

Gentiva(R) Health Services to Present at the Credit Suisse Healthcare Conference

ATLANTA, Nov 02, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- Gentiva Health Services, Inc. (Nasdaq: GTIV), a leading provider of comprehensive home health services, announced today that it plans to present at the Credit Suisse Healthcare Conference in Phoenix, Arizona at 2:00 p.m. to 2:30 p.m. ET (12:00 p.m. to 12:30 p.m. local time), Thursday, November 12, 2009.

The presentations will be available to the public via a live audio web cast, which may be accessed by visiting <http://investors.gentiva.com/events.cfm>. Visitors to this site will also be able to request advance notifications of this or other upcoming Gentiva events.

Gentiva executives will give attendees an overview of the Company's operations and strategic priorities, and review opportunities for growth as the U.S. home health industry provides more services to an aging population.

About Gentiva Health Services, Inc.

Forward-Looking Statement

Certain statements contained in this news release, including, without limitation, statements containing the words "believes," "anticipates," "intends," "expects," "assumes," "trends" and similar expressions, constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based upon the Company's current plans, expectations and projections about future events. However, such statements involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These factors include, among others, the following: economic and business conditions, including the ability to access capital markets; demographic changes; changes in, or failure to comply with, existing governmental regulations; legislative proposals for healthcare reform; changes in Medicare and Medicaid reimbursement levels; effects of competition in the markets in which the Company operates; liability and other claims asserted against the Company; ability to attract and retain qualified personnel; availability and terms of capital; loss of significant contracts or reduction in revenues associated with major payer sources; ability of customers to pay for services; business disruption due to natural disasters or terrorist acts; ability to successfully integrate the operations of acquisitions the Company may make and achieve expected synergies and operational efficiencies within expected time-frames; effect on liquidity of the Company's debt service requirements; and changes in estimates and judgments associated with critical accounting policies and estimates. For a detailed discussion of certain of these and other factors that could cause actual results to differ from those contained in this news release, please refer to the Company's various filings with the Securities and Exchange Commission (SEC), including the "Risk Factors" section contained in the Company's annual report on Form 10-K for the year ended December 28, 2008.
