The Brand Blueprint is Hasbro's strategic framework for bringing our brands to life in exciting new ways. We see our brands as story-led consumer franchises that we bring to life through compelling content across a multitude of platforms and media, with a wide variety of digital experiences, music, publishing, and location-based entertainment, and an impressive array of consumer products, spanning a broad range of diverse categories.

Informed by our consumer insights and inspired by our storytelling, our mission to *Create the World's Best Play Experiences* is at the core of how we execute our Brand Blueprint.

Hasbro's world-class storytellers are developing content for all audiences on all screens in entertainment, publishing, digitally through social media, on websites, in digital gaming, and by fans themselves. This includes more than 1,600 hours of original programming and 1,100 pieces of short-form content created by Hasbro Studios.

In 2009, we established Hasbro Studios and began our expertise in television and animation, and in 2014, launched Allspark Pictures, our film label. In 2016, Hasbro acquired Boulder Media to advance our animation capability, improve our cost efficiency, and increase our speed to market.

Hasbro has evolved from a traditional toy and game company to a global play and entertainment leader, and developing our storytelling capabilities through Hasbro Studios and Allspark Pictures has been a significant component to realizing that vision.
