

Hasbro Studios Signs Multi-Year Deal with Netflix to Provide Its Award-Winning Content across Multiple Platforms in the U.S.

Programming, including *Transformers Prime* and *My Little Pony*, joins Netflix immediately with new additions to come

LOS ANGELES--(BUSINESS WIRE)-- Hasbro Studios, the Los Angeles-based television production and distribution division of [Hasbro, Inc.](#) (NASDAQ: HAS), today announced a multi-year deal with Netflix, Inc. (NASDAQ: NFLX). Ten highly popular franchises, including new and catalog seasons of famed Hasbro content, will be available to instantly watch on Netflix.

Transformers Prime, *My Little Pony*, *Pound Puppies*, *G.I. Joe: Renegades* and *The Adventures of Chuck & Friends* are now available to instantly watch on Netflix. *JEM & The Holograms*, *Transformers: Generation 1*, *G.I. Joe: Real American Heroes*, *Transformers: Beast Wars* and *Transformers: Rescue Bots* will follow later in 2012.

The Hasbro content will be available on Netflix and included in the Netflix "Just For Kids" section. Netflix "Just For Kids" is a collection of TV shows and movies that is specifically selected for children 12 and under, making it easier and more fun for kids and families to browse and instantly watch a large selection of kid-friendly TV shows and movies within Netflix.

"We are very excited to be working with Hasbro Studios," said Cindy Holland, Vice President of Content Acquisition at Netflix. "This deal allows us to offer even more great kids' programming to our members, both adults and kids alike, including new seasons of *My Little Pony*, *Transformers Prime*, and *Pound Puppies* after the season finale airs on The Hub."

"We are pleased that consumers will now be able to watch our award-winning programming on Netflix, the leading internet subscription service," Hasbro Studios President Stephen Davis said. "We are making our content easy to access, anytime, anywhere and on all platforms where audiences are consuming content and this is a big step forward with our all screen strategy."
