

Harvest Natural Resources Schedules 2009 Third Quarter Earnings Release and Conference Call

HOUSTON, Nov 03, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- Harvest Natural Resources, Inc. (NYSE: HNR) will release its 2009 third quarter operational and financial results before the market opens on Thursday, November 5, 2009.

Harvest will hold a conference call at 10:00 a.m. Central Standard Time on Thursday, November 5, 2009, during which management will discuss Harvest's 2009 third quarter results. The conference leader will be James A. Edmiston, President and Chief Executive Officer. To access the conference call, dial 866-550-6338 or 312-376-8843, five to ten minutes prior to the start time. At that time you will be asked to provide the conference number, which is 2423632. A recording of the conference call will also be available for replay at 719-457-0820, passcode 2423632, until November 15, 2009.

The Conference call will also be transmitted over the internet through the Company's website at www.harvestnr.com. To listen to the live webcast, enter the web site fifteen minutes before the call to register, download and install any necessary audio software. For those who cannot listen to the live broadcast, a replay of the webcast will be available beginning shortly after the call, and will remain on the web site for approximately 90 days.

"This press release may contain projections and other forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. They include estimates and timing of expected oil and gas production, oil and gas reserve projections of future oil pricing, future expenses, planned capital expenditures, anticipated cash flow and our business strategy. All statements other than statements of historical facts may constitute forward-looking statements. Although Harvest believes that the expectations reflected in such forward-looking statements are reasonable, it can give no assurance that such expectations will prove to have been correct. Actual results may differ materially from Harvest's expectations as a result of factors discussed in Harvest's 2008 Annual Report on Form 10-K and other public filings."
