PART III

Item 10. Directors, Executive Officers and Corporate Governance.

As of the date of this report on Form 10-K, CenterPoint Energy Transition Bond Company IV, LLC (the “Issuing Entity”) has five managers. For as long as necessary under applicable Rating Agency criteria (as such term is defined in the Issuing Entity’s Amended and Restated Limited Liability Company Agreement (the “LLC Agreement”)) in order to maintain a rating of “AAA” (or the equivalent thereof) for the Issuing Entity’s Series 2012 Senior Secured Transition Bonds, the Issuing Entity shall have at least two individuals who are Independent Managers (as such term is defined in the LLC Agreement). In the event that two Independent Managers are not necessary under applicable Rating Agency criteria in order to maintain such a rating, the Issuing Entity shall have at least one individual who is an Independent Manager. Currently, Messrs. Angelo and O’Connor serve as the Independent Managers of the Issuing Entity.

Independent Manager is defined in the LLC Agreement as a manager of the Issuing Entity who is not, and within the previous five years was not (except solely by virtue of such Person’s serving as, or affiliation with any other Person serving as, a special member or an independent director or manager, as applicable, of CenterPoint Energy Houston Electric, LLC (“CenterPoint Houston”), the Issuing Entity or any bankruptcy remote special purpose entity that is an Affiliate of CenterPoint Houston or the Issuing Entity), (i) a stockholder, member, partner, director, officer, employee, Affiliate, customer, supplier, creditor or independent contractor of, or any Person that has received any benefit in any form whatsoever from (other than in such Manager’s capacity as a ratepayer or customer of CenterPoint Houston in the ordinary course of business), or any Person that has provided any service in any form whatsoever to, or any major creditor (or any Affiliate of any major creditor) of, the Issuing Entity, CenterPoint Houston or any of their Affiliates, or (ii) any Person owning beneficially, directly or indirectly, any outstanding shares of common stock, any limited liability company interests or any partnership interests, as applicable, of the Issuing Entity, CenterPoint Houston, or any of their Affiliates, or of any major creditor (or any Affiliate of any major creditor) of any of the foregoing, or a stockholder, member, partner, director, officer, employee, Affiliate, customer, supplier, creditor or independent contractor of, or any Person that has received any benefit in any form whatever from (other than in such Person’s capacity as a ratepayer or customer of CenterPoint Houston in the ordinary course of business), or any Person that has provided any service in any form whatever to, such beneficial owner or any of such beneficial owner’s Affiliates, or (iii) a member of the immediate family of any person described above; provided that the indirect or beneficial ownership of stock through a mutual fund or similar diversified investment vehicle with respect to which the owner does not have discretion or control over the investments held by such diversified investment vehicle shall not preclude such owner from being an Independent Manager. For purposes of this definition, “major creditor” shall mean a natural person or business entity to which the Issuing Entity, CenterPoint Houston or any of their Affiliates has outstanding indebtedness for borrowed money or credit on open account in a sum sufficiently large as would reasonably be expected to influence the judgment of the proposed Independent Manager adversely to the interests of the Issuing Entity when the interests of that Person are adverse to those of the Issuing Entity. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
CenterPoint Energy Houston Electric, LLC
Houston, Texas

We have examined management's assertion, included as Exhibit 33.1 and titled Report on Assessment of Compliance with Servicing Criteria for Asset-Backed Securities, with respect to CenterPoint Energy Houston Electric, LLC's (the "Company") compliance with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB applicable for the approximately \$1,695 million original principal amount of CenterPoint Energy Transition Bond Company IV, LLC's transition bonds (the "2012 Senior Secured Transition Bonds"), as of and for the year ended December 31, 2014 excluding criteria 1122(d)(1)(ii) (outsourcing), (1)(iii) (back-up servicing), (1)(iv) (fidelity bond), (2)(ii) (wire transfer disbursements), (2)(vi) (unissued checks), (3)(ii) (allocation and remittance), (3)(iii) (disbursements to investors), (4)(iii) (additions, removals or substitutions), (4)(v) (records regarding pool assets), (4)(ix) (adjustments to interest rates), (4)(xi) (payments on behalf of obligors), (4)(xii) (late payment penalties), (4)(xiii) (obligor disbursements), and (4)(xv) (external credit enhancement), which management has determined are not applicable to the activities performed by the Company with respect to the 2012 Senior Secured Transition Bonds. Management is responsible for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, as adopted by the Public Company Accounting Oversight Board (United States), and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria, including tests on a sample basis of the servicing activities related to the 2012 Senior Secured Transition Bonds, determining whether the Company performed those selected activities in compliance with the applicable servicing criteria during the specified period, and performing such other procedures as we considered necessary in the circumstances. Further, an examination is not designed to detect noncompliance arising from errors that may have occurred prior to the period specified above that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the applicable servicing criteria.

Our examination disclosed the following material noncompliance with the applicable servicing criteria during the year ended December 31, 2014. The Company failed to remit transition charges collected from one of its customers in accordance with criterion 1122(d)(2)(i).

In our opinion, except for the material noncompliance described in the preceding paragraph, management's assertion that the Company complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2014 for the approximately \$1,695 million original principal amount of CenterPoint Energy Transition Bond Company IV, LLC's transition bonds is fairly stated, in all material respects.

Management's assertion includes management's responses to the material noncompliance identified in our examination. Such responses have not been subjected to the procedures applied in our examination and, accordingly, we do not express an opinion or provide any form of assurance on the appropriateness of the responses or the effectiveness of any corrective actions described therein.

**ATTESTATION REPORT ON ASSESSMENT OF COMPLIANCE WITH
SERVICING CRITERIA FOR ASSET-BACKED SECURITIES**

Report of Independent Registered Public Accounting Firm

The Board of Directors
The Trust & Securities Services department of Deutsche Bank National Trust Company and
Deutsche Bank Trust Company Americas:

We have examined management's assertion, included in the accompanying Management's Assertion of Compliance, that the Trust & Securities Services department of Deutsche Bank National Trust Company and Deutsche Bank Trust Company Americas (collectively the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for publicly-issued (*i.e.*, transaction-level reporting required under the Securities Exchange Act of 1934, as amended) and certain privately-issued (*i.e.*, for which transaction-level reporting is required pursuant to contractual obligation) residential mortgage-backed securities, commercial mortgage-backed securities and other asset-backed securities issued on or after January 1, 2006, for which the Company provides trustee, certificate administrator, securities administration, paying agent or custodian services, as defined in the transaction agreements, excluding publicly-issued securities sponsored or issued by any government sponsored entity (the "Platform"), except for servicing criteria 1122(d)(4)(iv) – 1122(d)(4)(xiv), which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the year ended December 31, 2014. With respect to servicing criteria 1122(d)(1)(ii), 1122(d)(1)(iii) and 1122(d)(2)(iii), Management's Assertion of Compliance indicates that there were no activities performed during the year ended December 31, 2014 with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. The Company has determined the following servicing criteria to be applicable only to the activities the Company performs with respect to the Platform as described below:

- Servicing criterion 1122(d)(1)(iii) is applicable only with respect to the Company's continuing obligation to act as, or locate a, successor servicer under the circumstances referred to in certain transaction agreements. It is management's interpretation that the Company has no other active back-up servicing responsibilities in regards to servicing criterion 1122(d)(1)(iii) as of and for the year ended December 31, 2014.
- Servicing criterion 1122(d)(4)(iii) is applicable to the activities the Company performs with respect to the Platform only as it relates to the Company's obligation to report additions, removals or substitutions on reports to investors in accordance with the transaction agreements.

Management is responsible for the Company's compliance with the servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was conducted in accordance with the attestation standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the servicing criteria specified above and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the servicing criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

In our opinion, management's assertion that the Company complied with the aforementioned servicing criteria, as of and for the year ended December 31, 2014, is fairly stated, in all material respects.
