Hercules Shelf Registration Statement Declared Effective by the Securities and Exchange Commission

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Hercules Technology Growth Capital, Inc.](#) (NYSE: HTGC) ("Hercules" or the "Company"), the leading specialty financing provider to innovative venture growth stage companies backed by leading venture capital firms, today announced that Hercules' Shelf Registration Statement, as filed on September 29, 2015 (the "Registration Statement"), has been declared effective by the Securities and Exchange Commission ("SEC").

Hercules' Chief Financial Officer, Mark R. Harris stated, "This new registration statement, combined with our existing strong liquidity position, provides us with the additional financial flexibility to access the financial markets to support our corporate objectives, such as refinancing our current debt instruments, as well as accelerate our growth strategy should the opportunity present itself. However, given our current liquidity position, we have no current plans to issue any equity."

Under the Registration Statement, Hercules may from time to time, in one or more offerings or series, issue up to \$500 million of any combination of common stock, preferred stock, warrants, subscription rights or debt securities. The preferred stock, debt securities, subscription rights and warrants may be convertible or exchangeable into shares of the Company's common stock. The net proceeds of any such issuances by Hercules are expected to be used for general corporate purposes.

The terms of any issuance under the Registration Statement will be determined at the time of such issuance and disclosed in a prospectus supplement filed with the SEC.

This press release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the laws of any such state.

A copy of the prospectus included in the Registration Statement may be obtained at no charge at the SEC's website at www.sec.gov.
