and regulations from time to time. The interpretation by the Committee of any of the provisions of the Plan or any Award granted under the Plan shall be final and binding upon the Company and all persons having an interest in any Award or any shares of Common Stock purchased or other payments received pursuant to an Award. Notwithstanding the authority hereby delegated to the Committee to grant Awards to Employees and Directors under the Plan, the Board shall have full authority, subject to the express provisions of the Plan, to grant Awards to Employees and Directors under the Plan, to interpret the Plan, to provide, modify and rescind rules and regulations relating to it, to determine the terms and provision of Awards granted to Employees and Directors under the Plan and to make all other determinations and perform such actions as the Board deems necessary or advisable to administer the Plan. No member of the Committee or the Board shall be liable for any action taken or determination made in good faith with respect to the Plan or any Award granted hereunder.

14. **EFFECT OF PLAN.** Neither the adoption of the Plan nor any action of the Board or the Committee shall be deemed to give any Employee or Director any right to be granted an Award or any other rights except as may be evidenced by the Award Agreement, or any amendment thereto, duly authorized by the Committee and executed on behalf of the Company, and then only to the extent and on the terms and conditions expressly set forth therein. The existence of the Plan and the Awards granted hereunder shall not affect in any way the right of the Board, the Committee or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation or other transaction involving the Company, any issue of bonds, debentures, or shares of preferred stock ranking prior to or affecting the Common Stock or the rights thereof, the dissolution or liquidation of the Company or any sale or transfer of all or any part of the Company's assets or business, or any other corporate act or proceeding by or for the Company. Nothing contained in the Plan or in any Award Agreement or in other related documents shall confer upon any Employee or Director any right with respect to such person's Continuous Service or interfere or affect in any way with the right of the Company or an Affiliate to terminate such person's Continuous Service at any time, with or without cause.

15. **NO EFFECT ON RETIREMENT AND OTHER BENEFIT PLANS.** Except as specifically provided in a retirement or other benefit plan of the Company or an Affiliate, Awards shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Company or an Affiliate, and shall not affect any benefits under any other benefit plan of any kind or any benefit plan subsequently instituted under which the availability or amount of benefits is related to level of compensation. The Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

16. **AMENDMENT OR TERMINATION OF PLAN.** The Board in its discretion may, at any time or from time to time after the date of adoption of the Plan, terminate or amend the Plan in any respect, including amendment of any form of Award Agreement, exercise agreement, or instrument to be executed pursuant to the Plan; provided, however, to the extent necessary to comply with the Code, including Sections 162(m) and 422 of the Code, other applicable laws, or the applicable requirements of any stock exchange or national market system, the Company shall obtain shareholder approval of any Plan amendment in such manner and to such a degree as required. No Award may be granted after termination of the Plan. Any amendment or termination of the Plan shall not affect Awards previously granted, and such Awards shall otherwise remain in full force and effect as if the Plan had not been amended or terminated, unless mutually agreed otherwise in a writing (including an Award Agreement) signed by the Grantee and the Company.

17. **EFFECTIVE DATE AND TERM OF PLAN.** The Plan shall become effective March 29, 2006, which is the date of adoption of the Plan by the Board. The Plan shall continue in effect for a term of ten (10) years from March 29, 2006 and terminate on March 29, 2016, unless sooner terminated by action of the Board, provided that, with respect to any Awards outstanding on such termination date, the Plan shall remain in effect with respect to such Awards until such Awards terminate or are exercised.

18. **SEVERABILITY AND REFORMATION**. The Company intends all provisions of the Plan to be enforced to the fullest extent permitted by law. Accordingly, should a court of competent jurisdiction determine that the scope of any provision of the Plan is too broad to be enforced as written, the court should reform the provision to such narrower scope as it determines to be enforceable. If, however, any provision of the Plan is held to be wholly illegal, invalid, or unenforceable under present or future law, such provision shall be fully severable and severed, and the Plan shall be construed and enforced as if such illegal, invalid, or unenforceable provision were never a part hereof, and the remaining provisions of the Plan shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance.

19. **GOVERNING LAW**. The Plan and all issues or matters relating to the Plan shall be governed by, determined and enforced under, and construed and interpreted in accordance with the laws of the State of Texas.

20. **INTERPRETIVE MATTERS**. Whenever required by the context, pronouns and any variation thereof shall be deemed to refer to the masculine, feminine, or neuter, and the singular shall include the plural, and visa versa. The term “include” or “including” does not denote or imply any limitation. The captions and headings used in the Plan are inserted for convenience and shall not be deemed a part of the Plan for construction or interpretation.

21. **SECTION 409A COMPLIANCE**. Notwithstanding any other provision of the Plan to the contrary, it is not the intention of the Company that this Plan or any Award granted under the Plan result in unfavorable tax consequences to any Grantee under Section 409A of the Code. The Company intends that the Plan and any Award granted under the Plan shall at all times be exempt from or otherwise comply with the provisions of Code Section 409A. The provisions, terms and conditions of the Plan and any Award granted under the Plan may be amended at anytime, if necessary, in order to be exempt from or otherwise comply with the provisions of Code Section 409A; provided, however, that neither the Company nor a Grantee shall be required to assume an increased economic burden in connection with any such amendment.
