Item 1.01 Entry into a Material Definitive Agreement.

0.875% Exchangeable Senior Notes due 2022

On October 2, 2017, IAC FinanceCo, Inc. (“IAC FinanceCo”), a Delaware corporation and direct, wholly owned subsidiary of IAC/InterActiveCorp, a Delaware corporation (the “Company”), completed its previously announced private offering of \$517.5 million aggregate principal amount of its 0.875% Exchangeable Senior Notes due 2022 (the “Notes”), which includes \$67.5 million aggregate principal amount of the Notes (the “Over-Allotment Notes”) sold pursuant to an option granted to the initial purchasers of the Notes (the “initial purchasers”) solely to cover over-allotments, which option was exercised in full on September 27, 2017.

The Notes were offered only to investors that are both qualified institutional buyers (as defined in Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”)) and qualified purchasers (for purposes of Section 3(c)(7) of the Investment Company Act of 1940, as amended). The Notes have not been, and will not be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

The net proceeds from the sale of the Notes were approximately \$500.5 million, after deducting fees and estimated expenses. The portion of the net proceeds to the Company and its consolidated subsidiaries from the offering that were used to pay the premium on the Exchangeable Note Hedge Transactions and the Additional Exchangeable Note Hedge Transactions (each as defined below) (calculated after taking into account the proceeds from the sale of the warrants, as described below) was approximately \$50.7 million. IAC FinanceCo intends to use the remainder of the net proceeds from the offering for general corporate purposes, including lending to the Company, which repaid in full its outstanding 4.875% Senior Notes due 2018 (the “2018 Notes”) in connection with the closing of the offering.

Indenture

IAC FinanceCo issued the Notes under an indenture dated as of October 2, 2017 (the “Indenture”), among IAC FinanceCo, the Company and Computershare Trust Company, N.A., as trustee (the “Trustee”).

The Notes bear cash interest from October 2, 2017 at an annual rate of 0.875% payable on April 1 and October 1 of each year (including on the maturity date), beginning on April 1, 2018. The Notes will mature on October 1, 2022 unless earlier repurchased, redeemed or exchanged, and are guaranteed on a senior unsecured basis by the Company.

Holders may surrender all or any portion of their Notes for exchange, in multiples of \$1,000 principal amount, at their option at any time prior to the close of business on the business day immediately preceding July 1, 2022 only under the following circumstances: (1) during any calendar quarter commencing after the calendar quarter ending on December 31, 2017 (and only during such calendar quarter), if the last reported sale price of the common stock underlying the Notes (the “Reference Common Stock,” which on the issue date is the Company’s Common Stock, par value \$0.001 per share (the “Company Common Stock”)), for at least 20 trading days (whether or not consecutive) during the period of 30 consecutive trading days ending on, and including, the last trading day of the immediately preceding calendar quarter is greater than or equal to 130% of the exchange price on each applicable trading day; (2) during the five business day period after any five consecutive trading day period (the “measurement period”) in which the trading price per \$1,000 principal amount of Notes for each trading day of the measurement period was less than 98% of the product of the last reported sale price of the Reference Common Stock and the exchange rate (as set forth below) on each such trading day; (3) if IAC FinanceCo calls the Notes for redemption (as described below), at any time prior to the close of business on the scheduled trading day immediately preceding the redemption date; or (4) upon the occurrence of specified corporate events specified in the Indenture. On or after July 1, 2022 until the close of business on the second scheduled trading day immediately preceding the maturity date, holders may surrender all or any portion of their Notes for exchange, in multiples of \$1,000 principal amount, at their option, regardless of the foregoing conditions. Upon exchange of a Note, IAC FinanceCo will satisfy its exchange obligation by paying or delivering, or causing to be paid or delivered, as the case may be, cash, shares of

the Reference Common Stock or a combination of cash and shares of the Reference Common Stock, at IAC FinanceCo's election, in amounts determined in the manner set forth in the Indenture.

The exchange rate for the Notes is initially 6.5713 shares of the Company Common Stock per \$1,000 principal amount of the Notes, which is equivalent to an initial exchange price of approximately \$152.18 per share of the Company Common Stock. The initial exchange price of the Notes represents a premium of approximately 32.50% to the \$114.85 per share last reported sale price of the Company Common Stock on September 26, 2017. The exchange rate is subject to adjustments as set forth in the Indenture.

IAC FinanceCo may redeem for cash all, but not less than all, of the Notes, at its option, if at any time following the first original issuance date of the Notes the legal entity whose common stock is the Reference Common Stock (the "Reference Entity," which on the issue date is the Company) publicly announces that it intends to consummate a Reverse Spin-Off, Reverse Split-Off or Share Election Merger (each as defined in the Indenture) that, if consummated, would constitute or would reasonably be expected to constitute a Fundamental Change or Make-Whole Fundamental Change (each as defined in the Indenture) at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest to, but excluding, the redemption date (other than in limited circumstances when the redemption price will be equal to 100% of the principal amount of the Notes).

If a Fundamental Change occurs, subject to certain conditions, holders will have the right, at their option, to require IAC FinanceCo to repurchase for cash all of their Notes, or any portion of the principal thereof, that is equal to \$1,000 or a multiple of \$1,000, at a fundamental change repurchase price equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

If the Effective Date (as defined in the Indenture) of a Make-Whole Fundamental Change occurs prior to the maturity date of the Notes or IAC FinanceCo gives a notice of redemption with respect to the Notes and, in each case, a holder elects to exchange its Notes in connection with such Make-Whole Fundamental Change or notice of redemption, as applicable, IAC FinanceCo will, under certain circumstances, increase the exchange rate for the Notes so surrendered for exchange by a number of additional shares of the Reference Common Stock, as described in the Indenture.

Upon certain events of default, including cross acceleration to certain other indebtedness of the Company and certain of its subsidiaries, occurring and continuing, either the Trustee or the holders of not less than 25% in aggregate principal amount of the Notes then outstanding may declare the unpaid principal of the Notes and accrued and unpaid interest, if any, thereon immediately due and payable. In the case of certain events of bankruptcy, insolvency or reorganization relating to the Company or certain of its subsidiaries, the principal amount of the Notes together with accrued and unpaid interest, if any, thereon will automatically become and be immediately due and payable.

The Indenture provides that, in certain circumstances and subject to the satisfaction of certain conditions set forth in the Indenture, the Company's guarantee of the Notes may be released or released and replaced and the Reference Common Stock may change.

The foregoing descriptions of the Indenture and the Notes are not intended to be complete and are qualified in their entirety by reference to the full text of the Indenture, which is filed as Exhibit 4.1 hereto and is incorporated by reference herein.

Exchangeable Note Hedge and Warrant Transactions

As previously announced, in connection with the pricing of the Notes, on September 26, 2017, IAC FinanceCo entered into exchangeable note hedge transactions (the "Exchangeable Note Hedge Transactions") with certain of the initial purchasers and/or their respective affiliates (the "Option Counterparties"). The Exchangeable Note Hedge Transactions cover, subject to customary anti-dilution and other adjustments substantially similar to those applicable to the Notes, the number of shares of Company Common Stock underlying the Notes and have a strike price corresponding to the exchange price of the Notes. Concurrently with IAC FinanceCo entering into the Exchangeable Note Hedge Transactions, the Company also entered into warrant transactions with the Option

Counterparties whereby the Company sold to the Option Counterparties warrants to purchase, subject to customary anti-dilution and other adjustments, up to the same number of shares of Company Common Stock (the “Warrant Transactions”).

In connection with the exercise by the initial purchasers of their option to purchase the Over-Allotment Notes, on September 27, 2017, IAC FinanceCo entered into additional exchangeable note hedge transactions with the Option Counterparties (the “Additional Exchangeable Note Hedge Transactions”) and the Company entered into additional warrant transactions with the Option Counterparties (the “Additional Warrant Transactions”) and, together with the Additional Exchangeable Note Hedge Transactions, the Warrant Transactions and the Exchangeable Note Hedge Transactions, the “Exchangeable Note Hedge and Warrant Transactions”).

The Exchangeable Note Hedge Transactions and the Additional Exchangeable Note Hedge Transactions are expected to reduce the potential dilutive effect on the Company Common Stock upon any exchange of Notes and/or offset any cash payments IAC FinanceCo is required to make in excess of the principal amount of exchanged Notes, as the case may be, in the event that the market price of the Company Common Stock is greater than the strike price of the Exchangeable Note Hedge Transactions and the Additional Exchangeable Note Hedge Transactions (which is initially approximately \$152.18 per share of Company Common Stock).

The Warrant Transactions and the Additional Warrant Transactions could separately have a dilutive effect on the Company Common Stock to the extent that the market price per share of the Company Common Stock (as measured over the measurement period at the maturity of the warrants) exceeds the applicable strike price of the warrants, which is initially \$229.70, representing a premium of 100% to the \$114.85 per share last reported sale price of the Company Common Stock on September 26, 2017.

The portion of the net proceeds to the Company and its consolidated subsidiaries from the offering that were used to pay the premium on the Exchangeable Note Hedge Transactions and the Additional Exchangeable Note Hedge Transactions (calculated after taking into account the proceeds from the sale of the warrants) was approximately \$50.7 million.

The Exchangeable Note Hedge and Warrant Transactions are not part of the terms of the Notes and will not affect any holder’s rights under the Notes. Holders of the Notes, other than the Option Counterparties, will not have any rights with respect to the Exchangeable Note Hedge and Warrant Transactions.

Registration Rights Agreement

On October 2, 2017, IAC FinanceCo and the Company entered into a registration rights agreement (the “Registration Rights Agreement”) with the representatives of the initial purchasers under which the Company agreed, for the benefit of the holders of the Notes and any Company Common Stock deliverable on exchange of the Notes, that the Company will, at its cost:

- use commercially reasonable efforts to file a shelf registration statement (which shall be an automatic shelf registration statement if the Company is then a well-known seasoned issuer, as defined in Rule 405 under the Securities Act) with the U.S. Securities and Exchange Commission (the “SEC”) and to cause such shelf registration statement to become effective on or prior to the 181st day after the first date of original issuance of the Notes, covering resales of the shares of the Company Common Stock, if any, issuable upon exchange of the Notes; and
- use commercially reasonable efforts to keep such shelf registration statement effective until the earlier of: (1) the 20th trading day immediately following the maturity date of the Notes and (2) the date on which there are no longer any Notes or “restricted” (within the meaning of Rule 144 under the Securities Act) shares of the Company Common Stock outstanding that have been received upon exchange of the Notes; provided, however, that the Company shall not be required to keep such shelf registration statement effective if: (x) the Company is no longer the Reference Entity and (y) the successor Reference Entity has entered into a joinder agreement to the Registration Rights Agreement.

If the Company does not satisfy certain obligations in the Registration Rights Agreement, including the above requirements, then, subject to certain exceptions including permitted blackout periods, additional interest will accrue on the relevant Notes, from and including the day following such registration default to but excluding the earlier of (1) the day on which such registration default has been cured and (2) the date the registration statement is no longer required to be kept effective for the Reference Common Stock. The liquidated damages will be paid to those entitled to interest payments on such dates semi-annually in arrears on each April 1 and October 1 to the person in whose name a note that is entitled to such liquidated damages is registered at the close of business on the immediately preceding regular record date, at a rate per year equal to 0.25% of the principal amount of the relevant Notes to and including the 90th day following such registration default and 0.50% of the principal amount of the relevant Notes thereafter.

The foregoing description of the Registration Rights Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The information with respect to the Credit Agreement and the Joinder Agreement (each as defined below) set forth in Item 1.02 of this Current Report on Form 8-K is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

Pursuant to the Joinder Agreement, IAC Group became the successor borrower to the Company under the Credit Agreement, and the Company’s obligations under the Credit Agreement were terminated.

The foregoing description of the Joinder Agreement is not intended to be complete and is qualified in its entirety by reference to the full text of the Joinder Agreement, which is attached hereto as Exhibit 10.2 and is incorporated herein by reference.

Satisfaction and Discharge

On October 2, 2017, the Company called for redemption all of its outstanding 2018 Notes. The 2018 Notes will be redeemed and cancelled on November 30, 2017. In connection with the redemption, the Company satisfied and discharged that certain Indenture, dated as of November 15, 2013, by and among the Company, as issuer, the guarantors named therein and Computershare Trust Company, N.A., as trustee, relating to the 2018 Notes.

ARTICLE 2
ISSUE, DESCRIPTION, EXECUTION, REGISTRATION AND EXCHANGE OF NOTES

Section 2.01 . *Designation and Amount.* The Notes shall be designated as the “0.875% Exchangeable Senior Notes due 2022.” The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is initially limited to \$517,500,000, subject to Section 2.10 and except for Notes authenticated and delivered upon registration or transfer of, or in exchange for, or in lieu of other Notes to the extent expressly permitted hereunder.

Section 2.02 . *Form of Notes.* The Notes and the Trustee’s certificate of authentication to be borne by such Notes shall be substantially in the respective forms set forth in Exhibit A, the terms and provisions of which shall constitute, and are hereby expressly incorporated in and made a part of this Indenture. To the extent applicable, the Company, the Reference Entity and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

Any Global Note may be endorsed with or have incorporated in the text thereof such legends or recitals or changes not inconsistent with the provisions of this Indenture as may be required by the Custodian or the Depository, or as may be required to comply with any applicable law or any regulation thereunder or with the rules and regulations of any securities exchange or automated quotation system upon which the Notes may be listed or traded or designated for issuance or to conform with any usage with respect thereto, or to indicate any special limitations or restrictions to which any particular Notes are subject.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends or endorsements as the Officer executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, or to conform to usage or to indicate any special limitations or restrictions to which any particular Notes are subject.

Each Global Note shall represent such principal amount of the outstanding Notes as shall be specified therein and shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be increased or reduced to reflect redemptions, repurchases, cancellations, exchanges in accordance with Article 14, transfers or exchanges of Notes for other Notes permitted hereby. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in such manner and upon instructions given by the Holder of such Notes in accordance with this Indenture. Payment of principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, a Global Note shall be made to the Holder of such Note on the date of payment, unless a record date or other means of determining Holders eligible to receive payment is provided for herein.

Section 2.03 . *Date and Denomination of Notes; Payments of Interest and Defaulted Amounts.* (a) The Notes shall be issuable in registered form without coupons in minimum denominations of \$250,000 principal amount and integral multiples of \$1,000 principal amount in excess thereof. Each Note shall be dated the date of its authentication and shall bear interest from the date specified on the face of such Note. Accrued interest on the Notes shall be computed on the basis of a 360-day year composed of twelve 30-day months and, for partial months, on the basis of the number of days actually elapsed in a 30-day month.

(b) The Person in whose name any Note (or its Predecessor Note) is registered on the Note Register at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date. The principal amount of any Note (x) in the case of any Physical Note, shall be payable at the office or agency of the Company maintained by the Company for such purposes in the contiguous United States which shall initially be the Corporate Trust Office and (y) in the case of any Global Note, shall be payable by wire transfer of immediately available funds to the account of the Depositary or its nominee. The Company shall pay interest (i) on any Physical Notes (A) to each Holder holding Physical Notes having an aggregate principal amount of \$5,000,000 or less, by check mailed to such Holder at its address as it appears in the Note Register and (B) to each Holder holding Physical Notes having an aggregate principal amount of more than \$5,000,000, either by check mailed to such Holder or, upon application by such Holder to the Note Registrar not later than the relevant Regular Record Date, by wire transfer in immediately available funds to that Holder's account within the United States, which application shall remain in effect until the Holder notifies the Note Registrar in writing to the contrary or (ii) on any Global Note by wire transfer of immediately available funds to the account of the Depositary or its nominee.

(c) Any Defaulted Amounts shall forthwith cease to be payable to the Holder on the relevant payment date but shall accrue interest per annum at the rate borne by the Notes, subject to the enforceability thereof under applicable law, from, and including, such relevant payment date, and such Defaulted Amounts together with such interest thereon shall be paid by the Company, at its election in each case, as provided in clause (i) or (ii) below:

(i) The Company may elect to make payment of any Defaulted Amounts to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a special record date for the payment of such Defaulted Amounts, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of the Defaulted Amounts proposed to be paid on each Note and the date of the proposed payment (which shall be not less than 25 days after the receipt by the Trustee of such notice, unless the Trustee shall consent to an earlier date), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount to be paid in respect of such Defaulted Amounts or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Amounts as in this clause provided. Thereupon the Company shall fix a special record date for the payment of such Defaulted Amounts which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment, and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Company shall promptly notify the Trustee of such special record date and the Trustee, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Amounts and the special record date therefor to be delivered to each Holder not less than 10 days prior to such special record date. Notice of the proposed payment of such Defaulted Amounts and the special record date therefor having been so delivered, such Defaulted Amounts shall be paid to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such special record date and shall no longer be payable.

(ii) The Company may make payment of any Defaulted Amounts in any other lawful manner not inconsistent with the requirements of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, and upon such notice as may be required by such exchange or automated quotation system, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee

(d) The Company and the Paying Agent shall be entitled to deduct and withhold from any amounts otherwise payable to a Holder pursuant to this Indenture such amounts as are required by applicable law to be deducted or withheld and paid over to a government authority by those entities (including in connection with any distributions that a Holder is deemed to have received for U.S. federal income tax purposes as a result of an adjustment or the nonoccurrence of an adjustment to the Exchange Rate). Any amounts so deducted or withheld by the Company or the Paying Agent and so paid over to a governmental authority in accordance with applicable law shall be treated as having been paid to the relevant Holder for all purposes of this Indenture.

Section 2.04 . *Execution, Authentication and Delivery of Notes.* The Notes shall be signed in the name and on behalf of the Company by the manual or facsimile signature of one of its Officers.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Notes, and the Trustee in accordance with such Company Order shall authenticate and deliver such Notes, without any further action by the Company hereunder.

Only such Notes as shall bear thereon a certificate of authentication substantially in the form set forth on the Form of Note attached as Exhibit A hereto, executed manually or by facsimile by an authorized officer of the Trustee (or an authenticating agent appointed by the Trustee as provided by Section 17.10), shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee (or such an authenticating agent) upon any Note executed by the Company shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

In case any Officer of the Company who shall have signed any of the Notes shall cease to be such Officer before the Notes so signed shall have been authenticated and delivered by the Trustee such Notes nevertheless may be authenticated and delivered as though the person who signed such Notes had not ceased to be such Officer of the Company; and any Note may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Note, shall be the Officers of the Company, although at the date of the execution of this Indenture any such person was not such an Officer.

Section 2.05 . *Exchange of Notes for Other Notes and Registration of Transfer of Notes; Restrictions on Transfer; Depositary.* (a) The Note Registrar shall keep a register (the register maintained in the Corporate Trust Office or in any other office or agency of the Company designated pursuant to Section 4.02, the “**Note Registrar**”) in which, subject to such reasonable regulations as it may prescribe, the Note Registrar shall provide for the registration of Notes and of transfers of Notes. Such register shall be in written form or in any form capable of being converted into written form within a reasonable period of time. The Trustee is hereby initially appointed the “**Note Registrar**” for the purpose of registering Notes and transfers of Notes as herein provided. The Company may appoint one or more co-Note Registrars in accordance with Section 4.02.

Upon surrender for registration of transfer of any Note to the Note Registrar or any co-Note Registrar, and satisfaction of the requirements for such transfer set forth in this Section 2.05, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denominations and of a like aggregate principal amount and bearing such restrictive legends as may be required by this Indenture.

Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at any such office or agency maintained by the Company pursuant to Section 4.02. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and

deliver, the Notes that the Holder making the exchange is entitled to receive, bearing registration numbers not contemporaneously outstanding.

All Notes presented or surrendered for registration of transfer or for exchange of Notes for other Notes, repurchase or exchange shall (if so required by the Company, the Trustee, the Note Registrar or any co-Note Registrar) be duly endorsed, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and duly executed, by the Holder thereof or its attorney-in-fact duly authorized in writing.

No service charge shall be imposed by the Company, the Trustee, the Note Registrar or any co-Note Registrar for any registration of transfer of Notes or exchange of Notes for other Notes, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of new Notes issued upon such exchange or registration of transfer being different from the name of the Holder of the old Notes surrendered for exchange or registration of transfer.

None of the Company, the Trustee, the Note Registrar or any co-Note Registrar shall be required to exchange a Note for another Note or register a transfer of (i) any Notes surrendered for exchange or, if a portion of any Note is surrendered for exchange, such portion thereof surrendered for exchange, in each case, in accordance with Article 14, (ii) any Notes, or a portion of any Note, surrendered for repurchase (and not withdrawn) in accordance with Article 15 or (iii) any Notes selected for Optional Redemption in accordance with Article 16.

All Notes issued upon any registration of transfer of Notes or exchange of Notes for other Notes in accordance with this Indenture shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture as the Notes surrendered upon such registration of transfer of Notes or exchange of Notes for other Notes.

(b) So long as the Notes are eligible for book-entry settlement with the Depository, unless otherwise required by law, subject to the fourth paragraph from the end of Section 2.05(c) all Notes shall be represented by one or more Notes in global form (each, a “**Global Note**”) registered in the name of the Depository or the nominee of the Depository. The transfer and exchange of beneficial interests in a Global Note that does not involve the issuance of a Physical Note shall be effected through the Depository (but not the Trustee or the Custodian) in accordance with this Indenture (including the restrictions on transfer set forth herein) and the procedures of the Depository therefor.

(c) Every Note (together with any Common Stock delivered upon exchange of the Notes that is required to bear the legend set forth in Section 2.05(d), collectively, the “**Restricted Securities**”) shall be subject to the restrictions on transfer set forth in this Section 2.05(c) (including the legend set forth below), unless such restrictions on transfer with respect to the Common Stock shall be eliminated or otherwise waived by written consent of the Company and the Reference Entity, and the Holder of each such Restricted Security, by such Holder’s acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in this

Section 2.05(c) and Section 2.05(d), the term “ **transfer** ” encompasses any sale, pledge, transfer or other disposition whatsoever of any Restricted Security.

Any certificate evidencing such Note shall bear a legend in substantially the following form:

QUALIFIED INSTITUTIONAL BUYER AND A QUALIFIED PURCHASER (AND TO HAVE MET THE OTHER REQUIREMENTS SET FORTH IN CLAUSES 1 THROUGH 12 AND CLAUSE 14 OF THIS PARAGRAPH) AT THE TIME OF ACQUISITION OF SUCH NOTES (OR SUCH BENEFICIAL INTEREST) TO SELL SUCH NOTES (OR SUCH BENEFICIAL INTEREST) IN ACCORDANCE WITH THE PROVISIONS DESCRIBED BELOW; (12) THE PURCHASER UNDERSTANDS THAT THE COMPANY MAY RECEIVE A LIST OF THE PARTICIPANTS FROM DTC OR ANY OTHER DEPOSITARY HOLDING BENEFICIAL INTERESTS IN THE NOTES; (13) THE PURCHASER AND EACH PERSON FOR WHICH IT IS ACTING UNDERSTANDS THAT ANY SALE OR TRANSFER TO A PERSON THAT DOES NOT COMPLY WITH THE REQUIREMENTS SET FORTH IN CLAUSES 1 THROUGH 12 AND CLAUSE 14 OF THIS PARAGRAPH RELATING TO THE REQUIREMENTS FOR QUALIFIED INSTITUTIONAL BUYERS MAY, AT THE DISCRETION OF THE COMPANY, BE CONSIDERED VOID AND OF NO EFFECT AND THAT ANY SALE OR TRANSFER TO A PERSON THAT DOES NOT COMPLY WITH THE REQUIREMENTS SET FORTH IN CLAUSES 1 THROUGH 12 AND CLAUSE 14 OF THIS PARAGRAPH RELATING TO THE REQUIREMENTS FOR QUALIFIED PURCHASERS WILL BE VOID AND OF NO EFFECT; AND (14) THE PURCHASER AGREES ON ITS OWN BEHALF AND ON BEHALF OF AN INVESTOR ACCOUNT FOR WHICH IT IS PURCHASING THE NOTES, AND EACH SUBSEQUENT HOLDER OF THE NOTES BY ITS ACCEPTANCE THEREOF WILL AGREE, TO OFFER, REOFFER, SELL OR OTHERWISE TRANSFER SUCH NOTES ONLY (I) TO AN INVESTOR WHO IS BOTH A QUALIFIED INSTITUTIONAL BUYER AND A QUALIFIED PURCHASER, AND (II) IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF THE UNITED STATES, ANY STATE OF THE UNITED STATES AND ANY OTHER APPLICABLE JURISDICTION, SUBJECT IN EACH CASE TO ANY REQUIREMENT OF LAW THAT THE DISPOSITION OF ITS PROPERTY OR THE PROPERTY OF SUCH INVESTOR ACCOUNT OR ACCOUNTS BE AT ALL TIMES WITHIN ITS OR THEIR CONTROL.

IF ANY PERSON ACQUIRING A NOTE (OR A BENEFICIAL INTEREST THEREIN) IS NOT A QUALIFIED INSTITUTIONAL BUYER (OR FAILS TO MEET THE OTHER REQUIREMENTS SET FORTH HEREIN) AT THE TIME OF ACQUISITION THEREOF, THE COMPANY MAY REGARD THE TRANSACTION AS NULL AND VOID AND OF NO EFFECT. IF ANY PERSON ACQUIRING A NOTE (OR A BENEFICIAL INTEREST THEREIN) IS NOT A QUALIFIED PURCHASER AT THE TIME OF ACQUISITION THEREOF, THE TRANSACTION WILL BE NULL AND VOID AND OF NO EFFECT. IF THE PURCHASER OR ANY SUBSEQUENT PURCHASER OR TRANSFEREE OF A NOTE (OR A BENEFICIAL INTEREST THEREIN) IS DETERMINED NOT TO HAVE BEEN A QUALIFIED INSTITUTIONAL BUYER AND A QUALIFIED PURCHASER (AND TO HAVE MET THE OTHER REQUIREMENTS SET FORTH ABOVE) AT THE TIME IT ACQUIRED SUCH NOTES (OR SUCH BENEFICIAL INTEREST), THE COMPANY MAY COMPEL SUCH PERSON TO SELL OR TRANSFER, AS APPLICABLE, SUCH NOTES (OR SUCH BENEFICIAL INTEREST) WITHIN 30 DAYS AFTER NOTICE OF THE SALE REQUIREMENT IS GIVEN TO A PERSON THAT IS (I) A QUALIFIED INSTITUTIONAL BUYER AND (II) A QUALIFIED PURCHASER (AND MEETS THE OTHER

REQUIREMENTS SET FORTH HEREIN). IF SUCH HOLDER (OR BENEFICIAL OWNER) FAILS TO EFFECT THE SALE OR TRANSFER, AS APPLICABLE, WITHIN SUCH 30-DAY PERIOD, THE COMPANY HAS THE RIGHT, WITHOUT FURTHER NOTICE TO SUCH HOLDER, TO COMPEL SUCH HOLDER TO SELL OR TRANSFER, AS APPLICABLE SUCH NOTES (OR SUCH BENEFICIAL INTEREST) TO A PURCHASER SELECTED BY THE COMPANY THAT MEETS THE REQUIREMENTS SET FORTH HEREIN ON SUCH TERMS AS THE COMPANY MAY CHOOSE. THE COMPANY MAY SELECT THE PURCHASER BY SOLICITING ONE OR MORE BIDS FROM ONE OR MORE BROKERS OR OTHER MARKET PROFESSIONALS THAT REGULARLY DEAL IN SECURITIES SIMILAR TO THE NOTES, AND SELLING SUCH NOTES TO THE HIGHEST SUCH BIDDER. HOWEVER, THE COMPANY MAY SELECT A PURCHASER BY ANY OTHER MEANS DETERMINED BY THE COMPANY IN ITS SOLE DISCRETION.

ANY INFORMATION PROVIDED TO A PURCHASER OR A PROSPECTIVE TRANSFEREE SHALL BE FOR THE SOLE PURPOSE OF ASSESSING THE INVESTMENT IN THIS NOTE. AS A CONDITION OF ACCESS TO SUCH INFORMATION, EACH PURCHASER AGREES THAT NEITHER IT NOR ANY PROSPECTIVE TRANSFEREE MAY DISCLOSE ANY SUCH INFORMATION TO THIRD PARTIES OTHER THAN AS REQUIRED BY APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS, OR USE THE INFORMATION FOR ANY PURPOSE OTHER THAN INVESTMENT ANALYSIS.

If any Person acquiring a Note (or a beneficial interest therein) is not a Qualified Institutional Buyer (or fails to meet the Representations of Purchasers) at the time of acquisition thereof, the Company may regard the transaction as null and void and of no effect. If any Person acquiring a Note (or a beneficial interest therein) is not a Qualified Purchaser at the time of acquisition thereof, the transaction shall be null and void and of no effect. If the purchaser or any subsequent purchaser or transferee of a Note (or a beneficial interest therein) is determined not to have been a Qualified Institutional Buyer and a Qualified Purchaser (and to have met the other requirements as set forth under the Representations of Purchasers) at the time it acquired such Notes (or such beneficial interest), the Company may compel such Person to sell or transfer, as applicable, such Notes (or such beneficial interest) within 30 days after notice of the sale requirement is given, to a Person that is a Qualified Institutional Buyer and a Qualified Purchaser (and meets the other requirements as set forth under the Representations of Purchasers). If such Holder (or beneficial owner) fails to effect the sale or transfer, as applicable, within such 30-day period, the Company has the right, without further notice to such Holder, to compel such Holder to sell or transfer, as applicable, such Notes (or such beneficial interest) to a purchaser selected by the Company who meets the requirements set forth under the Representations of Purchasers on such terms as the Company may choose. The Company may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Company may select a purchaser by any other means determined by the Company in its sole discretion.

Notwithstanding any other provisions of this Indenture (other than the provisions set forth in this Section 2.05(c)), a Global Note may not be transferred as a whole or in part except (i) by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository and (ii) for exchange of a Global Note or a portion thereof for one or more Physical Notes in accordance with the second immediately succeeding paragraph.

The Depository shall be a clearing agency registered under the Exchange Act. The Company initially appoints The Depository Trust Company to act as Depository with respect to each Global Note. Initially, each Global Note shall be issued to the Depository, registered in the name of Cede & Co., as the nominee of the Depository, and deposited with the Trustee as custodian for Cede & Co.

If (i) the Depository notifies the Company at any time that the Depository is unwilling or unable to continue as depository for the Global Notes and a successor depository is not appointed within 90 days, (ii) the Depository ceases to be registered as a clearing agency under the Exchange Act and a successor depository is not appointed within 90 days or (iii) an Event of Default with respect to the Notes has occurred and is continuing and a beneficial owner of any Note requests that its beneficial interest therein be issued as a Physical Note, the Company shall execute, and the Trustee, upon receipt of an Officers' Certificate and a Company Order for the authentication and delivery of Notes, shall authenticate and deliver (x) in the case of clause (iii), a Physical Note to such beneficial owner in a principal amount equal to the principal amount of such Note corresponding to such beneficial owner's beneficial interest and (y) in the case of clause (i) or (ii), Physical Notes to each beneficial owner of the related Global Notes (or a portion thereof) in an aggregate principal amount equal to the aggregate principal amount of such Global Notes in exchange for such Global Notes, and upon delivery of the Global Notes to the Trustee such Global Notes shall be canceled.

Physical Notes issued in exchange for all or a part of the Global Note pursuant to this Section 2.05(c) shall be registered in such names and in such authorized denominations as the Depository, pursuant to instructions from its direct or indirect participants or otherwise, or, in the case of clause (iii) of the immediately preceding paragraph, the relevant beneficial owner, shall instruct the Trustee or Note Registrar, as applicable. Upon execution and authentication, the Trustee shall deliver such Physical Notes to the Persons in whose names such Physical Notes are so registered, *provided* that each such Person has delivered to the Trustee either (a) a fully completed, signed certification substantially to the effect that such Person is not transferring its interest at the time of such exchange or (b) in the case of simultaneous exchange and transfer to another Person pursuant to this Indenture, an Investor Representation Letter from such transferee Person. No transfer of a Physical Note may be made except upon delivery to the Company and the Trustee of a duly executed Investor Representation Letter.

At such time as all interests in a Global Note have been exchanged, canceled, repurchased, redeemed or transferred, such Global Note shall be, upon receipt thereof, canceled by the Trustee in accordance with standing procedures and existing instructions between the

Depository and the Custodian. At any time prior to such cancellation, if any interest in a Global Note is exchanged for Physical Notes, exchanged, canceled, repurchased, redeemed or transferred to a transferee who receives Physical Notes therefor or any Physical Note is exchanged or transferred for part of such Global Note, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depository and the Custodian, be appropriately reduced or increased, as the case may be, and an endorsement shall be made on such Global Note, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction or increase.

None of the Company, the Reference Entity, the Trustee or any agent of the Company, the Reference Entity or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(d) Until the date (the “ **Common Stock Resale Restriction Termination Date** ”) that is the later of (1) the date that is one year after the issuance date of the relevant shares of Common Stock or such shorter period of time as permitted by Rule 144 or any successor provision thereto, and (2) such later date, if any, as may be required by applicable law, any stock certificate representing Common Stock issued upon exchange of a Note shall bear a legend in substantially the following form (unless such Common Stock has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company and the Reference Entity with written notice thereof to the Trustee and any transfer agent for the Common Stock):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “ **SECURITIES ACT** ”), AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER:

(1) REPRESENTS THAT IT AND ANY ACCOUNT FOR WHICH IT IS ACTING IS A “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT) AND THAT IT EXERCISES SOLE INVESTMENT DISCRETION WITH RESPECT TO EACH SUCH ACCOUNT, AND

(2) AGREES FOR THE BENEFIT OF [THE REFERENCE ENTITY] (THE “ **REFERENCE ENTITY** ”) THAT IT WILL NOT OFFER, SELL, PLEDGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN PRIOR TO THE DATE THAT IS THE LATER OF (X) ONE YEAR AFTER THE DATE THE ACQUIRER BECAME A RECORD HOLDER OF THIS SECURITY OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY RULE 144 UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THERETO AND (Y)

SUCH LATER DATE, IF ANY, AS MAY BE REQUIRED BY APPLICABLE LAW, EXCEPT:

- (A) TO THE REFERENCE ENTITY OR ANY SUBSIDIARY THEREOF, OR
- (B) PURSUANT TO A REGISTRATION STATEMENT THAT HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR
- (C) TO A QUALIFIED INSTITUTIONAL BUYER IN COMPLIANCE WITH RULE 144A UNDER THE SECURITIES ACT, OR
- (D) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(D) ABOVE, THE REFERENCE ENTITY AND THE TRANSFER AGENT RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

The Reference Entity will direct and use reasonable best efforts to cause the transfer agent for the Common Stock to remove the restrictive legend required by this Section 2.05(d) promptly following written request by the holder of any Common Stock (i) as to which such restrictions on transfer shall have expired in accordance with their terms, (ii) that has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (iii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act; *provided* that the written request of such holder shall be accompanied by (in the case of clause (iii) only) any documentation reasonably requested by the Reference Entity or the transfer agent for the Common Stock, including a broker's confirmation that the disposition is being made in reliance on Rule 144 or any similar provision then in force under the Securities Act.

If at any time the Notes become convertible into, rather than exchangeable for, Common Stock because the issuer of the Notes is also the Reference Entity, the Common Stock Resale Restriction Termination Date shall instead be the later of (i) the date that is one year after the Notes so become convertible instead of exchangeable, or such shorter period of time as permitted by Rule 144 or any successor provision thereto and (ii) such later date, if any, as may be required by applicable law.

(e) Any shares of Common Stock delivered upon the exchange of a Note that is repurchased or owned by any Affiliate of the Company may not be resold by such Affiliate unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction that results in such Common Stock no longer being a “restricted security” (as defined in Rule 144). The Company shall cause any Note that is repurchased or owned by it to be surrendered to the Trustee for cancellation in accordance with Section 2.08. Whenever the Notes are convertible into, rather than exchangeable for, Common Stock because the issuer of the Notes is also the Reference Entity, any Note that is repurchased or owned by any Affiliate of such issuer may not be resold by such Affiliate.

Section 2.06 . *Mutilated, Destroyed, Lost or Stolen Notes.* In case any Note shall become mutilated or be destroyed, lost or stolen, the Company in its discretion may execute, and upon its written request, the Trustee or an authenticating agent appointed by the Trustee shall authenticate and deliver, a new Note, bearing a registration number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case the applicant for a substituted Note shall furnish to the Company, to the Reference Entity, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless from any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Company, to the Reference Entity, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

The Trustee or such authenticating agent may authenticate any such substituted Note and deliver the same upon the receipt of such security or indemnity as the Trustee, the Company, the Reference Entity and, if applicable, such authenticating agent may require. No service charge shall be imposed by the Company, the Reference Entity, the Trustee, the Note Registrar, any co-Note Registrar or the Paying Agent upon the issuance of any substitute Note, but the Company may require a Holder to pay a sum sufficient to cover any documentary, stamp or similar issue or transfer tax required in connection therewith as a result of the name of the Holder of the new substitute Note being different from the name of the Holder of the old Note that became mutilated or was destroyed, lost or stolen. In case any Note that has matured or is about to mature or has been surrendered for required repurchase or is about to be exchanged in accordance with Article 14 shall become mutilated or be destroyed, lost or stolen, the Company may, in its sole discretion, instead of issuing a substitute Note, pay or authorize the payment of or exchange or authorize the exchange of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or exchange shall furnish to the Company, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, evidence satisfactory to the Company, the Trustee and, if applicable, any Paying Agent or Exchange Agent evidence of their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.06 by virtue of the fact that any Note is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company and the Reference Entity, whether or not the destroyed, lost or stolen Note shall be found at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement, payment, redemption, exchange or repurchase of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement, payment, redemption, exchange or repurchase of negotiable instruments or other securities without their surrender.

Section 2.07 . *Temporary Notes.* Pending the preparation of Physical Notes, the Company may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon written request of the Company, authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Physical Notes but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Company. Every such temporary Note shall be executed by the Company and authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Physical Notes. Without unreasonable delay, the Company shall execute and deliver to the Trustee or such authenticating agent Physical Notes and thereupon any or all temporary Notes (other than any Global Note) may be surrendered in exchange therefor, at each office or agency maintained by the Company pursuant to Section 4.02 and the Trustee or such authenticating agent shall authenticate and deliver in exchange for such temporary Notes an equal aggregate principal amount of Physical Notes. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Physical Notes authenticated and delivered hereunder.

Section 2.08 . *Cancellation of Notes Paid, Exchanged, Etc.* All Notes surrendered for payment, repurchase, redemption, registration of transfer or exchange (including, without limitation, an exchange for cash, for shares of Common Stock or for a combination of cash and shares of Common Stock) to the Company or any of the Company's agents, Subsidiaries or Affiliates shall be delivered to the Trustee for cancellation. All Notes delivered to the Trustee shall be canceled promptly by it. Except for any Notes surrendered for registration of transfer or exchange, or as otherwise expressly permitted by any of the provisions of this Indenture, no Notes shall be authenticated in exchange for any Notes surrendered to the Trustee for cancellation. The Trustee shall dispose of canceled Notes in accordance with its customary procedures and, after such disposition, shall deliver a certificate of such disposition to the Company, at the Company's written request in a Company Order.

Section 2.09 . *CUSIP Numbers.* The Company shall cause the "CUSIP" number obtained for each Global Note to have an attached "fixed field" that contains "3c7" and "144A" indicators.

The Trustee shall use “CUSIP” numbers in all notices issued to Holders as a convenience to such Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or on such notice and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

Section 2.10 . *Additional Notes; Repurchases.* The Company may, without the consent of the Holders and notwithstanding Section 2.01, reopen this Indenture and issue additional Notes hereunder with the same terms as the Notes initially issued hereunder (other than differences in the issue date, the issue price, the first interest payment date and interest accrued prior to the issue date of such additional Notes) in an unlimited aggregate principal amount; *provided* that if any such additional Notes are not fungible with the Notes initially issued hereunder for U.S. federal income tax purposes, such additional Notes shall have a separate “CUSIP” number. Prior to the issuance of any such additional Notes, the Company shall deliver to the Trustee a Company Order, an Officers’ Certificate and an Opinion of Counsel, such Officers’ Certificate and Opinion of Counsel to cover such matters, in addition to those required by Section 17.05, as the Trustee shall reasonably request. In addition, the Reference Entity may, to the extent permitted by law, and directly or indirectly (regardless of whether such Notes are surrendered to the Company), purchase Notes in the open market or otherwise, whether by the Reference Entity or its Subsidiaries or through a private or public tender or exchange offer or through counterparties to private agreements, including by cash-settled swaps or other derivatives. Any Notes so repurchased (other than Notes repurchased pursuant to cash-settled swaps or other derivatives) shall be surrendered to the Trustee for cancellation in accordance with Section 2.08 and such Notes shall no longer be considered “outstanding” under this Indenture upon their delivery to the Trustee for cancellation.

ARTICLE 3 SATISFACTION AND DISCHARGE

Section 3.01 . *Satisfaction and Discharge.* This Indenture and the Notes shall upon request of the Company contained in an Officers’ Certificate cease to be of further effect, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture and the Notes, when (a) (i) all outstanding Notes theretofore authenticated and delivered (other than Notes which have been destroyed, lost or stolen and which have been replaced, paid or exchanged as provided in Section 2.06) have been delivered to the Trustee for cancellation; or (ii) the Company has deposited with the Trustee or delivered to Holders, as applicable, after the Notes have become due and payable, whether on the Maturity Date, any Redemption Date, any Fundamental Change Repurchase Date, upon exchange or otherwise, cash or cash and/or shares of Common Stock (solely to satisfy the Company’s Exchange Obligation), as applicable, sufficient to pay all of the outstanding Notes and all other sums due and payable under this Indenture by the Company; and (b) the Company has delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this

Indenture have been complied with. Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.06 shall survive.

ARTICLE 4
PARTICULAR COVENANTS OF THE COMPANY

Section 4.01 . *Payment of Principal and Interest.* The Company covenants and agrees that it will cause to be paid the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes.

Section 4.02 . *Maintenance of Office or Agency.* The Company will maintain in the contiguous United States an office or agency where the Notes may be surrendered for registration of transfer of Notes or exchange of Notes for other Notes or for presentation for payment or repurchase (“ **Paying Agent** ”) or for exchange (“ **Exchange Agent** ”) and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office or the office or agency of the Trustee in Highlands Ranch, Colorado.

The Company may also from time to time designate as co-Note Registrars one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided* that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the contiguous United States for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency. The terms “ **Paying Agent** ” and “ **Exchange Agent** ” include any such additional or other offices or agencies, as applicable.

The Company hereby initially designates the Trustee as the Paying Agent, Note Registrar, Custodian and Exchange Agent and the Corporate Trust Office as the office or agency in the contiguous United States where Notes may be surrendered for registration of transfer or exchange or for presentation for payment or repurchase or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company may change the Paying Agent or Note Registrar without prior notice to the Holders, and the Company may act as Paying Agent or Note Registrar.

Section 4.03 . *Appointments to Fill Vacancies in Trustee’s Office.* The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.09, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 4.04 . *Provisions as to Paying Agent.* (a) If the Company shall appoint a Paying Agent other than the Trustee, the Company will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 4.04:

(i) that it will hold all sums held by it as such agent for the payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes in trust for the benefit of the Holders of the Notes;

(ii) that it will give the Trustee prompt notice of any failure by the Company to make any payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes when the same shall be due and payable; and

(iii) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Company shall, on or before each due date of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes, deposit with the Paying Agent a sum sufficient to pay such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) or accrued and unpaid interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of any failure to take such action; *provided* that if such deposit is made on the due date, such deposit must be received by the Paying Agent by 11:00 a.m., New York City time, on such date.

(b) If the Company shall act as its own Paying Agent, it will, on or before each due date of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, and accrued and unpaid interest on, the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes a sum sufficient to pay such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) and accrued and unpaid interest so becoming due and will promptly notify the Trustee in writing of any failure to take such action and of any failure by the Company to make any payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, the Notes when the same shall become due and payable.

(c) Anything in this Section 4.04 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay, cause to be paid or deliver to the Trustee all sums or amounts held in trust by the Company or any Paying Agent hereunder as required by this Section 4.04, such sums or amounts to be held by the Trustee upon the trusts herein contained and upon such payment or delivery by the Company or any Paying Agent to the Trustee, the Company or such Paying Agent shall be released from all further liability but only with respect to such sums or amounts.

(d) Any money and shares of Common Stock deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, accrued and unpaid interest on and the consideration due upon exchange of any Note and remaining unclaimed for two years after such principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable), interest or consideration due upon exchange has become due and payable shall be paid to the Company on request of the Company contained in an Officers' Certificate, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money and shares of Common Stock, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The Borough of Manhattan, The City of New York, notice that such money and shares of Common Stock remain unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money and shares of Common Stock then remaining will be repaid or delivered to the Company.

Section 4.05 . *Existence*. Subject to Article 11, each of the Company (as long as the Company is the issuer of the Notes) and the Reference Entity shall do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence.

Section 4.06 . *Rule 144A Information Requirement and Annual Reports*. (a) At any time either the Company or the Reference Entity is not subject to Section 13 or 15(d) of the Exchange Act, the Company shall, so long as any of the Notes or any shares of Common Stock deliverable upon exchange thereof shall, at such time, constitute "restricted securities" within the meaning of Rule 144(a)(3) under the Securities Act, upon written request, provide to the Trustee or any Holder, beneficial owner or prospective purchaser of such Notes or any shares of Common Stock deliverable upon exchange of such Notes, as applicable, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act to facilitate the resale of such Notes or shares of Common Stock pursuant to Rule 144A. The Company and the Reference Entity shall take such further action as any Holder or beneficial owner of such Notes may reasonably request in writing to the extent from time to time required to enable such Holder or beneficial owner to sell such Notes or shares of Common Stock in accordance with Rule 144A, as such rule may be amended from time to time.

(b) The Company or the Reference Entity shall file with the Trustee, within 15 days after the same are required to be filed with the Commission, copies of any documents or reports that the Reference Entity is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (giving effect to any grace period provided by Rule 12b-25 under the Exchange Act). Any such document or report that the Reference Entity files with the Commission via the Commission's EDGAR system (or any successor thereto) shall be deemed to be filed by the Company with the Trustee for purposes of this Section 4.06(b) at the time such

documents are filed via the EDGAR system (or any successor thereto). For the avoidance of doubt, any failure to comply with such requirement with respect to any document or report required to be filed with the Commission shall be cured upon the filing of such document or report with the Commission.

(c) Delivery of the reports and documents described in Section 4.06(b) to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including compliance with any covenants hereunder (as to which the Trustee is entitled to conclusively rely on an Officers' Certificate).

Section 4.07 . *Stay, Extension and Usury Laws.* Each of the Company and the Reference Entity covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law that would prohibit or forgive the Company or the Reference Entity from paying all or any portion of the principal of or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture; and each of the Company and the Reference Entity (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.08 . *Compliance Certificate; Statements as to Defaults.* The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officers' Certificate stating whether the signers thereof have knowledge of any default during the previous year, if so, specifying each such failure and the nature thereof.

In addition, the Company shall deliver to the Trustee, as soon as reasonably practicable, and in any event within 30 days after the occurrence of any Event of Default or Default, an Officers' Certificate setting forth the details of such Event of Default or Default, its status and the action that the Company is taking or proposing to take in respect thereof; *provided* that the Company shall not be required to deliver such notice if the Event of Default or Default has been cured.

Section 4.09 . *Covenants Regarding Tax Extinguishment Events.* The Company hereby agrees:

- (a) that the Company shall be deemed to have elected to settle, and the Company shall settle, any exchanges of Notes "in connection with" (as such term is used in Section 14.03(a)) a Make-Whole Fundamental Change pursuant to a Tax Extinguishment Event solely through Physical Settlement;
- (b) that if the Company intends to treat a Reverse Spin-Off, Reverse Split-Off or Share Election Merger as a Tax Extinguishment, the Company shall deliver a Tax Extinguishment Notice to Holders, the Trustee and the Paying Agent at least 10 Scheduled Trading Days prior to

the date on which such Reverse Spin-Off, Reverse Split-Off or Share Election Merger is expected to be consummated, and that if the Company does not intend to treat a Reverse Spin-Off, Reverse Split-Off or Share Election Merger as a Tax Extinguishment, the Company shall not give such a Tax Extinguishment Notice to Holders, the Trustee or the Paying Agent;

(c) that the Company shall notify Holders as soon as reasonably practicable following the actual Tax Extinguishment Test Date for any Tax Extinguishment of such actual Tax Extinguishment Test Date (for the avoidance of doubt, whether such Tax Extinguishment Test Date is described in clause (a), (b) or (c) of the definition of “Tax Extinguishment Event”) (each such notice, a “**Tax Extinguishment Test Date Notice**”); and

(d) that if at any time following the consummation of a Reverse Spin-Off, Reverse Split-Off or Share Election Merger, as applicable, the Company determines that the Company will no longer treat the Notes as debt for U.S. federal income tax purposes, the Company shall notify Holders and the Trustee as soon as reasonably practicable following such determination (whether voluntary or required) (a “**Tax Treatment Notice**” and, together with any Tax Extinguishment Notice or Tax Extinguishment Test Date Notice, a “**Tax Notice**”)

Section 4.10. *Risk Notices* . The Company shall take those actions set forth in the Offering Memorandum in the section entitled “Notice to Investors; Transfer Restrictions” under the captions “Reminder Notices,” “DTC Actions with Respect to the Notes,” “Bloomberg Screens, Etc.,” “CUSIPs” and “Legends” at the times, or otherwise, as set forth therein. The Company shall prepare and deliver to the Trustee no later than two Business Days prior to the second Interest Payment Date in each calendar year commencing in 2018, and the Trustee shall deliver to each Holder, with a copy to the Depositary, on such Interest Payment Date, a reminder notice substantially in the form attached hereto as Exhibit C (as modified or supplemented to cure any ambiguity or error or to incorporate additional information as may be provided).

Section 4.11. *Fraudulent Conveyance and Fraudulent Transfer* . The Company and the Reference Entity hereby covenant and agree that the Company and the Reference Entity shall not effect any Spin-Off, Split-Off or Share Election Merger in violation of applicable fraudulent conveyance and fraudulent transfer laws.

Section 4.12. *Further Instruments and Acts* . Upon written request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper as determined by the Company to carry out more effectively the purposes of this Indenture.

ARTICLE 5 LISTS OF HOLDERS

Section 5.01. *Lists of Holders* . At any time any Notes are held as Physical Notes, each of the Company and the Reference Entity covenants and agrees that it will use commercially reasonable efforts to furnish or cause to be furnished to the Trustee, semi-annually, not more

than 15 days after each March 15 and September 15 in each year beginning with March 15, 2018, and at such other times as the Trustee may request in writing, within 30 days after receipt by the Company of any such request (or such lesser time as the Trustee may reasonably request in order to enable it to timely provide any notice to be provided by it hereunder), a list in such form as the Trustee may reasonably require of the names and addresses of the Holders as of a date not more than 15 days (or such other date as the Trustee may reasonably request in order to so provide any such notices) prior to the time such information is furnished, except that no such list shall be required to be furnished by the Company or the Reference Entity so long as the Trustee is acting as Note Registrar.

Section 5.02 . *Preservation and Disclosure of Lists.* The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders contained in the most recent list furnished to it as provided in Section 5.01 or maintained by the Trustee in its capacity as Note Registrar, if so acting. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

ARTICLE 6 DEFAULTS AND REMEDIES

Section 6.01 . *Events of Default.* Each of the following events shall be an “ **Event of Default** ” with respect to the Notes:

- (a) default in any payment of interest on any Note when due and payable, and the default continues for a period of 30 days;
- (b) default in the payment of principal of any Note when due and payable on the Maturity Date, upon Optional Redemption, upon any required repurchase, upon declaration of acceleration or otherwise;

- (d) failure by the Company to issue a Fundamental Change Company Notice in accordance with Section 15.02(c), notice of a specified corporate event in accordance with Section 14.01(b)(ii) or Section 14.01(b)(iii), or a Spin-Off Notice, a Split-Off Notice or a Share Election Merger Notice, in each case, when due;
- (e) failure by the Company or any Reference Entity to comply with its obligations under Article 11;

(g) default by the Company, the Reference Entity or any Significant Subsidiary of the Company or the Reference Entity with respect to any mortgage, agreement or other instrument under which there is outstanding, or by which there is secured, any indebtedness for money borrowed in excess of \$75,000,000 (or its foreign currency equivalent) in the aggregate of the Company, the Reference Entity or any such Significant Subsidiary, whether such indebtedness now exists or shall hereafter be created (i) resulting in such indebtedness becoming or being declared due and payable or (ii) constituting a failure to pay the principal or interest of any such debt when due and payable on its maturity date, upon required repurchase, upon declaration of acceleration or otherwise, and such acceleration or failure to pay is not cured, waived, rescinded, stayed or annulled or such indebtedness is not discharged, as applicable, within a period of 30 days after written notice of such indebtedness becoming due and payable or written notice of such failure, as the case may be, has been received from the Trustee or the Holders of at least 25% in principal amount of the outstanding Notes;

(h) a final judgment or judgments for the payment of \$75,000,000 (or its foreign currency equivalent) or more (excluding any amounts covered by insurance) in the aggregate rendered against the Company, the Reference Entity or any Significant Subsidiary of the Company or the Reference Entity, which judgment is not discharged, bonded, paid, waived or stayed within 60 days after (i) the date on which the right to appeal thereof has expired if no such appeal has commenced, or (ii) the date on which all rights to appeal have been extinguished;

(i) the Company, the Reference Entity or any of the Company's or the Reference Entity's Significant Subsidiaries shall pursuant to or within the meaning of any Bankruptcy Law:

(iii) consent to the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or for all or substantially all of its assets; or

(iv) make a general assignment for the benefit of creditors.

(iii) orders the liquidation of the Company, the Reference Entity or any Significant Subsidiary of the Company or the Reference Entity,

and such order or decree shall remain undismissed and unstayed for a period of 60 consecutive days;

(k) the Reference Entity repudiates in writing its obligations under the Guarantee or, except as permitted under this Indenture, the Guarantee, if any, shall for any reason cease to be in full force and effect; or

(l) failure by the Company to timely deliver a Tax Notice when required (*provided*, for the avoidance of doubt, that no Event of Default shall have occurred if no such Tax Notice was delivered pursuant to the Company's good faith determination at the time such Tax Notice otherwise would have been required to be delivered that no such Tax Notice was required).

Section 6.02. *Acceleration; Rescission and Annulment*. If one or more Events of Default shall have occurred and be continuing (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), then, and in each and every such case (other than an Event of Default specified in Section 6.01(i) or Section 6.01(j)), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding determined in accordance with Section 8.04, by notice in writing to the Company (and to the Trustee if given by Holders), may (and the Trustee, at the written request of such Holders, shall) declare 100% of the principal of, and accrued and unpaid interest on, all the Notes to be due and payable immediately, and upon any such declaration the same shall become and shall automatically be immediately due and payable, anything contained in this Indenture or in the Notes to the contrary notwithstanding. If an Event of Default specified in Section 6.01(i) or Section 6.01(j) occurs and is continuing, 100% of the principal of, and accrued and unpaid interest, if any, on, all Notes shall become and shall automatically be immediately due and payable.

The immediately preceding paragraph, however, is subject to the conditions that if, at any time after the principal of the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay installments of accrued and unpaid interest upon all Notes and the principal of any and all Notes that shall have become due otherwise than by acceleration (with interest on overdue installments of accrued and unpaid interest to the extent that payment of such interest is enforceable under applicable law, and on such principal at the rate borne by the Notes at such time) and amounts due to the Trustee pursuant to Section 7.06, and if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) any and all existing Events of Default under this Indenture, other than the nonpayment of the principal of and accrued and unpaid interest, if any, on Notes that shall have become due solely by such acceleration, shall have been cured or waived pursuant to Section 6.09, then and in every such case (except as provided in the immediately succeeding sentence) the Holders of a majority in aggregate principal amount of the Notes then outstanding, by written notice to the Company and to the Trustee, may waive any or all Defaults or Events of Default with respect to the Notes and

rescind and annul such declaration and its consequences and such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent Default or Event of Default, or shall impair any right consequent thereon. Notwithstanding anything to the contrary herein, no such waiver or rescission and annulment shall extend to or shall affect any Default or Event of Default resulting from (i) the nonpayment of the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, or accrued and unpaid interest on, any Notes, (ii) a failure to repurchase any Notes when required or (iii) a failure to pay or deliver, as the case may be, the consideration due upon exchange of the Notes.

Section 6.03. *Additional Interest; Registration Default Damages*. Notwithstanding anything in this Indenture or in the Notes to the contrary, to the extent the Company elects, the sole remedy for an Event of Default relating to the Company's failure to comply with its obligations as set forth in Section 4.06(b) shall (i) for the first 60 days after the occurrence of such an Event of Default (beginning on, and including, the date on which such Event of Default first occurs), consist exclusively of the right to receive Additional Interest on the Notes at a rate equal to 0.25% per annum of the principal amount of the Notes outstanding for each day during such 60-day period on which such Event of Default is continuing and (ii) for the period from, and including, the 61st day after the occurrence of such an Event of Default to, and including, the 120th day after the occurrence of such an Event of Default, consist exclusively of the right to receive Additional Interest on the Notes at a rate equal to 0.50% per annum of the principal amount of the Notes outstanding for each day during such additional 60-day period on which such an Event of Default is continuing. If the Company so elects, such Additional Interest shall be payable in the same manner and on the same dates as the stated interest payable on the Notes and shall be in addition to, not in lieu of, any Registration Default Damages payable pursuant to the Registration Rights Agreement. On the 121st day after such Event of Default (if the Event of Default relating to the Company's failure to file is not cured or waived prior to such 121st day), the Notes shall be immediately subject to acceleration as provided in Section 6.02. The provisions of this paragraph will not affect the rights of Holders of Notes in the event of the occurrence of any Event of Default other than the Company's failure to comply with its obligations as set forth in Section 4.06(b). In the event the Company does not elect to pay Additional Interest following an Event of Default in accordance with this Section 6.03 or the Company elected to make such payment but does not pay the Additional Interest when due, the Notes shall be immediately subject to acceleration as provided in Section 6.02.

In order to elect to pay Additional Interest as the sole remedy during the first 120 days after the occurrence of an Event of Default described in the immediately preceding paragraph, the Company must notify all Holders of the Notes, the Trustee and the Paying Agent of such election on or before the close of business on the date on which such Event of Default first occurs. Upon the failure to timely give such notice and the Company's failure to comply with its obligations as set forth in Section 4.06(b), the Notes shall be immediately subject to acceleration as provided in Section 6.02.

Any Registration Default Damages payable pursuant to the Registration Rights Agreement shall accrue on the relevant Notes from, and including, the day following the relevant Registration Default to, but excluding, the earlier of (1) the day on which such Registration Default has been cured and (2) the date the registration statement is no longer required to be kept effective for the Common Stock under the Registration Rights Agreement. The Registration Default Damages shall be paid to the relevant Holder(s) semiannually in arrears on each Interest Payment Date to the Person in whose name a Note that is entitled to such Registration Default Damages is registered at the close of business on the immediately preceding Regular Record Date and will accrue at a rate per year equal to 0.25% of the principal amount of the relevant Notes to, and including, the 90th day following such Registration Default, and 0.50% of the principal amount of the relevant Notes from and after the 91st day following such Registration Default.

Section 6.04 . *Payments of Notes on Default; Suit Therefor.* If an Event of Default described in clause (a) or (b) of Section 6.01 shall have occurred, the Company shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of the Notes, the whole amount then due and payable on the Notes for principal and interest, if any, with interest on any overdue principal and interest, if any, at the rate borne by the Notes at such time, and, in addition thereto, such further amount as shall be sufficient to cover any amounts due to the Trustee under Section 7.06. If the Company shall fail to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon the Notes, wherever situated.

In the event there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor on the Notes under Title 11 of the United States Code, or any other applicable law, or in case a receiver, assignee or trustee in bankruptcy or reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Company or such other obligor, the property of the Company or such other obligor, or in the event of any other judicial proceedings relative to the Company or such other obligor upon the Notes, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.04, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal and accrued and unpaid interest, if any, in respect of the Notes, and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents and to take such other actions as it may deem necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceedings relative to the Company or any other obligor on the Notes, its or their creditors, or its or their property, and to collect and receive any monies or other property payable or deliverable on any such claims, and to distribute the same after the deduction

of any amounts due to the Trustee under Section 7.06; and any receiver, assignee or trustee in bankruptcy or reorganization, liquidator, custodian or similar official is hereby authorized by each of the Holders to make such payments to the Trustee, as administrative expenses, and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for reasonable compensation, expenses, advances and disbursements, including agents and counsel fees, and including any other amounts due to the Trustee under Section 7.06, incurred by it up to the date of such distribution. To the extent that such payment of reasonable compensation, expenses, advances and disbursements out of the estate in any such proceedings shall be denied for any reason, payment of the same shall be secured by a lien on, and shall be paid out of, any and all distributions, dividends, monies, securities and other property that the Holders of the Notes may be entitled to receive in such proceedings, whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting such Holder or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Holders of the Notes parties to any such proceedings.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of any waiver pursuant to Section 6.09 or any rescission and annulment pursuant to Section 6.02 or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the Reference Entity, the Holders and the Trustee shall, subject to any determination in such proceeding, be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the Reference Entity, the Holders and the Trustee shall continue as though no such proceeding had been instituted.

Section 6.05 . *Application of Monies Collected by Trustee.* Any monies collected by the Trustee pursuant to this Article 6 with respect to the Notes shall be applied in the following order, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of

the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

First , to the payment of all amounts due the Trustee under Section 7.06;

Second , in case the principal of the outstanding Notes shall not have become due and be unpaid, to the payment of interest on, and any cash due upon exchange of, the Notes in default in the order of the date due of the payments of such interest and cash due upon exchange, as the case may be, with interest (to the extent that such interest has been collected by the Trustee) upon such overdue payments at the rate borne by the Notes at such time, such payments to be made ratably to the Persons entitled thereto;

Third , in case the principal of the outstanding Notes shall have become due, by declaration or otherwise, and be unpaid to the payment of the whole amount (including, if applicable, the payment of the Redemption Price, the Fundamental Change Repurchase Price and any cash due upon exchange) then owing and unpaid upon the Notes for principal and interest, if any, with interest on the overdue principal and, to the extent that such interest has been collected by the Trustee, upon overdue installments of interest at the rate borne by the Notes at such time, and in case such monies shall be insufficient to pay in full the whole amounts so due and unpaid upon the Notes, then to the payment of such principal (including, if applicable, the Redemption Price, the Fundamental Change Repurchase Price and any cash due upon exchange) and interest without preference or priority of principal over interest, or of interest over principal or of any installment of interest over any other installment of interest, or of any Note over any other Note, ratably to the aggregate of such principal (including, if applicable, the Redemption Price, the Fundamental Change Repurchase Price and any cash due upon exchange) and accrued and unpaid interest; and

Fourth , to the payment of the remainder, if any, to the Company.

Section 6.06 . *Proceedings by Holders.* Except to enforce the right to receive payment of principal (including, if applicable, the Redemption Price or the Fundamental Change Repurchase Price) or interest when due, or the right to receive payment or delivery of the consideration due upon exchange, no Holder of any Note shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other remedy hereunder, unless:

- (a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as herein provided;
- (b) Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder;
- (c) such Holders shall have offered the Trustee security or indemnity reasonably satisfactory to it against any loss, liability or expense to be incurred therein or thereby;

(d) the Trustee has not complied with such request within 60 days after the receipt of the request and the offer of such security or indemnity; and

(e) no direction that, in the opinion of the Trustee, is inconsistent with such written request shall have been given to the Trustee by the Holders of a majority of the aggregate principal amount of the Notes then outstanding within such 60-day period pursuant to Section 6.09,

it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee that no one or more Holders shall have any right in any manner whatever by virtue of or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and common benefit of all Holders (except as otherwise provided herein). For the protection and enforcement of this Section 6.06, each and every Holder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, each Holder shall have the right to receive payment or delivery, as the case may be, of (x) the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon exchange of, such Note, on or after the respective due dates expressed or provided for in such Note or in this Indenture, or to institute suit for the enforcement of any such payment or delivery, on or after the applicable due date, as the case may be.

Section 6.07 . *Proceedings by Trustee.* In case of an Event of Default, the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as are necessary to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.08 . *Remedies Cumulative and Continuing.* Except as provided in the last paragraph of Section 2.06, all powers and remedies given by this Article 6 to the Trustee or to the Holders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Notes, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Notes to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Default or Event of Default or any acquiescence therein; and, subject to the provisions of Section 6.06, every power and remedy given by this Article 6 or by law to the Trustee or to the Holders

may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders.

Section 6.09. *Direction of Proceedings and Waiver of Defaults by Majority of Holders*. The Holders of a majority of the aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes; provided, however, that (a) such direction shall not be in conflict with any rule of law or with this Indenture, and (b) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee may refuse to follow any direction that it determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability. The Holders of a majority in aggregate principal amount of the Notes at the time outstanding determined in accordance with Section 8.04 may on behalf of the Holders of all of the Notes waive any past Default or Event of Default hereunder and its consequences except (i) a default in the payment of accrued and unpaid interest, if any, on, or the principal (including any Redemption Price and any Fundamental Change Repurchase Price) of, the Notes when due that has not been cured pursuant to the provisions of Section 6.01, (ii) a failure by the Company to pay or deliver (or cause the payment or delivery of), as the case may be, the consideration due upon exchange of the Notes or (iii) a default in respect of a covenant or provision hereof which under Article 10 cannot be modified or amended without the consent of each Holder of an outstanding Note affected. Upon any such waiver the Company, the Trustee and the Holders of the Notes shall be restored to their former positions and rights hereunder; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. Whenever any Default or Event of Default hereunder shall have been waived as permitted by this Section 6.09, said Default or Event of Default shall for all purposes of the Notes and this Indenture be deemed to have been cured and to be not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

Section 6.10. *Notice of Defaults*. The Trustee shall, within 90 days after the occurrence and continuance of a Default of which a Responsible Officer has actual knowledge, deliver to all Holders notice of all Defaults known to a Responsible Officer, unless such Defaults shall have been cured or waived before the giving of such notice; *provided* that, except in the case of a Default in the payment of the principal of (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable), or interest on, any of the Notes or a Default in the payment or delivery of the consideration due upon exchange, the Trustee may withhold such notice if and so long as a committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders.

Section 6.11. *Undertaking to Pay Costs*. All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that

such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 6.11 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Notes at the time outstanding determined in accordance with Section 8.04, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or accrued and unpaid interest, if any, on any Note (including, but not limited to, the Redemption Price and the Fundamental Change Repurchase Price, if applicable) on or after the due date expressed or provided for in such Note or to any suit for the enforcement of the right to exchange any Note, or receive the consideration due upon exchange, in accordance with the provisions of Article 14.

ARTICLE 7
CONCERNING THE TRUSTEE

Section 7.01 . *Duties and Responsibilities of Trustee.* The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In the event an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the degree of care that a prudent person would use in the conduct of such person's own affairs; *provided* that if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security reasonably satisfactory to it against any loss, liability or expense that might be incurred by it in compliance with such request or direction.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

- (a) prior to the occurrence of an Event of Default and after the curing or waiving of all Events of Default that may have occurred:
 - (i) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
 - (ii) in the absence of bad faith and willful misconduct on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished

to the Trustee and conforming to the requirements of this Indenture; but, in the case of any such certificates or opinions that by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein);

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it shall be proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority of the aggregate principal amount of the Notes at the time outstanding determined as provided in Section 8.04 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or of exercising any trust or power conferred upon the Trustee, under this Indenture;

(d) the Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers, so long as the Trustee's conduct does not constitute negligence or willful misconduct;

(e) whether or not therein provided, every provision of this Indenture relating to the conduct or affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section 7.01;

(f) the Trustee shall not be liable in respect of any payment (as to the correctness of amount, entitlement to receive or any other matters relating to payment) or notice effected by the Company or any Paying Agent or any records maintained by any co-Note Registrar with respect to the Notes;

(g) if any party fails to deliver a notice relating to an event the fact of which, pursuant to this Indenture, requires notice to be sent to the Trustee, the Trustee may conclusively rely on its failure to receive such notice as reason to act as if no such event occurred, unless a Responsible Officer of the Trustee had actual knowledge of such event;

(h) in the absence of written investment direction from the Company, all cash received by the Trustee shall be placed in a non-interest bearing trust account, and in no event shall the Trustee be liable for the selection of investments or for investment losses incurred thereon or for losses incurred as a result of the liquidation of any such investment prior to its maturity date or the failure of the party directing such investments prior to its maturity date or the failure of the party directing such investment to provide timely written investment direction, and the Trustee shall have no obligation to invest or reinvest any amounts held hereunder in the absence of such written investment direction from the Company; and

(i) in the event that the Trustee is also acting as Custodian, Note Registrar, Paying Agent, Exchange Agent, Bid Solicitation Agent or transfer agent hereunder, the rights and protections afforded to the Trustee pursuant to this Article 7 shall also be afforded to such Custodian, Note Registrar, Paying Agent, Exchange Agent, Bid Solicitation Agent or transfer agent.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

Section 7.02 . *Reliance on Documents, Opinions, Etc.* Except as otherwise provided in Section 7.01:

(a) the Trustee may conclusively rely and shall be fully protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, note, coupon or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officers' Certificate (unless other evidence in respect thereof be herein specifically prescribed); and any Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel and require an Opinion of Counsel and any advice of such counsel or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the expense of the Company and shall incur no liability of any kind by reason of such inquiry or investigation;

(e) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, custodians, nominees or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, custodian, nominee or attorney appointed by it with due care hereunder;

(f) the permissive rights of the Trustee enumerated herein shall not be construed as duties;

(g) in no event shall the Trustee be liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(h) the Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes, except (i) any Event of Default occurring pursuant to clause (a) or (b) of Section 6.01 or (ii) written notice of such Default or Event of Default shall have been given to the Trustee by the Company or by any Holder of the Notes;

(i) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder; and

(j) the Trustee shall be under no obligation to exercise any of its rights or powers hereunder at the request of any Holder of Notes unless such Holder of Notes shall have offered to the Trustee security and indemnity reasonably satisfactory to the Trustee.

Section 7.03 . *No Responsibility for Recitals, Etc.* The recitals contained herein and in the Notes (except in the Trustee's certificate of authentication) shall be taken as the statements of the Company, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of any Notes or the proceeds of any Notes authenticated and delivered by the Trustee in conformity with the provisions of this Indenture.

Section 7.04 . *Trustee, Paying Agents, Exchange Agents, Bid Solicitation Agent or Note Registrar May Own Notes.* The Trustee, any Paying Agent, any Exchange Agent, Bid Solicitation Agent (if other than the Company or any Affiliate thereof) or Note Registrar, in its individual or any other capacity, may become the owner or pledgee of Notes with the same rights it would have if it were not the Trustee, Paying Agent, Exchange Agent, Bid Solicitation Agent or Note Registrar.

Section 7.05 . *Monies and Shares of Common Stock to Be Held in Trust.* All monies and shares of Common Stock received by the Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received. Money and shares of Common Stock held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money or shares of Common Stock received by it hereunder except as may be agreed from time to time by the Company and the Trustee.

Section 7.06 . *Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation for all services rendered by it hereunder in any capacity (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as mutually agreed to in writing between the Trustee and the Company, and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and

advances reasonably incurred or made by the Trustee in accordance with any of the provisions of this Indenture in any capacity thereunder (including the reasonable compensation and the expenses and disbursements of its agents and counsel and of all Persons not regularly in its employ) except any such expense, disbursement or advance as shall have been caused by its gross negligence, willful misconduct or bad faith. The Company also covenants to indemnify the Trustee in any capacity under this Indenture and any other document or transaction entered into in connection herewith and its agents and any authenticating agent for, and to hold them harmless against, any loss, claim, damage, liability or expense incurred without gross negligence, willful misconduct or bad faith on the part of the Trustee, its officers, directors, agents or employees, or such agent or authenticating agent, as the case may be, and arising out of or in connection with the acceptance or administration of this Indenture or in any other capacity hereunder, including the costs and expenses of defending themselves against any claim of liability in the premises. The obligations of the Company under this Section 7.06 to compensate or indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall be secured by a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by the Trustee, except, subject to the effect of Section 6.05, funds held in trust herewith for the benefit of the Holders of particular Notes. The Trustee's right to receive payment of any amounts due under this Section 7.06 shall not be subordinate to any other liability or indebtedness of the Company. The obligation of the Company under this Section 7.06 shall survive the satisfaction and discharge of this Indenture and the earlier resignation or removal of the Trustee. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld. The indemnification provided in this Section 7.06 shall extend to the officers, directors, agents and employees of the Trustee.

Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee and its agents and any authenticating agent incur expenses or render services after an Event of Default specified in Section 6.01(i) or Section 6.01(j) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any bankruptcy, insolvency or similar laws.

Section 7.07 . *Officers' Certificate as Evidence.* Except as otherwise provided in Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence, willful misconduct, recklessness and bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such Officers' Certificate, in the absence of gross negligence, willful misconduct, recklessness and bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken or omitted by it under the provisions of this Indenture upon the faith thereof.

Section 7.08 . *Eligibility of Trustee.* There shall at all times be a Trustee hereunder which shall be a Person that is eligible pursuant to the Trust Indenture Act (as if the Trust Indenture Act were applicable hereto) to act as such and has a combined capital and surplus of at least

\$50,000,000. If such Person publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority, then for the purposes of this Section 7.08, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.08, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 7.09. *Resignation or Removal of Trustee.* (a) The Trustee may at any time resign by giving written notice of such resignation to the Company and by delivering notice thereof to the Holders. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee by written instrument, in duplicate, executed by order of the Company's Board of Directors, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation to the Holders, the resigning Trustee may, upon ten Business Days' notice to the Company and the Holders, petition any court of competent jurisdiction for the appointment of a successor trustee, or any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, subject to the provisions of Section 6.11, on behalf of himself or herself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(ii) the Trustee shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in either case, the Company may by a Board Resolution remove the Trustee and appoint a successor trustee by written instrument, in duplicate, executed by order of the Company's Board of Directors, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.11, any Holder who has been a bona fide holder of a Note or Notes for at least six months (or since the date of this Indenture) may, on behalf of himself or herself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The Holders of a majority in aggregate principal amount of the Notes at the time outstanding, as determined in accordance with Section 8.04, may at any time remove the Trustee and nominate a successor trustee that shall be deemed appointed as successor trustee unless within ten days after notice to the Company of such nomination the Company objects thereto, in which case the Trustee so removed or any Holder, upon the terms and conditions and otherwise as in Section 7.09(a) provided, may petition any court of competent jurisdiction for an appointment of a successor trustee.

(d) Any resignation or removal of the Trustee and appointment of a successor trustee pursuant to any of the provisions of this Section 7.09 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.10.

Section 7.10 . *Acceptance by Successor Trustee.* Any successor trustee appointed as provided in Section 7.09 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a senior claim to which the Notes are hereby made subordinate on all money or property held or collected by such trustee as such, except for funds held in trust for the benefit of Holders of particular Notes, to secure any amounts then due it pursuant to the provisions of Section 7.06.

No successor trustee shall accept appointment as provided in this Section 7.10 unless at the time of such acceptance such successor trustee shall be eligible under the provisions of Section 7.08.

Upon acceptance of appointment by a successor trustee as provided in this Section 7.10, each of the Company and the successor trustee, at the written direction and at the expense of the Company shall deliver or cause to be delivered notice of the succession of such trustee hereunder to the Holders. If the Company fails to deliver such notice within ten days after acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be delivered at the expense of the Company.

Section 7.11 . *Succession by Merger, Etc.* Any corporation or other entity into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation or other entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee (including the administration of this Indenture), shall be the

successor to the Trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that in the case of any corporation or other entity succeeding to all or substantially all of the corporate trust business of the Trustee such corporation or other entity shall be eligible under the provisions of Section 7.08.

In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee or authenticating agent appointed by such predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee or an authenticating agent appointed by such successor trustee may authenticate such Notes either in the name of any predecessor trustee hereunder or in the name of the successor trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have; *provided, however*, that the right to adopt the certificate of authentication of any predecessor trustee or to authenticate Notes in the name of any predecessor trustee shall apply only to its successor or successors by merger, conversion or consolidation.

Section 7.12 . *Trustee's Application for Instructions from the Company.* Any application by the Trustee for written instructions from the Company (other than with regard to any action proposed to be taken or omitted to be taken by the Trustee that affects the rights of the Holders of the Notes under this Indenture) may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable to the Company for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three Business Days after the date any officer that the Company has indicated to the Trustee should receive such application actually receives such application, unless any such officer shall have consented in writing to any earlier date), unless, prior to taking any such action (or the effective date in the case of any omission), the Trustee shall have received written instructions in accordance with this Indenture in response to such application specifying the action to be taken or omitted.

ARTICLE 8 CONCERNING THE HOLDERS

Section 8.01. *Action by Holders.* Whenever in this Indenture it is provided that the Holders of a specified percentage of the aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Holders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders voting in favor thereof at any meeting of Holders duly called and held in accordance with the provisions of Article 9, or (c) by

a combination of such instrument or instruments and any such record of such a meeting of Holders. Whenever the Company or the Trustee solicits the taking of any action by the Holders of the Notes, the Company or the Trustee may, but shall not be required to, fix in advance of such solicitation, a date as the record date for determining Holders entitled to take such action. The record date, if one is selected, shall be not more than fifteen days prior to the date of commencement of solicitation of such action.

Section 8.02 . *Proof of Execution by Holders.* Subject to the provisions of Section 7.01, Section 7.02 and Section 9.05, proof of the execution of any instrument by a Holder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the Note Register or by a certificate of the Note Registrar. The record of any Holders' meeting shall be proved in the manner provided in Section 9.06.

Section 8.03 . *Who Are Deemed Absolute Owners.* The Company, the Trustee, any authenticating agent, any Paying Agent, any Exchange Agent and any Note Registrar may deem the Person in whose name a Note shall be registered upon the Note Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Company or any Note Registrar) for the purpose of receiving payment of or on account of the principal (including any Redemption Price, any Fundamental Change Repurchase Price) of and (subject to Section 2.03) accrued and unpaid interest on such Note, for exchange of such Note and for all other purposes; and neither the Company nor the Trustee nor any Paying Agent nor any Exchange Agent nor any Note Registrar shall be affected by any notice to the contrary. All such payments or deliveries so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sums or shares of Common Stock so paid or delivered, effectual to satisfy and discharge the liability for monies payable or shares deliverable upon any such Note. Notwithstanding anything to the contrary in this Indenture or the Notes following an Event of Default, any holder of a beneficial interest in a Global Note may directly enforce against the Company, without the consent, solicitation, proxy, authorization or any other action of the Depositary or any other Person, such holder's right to exchange such beneficial interest for a Physical Note in accordance with the provisions of this Indenture.

Section 8.04 . *Company-Owned Notes Disregarded.* In determining whether the Holders of the requisite aggregate principal amount of Notes have concurred in any direction, consent, waiver or other action under this Indenture, Notes that are owned by the Company, by the Reference Entity, by any Subsidiary thereof or by any Affiliate of the Company or the Reference Entity or any Subsidiary of the Company or the Reference Entity shall be disregarded and deemed not to be outstanding for the purpose of any such determination; *provided* that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action only Notes that a Responsible Officer knows are so owned shall be so disregarded. Notes so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section 8.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to so act with respect to such Notes and that the pledgee is not the Company, the Reference Entity, a Subsidiary of the Company or the Reference Entity or an

Affiliate of the Company or the Reference Entity or a Subsidiary thereof. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Company shall furnish to the Trustee promptly an Officers' Certificate listing and identifying all Notes, if any, known by the Company or the Reference Entity to be owned or held by or for the account of any of the above described Persons; and, subject to Section 7.01, the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

Section 8.05 . *Revocation of Consents; Future Holders Bound.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the Holders of the percentage of the aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note that is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor or upon registration of transfer thereof, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor or upon registration of transfer thereof.

ARTICLE 9 HOLDERS' MEETINGS

Section 9.01 . *Purpose of Meetings.* A meeting of Holders may be called at any time and from time to time pursuant to the provisions of this Article 9 for any of the following purposes:

- (a) to give any notice to the Company or to the Trustee or to give any directions to the Trustee permitted under this Indenture, or to consent to the waiving of any Default or Event of Default hereunder (in each case, as permitted under this Indenture) and its consequences, or to take any other action authorized to be taken by Holders pursuant to any of the provisions of Article 6;
- (b) to remove the Trustee and nominate a successor trustee pursuant to the provisions of Article 7;
- (c) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or
- (d) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Notes under any other provision of this Indenture or under applicable law.

Section 9.02 . *Call of Meetings by Trustee.* The Trustee may at any time call a meeting of Holders to take any action specified in Section 9.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of the Holders, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting and the establishment of any record date pursuant to Section 8.01, shall be delivered to Holders of such Notes. Such notice shall also be delivered to the Company. Such notices shall be delivered not less than 20 nor more than 90 days prior to the date fixed for the meeting.

Any meeting of Holders shall be valid without notice if the Holders of all Notes then outstanding are present in person or by proxy or if notice is waived before or after the meeting by the Holders of all Notes then outstanding, and if the Company and the Trustee are either present by duly authorized representatives or have, before or after the meeting, waived notice.

Section 9.03 . *Call of Meetings by Company or Holders.* In case at any time the Company, pursuant to a Board Resolution, or the Holders of at least 10% of the aggregate principal amount of the Notes then outstanding, shall have requested the Trustee to call a meeting of Holders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have delivered the notice of such meeting within 20 days after receipt of such request, then the Company or such Holders may determine the time and the place for such meeting and may call such meeting to take any action authorized in Section 9.01, by delivering notice thereof as provided in Section 9.02.

Section 9.04 . *Qualifications for Voting.* To be entitled to vote at any meeting of Holders, a Person shall (a) be a Holder of one or more Notes on the record date pertaining to such meeting or (b) be a Person appointed by an instrument in writing as proxy by a Holder of one or more Notes on the record date pertaining to such meeting. The only Persons who shall be entitled to be present or to speak at any meeting of Holders shall be the Persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 9.05 . *Regulations.* Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders, in regard to proof of the holding of Notes and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders as provided in Section 9.03, in which case the Company or the Holders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in aggregate principal amount of the Notes represented at the meeting and entitled to vote at the meeting.

Subject to the provisions of Section 8.04, at any meeting of Holders each Holder or proxyholder shall be entitled to one vote for each \$1,000 principal amount of Notes held or represented by him or her; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote other than by virtue of Notes held by it or instruments in writing as aforesaid duly designating it as the proxy to vote on behalf of other Holders. Any meeting of Holders duly called pursuant to the provisions of Section 9.02 or Section 9.03 may be adjourned from time to time by the Holders of a majority of the aggregate principal amount of Notes represented at the meeting, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 9.06 . *Voting*. The vote upon any resolution submitted to any meeting of Holders shall be by written ballot on which shall be subscribed the signatures of the Holders or of their representatives by proxy and the outstanding aggregate principal amount of the Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Holders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more Persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was delivered as provided in Section 9.02. The record shall show the aggregate principal amount of the Notes voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 9.07 . *No Delay of Rights by Meeting*. Nothing contained in this Article 9 shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Holders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Holders under any of the provisions of this Indenture or of the Notes.

ARTICLE 10 AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 10.01 . *Supplemental Indentures Without Consent of Holders*. Without the consent of any Holder, the Company, the Reference Entity and the Trustee, at the Company's expense, may from time to time and at any time enter into any amendment, supplement or waiver for one or more of the following purposes:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to provide for the assumption by a Successor Company or other successor corporation of the obligations of the Company or the Reference Entity under this Indenture and the Notes pursuant to Article 11 or Section 14.04, including pursuant to a Spin-Off, Split-Off, Share Election Merger or Permitted HoldCo Transaction;
- (c) to add guarantees with respect to the Notes;
- (d) to secure the Notes;
- (e) to add covenants or Events of Default for the benefit of the Holders or surrender any right or power conferred upon the Company;
- (f) to make any change that does not materially adversely affect the rights of any Holder;
- (g) in connection with any Merger Event, to provide that the Notes are convertible into or exchangeable for Reference Property, subject to the provisions of Section 14.02, and make changes to the terms of the Notes to the extent expressly required by Section 14.07;
- (h) in connection with any transaction described under Section 11.05, to make changes to the terms of the Notes solely to reflect any Successor Holding Company Reference Entity's status as the Reference Entity;
- (i) in connection with any Reverse Spin-Off, to make changes to the terms of the Notes (including, without limitation, to provide that the Notes are exchangeable for Spin-Off Exchangeable Baskets) in accordance with Section 14.04(c);
- (j) in connection with any Reverse Split-Off, to make changes to the terms of the Notes (including, without limitation, to provide that the Notes are exchangeable for Split-Off Exchangeable Baskets) in accordance with Section 14.04(e);

- (l) to conform the provisions of this Indenture or the Notes to the "Description of Notes" section of the Offering Memorandum.

Upon the written request of the Company, the Trustee is hereby authorized to join with the Company and the Reference Entity in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained. The Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any amendment, supplement or waiver authorized by the provisions of this Section 10.01 may be executed by the Company, the Reference Entity and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 10.02.

Section 10.02 . *Supplemental Indentures with Consent of Holders.* With the consent (evidenced as provided in Article 8) of the Holders of at least a majority of the aggregate principal amount of the Notes then outstanding (determined in accordance with Article 8 and including, without limitation, consents obtained in connection with a repurchase of, or tender or exchange offer for, Notes), the Company and the Reference Entity may from time to time and at any time enter into any amendment, supplement or waiver; *provided, however*, that, without the consent of each Holder of an outstanding Note affected, no such amendment, supplement or waiver shall:

- (a) reduce the aggregate principal amount of Notes whose Holders must consent to an amendment;
- (b) reduce the rate of or extend the stated time for payment of interest on any Note;
- (c) reduce the principal of or extend the Maturity Date of any Note;
- (d) make any change that adversely affects the exchange rights of any Notes other than in accordance with the provisions of this Indenture;

- (i) other than in accordance with the provisions of this Indenture, release any Person who guarantees the Notes from its Guarantee.

Upon the written request of the Company, and upon the receipt by the Trustee of evidence of the consent of Holders as provided in Article 8 and subject to Section 10.05, the Trustee shall join with the Company and the Reference Entity in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

Holders do not need under this Section 10.02 to approve the particular form of any proposed amendment, supplement or waiver. It shall be sufficient if such Holders approve the substance thereof. After any amendment, supplement or waiver becomes effective, the Company shall deliver to the Holders a notice briefly describing such supplemental indenture. However, the failure to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of the amendment, supplement or waiver.

Section 10.03 . *Effect of Supplemental Indentures.* Upon the execution of any amendment, supplement or waiver pursuant to the provisions of this Article 10, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company, the Reference Entity and the Holders shall thereafter be determined, exercised and enforced hereunder subject in all respects to such amendment, supplement or waiver, and any such amendment, supplement or waiver shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.04 . *Notation on Notes.* Notes authenticated and delivered after the execution of any amendment, supplement or waiver pursuant to the provisions of this Article 10 may, at the Company's expense, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Company, to any modification of this Indenture contained in any such supplemental indenture may, at the Company's expense, be prepared and executed by the Company, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 17.10) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

Section 10.05 . *Evidence of Compliance of Supplemental Indenture to Be Furnished Trustee.* In addition to the documents required by Section 17.05, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel stating that any amendment, supplement or waiver executed pursuant hereto complies with the requirements of this Article 10 and is permitted by this Indenture.

ARTICLE 11 CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 11.01 . *Company and Reference Entity May Consolidate, Etc. on Certain Terms.* Subject to the provisions of Section 11.02, neither the Company nor the Reference Entity shall (x) consolidate with or merge with or into another Person (in the case of clause (x), other than a Share Election Merger) or (y) sell, convey, transfer or lease all or substantially all of the Company's or the Reference Entity's, as applicable, consolidated properties and assets to another Person (in the case of clause (y), other than (1) pursuant to a Spin-Off, Split-Off or Share Election Merger or (2) a sale, conveyance, transfer or lease of all or substantially all of the consolidated properties and assets of the Reference Entity to one or more of its Wholly Owned Subsidiaries), in either case, unless:

(b) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing under this Indenture; and

(c) if upon the occurrence of any such consolidation, merger, sale, conveyance, transfer or lease the Notes would become convertible into or exchangeable for securities issued by an issuer other than the Successor Company, the issuer of the securities into (or for) which the Notes have become convertible (or exchangeable) shall guarantee, on a senior unsecured basis, the Successor Company’s obligations under the Notes and this Indenture and shall enter into a joinder agreement to the Registration Rights Agreement in accordance with the terms of the Registration Rights Agreement.

Section 11.02 . *Successor Company to Be Substituted.* Upon any such consolidation, merger or sale, conveyance, transfer or lease, the Successor Company (if not the Company or the Reference Entity, as applicable) shall succeed to, and may exercise every right and power of, the Company’s under this Indenture, the Notes and the Registration Rights Agreement or the Reference Entity’s under the Guarantee and the Registration Rights Agreement with the same effect as if such Successor Company had been named as the Company or the Reference Entity (as applicable) herein and, except in the case of any such lease, the Company or the Reference Entity, as applicable, shall be discharged from the Company’s or the Reference Entity’s obligations under the Notes, this Indenture, the Registration Rights Agreement or the Guarantee (as applicable).

In case of any such consolidation, merger, sale, conveyance, transfer or lease, such changes in phraseology and form (but not in substance) may be made in the Notes and the Guarantee thereafter to be issued as may be appropriate.

Section 11.03 . *Opinion of Counsel to Be Given to Trustee.* No such consolidation, merger, sale, conveyance, transfer or lease shall be effective unless the Trustee shall receive an Officers’ Certificate and an Opinion of Counsel stating that any such consolidation, merger, sale, conveyance, transfer or lease and any such assumption and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, complies with the provisions of this Article 11.

Section 11.04. *Additional Agreements.* (a) Notwithstanding anything to the contrary in this Indenture, the Company may merge with or into the Reference Entity pursuant to, and in compliance with, this Article 11.

(b) Notwithstanding the foregoing in this Article 11 or anything to the contrary in this Indenture, at any time when the Company and the Reference Entity are different entities, the Company may (x) be liquidated or dissolved or (y) merge with and into the Reference Entity, in either case, if substantially concurrently with such liquidation, dissolution or merger, as the case may be, (1) the Reference Entity expressly assumes, by supplemental indenture all of the Company's obligations under the Notes, this Indenture and the Registration Rights Agreement, and (2) the Company transfers or causes to be transferred all or substantially all of the Company's assets to the Reference Entity and/or the Reference Entity acquires from the Company all or substantially all of the Company's assets, including, in each case, by way of merger.

Section 11.05. *Formation of a Successor Holding Company Reference Entity*. At any time following the date of the Offering Memorandum, on one or more occasions, the Reference Entity at such time may become a Wholly Owned Subsidiary of a parent corporation (any such transaction, a "**Permitted HoldCo Transaction**") if (i) such parent entity (the "**Successor Holding Company Reference Entity**") was an Affiliate of the Reference Entity immediately prior to the consummation of the Permitted HoldCo Transaction, (ii) the Successor Holding Company Reference Entity guarantees, on a senior unsecured basis, the obligations of the Company (or, if the Reference Entity has become the issuer of the notes, the Reference Entity's obligations) under the Notes and this Indenture, (iii) the Successor Holding Company Reference Entity enters into a joinder agreement to the Registration Rights Agreement in accordance with the terms of the Registration Rights Agreement, (iv) the Notes become exchangeable for the common stock of the Successor Holding Company Reference Entity in accordance with, and at an Exchange Rate determined in accordance with, Section 14.07, (v) upon the consummation of the Permitted HoldCo Transaction, the common stock of the Successor Holding Company Reference Entity for which the Notes become exchangeable is or, when issued, will be listed or admitted for trading on a U.S. national securities exchange, (vi) the Company, the Successor Holding Company Reference Entity and the Trustee enter into a supplemental indenture in accordance with Section 14.07 (which supplemental indenture shall also provide for any conforming changes to the terms of the Notes and the related Guarantee as the Company, acting in good faith and in a commercially reasonable manner, determines appropriate solely to reflect the Successor Holding Company Reference Entity's status as the guarantor of the Notes and the issuer of the Common Stock) and (vii) immediately after giving effect to such transaction, no Default or Event of Default has occurred and is continuing under this Indenture. In such case, the existing Reference Entity shall be released in full from its Guarantee of the Notes and the Registration Rights Agreement, and the Successor Holding Company Reference Entity shall become the Reference Entity.

ARTICLE 12 IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 12.01 . *Indenture and Notes Solely Corporate Obligations*. No recourse for the payment of the principal of or accrued and unpaid interest on any Note, nor for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant

or agreement (including the delivery of any Common Stock upon any exchange) of the Company or the Reference Entity in this Indenture or in any supplemental indenture or in any Note, nor because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, employee, agent, Officer or director or Subsidiary, as such, past, present or future, of the Company or the Reference Entity or of any successor, either directly or through the Company or the Reference Entity (as the case may be) or any successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issuance of the Notes.

ARTICLE 13 GUARANTEE

Section 13.01. *Guarantee* . By its execution hereof, the Reference Entity acknowledges and agrees that it receives substantial benefits from the Company and that the Reference Entity is providing its guarantee (the “**Guarantee**”) for good and valuable consideration, including, without limitation, such substantial benefits. Accordingly, subject to the provisions of this Article 13, the Reference Entity hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and its successors and assigns that: (i) the principal of (including the Redemption Price and Fundamental Change Repurchase Price, as the case may be, pursuant to Article 15 or Article 16, as applicable), premium, if any, interest and Additional Interest (including any Registration Default Damages as contemplated by the Registration Rights Agreement), if any, on the Notes and any cash and/or shares of Common Stock, if any, due upon exchange of the Notes in accordance with Article 14, in each case, shall be duly and punctually paid in full or delivered, as applicable, when due, whether at the Maturity Date, upon acceleration, upon Optional Redemption, upon repurchase in connection with a Fundamental Change or otherwise or upon exchange, and interest on overdue principal, premium, if any, Additional Interest, if any, and (to the extent permitted by law) interest on any interest, if any, on the Notes and all other obligations of the Company to the Holders or the Trustee hereunder or under the Notes (including fees, expenses or other amounts to the extent payable hereunder) shall be promptly paid in full or performed, all in accordance with the terms hereof; and (ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at the Maturity Date, by acceleration, upon Optional Redemption, upon repurchase in connection with a Fundamental Change or otherwise or exchange, subject, however, in the case of clauses (i) and (ii) above, to the limitations set forth in Section 13.03 hereof (collectively, the “**Guarantee Obligations**”).

Subject to the provisions of this Article 13, the Reference Entity hereby agrees that its Guarantee hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any thereof, the entry of any judgment against the Company, any action to enforce the same or any other circumstance which

might otherwise constitute a legal or equitable discharge or defense of the Reference Entity other than the payment or satisfaction of the Guarantee Obligations. The Reference Entity hereby waives and relinquishes: (a) any right to require the Trustee, the Holders or the Company (each, a “ **Benefited Party** ”) to proceed against the Company or any other Person or to proceed against or exhaust any security held by a Benefited Party at any time or to pursue any other remedy in any secured party’s power before proceeding against the Reference Entity; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of any other Person or Persons or the failure of a Benefited Party to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other Person or Persons (it being agreed that the Reference Entity may file such claim); (c) demand, protest and notice of any kind (except as expressly required by this Indenture), including but not limited to notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Reference Entity, the Company, any Benefited Party, any creditor of the Reference Entity or the Company or on the part of any other Person whomsoever in connection with any obligations the performance of which are hereby guaranteed; (d) any defense based upon an election of remedies by a Benefited Party, including but not limited to an election to proceed against the Reference Entity for reimbursement and (e) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal. The Reference Entity hereby covenants that, except as otherwise provided therein, the Guarantee shall not be discharged except by payment in full or performance of all Guarantee Obligations, including the principal, premium, if any, and interest on the Notes, the cash and/or shares of Common Stock due upon exchange of the Notes and all other costs provided for under this Indenture or as provided in Article 7.

If any Holder or the Trustee is required by any court or otherwise to return to either the Company or the Reference Entity, or any trustee or similar official acting in relation to either the Company or the Reference Entity, any amount paid by the Company or the Reference Entity to the Trustee or such Holder, the Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. The Reference Entity agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Guarantee Obligations hereby until payment in full of all such obligations guaranteed hereby. The Reference Entity agrees that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes hereof, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guarantee Obligations, and (y) in the event of any acceleration of such obligations as provided in Article 6 hereof, such Guarantee Obligations (whether or not due and payable) shall forthwith become due and payable by the Reference Entity for the purpose of the Guarantee.

Section 13.02. *Execution and Delivery of Guarantee* . To evidence the Guarantee set forth in Section 13.01 hereof, the Reference Entity agrees that a notation of the Guarantee substantially in the form included in the Form of Note attached hereto as Exhibit A shall be endorsed on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of the Reference Entity by an Officer of the Reference Entity.

The Reference Entity agrees that the Guarantee set forth in this Article 13 shall remain in full force and effect and apply to all the Notes notwithstanding any failure to endorse on each Note a notation of the Guarantee.

If an Officer whose facsimile signature is on a Note or a notation of Guarantee no longer holds that office at the time the Trustee authenticates the Note on which the Guarantee is endorsed, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Reference Entity.

Section 13.03. *Limitation of Reference Entity's Liability; Certain Bankruptcy Events* . The Reference Entity, and by its acceptance hereof each Holder, hereby confirms that it is the intention of all such parties that the Guarantee Obligations of the Reference Entity pursuant to its Guarantee not constitute a fraudulent transfer or conveyance for purposes of any Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any other federal or state law. To effectuate the foregoing intention, the Holders and the Reference Entity hereby irrevocably agree that the Guarantee Obligations of the Reference Entity under this Article 13 shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of the Reference Entity, result in the Guarantee Obligations of the Reference Entity under the Guarantee not constituting a fraudulent transfer or fraudulent conveyance under any such laws.

Section 13.04. *Application of Certain Terms and Provisions to the Reference Entity* . (a) For purposes of any provision of this Indenture which provides for the delivery by the Reference Entity of an Officers' Certificate and/or an Opinion of Counsel, the definitions of such terms in Section 1.01 hereof shall apply to the Reference Entity as if references therein to the Company, as applicable, were references to the Reference Entity.

(b) Any request, direction, order or demand which by any provision of this Indenture is to be made by the Reference Entity shall be sufficient if evidenced as described in Section 17.03 hereof as if references therein to the Company were references to the Reference Entity.

(c) Any notice or demand which by any provision of this Indenture is required or permitted to be given or served by the Trustee or by the Holders of Notes to or on the Reference Entity may be given or served as described in Section 17.03 hereof as if references therein to the Company were references to the Reference Entity.

ARTICLE 14 EXCHANGE OF NOTES

Section 14.01 . *Exchange Privilege*. (a) Subject to and upon compliance with the provisions of this Article 14, each Holder of a Note shall have the right, at such Holder's option,

to exchange all or any portion (if the portion to be exchanged is \$1,000 principal amount or an integral multiple thereof (subject in all cases to the Representations of Purchasers)) of such Note (i) subject to satisfaction of the conditions described in Section 14.01(b), at any time prior to the close of business on the Business Day immediately preceding July 1, 2022 under the circumstances and during the periods set forth in Section 14.01(b), and (ii) regardless of the conditions described in Section 14.01(b), at any time during the period from, and including, July 1, 2022 to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, in each case, at an initial exchange rate of 6.5713 shares of Common Stock (subject to adjustment as provided in this Article 14, the “**Exchange Rate**”) per \$1,000 principal amount of Notes (subject to, and in accordance with, the settlement provisions of Section 14.02, the “**Exchange Obligation**”).

(b) (i) Prior to the close of business on the Business Day immediately preceding July 1, 2022, a Holder may surrender all or any portion of its Notes for exchange at any time during the five Business Day period after any five consecutive Trading Day period (the “**Measurement Period**”) in which the Trading Price per \$1,000 principal amount of Notes, as determined following a request by a Holder of Notes in accordance with this subsection (b)(i), for each Trading Day of the Measurement Period was less than 98% of the product of the Last Reported Sale Price of the Common Stock on each such Trading Day and the Exchange Rate on each such Trading Day. The Trading Prices shall be determined by the Bid Solicitation Agent pursuant to this subsection (b)(i) and the definition of Trading Price set forth in this Indenture. The Company shall provide written notice to the Bid Solicitation Agent (if other than the Company) of the three independent nationally recognized securities dealers selected by the Company pursuant to the definition of Trading Price, along with appropriate contact information for each. The Bid Solicitation Agent (if other than the Company) shall have no obligation to determine the Trading Price per \$1,000 principal amount of Notes unless the Company has requested such determination, and the Company shall have no obligation to make such request (or, if the Company is acting as Bid Solicitation Agent, the Company shall have no obligation to determine the Trading Price per \$1,000 principal amount of Notes) unless a Holder provides the Company with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes on any Trading Day would be less than 98% of the product of the Last Reported Sale Price of the Common Stock on such Trading Day and the Exchange Rate on such Trading Day, at which time the Company shall instruct the Bid Solicitation Agent (if other than the Company) to determine, or if the Company is acting as Bid Solicitation Agent, the Company shall determine, the Trading Price per \$1,000 principal amount of Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price per \$1,000 principal amount of Notes is greater than or equal to 98% of the product of the Last Reported Sale Price of the Common Stock and the Exchange Rate. If (x) the Company is not acting as Bid Solicitation Agent, and the Company does not instruct the Bid Solicitation Agent to determine the Trading Price per \$1,000 principal amount of Notes when obligated as provided in the preceding sentence, or if the Company instructs the Bid Solicitation Agent to obtain bids and the Bid Solicitation Agent fails to make such determination and the Company does not then replace the Bid Solicitation Agent, including by acting as Bid Solicitation Agent, and such replacement Bid Solicitation Agent does not make such determination, or (y) the Company is acting as Bid Solicitation Agent and the Company fails to make such determination when obligated as provided in the preceding sentence, then, in

either case, the Trading Price per \$1,000 principal amount of Notes shall be deemed to be less than 98% of the product of the Last Reported Sale Price of the Common Stock and the Exchange Rate on each Trading Day of such failure. If the Trading Price condition set forth above has been met, the Company shall so notify the Holders, the Trustee and the Exchange Agent (if other than the Trustee). If, at any time after the Trading Price condition set forth above has been met, the Trading Price per \$1,000 principal amount of Notes is greater than or equal to 98% of the product of the Last Reported Sale Price of the Common Stock and the Exchange Rate for such date, the Company shall so notify the Holders of the Notes, the Trustee and the Exchange Agent (if other than the Trustee).

(ii) If, prior to the close of business on the Business Day immediately preceding July 1, 2022, the Reference Entity elects to:

(A) issue to all or substantially all holders of the Common Stock any rights, options or warrants (other than pursuant to a stockholder rights or similar plan, so long as such rights have not separated from the shares of the Common Stock at the time of such issuance) entitling them, for a period of not more than 45 calendar days after the announcement date of such issuance, to subscribe for or purchase shares of the Common Stock at a price per share that is less than the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance; or

(B) distribute to all or substantially all holders of the Common Stock the Reference Entity's assets, securities or rights to purchase the Reference Entity's securities, which distribution has a value per share of Common Stock, as reasonably determined by the Reference Entity's Board of Directors, exceeding 10% of the Last Reported Sale Price of the Common Stock on the Trading Day preceding the date of announcement for such distribution (*provided* that, for the avoidance of doubt, in no event shall a Split-Off be deemed such a distribution to all or substantially all holders of the Common Stock),

then, in either case, the Company must notify the Holders of the Notes (x) at least 45 Scheduled Trading Days prior to the Ex-Dividend Date for such issuance or distribution or (y) at least 10 Scheduled Trading Days prior to the Ex-Dividend Date for such issuance or distribution; *provided* that, if the Company provides such notice in accordance with this clause (y) but not in accordance with clause (x), notwithstanding anything to the contrary under any other provision of this Indenture, the Company shall be required to settle all exchanges of Notes with an Exchange Date occurring during the period from, and including, the date of such notice to, and including, the Record Date for such issuance or distribution (or the date of the Reference Entity's public announcement that such issuance or distribution will not take place) through Physical Settlement, and the Company shall so notify the Holders of such required Settlement Method in such notice. Once the Company has given such notice, Holders may surrender all or any portion of their Notes for exchange at any time until the earlier of the close of business on the Business Day immediately preceding the Ex-Dividend Date for such issuance or distribution and the

Reference Entity's announcement that it has determined not to proceed with such issuance or distribution, even if the Notes are not otherwise exchangeable at such time. No Holder may exercise this right to exchange if the Holder is otherwise entitled to participate, at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Notes, in the issuance or distribution described above without having to exchange their Notes as if they held a number of shares of Common Stock equal to the Exchange Rate, *multiplied by* the principal amount (expressed in thousands) of Notes held by such Holder.

(iii) If a transaction or event that constitutes a Fundamental Change or a Make-Whole Fundamental Change occurs prior to the close of business on the Business Day immediately preceding July 1, 2022, regardless of whether a Holder has the right to require the Company to repurchase the Notes pursuant to Section 15.02, or if the Reference Entity is party to a consolidation, merger (including, for the avoidance of doubt, any Permitted HoldCo Transaction (other than a Permitted HoldCo Transaction in connection with a publicly announced Spin-Off, Split-Off or Share Election Merger) or Share Election Merger), binding share exchange, or transfer or lease of all or substantially all of the Reference Entity and its Subsidiaries' consolidated assets that occurs prior to the close of business on the Business Day immediately preceding July 1, 2022 (in each case, other than (x) (1) a Permitted HoldCo Transaction in connection with a publicly announced Spin-Off, Split-Off or Share Election Merger, (2) a Spin-Off or (3) a Split-Off that, in each case, does not constitute a Fundamental Change or a Make-Whole Fundamental Change or (y) a transaction that is effected solely to change the Company's or the Reference Entity's jurisdiction of incorporation), in each case, pursuant to which the Common Stock would be converted into cash, securities or other assets, all or any portion of a Holder's Notes may be surrendered for exchange at any time from or after the date that is 45 Scheduled Trading Days prior to the anticipated effective date of such transaction (or, if later, (i) at any time from or after the earlier of (x) the Business Day after the date that the Company gives notice of such transaction and (y) the actual effective date of such transaction; or (ii) in the case of a Fundamental Change or a Make-Whole Fundamental Change that is a Tax Extinguishment Event but would not otherwise result in the Notes becoming exchangeable pursuant to this Section 14.01(b)(iii), at any time from or after the date of such Tax Extinguishment Event) until the earlier of (i) the Reference Entity's public announcement prior to the effective date of such transaction that it has determined not to proceed with such transaction and (ii) the close of business on the 35th Trading Day after the effective date of such transaction or, if such transaction also constitutes a Fundamental Change, until the related Fundamental Change Repurchase Date. The Company must notify Holders, the Trustee and the Exchange Agent (if other than the Trustee) of the anticipated effective date of any such transaction (i) (x) at least 45 Scheduled Trading Days prior to the anticipated effective date of such transaction or (y) at least 10 Scheduled Trading Days prior to the anticipated effective date of such transaction; *provided* that, if the Company provides such notice in accordance with clause (y) but not in accordance with clause (x), notwithstanding anything to the contrary under any other provision of this Indenture, the Company shall be required to settle all exchanges of Notes with an Exchange Date occurring during the period from, and including, the date of such notice until the effective date of such

transaction through Physical Settlement, and the Company shall so notify the Holders of such required Settlement Method in such notice, or (ii) if no Officer of the Company or the Reference Entity has knowledge of such transaction on or prior to the date that is 10 Scheduled Trading Days immediately preceding the anticipated effective date of such transaction, within three Business Days of the first date upon which an Officer of the Company or the Reference Entity receives notice, or otherwise becomes aware, of such transaction, but in no event later than the actual effective date of such transaction; *provided further* that if such transaction constitutes a Fundamental Change or a Make-Whole Fundamental Change solely pursuant to clause (c) of the definition of “Fundamental Change”, then this sentence shall not apply, and notice shall be provided solely pursuant to the provisions hereunder regarding Tax Notices.

(iv) Prior to the close of business on the Business Day immediately preceding July 1, 2022, a Holder may surrender all or any portion of its Notes for exchange at any time during any calendar quarter commencing after the calendar quarter ending on December 31, 2017 (and only during such calendar quarter), if the Last Reported Sale Price of the Common Stock for at least 20 Trading Days (whether or not consecutive) during the period of 30 consecutive Trading Days ending on, and including, the last Trading Day of the immediately preceding calendar quarter is greater than or equal to 130% of the Exchange Price on each applicable Trading Day. The Exchange Agent, on behalf of the Company, shall determine at the beginning of each calendar quarter commencing after December 31, 2017 whether the Notes may be surrendered for exchange in accordance with this clause (iv) and shall notify the Company and the Trustee if the Notes become exchangeable in accordance with this clause (iv).

(v) If the Company calls the Notes for Optional Redemption pursuant to Article 16 prior to the close of business on the Business Day immediately preceding July 1, 2022, then a Holder may surrender all or any portion of its Notes for exchange at any time after the Company delivers the Redemption Notice until the close of business on the Scheduled Trading Day immediately preceding the Redemption Date, even if the Notes are not otherwise exchangeable at such time. After that time, the right to exchange the Notes on account of the Company’s delivery of the Redemption Notice shall expire, unless the Company defaults in the payment of the Redemption Price, in which case a Holder of Notes may exchange all or any portion of its Notes until the Scheduled Trading Day immediately preceding the date on which the Redemption Price has been paid or duly provided for. In respect of any exchange of Notes for which the relevant Notice of Exchange is received by the Exchange Agent from, and including, the date of the Redemption Notice until the close of business on the Scheduled Trading Day immediately preceding the relevant Redemption Date, the Company must elect to settle such exchange through Cash Settlement or Combination Settlement with a Specified Dollar Amount per \$1,000 principal amount of Notes of at least the Redemption Cash Amount, and the Company shall not have the right to elect to settle such exchange through Physical Settlement or Combination Settlement with a Specified Dollar Amount per \$1,000 principal amount of Notes of less than the Redemption Cash Amount.

Section 14.02 . *Exchange Procedure; Settlement Upon Exchange.*

(a) Subject to this Section 14.02, Section 14.01(b)(ii), Section 14.01(b)(iii), Section 14.01(b)(v), Section 14.03(b) and Section 14.07(a) and other than in connection with a Tax Extinguishment Event as set forth under Section 4.09(a), upon exchange of any Note, the Company shall, at its option, pay or deliver (or cause the payment or delivery of), as the case may be, to the exchanging Holder, in respect of each \$1,000 principal amount of Notes being exchanged, cash (“**Cash Settlement**”), shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 14.02 (“**Physical Settlement**”) or a combination of cash and shares of Common Stock, together with cash, if applicable, in lieu of delivering any fractional share of Common Stock in accordance with subsection (j) of this Section 14.02 (“**Combination Settlement**”), at its election, as set forth in this Section 14.02.

(i) All exchanges for which the relevant Exchange Date occurs on or after July 1, 2022 shall be settled using the same Settlement Method, and all exchanges for which the relevant Exchange Date occurs after the Company’s issuance of a Redemption Notice and prior to the related Redemption Date shall be settled using the same Settlement Method.

(ii) Except for any exchanges for which the relevant Exchange Date occurs after the Company’s issuance of a Redemption Notice but prior to the related Redemption Date and any exchanges for which the relevant Exchange Date occurs on or after July 1, 2022, the Company shall use the same Settlement Method for all exchanges with the same Exchange Date, but the Company shall not have any obligation to use the same Settlement Method with respect to exchanges with different Exchange Dates.

(iii) If, in respect of any Exchange Date (or the period described in the third immediately succeeding set of parentheses, as the case may be), the Company elects to deliver a notice (the “**Settlement Notice**”) of the relevant Settlement Method in respect of such Exchange Date (or such period, as the case may be), the Company, through the Trustee, shall deliver such Settlement Notice to exchanging Holders no later than the close of business on the second Trading Day immediately following the related Exchange Date (or, in the case of any exchanges for which the relevant Exchange Date occurs (x) after the date of issuance of a Redemption Notice and prior to the related Redemption Date, in such Redemption Notice or (y) on or after July 1, 2022, no later than July 1, 2022). Such Settlement Notice shall specify the relevant Settlement Method and in the case of an election of Combination Settlement, the relevant Settlement Notice shall indicate the Specified Dollar Amount per \$1,000 principal amount of Notes. If the Company does not elect a Settlement Method prior to the deadline set forth in the second immediately preceding sentence, the Company shall no longer have the right to elect Cash Settlement or Physical Settlement and the Company shall be deemed to have elected Combination Settlement in respect of its Exchange Obligation, and the Specified Dollar Amount per \$1,000 principal amount of Notes shall be equal to \$1,000. If the Company delivers a Settlement Notice electing Combination Settlement in respect of its

Exchange Obligation but does not indicate a Specified Dollar Amount per \$1,000 principal amount of Notes in such Settlement Notice, the Specified Dollar Amount per \$1,000 principal amount of Notes shall be deemed to be \$1,000. Notwithstanding the immediately preceding two sentences, in respect of any exchange of Notes for which the relevant Notice of Exchange is received by the Exchange Agent from, and including, the date of any Redemption Notice until the close of business on the Scheduled Trading Day immediately preceding the relevant Redemption Date, the Company must elect to settle such exchange in accordance with Section 14.01(b)(v).

(iv) The cash, shares of Common Stock or combination of cash and shares of Common Stock in respect of any exchange of Notes (the “**Settlement Amount**”) shall be computed as follows:

(A) if the Company elects (or is deemed to have elected) to satisfy its Exchange Obligation in respect of such exchange by Physical Settlement, the Company shall deliver or cause to be delivered to the exchanging Holder in respect of each \$1,000 principal amount of Notes being exchanged a number of shares of Common Stock equal to the Exchange Rate in effect on the Exchange Date;

(B) if the Company elects (or is deemed to have elected) to satisfy its Exchange Obligation in respect of such exchange by Cash Settlement, the Company shall pay or cause to be paid to the exchanging Holder in respect of each \$1,000 principal amount of Notes being exchanged cash in an amount equal to the sum of the Daily Exchange Values for each of the 40 consecutive Trading Days during the applicable Observation Period; and

(C) if the Company elects (or is deemed to have elected) to satisfy its Exchange Obligation in respect of such exchange by Combination Settlement, the Company shall pay or deliver or cause the payment or delivery of, as the case may be, to the exchanging Holder in respect of each \$1,000 principal amount of Notes being exchanged, a Settlement Amount equal to the sum of the Daily Settlement Amounts for each of the 40 consecutive Trading Days during the applicable Observation Period.

(v) The Daily Settlement Amounts (if applicable) and the Daily Exchange Values (if applicable) shall be determined by the Company promptly following the last day of the Observation Period. Promptly after such determination of the Daily Settlement Amounts or the Daily Exchange Values, as the case may be, and the amount of cash payable in lieu of delivering any fractional share of Common Stock, the Company shall notify the Trustee and the Exchange Agent (if other than the Trustee) of the Daily Settlement Amounts or the Daily Exchange Values, as the case may be, and the amount of cash payable in lieu of delivering fractional shares of Common Stock. The Trustee and the Exchange Agent (if other than the Trustee) shall have no responsibility for any such determination.

(b) Before any Holder of a Note shall be entitled to exchange a Note as set forth above, such Holder shall (i) in the case of a Global Note, comply with the procedures of the Depositary in effect at that time and, if required, pay funds equal to interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 14.02(h) and, if required, pay all transfer or similar taxes, if any, as set forth in Section 14.02(e) and (ii) in the case of a Physical Note (1) complete, manually sign and deliver an irrevocable notice to the Exchange Agent as set forth in the Form of Notice of Exchange (or a facsimile thereof) (a “**Notice of Exchange**”) at the office of the Exchange Agent and state in writing therein the principal amount of Notes to be exchanged and the name or names (with addresses) in which such Holder wishes the certificate or certificates for any shares of Common Stock to be delivered upon settlement of the Exchange Obligation to be registered, (2) surrender such Notes, duly endorsed to the Company or in blank (and accompanied by appropriate endorsement and transfer documents), at the office of the Exchange Agent, (3) if required, furnish appropriate endorsements and transfer documents, (4) if required, pay funds equal to the interest payable on the next Interest Payment Date to which such Holder is not entitled as set forth in Section 14.02(h) and (5) if required, pay all transfer or similar taxes, if any, as set forth in Section 14.02(e). The Trustee (and if different, the Exchange Agent) shall notify the Company of any exchange pursuant to this Article 14 on the Exchange Date for such exchange. No Notice of Exchange with respect to any Notes may be surrendered by a Holder thereof if such Holder has also delivered a Fundamental Change Repurchase Notice to the Company in respect of such Notes and has not validly withdrawn such Fundamental Change Repurchase Notice in accordance with Section 15.03.

If more than one Note shall be surrendered for exchange at one time by the same Holder, the Exchange Obligation with respect to such Notes shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted thereby) so surrendered.

(c) A Note shall be deemed to have been exchanged immediately prior to the close of business on the date (the “**Exchange Date**”) that the Holder has complied with the requirements set forth in Section 14.02(b). Except as set forth in Section 14.03(b) and Section 14.07(a), the Company shall pay or deliver, as the case may be, the consideration due in respect of the Exchange Obligation on the third Business Day immediately following the relevant Exchange Date, if the Company elects (or is deemed to have elected) Physical Settlement, or on the third Business Day immediately following the last Trading Day of the relevant Observation Period, in the case of any other Settlement Method. If any shares of Common Stock are due to an exchanging Holder, the Company shall deliver or cause to be delivered to the Exchange Agent or to such Holder, or such Holder’s nominee or nominees, the full number of shares of Common Stock to which such Holder shall be entitled, in book-entry format through the Depositary, in satisfaction of the Company’s Exchange Obligation.

(d) In case any Note shall be surrendered for partial exchange, the Company shall execute and the Trustee shall authenticate and deliver to or upon the written order of the Holder of the Note so surrendered a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unexchanged portion of the surrendered Note, without payment of

any service charge by the exchanging Holder but, if required by the Company or Trustee, with payment of a sum sufficient to cover any documentary, stamp or similar issue or transfer tax or similar governmental charge required by law or that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such exchange being different from the name of the Holder of the old Notes surrendered for such exchange.

(e) If a Holder submits a Note for exchange, the Company shall pay any documentary, stamp or similar issue or transfer tax on the delivery of any shares of Common Stock upon exchange, unless the tax is due because the Holder requests such shares to be delivered in a name other than the Holder's name, in which case the Holder shall pay the tax. The Exchange Agent may refuse to deliver the certificates representing the shares of Common Stock being delivered in a name other than the Holder's name until the Trustee receives a sum sufficient to pay any tax that is due by such Holder in accordance with the immediately preceding sentence.

(f) Except as provided in Section 14.04, no adjustment shall be made for dividends on any shares of Common Stock delivered upon the exchange of any Note as provided in this Article 14.

(g) Upon the exchange of an interest in a Global Note, the Trustee, or the Custodian at the direction of the Trustee, shall make a notation on such Global Note as to the reduction in the principal amount represented thereby. The Company shall notify the Trustee in writing of any exchange of Notes effected through any Exchange Agent other than the Trustee.

(h) Upon exchange, a Holder shall not receive any additional cash payment or additional shares of Common Stock representing accrued and unpaid interest, if any, except as set forth below. The Company's settlement of the full Exchange Obligation shall be deemed to satisfy in full its obligation to pay the principal amount of the Note and accrued and unpaid interest, if any, to, but excluding, the relevant Exchange Date. As a result, accrued and unpaid interest, if any, to, but excluding, the relevant Exchange Date shall be deemed to be paid in full rather than cancelled, extinguished or forfeited. Upon an exchange of Notes into a combination of cash and shares of Common Stock, accrued and unpaid interest will be deemed to be paid first out of the cash paid upon such exchange. Notwithstanding the foregoing, if Notes are exchanged after the close of business on a Regular Record Date, Holders of such Notes as of the close of business on such Regular Record Date will receive the full amount of interest payable on such Notes on the corresponding Interest Payment Date notwithstanding the exchange. Notes surrendered for exchange during the period from the close of business on any Regular Record Date to the open of business on the immediately following Interest Payment Date must be accompanied by funds equal to the amount of interest payable on the Notes so exchanged; *provided* that no such payment shall be required (1) for exchanges following the Regular Record Date immediately preceding the Maturity Date; (2) if the Company has specified a Redemption Date that is after a Regular Record Date and on or prior to the Business Day immediately following the corresponding Interest Payment Date; (3) if the Company has specified a Fundamental Change Repurchase Date that is after a Regular Record Date and on or prior to the Business Day immediately following the corresponding Interest Payment Date; or (4) to the extent of any Defaulted Amounts, if any Defaulted Amounts exists at the time of exchange with

respect to such Note. Therefore, for the avoidance of doubt, all Holders of record on the Regular Record Date immediately preceding the Maturity Date or the Redemption Date, as the case may be, shall receive the full interest payment due on the Maturity Date or the Redemption Date, as applicable, in cash regardless of whether their Notes have been exchanged following such Regular Record Date.

(i) The Person in whose name the shares of Common Stock shall be deliverable upon exchange shall be treated as a stockholder of record as of the close of business on the relevant Exchange Date (if the Company elects to satisfy the related Exchange Obligation by Physical Settlement) or the last Trading Day of the relevant Observation Period (if the Company elects to satisfy the related Exchange Obligation by Combination Settlement), as the case may be. Upon an exchange of Notes, such Person shall no longer be a Holder of such Notes surrendered for exchange.

(j) The Company shall not deliver any fractional share of Common Stock upon any exchange of the Notes and shall instead pay cash in lieu of delivering any fractional share of Common Stock deliverable upon exchange based on the Daily VWAP for the relevant Exchange Date (in the case of Physical Settlement) or based on the Daily VWAP for the last Trading Day of the relevant Observation Period (in the case of Combination Settlement). For each Note surrendered for exchange, if the Company has elected Combination Settlement, the full number of shares that shall be delivered upon exchange thereof shall be computed on the basis of the aggregate Daily Settlement Amounts for the relevant Observation Period and any fractional shares remaining after such computation shall be paid in cash.

Section 14.03 . *Increased Exchange Rate Applicable to Certain Notes Surrendered in Connection with Make-Whole Fundamental Changes or a Redemption Notice.* (a) If (i) the Effective Date of a Make-Whole Fundamental Change occurs prior to the Maturity Date or (ii) the Company gives a Redemption Notice pursuant to Section 16.02 and, in each case, a Holder elects to exchange its Notes in connection with such Make-Whole Fundamental Change or Redemption Notice, as applicable, the Company shall, under the circumstances described below, increase the Exchange Rate for the Notes so surrendered for exchange by a number of additional shares of Common Stock (the “ **Additional Shares** ”), as described below. An exchange of Notes shall be deemed for these purposes to be “in connection with” such Make-Whole Fundamental Change if the relevant Notice of Exchange is received by the Exchange Agent from, and including, the Effective Date of the Make-Whole Fundamental Change up to, and including, the Business Day immediately prior to the related Fundamental Change Repurchase Date (or, in the case of a Make-Whole Fundamental Change that would have been a Fundamental Change but for clause (x) of the *proviso* in clause (b) of the definition thereof, the 35th Trading Day immediately following the Effective Date of such Make-Whole Fundamental Change) (such period, the “ **Make-Whole Fundamental Change Period** ”). An exchange of Notes shall be deemed for these purposes to be “in connection with” a Redemption Notice if the Notice of Exchange of the Notes is received by the Exchange Agent from, and including, the date of the Redemption Notice until the close of business on the Scheduled Trading Day immediately preceding the Redemption Date.

(b) Upon surrender of Notes for exchange in connection with a Make-Whole Fundamental Change pursuant to Section 14.01(b)(iii) or a Redemption Notice pursuant to Section 14.01(b)(v), the Company shall, at its option, satisfy the related Exchange Obligation by Physical Settlement, Cash Settlement or Combination Settlement in accordance with, and subject to, Section 14.02; *provided, however*, that if, at the effective time of a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Reference Property following such Make-Whole Fundamental Change is composed entirely of cash, for any exchange of Notes following the Effective Date of such Make-Whole Fundamental Change, the Exchange Obligation shall be calculated based solely on the Stock Price for the transaction and shall be deemed to be an amount of cash per \$1,000 principal amount of exchanged Notes equal to the Exchange Rate (including any increase to reflect the Additional Shares), *multiplied by* such Stock Price. In such event, the Exchange Obligation shall be paid to Holders in cash on the third Business Day following the Exchange Date. The Company shall notify the Holders of Notes of the Effective Date of any Make-Whole Fundamental Change no later than five Business Days after such Effective Date.

(c) The number of Additional Shares, if any, by which the Exchange Rate shall be increased shall be determined by reference to the table below, based on the date on which the Make-Whole Fundamental Change occurs or becomes effective, or the date of the Redemption Notice, as the case may be (in each case, the “ **Effective Date** ”), and the price paid (or deemed to be paid) per share of the Common Stock in the Make-Whole Fundamental Change or the “Stock Price” (as determined in the second immediately following sentence) on the date of the Redemption Notice, as the case may be (the “ **Stock Price** ”). If the holders of the Common Stock receive in exchange for their Common Stock only cash in a Make-Whole Fundamental Change described in clause (b) of the definition of Fundamental Change, the Stock Price shall be the cash amount paid per share. Otherwise, the Stock Price shall be the average of the Last Reported Sale Prices of the Common Stock over the five Trading Day period ending on, and including, the Trading Day immediately preceding the Effective Date of the Make-Whole Fundamental Change or the date of the Redemption Notice, as the case may be. The Company’s Board of Directors shall make appropriate adjustments to the Stock Price, in its good faith determination, to account for any adjustment to the Exchange Rate that becomes effective, or any event requiring an adjustment to the Exchange Rate where the Ex-Dividend Date, Split/Combination Effective Date or expiration date of the event occurs during such five consecutive Trading Day period.

(d) The Stock Prices set forth in the column headings of the table below shall be adjusted as of any date on which the Exchange Rate of the Notes is otherwise adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, *multiplied by* a fraction, the numerator of which is the Exchange Rate immediately prior to such adjustment giving rise to the Stock Price adjustment and the denominator of which is the Exchange Rate as so adjusted. The number of Additional Shares set forth in the table below shall be adjusted in the same manner and at the same time as the Exchange Rate as set forth in Section 14.04.

(e) The following table sets forth the number of Additional Shares by which the Exchange Rate shall be increased per \$1,000 principal amount of Notes pursuant to this Section 14.03 for each Stock Price and Effective Date set forth below:

The exact Stock Prices and Effective Dates may not be set forth in the table above, in which case:

(i) if the Stock Price is between two Stock Prices in the table above or the Effective Date is between two Effective Dates in the table, the number of Additional Shares by which the Exchange Rate shall be increased shall be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Prices and the earlier and later Effective Dates, as applicable, based on a 365-day year or 366-day year, as applicable;

(ii) if the Stock Price is greater than \$400.00 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to Section 14.03(d)), no Additional Shares shall be added to the Exchange Rate; and

(iii) if the Stock Price is less than \$114.88 per share (subject to adjustment in the same manner as the Stock Prices set forth in the column headings of the table above pursuant to Section 14.03(d)), no Additional Shares shall be added to the Exchange Rate.

Notwithstanding the foregoing, in no event shall the Exchange Rate per \$1,000 principal amount of Notes exceed 8.7047 shares of Common Stock (the “**Maximum Exchange Rate**”), subject to adjustment in the same manner as the Exchange Rate pursuant to Section 14.04.

(f) Nothing in this Section 14.03 shall prevent an adjustment to the Exchange Rate pursuant to Section 14.04 in respect of a Make-Whole Fundamental Change.

Section 14.04. *Adjustment of Exchange Rate.* The Exchange Rate shall be adjusted from time to time by the Company if any of the following events occurs, except that the Company shall not make any adjustments to the Exchange Rate if Holders of the Notes are entitled to participate (other than in the case of (x) a Share Election Merger, (y) a share split or share combination or (z) a tender or exchange offer), at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Notes, in any of the transactions described in this Section 14.04, without having to exchange their Notes, as if they

held a number of shares of Common Stock equal to the Exchange Rate, *multiplied by* the principal amount (expressed in thousands) of Notes held by such Holder.

(a) If the Reference Entity exclusively issues shares of Common Stock as a dividend or distribution on shares of the Common Stock, or if the Reference Entity effects a share split or share combination, the Exchange Rate shall be adjusted based on the following formula:

$$ER' = ER_0 \times \frac{OS'}{OS_0}$$

where,

ER₀ = the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date of such dividend or distribution, or immediately prior to the open of business on the Split/Combination Effective Date of such share split or share combination, as applicable;

ER' = the Exchange Rate in effect immediately after the open of business on such Ex-Dividend Date or Split/Combination Effective Date;

OS₀ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date or Split/Combination Effective Date (before giving effect to any such dividend, distribution, split or combination); and

OS' = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 14.04(a) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately after the open of business on the Split/Combination Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 14.04(a) is declared but not so paid or made, the Exchange Rate shall be immediately readjusted, effective as of the date the Reference Entity determines not to pay such dividend or distribution, to the Exchange Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Reference Entity issues to all or substantially all holders of the Common Stock any rights, options or warrants (other than pursuant to a stockholder rights or similar plan) entitling them, for a period of not more than 45 calendar days after the announcement date of such issuance, to subscribe for or purchase shares of the Common Stock at a price per share that is less than the average of the Last Reported Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance, the Exchange Rate shall be increased based on the following formula:

$$ER' = ER_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

- ER₀ = the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such issuance;
- ER' = the Exchange Rate in effect immediately after the open of business on such Ex-Dividend Date;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the open of business on such Ex-Dividend Date;
- X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and
- Y = the number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, *divided by* the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of the issuance of such rights, options or warrants (the “**Rights Distribution Period**”).

Any increase made under this Section 14.04(b) shall be made successively whenever any such rights, options or warrants are issued and shall become effective immediately after the open of business on the Ex-Dividend Date for such issuance. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of the Common Stock are not delivered after the expiration of such rights, options or warrants, the Exchange Rate shall be decreased to the Exchange Rate that would then be in effect had the increase with respect to the issuance of such rights, options or warrants under this Section 14.04(b) been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so issued or if no such right, option or warrant is exercised prior to its expiration, the Exchange Rate shall be decreased to the Exchange Rate that would then be in effect if such Ex-Dividend Date for such issuance had not occurred.

For purposes of this Section 14.04(b) and for the purpose of Section 14.01(b)(ii)(A), in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of the Common Stock at less than such average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance, and in determining the aggregate offering price of such shares of Common Stock, there shall be taken into account any consideration received by the Reference Entity for such rights, options or warrants and any amount payable on exercise or conversion or exchange thereof, the value of

such consideration, if other than cash, to be determined by the Company in good faith and in a commercially reasonable manner.

(c) If the Reference Entity distributes shares of its Capital Stock, evidences of its indebtedness, other assets or property of the Reference Entity or rights, options or warrants (other than pursuant to a stockholder rights or similar plan, so long as the rights have not separated from the shares of the Common Stock at the time of such distribution) to acquire its Capital Stock or other securities, to all or substantially all holders of the Common Stock, excluding (i) dividends, distributions or issuances as to which an adjustment was effected pursuant to Section 14.04(a) or Section 14.04(b), (ii) dividends or distributions paid exclusively in cash as to which the provisions set forth in Section 14.04(d) shall apply, (iii) a Forward Spin-Off, as to which the provisions set forth further below in Section 14.04(c)(i) shall apply, (iv) a Reverse Spin-Off, as to which the provisions set forth further below in Section 14.04(c)(ii) shall apply and (v) any payment in respect of a tender or exchange offer for the Common Stock as to which the provisions set forth in Section 14.04(e)(i) and/or Section 14.04(e)(ii) apply (any of such shares of Capital Stock, evidences of indebtedness, other assets or property or rights, options or warrants to acquire Capital Stock or other securities, the “**Distributed Property**”), then the Exchange Rate shall be increased based on the following formula:

$$ER' = ER_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

ER₀ = the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

ER' = the Exchange Rate in effect immediately after the open of business on such Ex-Dividend Date;

SP₀ = the average of the Last Reported Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution (the “**Non-Cash Distribution Period**”); and

FMV = the fair market value (as determined by the Company in good faith and in a commercially reasonable manner) of the Distributed Property with respect to each outstanding share of the Common Stock on the Ex-Dividend Date for such distribution.

Any increase made under this Section 14.04(c) pursuant to the adjustments set forth above shall become effective immediately after the open of business on the Ex-Dividend Date for such distribution. If such distribution is not so paid or made, the Exchange Rate shall be decreased to the Exchange Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP₀” (as

defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, in respect of each \$1,000 principal amount thereof, at the same time and upon the same terms as holders of the Common Stock the amount and kind of Distributed Property that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date for the distribution. If the Company determines the “FMV” (as defined above) of any distribution for purposes of this Section 14.04(c) by reference to the actual or when-issued trading market for any securities, it shall in doing so consider the prices in such market over the same period used in computing the Last Reported Sale Prices of the Common Stock over the Non-Cash Distribution Period.

(i) With respect to an adjustment pursuant to this Section 14.04(c) where the Reference Entity makes a payment of a dividend or other distribution on the Common Stock of, or otherwise distributes in respect of the Common Stock (in each case however effected, including by way of recapitalization, merger or otherwise, but excluding any Split-Off or Share Election Merger), shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Reference Entity, that are, or, when issued, will be (including after giving effect to any automatic conversion, automatic exchange or automatic reclassification of Capital Stock paid or distributed in such transaction and outstanding for a period of not more than one Trading Day), listed or admitted for trading on a U.S. national securities exchange, other than a Reverse Spin-Off (a “**Forward Spin-Off**”), the Exchange Rate shall be increased based on the following formula:

$$ER' = ER_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

ER₀ = the Exchange Rate in effect immediately prior to the end of the Forward Spin-Off Valuation Period;

ER' = the Exchange Rate in effect immediately after the end of the Forward Spin-Off Valuation Period;

FMV₀ = the average of the Last Reported Sale Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock over the first 20 consecutive Trading Day period after, and including, the Ex-Dividend Date of the Forward Spin-Off (the “**Forward Spin-Off Valuation Period**”); and

MP₀ = the average of the Last Reported Sale Prices of the Common Stock over the Forward Spin-Off Valuation Period.

The increase to the Exchange Rate under this Section 14.04(c)(i) shall occur at the close of business on the last Trading Day of the Forward Spin-Off Valuation Period; *provided that* (x)

in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Forward Spin-Off Valuation Period, reference to “20” in the definition of “Forward Spin-Off Valuation Period” shall be deemed replaced with such lesser number of Trading Days as have elapsed between the Ex-Dividend Date for such Forward Spin-Off and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Forward Spin-Off Valuation Period, reference to “20” in the definition of “Forward Spin-Off Valuation Period” shall be deemed replaced with such lesser number of Trading Days as have elapsed between the Ex-Dividend Date for such Forward Spin-Off and such Trading Day in determining the Exchange Rate as of such Trading Day.

(ii) With respect to an adjustment pursuant to this Section 14.04(c) where (A) the Reference Entity makes a payment of a dividend or other distribution on the Common Stock of, or otherwise distributes in respect of the Common Stock (in each case however effected, including by way of recapitalization, merger or otherwise, but excluding any Split-Off or Share Election Merger), shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Reference Entity (“**SpinCo**”), that are, or, when issued, will be (including after giving effect to any automatic conversion, automatic exchange or automatic reclassification of Capital Stock paid or distributed in such transaction and outstanding for a period of not more than one Trading Day), listed or admitted for trading on a U.S. national securities exchange and (B) the Company is SpinCo or, immediately following the consummation of such transaction, the Company will be a Wholly Owned Subsidiary of SpinCo (such transaction, a “**Reverse Spin-Off**” and, together with a Forward Spin-Off, a “**Spin-Off**”), then:

(A) if, upon consummation of the relevant Reverse Spin-Off (including after giving effect to any automatic conversion, automatic exchange or automatic reclassification of Capital Stock paid or distributed in such Reverse Spin-Off and outstanding for a period of not more than one Trading Day) (1) the Company is then a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, (2) at least one class of SpinCo common stock will be registered under the Exchange Act, (3) each class of SpinCo Capital Stock distributed by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock is or, when issued, will be common stock that is listed or admitted for trading on any of The New York Stock Exchange, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors), (4) immediately following such consummation, at least 50% of the outstanding shares of each class of SpinCo common stock distributed by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Reverse Spin-Off will be beneficially owned by persons or entities other than the entity that is the Reference Entity immediately prior to such consummation and such entity’s affiliates (as such term is defined in Rule 144),

(5) SpinCo, if the Company is not SpinCo, guarantees, on a senior unsecured basis, the Company's obligations under the Notes and this Indenture and enters into a joinder agreement to the Registration Rights Agreement in accordance with the terms of the Registration Rights Agreement and (6) immediately following such Reverse Spin-Off, no Default or Event of Default has occurred and is continuing under this Indenture ((1) through (6) together, the “**Spin-Off Travel Conditions**”), (I) the existing Guarantee shall terminate, (II) the Notes shall become exchangeable for, or if the Company is SpinCo, convertible into, a basket (a “**Spin-Off Exchangeable Basket**”) composed of a number of shares of SpinCo common stock (or, if more than one class of SpinCo common stock is distributed by the Reference Entity to the holders of the Common Stock in such Reverse Spin-Off in respect of the Common Stock, a number of shares of each such class of SpinCo common stock) distributed by the Reference Entity in such Reverse Spin-Off applicable to one share of the Common Stock immediately prior to such Reverse Spin-Off, subject to the anti-dilution adjustment set forth in this Section 14.04(c)(ii)(A) and the provisions set forth under Section 14.02, (III) SpinCo shall become the Reference Entity, (IV) the Company, SpinCo (if the Company is not SpinCo) and the Trustee shall enter into a supplemental indenture to reflect any necessary modifications to the terms of the Notes (including, without limitation, to provide that the Notes are exchangeable for or convertible into the Spin-Off Exchangeable Baskets and to provide for anti-dilution and other adjustments that are as nearly equivalent as possible to the adjustments set forth under this Article 14) and (V) the Exchange Rate shall be adjusted based on the following formula:

$$ER' = ER_0 \times \frac{FMV_0 + MP_0}{FMV_0}$$

where,

ER_0 = the Exchange Rate in effect immediately prior to the end of the Reverse Spin-Off Valuation Period, which shall equal the Exchange Rate immediately preceding the Reverse Spin-Off;

ER' = the Exchange Rate (expressed as a number of Spin-Off Exchangeable Baskets) in effect immediately after the end of the Reverse Spin-Off Valuation Period;

FMV_0 = the sum of the products of, for each class of SpinCo common stock distributed to holders of the Common Stock and included in the Spin-Off Exchangeable Basket, (x) the average of the Last Reported Sale Prices of the shares of such class of SpinCo common stock distributed to holders of the Common Stock over the first 20 consecutive Trading Day period after, and including, the Ex-Dividend Date of the Reverse Spin-Off (the “**Reverse Spin-Off Valuation Period**”) and (y) the number of shares of such class of SpinCo common stock distributed to holders of the Common Stock per one share of Common Stock; and

MP₀ = the average of the Last Reported Sale Prices over the Reverse Spin-Off Valuation Period that is the Common Stock immediately prior to the Ex-Dividend Date of such Reverse Spin-Off; or

(B) if all of the Spin-Off Travel Conditions have not been satisfied in connection with such Reverse Spin-Off, (I) the existing Guarantee shall terminate, (II) the Reference Entity shall assume the Company's obligations as issuer under the Notes, this Indenture and the Registration Rights Agreement, (III) the Notes shall become convertible into (rather than exchangeable for) Common Stock, subject to the anti-dilution adjustment set forth in this subclause (B) and the provisions set forth under Section 14.02, (IV) the Company, the Reference Entity, and the Trustee shall enter into a supplemental indenture to reflect any necessary modifications to the terms of the Notes and (V) the conversion rate (which shall be in lieu of the Exchange Rate) shall be increased based on the following formula:

$$CR' = ER_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

ER₀ = the Exchange Rate in effect immediately prior to the end of the Reverse Spin-Off Valuation Period;

CR' = the conversion rate (which shall be in lieu of the Exchange Rate) in effect immediately after the end of the Reverse Spin-Off Valuation Period;

FMV₀ = the average of the Last Reported Sale Prices of the Capital Stock or similar equity interest distributed to holders of the Common Stock applicable to one share of the Common Stock over the Reverse Spin-Off Valuation Period; and

MP₀ = the average of the Last Reported Sale Prices of the Common Stock over the Reverse Spin-Off Valuation Period.

The adjustment to the Exchange Rate under Section 14.04(c)(ii)(A) shall occur at the close of business on the last Trading Day of the Reverse Spin-Off Valuation Period; *provided* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Reverse Spin-Off Valuation Period, reference to "20" in the definition of "Reverse Spin-Off Valuation Period" shall be deemed replaced with such lesser number of Trading Days as have elapsed between the Ex-Dividend Date for such Reverse Spin-Off and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Reverse Spin-Off Valuation Period, reference to "20" in the definition of "Reverse Spin-Off Valuation Period" shall be deemed replaced with such lesser number of Trading Days as have

elapsed between the Ex-Dividend Date for such Reverse Spin-Off and such Trading Day in determining the Exchange Rate as of such Trading Day.

The increase to the Exchange Rate under Section 14.04(c)(ii)(B) shall occur at the close of business on the last Trading Day of the Reverse Spin-Off Valuation Period; *provided* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Reverse Spin-Off Valuation Period, reference to “20” in the definition of “Reverse Spin-Off Valuation Period” shall be deemed replaced with such lesser number of Trading Days as have elapsed between the Ex-Dividend Date for such Reverse Spin-Off and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Reverse Spin-Off Valuation Period, reference to “20” in the definition of “Reverse Spin-Off Valuation Period” shall be deemed replaced with such lesser number of Trading Days as have elapsed between the Ex-Dividend Date for such Reverse Spin-Off and such Trading Day in determining the Exchange Rate as of such Trading Day.

In connection with any Spin-Off, the Company shall notify the Holders and the Trustee at least 10 Scheduled Trading Days prior to the actual Ex-Dividend Date for such Spin-Off if the Spin-Off will be a Forward Spin-Off or a Reverse Spin-Off. In addition, in connection with any Reverse Spin-Off, the Company shall notify the Holders and the Trustee (x) at least 10 Scheduled Trading Days prior to the proposed Ex-Dividend Date of such Reverse Spin-Off of such proposed Ex-Dividend Date and as to whether the Spin-Off Travel Conditions are expected to be satisfied, (y) at least five Business Days prior to the actual Ex-Dividend Date of such Reverse Spin-Off of such Ex-Dividend Date and whether the Spin-Off Travel Conditions will be satisfied and (z) at least 10 Scheduled Trading Days prior to the anticipated date of the consummation of such Reverse Spin-Off if the Company intends to treat such Reverse Spin-Off as a Tax Extinguishment (each of the notices described in this paragraph, a “**Spin-Off Notice**”).

If following the announcement of a Spin-Off a Holder exchanges their Notes at any time when the Common Stock is trading with due bills in respect of such Spin-Off, then, subject to Section 14.02 and Section 14.05, any shares of the Common Stock deliverable upon such exchange shall include such due bills.

For purposes of this Section 14.04(c) (and subject in all respect to Section 14.11), rights, options or warrants distributed by the Reference Entity to all holders of the Common Stock entitling them to subscribe for or purchase shares of the Reference Entity’s Capital Stock, including Common Stock (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events (“**Trigger Event**”): (i) are deemed to be transferred with such shares of the Common Stock; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Common Stock, shall be deemed not to have been distributed for purposes of this Section 14.04(c) (and no adjustment to the Exchange Rate under this Section 14.04(c) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Exchange Rate shall be made under this Section

14.04(c). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Indenture, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Ex-Dividend Date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Exchange Rate under this Section 14.04(c) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Exchange Rate shall be readjusted as if such rights, options or warrants had not been issued and (y) the Exchange Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Common Stock with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Common Stock as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Exchange Rate shall be readjusted as if such rights, options and warrants had not been issued.

(d) If the Reference Entity makes a cash dividend or distribution to all or substantially all holders of the Common Stock, the Exchange Rate shall be adjusted based on the following formula:

$$ER' = ER_0 \times \frac{SP_0}{SP_0 - C}$$

where,

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution;

ER' = the Exchange Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution;

SP_0 = the Last Reported Sale Price of the Common Stock on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Reference Entity distributes to all or substantially all holders of the Common Stock.

Any increase pursuant to this Section 14.04(d) shall become effective immediately after the open of business on the Ex-Dividend Date for such dividend or distribution. If such dividend or distribution is not so paid, the Exchange Rate shall be decreased, effective as of the date the Reference Entity's Board of Directors determines not to make or pay such dividend or distribution, to be the Exchange Rate that would then be in effect if such dividend or distribution had not been declared. Notwithstanding the foregoing, if "C" (as defined above) is equal to or greater than "SP₀" (as defined above), in lieu of the foregoing increase, each Holder of a Note shall receive, for each \$1,000 principal amount of Notes, at the same time and upon the same terms as holders of shares of the Common Stock, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Exchange Rate on the Ex-Dividend Date for such cash dividend or distribution.

(e) (i) If the Reference Entity or any of its Subsidiaries makes a payment in respect of a tender or exchange offer for the Common Stock (including, for the avoidance of doubt, in the case of a Reverse Split-Off), to the extent that the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Last Reported Sale Prices of the Common Stock over the 20 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Exchange Rate shall be increased based on the following formula:

$$ER' = ER_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where,

- ER₀ = the Exchange Rate in effect immediately prior to the close of business on the 20th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- ER' = the Exchange Rate in effect immediately after the close of business on the 20th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;
- AC = the aggregate value of all cash and any other consideration (as determined by the Company in good faith and in a commercially reasonable manner) paid or payable for shares of Common Stock purchased in such tender or exchange offer;
- OS₀ = the number of shares of Common Stock outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

OS' = the number of shares of Common Stock outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all shares accepted for purchase or exchange in such tender or exchange offer); and

SP' = the average of the Last Reported Sale Prices of the Common Stock over the 20 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires (the “ **Tender Offer Valuation Period** ”).

The increase to the Exchange Rate under this Section 14.04(e)(i) shall occur at the close of business on the 20th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; *provided* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Tender Offer Valuation Period, references to “20” or “20th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed between the expiration date of such tender or exchange offer and the Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Tender Offer Valuation Period, references to “20” or “20th” in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed between the expiration date of such tender or exchange offer and such Trading Day in determining the Exchange Rate as of such Trading Day.

(ii) If (A) the Reference Entity or any of its Subsidiaries makes a payment of solely equity interests of or relating to a Subsidiary or other business unit of the Reference Entity to the holders of the Common Stock in exchange for Common Stock pursuant to a tender or exchange offer for the Common Stock (such transaction, a “ **Split-Off** ” and such Subsidiary or business unit, “ **SplitCo** ”), (B) the Company is SplitCo or, immediately following the consummation of such transaction, the Company will be a Wholly Owned Subsidiary of SplitCo (such transaction, a “ **Reverse Split-Off** ”), (C) upon consummation of the relevant Reverse Split-Off (including after giving effect to any automatic conversion, automatic exchange or automatic reclassification of Capital Stock paid in such Reverse Split-Off and outstanding for a period of not more than one Trading Day) (1) the Company is then a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, (2) at least one class of SplitCo common stock will be registered under the Exchange Act, (3) each class of SplitCo Capital Stock paid by the Reference Entity to the holders of the Common Stock in exchange for the shares of the Common Stock in the Reverse Split-Off is or, when issued, will be common stock that is listed or admitted for trading on any of The New York Stock Exchange, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors), (4) immediately following consummation of the Reverse Split-Off, at least 50% of the outstanding shares of each class of SplitCo common stock paid by the Reference Entity to the holders of the Common Stock in exchange for shares of the Common Stock in the Reverse Split-Off will be beneficially owned by persons or entities other than the entity that is the Reference Entity immediately prior to such consummation and such entity’s affiliates (as such term is defined in Rule 144), (5) SplitCo, if the Company is not SplitCo, guarantees, on a senior

unsecured basis, the Company's obligations under the Notes and this Indenture and enters into a joinder agreement to the Registration Rights Agreement in accordance with the terms of the Registration Rights Agreement and (6) immediately after giving effect to the Reverse Split-Off, no Default or Event of Default has occurred and is continuing under this Indenture ((1) through (6) together, the “**Split-Off Travel Conditions**”), (I) the existing Guarantee shall terminate, (II) the Notes shall become exchangeable for, or if the Company is SplitCo, convertible into, a basket (a “**Split-Off Exchangeable Basket**”) composed of a number of shares of SplitCo common stock (or, if more than one class of SplitCo common stock is paid by the Reference Entity to the holders of the Common Stock in such Reverse Split-Off in respect of the Common Stock, a number of shares of each such class of SplitCo common stock) paid by the Reference Entity in such Reverse Split-Off applicable to one share of the Common Stock immediately prior to such Reverse Split-Off, subject to the anti-dilution adjustment below and the provisions above under Section 14.02, (III) SplitCo shall become the Reference Entity, (IV) the Company, SplitCo (if the Company is not SplitCo) and the Trustee shall enter into a supplemental indenture to reflect such modifications to the terms of the Notes (including, without limitation, to provide that the Notes are exchangeable for or convertible into the Split-Off Exchangeable Baskets and to provide for anti-dilution and other adjustments that are as nearly equivalent as possible to the adjustments set forth under this Article 14) and (V) the Exchange Rate shall be adjusted based on the following formula:

$$ER' = ER_0 \times \frac{MP_0}{FMV_0}$$

where,

- ER₀ = the Exchange Rate in effect immediately prior to the end of the Reverse Split-Off Valuation Period, which will equal the Exchange Rate immediately preceding the Reverse Split-Off after giving effect to any adjustment under Section 14.04(e)(i), if applicable;
- ER' = the Exchange Rate (expressed as a number of Split-Off Exchangeable Baskets) in effect immediately after the end of the Reverse Split-Off Valuation Period;
- FMV₀ = the sum of the products of, for each class of SplitCo common stock paid to holders of the Common Stock in exchange for shares of the Common Stock and included in the Split-Off Exchangeable Basket, (x) the average of the Last Reported Sale Prices of the shares of such class of SplitCo common stock over the first 20 consecutive Trading Day period beginning on, and including, the 21st Trading Day next succeeding the date the tender or exchange offer in respect of such Reverse Split-Off expires (the “**Reverse Split-Off Valuation Period**”) and (y) the number of shares of such class of SplitCo common stock paid in exchange for one share of Common Stock; and

MP₀ = the average of the Last Reported Sale Prices over the Reverse Split-Off Valuation Period of the common stock that is the Common Stock immediately prior to the date the tender or exchange offer in respect of such Reverse Split-Off expires.

The adjustment to the Exchange Rate under this Section 14.04(e)(ii) shall occur at the close of business on the last Trading Day of the Reverse Split-Off Valuation Period; *provided* that any adjustment pursuant to this Section 14.04(e)(ii) shall be calculated following an appropriate adjustment to the Exchange Rate as contemplated under Section 14.04(e)(i), if applicable (and, for purposes of such adjustment, references to the “Common Stock” in Section 14.04(e)(i) above shall refer to the common stock that is the Common Stock immediately prior to the Reverse Split-Off); *provided further* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Reverse Split-Off Valuation Period, the reference to “20” in the definition of Reverse Split-Off Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Reverse Split-Off Valuation Period and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Reverse Split-Off Valuation Period, the reference to “20” in the definition of Reverse Split-Off Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Reverse Split-Off Valuation Period and such Trading Day in determining the Exchange Rate as of such Trading Day.

In connection with any Split-Off, the Company shall notify the Holders and the Trustee at least 10 Scheduled Trading Days prior to the actual date the tender or exchange offer in respect of such Split-Off expires whether the Split-Off will be a Reverse Split-Off. In addition, in connection with any Reverse Split-Off, the Company shall notify the Holders and the Trustee (x) at least 10 Scheduled Trading Days prior to the proposed date on which the tender or exchange offer in respect of such Reverse Split-Off expires of such proposed expiration date and as to whether the Split-Off Travel Conditions are expected to be satisfied, (y) within five Business Days after the actual date the tender or exchange offer in respect of such Reverse Split-Off expires of such expiration date and whether the Split-Off Travel Conditions will be satisfied and (z) at least 10 Scheduled Trading Days prior to the anticipated date on which the tender or exchange offer in respect of such Reverse Split-Off expires if the Company intends to treat such Reverse Split-Off as a Tax Extinguishment (each of the notices described in this paragraph, a “**Split-Off Notice**”).

(f) (i) If (A) pursuant to a merger of the Reference Entity with a Wholly Owned Subsidiary of the Reference Entity as a result of which the Common Stock would be exchanged for, converted into the right to receive or remain, as applicable, shares of the common stock that is the Common Stock immediately prior to such merger, equity interests of or relating to a Subsidiary or other business unit of the Reference Entity (such Subsidiary or business unit, “**MergeCo**”) or any combination thereof, at the election of holders of the Common Stock (collectively, “**Election Merger Shares**”), the Reference Entity makes a payment of solely one or more classes of Election Merger Shares in exchange for the Common Stock, (B) the Company

is MergeCo or, immediately following the consummation of such transaction, the Company will be a Wholly Owned Subsidiary of MergeCo, (C) all of the outstanding shares of each class of MergeCo common stock constituting Election Merger Shares are paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in such merger (such transaction described in clauses (A), (B) and (C), a “**Share Election Merger**”) and (D) upon consummation of the relevant Share Election Merger (including after giving effect to any automatic conversion, automatic exchange or automatic reclassification of Capital Stock issued in such Share Election Merger and outstanding for a period of not more than one Trading Day) (1) the Company is then a corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia, (2) at least one class of MergeCo Capital Stock paid in exchange for the Common Stock will be registered under the Exchange Act, (3) each class of MergeCo Capital Stock paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger is or, when issued, will be common stock that is listed or admitted for trading on any of The New York Stock Exchange, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors), (4) immediately following consummation of the Share Election Merger, at least 50% of the outstanding shares of each class of the MergeCo common stock paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger will be beneficially owned by persons or entities other than the entity that is the Reference Entity immediately prior to such consummation and such entity’s affiliates (as such term is defined in Rule 144), (5) MergeCo, if the Company is not MergeCo, guarantees, on a senior unsecured basis, the Company’s obligations under the Notes and this Indenture and enters into a joinder agreement to the Registration Rights Agreement in accordance with the terms of the Registration Rights Agreement and (6) immediately after giving effect to the Share Election Merger, no Default or Event of Default has occurred and is continuing under this Indenture ((1) through (6) together, the “**Share Election Merger Travel Conditions**”), (I) the existing Guarantee shall terminate, (II) the Notes shall become exchangeable for, or if the Company is MergeCo, convertible into, a basket (a “**Share Election Merger Exchangeable Basket**”) composed of a number of shares of MergeCo common stock (or, if more than one class of MergeCo common stock is paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger, a number of shares of each such class of MergeCo common stock) equal to (i) the aggregate number of shares of such class (or each such class) of MergeCo common stock actually received in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (ii) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger, (III) MergeCo shall become the Reference Entity, (IV) the Company, MergeCo (if the Company is not MergeCo) and the Trustee shall enter into a supplemental indenture to reflect such modifications to the terms of the Notes (including, without limitation, to provide that the Notes are exchangeable for or convertible into the Share Election Merger Exchangeable Baskets and to provide for anti-dilution and other adjustments that are as nearly equivalent as possible to the adjustments set forth under this Article 14) and (V) the Exchange Rate will be adjusted based on the following formula:

$$ER' = ER_0 \times \left(1 + \frac{N_{RE} \times MP_0}{FMV} \right)$$

where,

- ER₀ = the Exchange Rate in effect immediately prior to the end of the Share Election Merger Valuation Period, which will equal the Exchange Rate immediately preceding the Share Election Merger;
- ER' = the Exchange Rate (expressed as a number of Share Election Merger Exchangeable Baskets) in effect immediately after the end of the Share Election Merger Valuation Period;
- N_{RE} = (i) the aggregate number of shares of the common stock that is the Common Stock immediately prior to such Share Election Merger actually received or retained in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (ii) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger;
- MP₀ = the average of the Last Reported Sale Prices over the first 20 consecutive Trading Day period beginning on, and including, the fifth Trading Day succeeding the date the Share Election Merger is consummated (the “**Share Election Merger Valuation Period**”) of the common stock that is the Common Stock immediately prior to the consummation of such merger; and
- FMV = the sum of the products of, for each class of MergeCo common stock paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger and included in the Share Election Merger Exchangeable Basket, (x) the average of the Last Reported Sale Prices of the shares of such class of MergeCo common stock over the Share Election Merger Valuation Period and (y) (i) the aggregate number of shares of such class of MergeCo common stock actually received in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (ii) the aggregate number of shares of the Common Stock outstanding immediately prior to such Share Election Merger.

The adjustment to the Exchange Rate under this Section 14.04(f)(i) shall occur at the close of business on the last Trading Day of the Share Election Merger Valuation Period; *provided* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Share Election Merger Valuation Period, the reference to “20” in the definition of Share Election Merger Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Share Election Merger Valuation Period and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or

Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Share Election Merger Valuation Period, the reference to “20” in the definition of Share Election Merger Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Share Election Merger Valuation Period and such Trading Day in determining the Exchange Rate as of such Trading Day.

Holders shall not be permitted to exchange their Notes during the period beginning on, and including, the date the merger of the Reference Entity with a Wholly Owned Subsidiary of the Reference Entity in respect of a Share Election Merger is consummated and ending on, but excluding, the first Trading Day of the related Share Election Merger Valuation Period.

In connection with any Share Election Merger, prior to the first day of the relevant Share Election Merger Valuation Period, the Company shall give Holders written notice of (i)(A) the aggregate number of shares of the common stock that is the Common Stock immediately prior to such Share Election Merger actually received or retained in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (B) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger and (ii) for each class of MergeCo common stock paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger and included in the Share Election Merger Exchangeable Basket, (A) the number of shares of such class actually received in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (B) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger (the notice described in this paragraph, the “**Share Election Merger Composition Notice**”).

(ii) If all of the Share Election Merger Travel Conditions have not been satisfied in connection with a Share Election Merger, then (1) the existing Guarantee shall terminate, (2) the Reference Entity shall assume the Company’s obligations as issuer under the Notes, this Indenture and the Registration Rights Agreement, (3) the Notes shall become convertible into (rather than exchangeable for) Common Stock, subject to the anti-dilution adjustment below and the provisions above under Section 14.02, (4) the Company, the Reference Entity and the Trustee shall enter into a supplemental indenture to reflect any necessary modifications to the terms of the Notes and (5) the conversion rate (which shall be in lieu of the Exchange Rate) shall be adjusted based on the following formula:

$$CR' = ER_0 \times \left(N_{RE} + \frac{FMV}{MP_0} \right)$$

where,

ER_0 = the Exchange Rate in effect immediately prior to the end of the Share Election Merger Valuation Period, which will equal the Exchange Rate immediately preceding the Share Election Merger;

- CR' = the conversion rate (which shall be in lieu of the Exchange Rate) in effect immediately after the end of the Share Election Merger Valuation Period;
- N_{RE} = (i) the aggregate number of shares of the common stock that is the Common Stock immediately prior to such Share Election Merger actually received or retained in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (ii) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger;
- MP₀ = the average of the Last Reported Sale Prices of the Common Stock over the Share Election Merger Valuation Period; and
- FMV = the sum of the products of, for each class of MergeCo common stock paid by the Reference Entity to the holders of the Common Stock in respect of the shares of the Common Stock in the Share Election Merger and included in the Share Election Merger Exchangeable Basket, (x) the average of the Last Reported Sale Prices of the shares of such class of MergeCo common stock over the Share Election Merger Valuation Period and (y) (i) the aggregate number of shares of such class of MergeCo common stock actually received in the Share Election Merger by holders of the Common Stock in respect of the shares of the Common Stock, *divided by* (ii) the aggregate number of shares of the Common Stock outstanding immediately prior to the consummation of such Share Election Merger.

The adjustment to the Exchange Rate under this Section 14.04(f)(ii) shall occur at the close of business on the last Trading Day of the Share Election Merger Valuation Period; *provided* that (x) in respect of any exchange of Notes for which Physical Settlement is applicable, if the relevant Exchange Date occurs during the Share Election Merger Valuation Period, the reference to “20” in the definition of Share Election Merger Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Share Election Merger Valuation Period and such Exchange Date in determining the Exchange Rate and (y) in respect of any exchange of Notes for which Cash Settlement or Combination Settlement is applicable, for any Trading Day that falls within the relevant Observation Period for such exchange and within the Share Election Merger Valuation Period, the reference to “20” in the definition of Share Election Merger Valuation Period shall be deemed replaced with such lesser number of Trading Days as have elapsed between the first Trading Day of the Share Election Merger Valuation Period and such Trading Day in determining the Exchange Rate as of such Trading Day.

In connection with any Share Election Merger, the Company shall notify the Holders and the Trustee (x) at least 10 Scheduled Trading Days prior to the proposed date on which the merger of the Reference Entity with a Wholly Owned Subsidiary of the Reference Entity in respect of such Share Election Merger is to be consummated of such proposed date of consummation and as to whether the Share Election Merger Travel Conditions are expected to be satisfied, (y) at least five Business Days prior to the actual date the merger of the Reference

Entity with a Wholly Owned Subsidiary of the Reference Entity in respect of such Share Election Merger is consummated of such date of consummation and whether the Share Election Merger Travel Conditions will be satisfied and (z) at least 10 Scheduled Trading Days prior to the date on which the merger of the Reference Entity with a Wholly Owned Subsidiary of the Reference Entity in respect of such Share Election Merger is anticipated to be consummated if the Company intends to treat such Share Election Merger as a Tax Extinguishment (each of the notices described in this paragraph, together with the Share Election Merger Composition Notice, a “ **Share Election Merger Notice** ”).

Notwithstanding this Section 14.04 or any other provision of this Indenture or the Notes, if an Exchange Rate adjustment becomes effective on any Ex-Dividend Date, and a Holder that has exchanged its Notes on or after such Ex-Dividend Date and on or prior to the related Record Date would be treated as the record holder of the shares of Common Stock as of the related Exchange Date as described under Section 14.02(i) based on an adjusted Exchange Rate for such Ex-Dividend Date, then, notwithstanding the Exchange Rate adjustment provisions in this Section 14.04, the Exchange Rate adjustment relating to such Ex-Dividend Date shall not be made for such exchanging Holder. Instead, such Holder shall be treated as if such Holder were the record owner of the shares of Common Stock on an unadjusted basis and participate in the related dividend, distribution or other event giving rise to such adjustment.

(g) Except as stated herein, the Company shall not adjust the Exchange Rate for the issuance of shares of the Common Stock or any securities convertible into or exchangeable for shares of the Common Stock or the right to purchase shares of the Common Stock or such convertible or exchangeable securities.

(h) In addition to those adjustments required by clauses (a), (b), (c), (d), (e) and (f) of this Section 14.04, and to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Reference Entity’s securities are then listed, the Company from time to time may increase the Exchange Rate by any amount for a period of at least 20 Business Days if the Company’s Board of Directors determines that such increase would be in the Company’s best interest. In addition, to the extent permitted by applicable law and subject to the applicable rules of any exchange on which any of the Reference Entity’s securities are then listed, the Company may (but is not required to) increase the Exchange Rate to avoid or diminish any income tax to holders of Common Stock or rights to purchase Common Stock in connection with a dividend or distribution of shares of Common Stock (or rights to acquire shares of Common Stock) or similar event. Whenever the Exchange Rate is increased pursuant to either of the preceding two sentences, the Company shall deliver to the Holder of each Note a notice of the increase at least 15 days prior to the date the increased Exchange Rate takes effect, and such notice shall state the increased Exchange Rate and the period during which it will be in effect.

(i) Notwithstanding anything to the contrary in this Article 14, the Exchange Rate shall not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Reference Entity's securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Reference Entity or any of the Reference Entity's Subsidiaries;

(iii) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (ii) of this subsection and outstanding as of the date the Notes were first issued;

(iv) solely for a change in the par value of the Common Stock; or

(v) for accrued and unpaid interest, if any.

(j) All calculations and other determinations under this Article 14 shall be made by the Company and shall be calculated to the nearest one-ten thousandth (1/10,000th) of a share. No adjustment to the applicable Exchange Rate shall be required unless the adjustment would require an increase or decrease of at least 1% of the applicable Exchange Rate. Notwithstanding the foregoing, the Company shall carry forward any adjustments that are less than 1% of the Exchange Rate and all such carried-forward adjustments shall be made (i) in connection with any subsequent adjustment to the Exchange Rate of at least 1% (after all such carried-forward adjustments not yet made are aggregated and taken into account), (ii) (x) on the Exchange Date for any exchange of Notes (in the case of Physical Settlement) or (y) on each Trading Day during the Observation Period for any exchange of Notes (in the case of Cash Settlement or Combination Settlement), (iii) on the effective date of any Fundamental Change or Effective Date of any Make-Whole Fundamental Change, (iv) on each anniversary date of the Issue Date, (v) on any Tax Extinguishment Test Date and (vi) upon delivery of any Tax Treatment Notice.

(k) Whenever the Exchange Rate is adjusted as herein provided, the Company shall promptly file with the Trustee (and the Exchange Agent if not the Trustee) an Officers' Certificate setting forth the Exchange Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Unless and until a Responsible Officer of the Trustee shall have received such Officers' Certificate, the Trustee shall not be deemed to have knowledge of any adjustment of the Exchange Rate and may assume without inquiry that the last Exchange Rate of which it has knowledge is still in effect. Promptly after delivery of such certificate, the Company shall prepare a notice of such adjustment of the Exchange Rate setting forth the adjusted Exchange Rate and the date on which each adjustment becomes effective and shall deliver such notice of such adjustment of the Exchange Rate to each Holder. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

(l) For purposes of this Section 14.04, the number of shares of Common Stock at any time outstanding shall not include shares of Common Stock held in the treasury of the Reference

Entity so long as the Reference Entity does not pay any dividend or make any distribution on shares of Common Stock held in the treasury of the Reference Entity, but shall include shares of Common Stock issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

Section 14.05 . *Adjustments of Prices and Exchange/Conversion Rate.* Whenever any provision of this Indenture requires the Company to calculate the Last Reported Sale Prices, the Daily VWAPs, the Daily Exchange Values or the Daily Settlement Amounts over a span of multiple days (including, without limitation, an Observation Period and the period, if any, for determining the “Stock Price” for purposes of a Make-Whole Fundamental Change or Optional Redemption, any Rights Distribution Period, Non-Cash Distribution Period, Forward Spin-Off Valuation Period, Reverse Spin-Off Valuation Period, Tender Offer Valuation Period, Share Election Merger Valuation Period or Reverse Split-Off Valuation Period), the Company’s Board of Directors shall make appropriate adjustments to each to account for any adjustment to the Exchange Rate that becomes effective, or any event requiring an adjustment to the Exchange Rate where the Ex-Dividend Date, Split/Combination Effective Date or expiration date of the event occurs, at any time during the period when the Last Reported Sale Prices, the Daily VWAPs, the Daily Exchange Values or the Daily Settlement Amounts are to be calculated. In addition, if the Reference Entity (or any of its Subsidiaries, as applicable) executes or consummates a series of two or more of the transactions described in clauses (a) through (f) of Section 14.04 that require or may require an adjustment to the Exchange Rate (or the conversion rate, as the case may be), and a subsequent such transaction is executed or consummated prior to the completion of any period (including, without limitation, any Rights Distribution Period, Non-Cash Distribution Period, Forward Spin-Off Valuation Period, Reverse Spin-Off Valuation Period, Tender Offer Valuation Period, Share Election Merger Valuation Period or Reverse Split-Off Valuation Period) during which inputs to one or more of the formulas in such clauses (a) through (f) of Section 14.04 for a prior such transaction are being measured or determined, the Company’s Board of Directors shall make appropriate adjustments to the Exchange Rate or the conversion rate, as the case may be, to account for the aggregate economic effect of each transaction in such series determined by reference to the relevant formulas in such clauses (a) through (f) of Section 14.04. Furthermore, in making any adjustment to the Exchange Rate (or the conversion rate, as the case may be) in respect of any transaction or event described in clauses (a) through (f) of Section 14.04, the Company’s Board of Directors shall make appropriate adjustments, taking into account the economic effect of such transaction or event, such that the relevant adjustment shall be made without duplication of any other adjustment to the Exchange Rate (or the conversion rate, as the case may be) pursuant to such clauses (a) through (f) of Section 14.04.

Section 14.06 . *Shares to Be Fully Paid.* The Reference Entity shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for exchange of the Notes from time to time as such Notes are presented for exchange (assuming delivery of the maximum number of Additional Shares pursuant to Section 14.03 and that at the time of computation of such number of shares, all such Notes would be exchanged by a single Holder and that Physical Settlement were applicable).

(a) In the case of:

- (i) any recapitalization, reclassification or change of the Common Stock (other than any recapitalization, reclassification or change resulting from a subdivision or combination),
- (ii) any consolidation, merger or combination involving the Reference Entity,
- (iii) any sale, lease or other transfer to a third party of all or substantially all of the consolidated assets of the Reference Entity and the Reference Entity's Subsidiaries or
- (iv) any statutory share exchange,

in each case, as a result of which the Common Stock would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof), other than any transaction that constitutes a Spin-Off, a Split-Off or a Share Election Merger (any such event, a "**Merger Event**"), then, at and after the effective time of such Merger Event, the right to exchange each \$1,000 principal amount of Notes shall be changed into a right to convert or exchange such principal amount of Notes into or for, respectively, the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of shares of Common Stock equal to the Exchange Rate immediately prior to such Merger Event would have owned or been entitled to receive (the "**Reference Property**," with each "**unit of Reference Property**" meaning the kind and amount of Reference Property that a holder of one share of Common Stock is entitled to receive) upon such Merger Event and, prior to or at the effective time of such Merger Event, the Company or the successor or purchasing Person, as the case may be, and the Reference Entity shall execute with the Trustee a supplemental indenture permitted under Section 10.01(g) providing for such change in the right to exchange each \$1,000 principal amount of Notes; *provided, however*, that at and after the effective time of the Merger Event (A) the Company shall continue to have the right to determine the form of consideration to be paid or delivered, as the case may be, upon conversion or exchange of Notes in accordance with Section 14.02 and (B) (I) any amount payable in cash upon conversion or exchange of the Notes in accordance with Section 14.02 shall continue to be payable in cash, (II) any shares of Common Stock that the Company would have been required to deliver upon conversion or exchange of the Notes in accordance with Section 14.02 shall instead be deliverable in the amount and type of Reference Property that a holder of that number of shares of Common Stock would have been entitled to receive in such Merger Event and (III) the Daily VWAP shall be calculated based on the value of a unit of Reference Property.

If the Merger Event causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Notes will be convertible, or for which the Notes will be exchangeable, shall be deemed to be (x) the weighted average of the types and amounts of consideration received by the holders of Common Stock that

affirmatively make such an election or (y) if no holders of Common Stock affirmatively make such an election, the types and amounts of consideration actually received by the holders of Common Stock, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one share of Common Stock. If the holders of the Common Stock receive only cash in such Merger Event, then for all exchanges for which the relevant Exchange Date occurs after the effective date of such Merger Event (A) the consideration due upon exchange of each \$1,000 principal amount of Notes shall be solely cash in an amount equal to the Exchange Rate in effect on the Exchange Date (as may be increased by any Additional Shares pursuant to Section 14.03), *multiplied by* the price paid per share of Common Stock in such Merger Event and (B) the Company shall satisfy the Exchange Obligation by paying cash to exchanging Holders no later than the third Business Day immediately following the relevant Exchange Date. The Company shall notify Holders, the Trustee and the Exchange Agent (if other than the Trustee) of such weighted average as soon as practicable after such determination is made.

Such supplemental indenture described in the second immediately preceding paragraph shall provide for anti-dilution and other adjustments that shall be as nearly equivalent as possible to the adjustments provided for in this Article 14. If, in the case of any Merger Event, the Reference Property includes shares of stock, securities or other property or assets (including cash or any combination thereof) of a Person other than the Reference Entity or the successor or purchasing corporation, as the case may be, in such Merger Event, then such supplemental indenture shall also be executed by such other Person and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Company's Board of Directors shall reasonably consider necessary by reason of the foregoing, including the provisions providing for the repurchase rights set forth in Article 15.

(b) When the Company and the Reference Entity execute a supplemental indenture pursuant to Section 14.07(a), the Company shall promptly file with the Trustee an Officers' Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or asset that will comprise a unit of Reference Property after any such Merger Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly deliver notice thereof to all Holders. The Company shall cause notice of the execution of such supplemental indenture to be delivered to each Holder within 20 days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture.

(c) Neither the Company nor the Reference Entity shall consummate any Merger Event unless the consummation of such Merger Event occurs in accordance with this Section 14.07. None of the foregoing provisions shall affect the right of a Holder of Notes to exchange its Notes for cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, as set forth in Section 14.01 and Section 14.02 prior to the effective date of such Merger Event.

(d) The above provisions of this Section 14.07 shall similarly apply to successive Merger Events.

Section 14.08 . *Certain Covenants.* (a) Each of the Company and the Reference Entity covenants that all shares of Common Stock issued and delivered upon exchange of Notes will be fully paid and non-assessable by the Reference Entity and free from all documentary, stamp or similar issue or transfer taxes, liens and charges with respect to the issue thereof.

(b) Each of the Company and the Reference Entity covenants that, if any shares of Common Stock to be provided for the purpose of exchange of Notes hereunder require registration with or approval of any governmental authority under any federal or state law before such shares of Common Stock may be validly delivered upon exchange, the Reference Entity will, to the extent then permitted by the rules and interpretations of the Commission, secure such registration or approval, as the case may be.

(c) Each of the Company and the Reference Entity further covenants that, if at any time the Common Stock shall be listed on any national securities exchange or automated quotation system, the Reference Entity will list and keep listed, so long as such Common Stock shall be so listed on such exchange or automated quotation system, any Common Stock issued and deliverable upon exchange of the Notes as of such time.

Section 14.09 . *Responsibility of Trustee.* The Trustee and any other Exchange Agent shall not at any time be under any duty or responsibility to any Holder to determine the Exchange Rate (or any adjustment thereto) or whether any facts exist that may require any adjustment (including any increase) of the Exchange Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Exchange Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any securities, property or cash that may at any time be issued or delivered upon the exchange of any Note; and the Trustee and any other Exchange Agent make no representations with respect thereto. Neither the Trustee nor any Exchange Agent shall be responsible for any failure of the Company or Reference Entity to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of exchange or to comply with any of the duties, responsibilities or covenants of the Company or Reference Entity contained in this Article. Without limiting the generality of the foregoing, neither the Trustee nor any Exchange Agent shall be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 14.07 relating either to the kind or amount of shares of stock or securities or property (including cash) receivable by Holders upon the exchange of their Notes after any event referred to in such Section 14.07 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 7.01, may accept (without any independent investigation) as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate (which the Company shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. Neither the Trustee nor the Exchange Agent shall be responsible for determining whether any event contemplated by Section 14.01(b) has occurred that makes the Notes eligible for exchange or no longer eligible therefor until the Company has delivered to the Trustee and the Exchange Agent the notices referred to in Section

14.01(b) with respect to the commencement or termination of such exchange rights, on which notices the Trustee and the Exchange Agent may conclusively rely, and the Company agrees to deliver such notices to the Trustee and the Exchange Agent immediately after the occurrence of any such event or at such other times as shall be provided for in Section 14.01(b).

Section 14.10 . *Notice to Holders Prior to Certain Actions*. In case of any:

- (a) action by the Company, the Reference Entity or one of their respective Subsidiaries that would require an adjustment in the Exchange Rate pursuant to Section 14.04 or Section 14.11;
- (b) Merger Event; or
- (c) voluntary or involuntary dissolution, liquidation or winding-up of the Company, the Reference Entity or any of their respective Subsidiaries;

then, in each case (unless notice of such event is otherwise required pursuant to another provision of this Indenture), the Company shall cause to be filed with the Trustee and the Exchange Agent (if other than the Trustee) and to be delivered to each Holder, as promptly as possible but in any event at least 20 days prior to the applicable date hereinafter specified, a notice stating (i) the date on which a record is to be taken for the purpose of such action by the Company, the Reference Entity or one of their respective Subsidiaries or, if a record is not to be taken, the date as of which the holders of Common Stock of record are to be determined for the purposes of such action by the Company, the Reference Entity or one of their respective Subsidiaries, or (ii) the date on which such Merger Event, dissolution, liquidation or winding-up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or other property deliverable upon such Merger Event, dissolution, liquidation or winding-up. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such action by the Company, the Reference Entity or one of their respective Subsidiaries, Merger Event, dissolution, liquidation or winding-up.

Section 14.11 . *Stockholder Rights Plans*. If the Reference Entity has a stockholder rights or similar plan in effect upon exchange of the Notes, each share of Common Stock, if any, issued upon such exchange shall be entitled to receive the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such exchange shall bear such legends, if any, in each case as may be provided by the terms of any such stockholder rights or similar plan, as the same may be amended from time to time. However, if, prior to any exchange of Notes, the rights have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights or similar plan, the Exchange Rate shall be adjusted at the time of separation as if the Reference Entity distributed, to all or substantially all holders of the Common Stock, Distributed Property as provided in Section 14.04(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 14.12 . *Shareholder Approval* . Each of the Company and the Reference Entity agree that neither the Company nor the Reference Entity shall take any action, nor permit any

event or transaction within its control to occur, that results in the Notes becoming convertible into, or exchangeable for (calculated, in each case, assuming a single Holder converted or exchanged, as the case may be, all of the outstanding Notes, Physical Settlement were applicable to such conversion or exchange and based on the Maximum Exchange Rate) a number of shares of the Common Stock in excess of any limitations imposed by any shareholder approval and related listing standards of The NASDAQ Global Select Market and any exchange on which the Common Stock is then listed, unless such action, event or transaction is conditioned on obtaining any required shareholder approval pursuant to the relevant listing standards of The NASDAQ Global Select Market or such exchange.

ARTICLE 15
REPURCHASE OF NOTES AT OPTION OF HOLDERS

Section 15.01 . *Intentionally Omitted.*

Section 15.02 . *Repurchase at Option of Holders Upon a Fundamental Change.* (a) If a Fundamental Change occurs at any time, each Holder shall have the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes, or any portion thereof that is equal to \$1,000 or an integral multiple of \$1,000 (subject in all cases to the Representations of Purchasers), on the date (the "**Fundamental Change Repurchase Date**") specified by the Company that is not less than 20 calendar days or more than 35 calendar days following the date of the Fundamental Change Company Notice at a repurchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest thereon to, but excluding, the Fundamental Change Repurchase Date (the "**Fundamental Change Repurchase Price**"), unless the Fundamental Change Repurchase Date falls after a Regular Record Date but on or prior to the Interest Payment Date to which such Regular Record Date relates, in which case the Company shall instead pay the full amount of accrued and unpaid interest to Holders of record as of such Regular Record Date, and the Fundamental Change Repurchase Price shall be equal to 100% of the principal amount of Notes to be repurchased pursuant to this Article 15.

(b) Repurchases of Notes under this Section 15.02 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Paying Agent on behalf of the Trustee by a Holder of a duly completed notice (the "**Fundamental Change Repurchase Notice**") in the form set forth in Attachment 2 to the Form of Note attached hereto as Exhibit A, if the Notes are Physical Notes, or in compliance with the Depository's procedures for surrendering interests in Global Notes, if the Notes are Global Notes, in each case on or before the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date; and

(ii) delivery of the Notes, if the Notes are Physical Notes, to the Paying Agent at any time after delivery of the Fundamental Change Repurchase Notice (together with all necessary endorsements for transfer) at the Corporate Trust Office of the Paying

Agent, or book-entry transfer of the Notes, if the Notes are Global Notes, in compliance with the procedures of the Depositary, in each case such delivery being a condition to receipt by the Holder of the Fundamental Change Repurchase Price therefor.

The Fundamental Change Repurchase Notice in respect of any Notes to be repurchased shall state:

- (i) the certificate numbers of the Notes to be delivered for repurchase;
- (ii) the portion of the principal amount of Notes to be repurchased, which must be \$1,000 or an integral multiple thereof (subject in all cases to the Representations of Purchasers); and
- (iii) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Indenture;

provided, however, that if the Notes are Global Notes, the Fundamental Change Repurchase Notice must comply with appropriate Depositary procedures.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Fundamental Change Repurchase Notice contemplated by this Section 15.02 shall have the right to withdraw, in whole or in part, such Fundamental Change Repurchase Notice at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 15.03.

The Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Repurchase Notice or written notice of withdrawal thereof.

(c) On or before the 20th calendar day after the occurrence of the effective date of a Fundamental Change (or, in the case of a Fundamental Change pursuant to a Tax Extinguishment Event described in clause (a) of the definition thereof, on or before the fifth Business Day after the occurrence of the effective date of such Fundamental Change), the Company shall provide to all Holders of Notes and the Trustee and the Paying Agent (in the case of a Paying Agent other than the Trustee) a notice (the “**Fundamental Change Company Notice**”) of the occurrence of the effective date of the Fundamental Change and of the repurchase right at the option of the Holders arising as a result thereof. In the case of Physical Notes, such notice shall be by first class mail or, in the case of Global Notes, such notice shall be delivered in accordance with the applicable procedures of the Depositary. Each Fundamental Change Company Notice shall specify:

- (i) the events causing the Fundamental Change;
- (ii) the date of the Fundamental Change;

- (iii) the last date on which a Holder may exercise the repurchase right pursuant to this Article 15;
- (iv) the Fundamental Change Repurchase Price;
- (v) the Fundamental Change Repurchase Date;
- (vi) the name and address of the Paying Agent and the Exchange Agent, if applicable;
- (vii) if applicable, the Exchange Rate and any adjustments to the Exchange Rate;
- (viii) that the Notes with respect to which a Fundamental Change Repurchase Notice has been delivered by a Holder may be exchanged only if the Holder withdraws the Fundamental Change Repurchase Notice in accordance with the terms of this Indenture; and
- (ix) the procedures that Holders must follow to require the Company to repurchase their Notes.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 15.02.

At the Company's request, the Trustee shall give such notice in the Company's name and at the Company's expense; *provided, however*, that, in all cases, the text of such Fundamental Change Company Notice shall be prepared by the Company.

(d) Notwithstanding the foregoing, no Notes may be repurchased by the Company on any date at the option of the Holders upon a Fundamental Change if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded, on or prior to such date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Physical Notes held by it during the acceleration of the Notes (except in the case of an acceleration resulting from a Default by the Company in the payment of the Fundamental Change Repurchase Price with respect to such Notes), or any instructions for book-entry transfer of the Notes in compliance with the procedures of the Depository shall be deemed to have been cancelled, and, upon such return or cancellation, as the case may be, the Fundamental Change Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

Section 15.03 . *Withdrawal of Fundamental Change Repurchase Notice.* (a) A Fundamental Change Repurchase Notice may be withdrawn (in whole or in part) by means of a written notice of withdrawal delivered to the Corporate Trust Office of the Paying Agent in

accordance with this Section 15.03 at any time prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date, specifying:

- (i) the principal amount of the Notes with respect to which such notice of withdrawal is being submitted,
- (ii) the certificate number of the Note in respect of which such notice of withdrawal is being submitted, and
- (iii) the principal amount, if any, of such Note that remains subject to the original Fundamental Change Repurchase Notice, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000 (subject in all cases to the Representations of Purchasers);

provided, however, that if the Notes are Global Notes, the notice must comply with appropriate procedures of the Depository.

Section 15.04 . *Deposit of Fundamental Change Repurchase Price.* (a) The Company will deposit with the Trustee (or other Paying Agent appointed by the Company, or if the Company is acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 4.04) on or prior to 11:00 a.m., New York City time, on the Fundamental Change Repurchase Date an amount of money sufficient to repurchase all of the Notes to be repurchased at the appropriate Fundamental Change Repurchase Price. Subject to receipt of funds and/or Notes by the Trustee (or other Paying Agent appointed by the Company), payment for Notes surrendered for repurchase (and not withdrawn prior to the close of business on the Business Day immediately preceding the Fundamental Change Repurchase Date) will be made on the later of (i) the Fundamental Change Repurchase Date (*provided* the Holder has satisfied the conditions in Section 15.02) and (ii) the time of book-entry transfer or the delivery of such Note to the Trustee (or other Paying Agent appointed by the Company) by the Holder thereof in the manner required by Section 15.02 by mailing checks for the amount payable to the Holders of such Notes entitled thereto as they shall appear in the Note Register; *provided, however*, that payments to the Depository shall be made by wire transfer of immediately available funds to the account of the Depository or its nominee. The Trustee shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Fundamental Change Repurchase Price.

(b) If by 11:00 a.m. New York City time, on the Fundamental Change Repurchase Date, the Company has deposited with the Trustee (or other Paying Agent appointed by the Company) money sufficient to make payment on all the Notes or portions thereof that are to be repurchased on such Fundamental Change Repurchase Date, then, with respect to the Notes that have been properly surrendered for repurchase and have not been validly withdrawn, (i) such Notes will cease to be outstanding, (ii) interest will cease to accrue on such Notes (whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Trustee or Paying Agent) and (iii) all other rights of the Holders of such Notes will terminate (other than the right to receive the Fundamental Change Repurchase Price and, if the

Fundamental Change Repurchase Price is equal to 100% of the principal amount of Notes to be repurchased, any accrued and unpaid interest).

(c) Upon surrender of a Note that is to be repurchased in part pursuant to Section 15.02, the Company shall execute and the Trustee shall authenticate and deliver to the Holder a new Note in an authorized denomination equal in principal amount to the unredeemed portion of the Note surrendered.

Section 15.05. *Covenant to Comply with Applicable Laws Upon Repurchase of Notes* . In connection with any repurchase offer, the Company will, if required:

- (a) comply with the provisions of Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act that may then be applicable;
- (b) file a Schedule TO or any other required schedule under the Exchange Act; and
- (c) otherwise comply with all federal and state securities laws in connection with any offer by the Company to repurchase the Notes;

in each case, so as to permit the rights and obligations under this Article 15 to be exercised in the time and in the manner specified in this Article 15.

ARTICLE 16 OPTIONAL REDEMPTION

Section 16.01. *Optional Redemption* . No sinking fund is provided for the Notes. The Company may redeem, at its option (an “**Optional Redemption**”), for cash all, but not less than all, of the Notes, at the Redemption Price, if at any time following the Issue Date the Reference Entity publicly announces that it intends to consummate a Reverse Spin-Off, Reverse Split-Off or Share Election Merger that, if consummated, would or would reasonably be expected to constitute a Fundamental Change or Make-Whole Fundamental Change; *provided, however*, that the Company may not redeem any Notes unless (1) an effective registration statement is available for the resale of shares of the Common Stock, if any, issuable upon exchange of the Notes in connection with any such Optional Redemption, or (2) the Company elects Cash Settlement in respect of any exchanges of the Notes in connection with any such Optional Redemption.

Section 16.02. *Notice of Optional Redemption* . (a) In case the Company exercises its right to redeem all of the Notes pursuant to Section 16.01, it shall fix a date for redemption (each, a “**Redemption Date**”) and it or, at its written request received by the Trustee not less than 50 Scheduled Trading Days prior to the Redemption Date (or such shorter period of time as may be acceptable to the Trustee), the Trustee, in the name of and at the expense of the Company, shall deliver or cause to be delivered a notice of such Optional Redemption (a “**Redemption Notice**”) not less than 45 nor more than 75 Scheduled Trading Days prior to the Redemption Date to each

Holder of Notes; *provided, however*, that, if the Company shall give such notice, it shall also give written notice of the Redemption Date to the Trustee. The Redemption Date must be a Business Day, and the Company may not specify a Redemption Date that falls on or after the 42nd Scheduled Trading Day immediately preceding the Maturity Date.

(b) The Redemption Notice, if delivered in the manner herein provided, shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. In any case, failure to give such Redemption Notice by mail or any defect in the Redemption Notice to Holders shall not affect the validity of the Optional Redemption .

(c) Each Redemption Notice shall specify:

(i) the Redemption Date;

(ii) the Redemption Price;

(iii) that on the Redemption Date, the Redemption Price will become due and payable upon each Note, and that interest thereon, if any, shall cease to accrue on and after the Redemption Date;

(iv) the place or places where such Notes are to be surrendered for payment of the Redemption Price;

(v) that Holders may surrender their Notes for exchange at any time prior to the close of business on the Scheduled Trading Day immediately preceding the Redemption Date;

(vi) the procedures an exchanging Holder must follow to exchange its Notes and the Settlement Method and Specified Dollar Amount, if applicable;

(vii) the Exchange Rate and, if applicable, the number of Additional Shares added to the Exchange Rate in accordance with Section 14.03; and

(viii) the CUSIP, ISIN or other similar numbers, if any, assigned to such Notes.

A Redemption Notice shall be irrevocable.

Section 16.03. *Payment of Notes Called for Redemption* . (a) If any Redemption Notice has been given in respect of the Notes in accordance with Section 16.02, the Notes shall become due and payable on the Redemption Date at the place or places stated in the Redemption Notice and at the applicable Redemption Price. On presentation and surrender of the Notes at the place or places stated in the Redemption Notice, the Notes shall be paid and redeemed by the Company at the applicable Redemption Price.

(b) Prior to 11:00 a.m., New York City time, on the Redemption Date, the Company shall deposit with the Paying Agent or, if the Company or a Subsidiary of the Company is acting

as the Paying Agent, shall segregate and hold in trust as provided in Section 7.05 an amount of cash (in immediately available funds if deposited on the Redemption Date), sufficient to pay the Redemption Price of all of the Notes to be redeemed on such Redemption Date. Subject to receipt of funds by the Paying Agent, payment for the Notes to be redeemed shall be made on the Redemption Date for such Notes. The Paying Agent shall, promptly after such payment and upon written demand by the Company, return to the Company any funds in excess of the Redemption Price.

Section 16.04. *Restrictions on Redemption*. The Company may not redeem any Notes on any date if the principal amount of the Notes has been accelerated in accordance with the terms of this Indenture, and such acceleration has not been rescinded, on or prior to the Redemption Date (except in the case of an acceleration resulting from a Default by the Company in the payment of the Redemption Price with respect to such Notes).

ARTICLE 17 MISCELLANEOUS PROVISIONS

Section 17.01. *Provisions Binding on Company's and Reference Entity's Successors*. All the covenants, stipulations, promises and agreements of the Company and the Reference Entity contained in this Indenture shall bind their respective successors and assigns whether so expressed or not.

Section 17.02. *Official Acts by Successor Corporation*. Any act or proceeding by any provision of this Indenture authorized or required to be done or performed by any board, committee or Officer of the Company or the Reference Entity, as the case may be, shall and may be done and performed with like force and effect by the like board, committee or officer of any corporation or other entity that shall at the time be the lawful sole successor of the Company or the Reference Entity, as applicable.

Section 17.03. *Addresses for Notices, Etc*. Any notice or demand that by any provision of this Indenture is required or permitted to be given or served by the Trustee or by the Holders on the Company or the Reference Entity, as the case may be, shall be deemed to have been sufficiently given or made, for all purposes if given or served by being deposited postage prepaid by registered or certified mail in a post office letter box addressed (until another address is filed by the Company or the Reference Entity, as the case may be, with the Trustee) to (x) in the case of the Company, IAC FinanceCo, Inc., 555 West 18th Street, New York, New York 10011, Attention: General Counsel and (y) in the case of the Reference Entity, IAC/InterActiveCorp, 555 West 18th Street, New York, New York 10011, Attention: General Counsel. Any notice, direction, request or demand hereunder to or upon the Trustee shall be deemed to have been sufficiently given or made, for all purposes, if given or served by being deposited postage prepaid by registered or certified mail in a post office letter box addressed to the Corporate Trust Office.

The Trustee, by notice to the Company, may designate additional or different addresses for subsequent notices or communications.

Any notice or communication delivered or to be delivered to a Holder of Physical Notes shall be mailed to it by first class mail, postage prepaid, at its address as it appears on the Note Register and shall be sufficiently given to it if so mailed within the time prescribed. Any notice or communication delivered or to be delivered to a Holder of Global Notes shall be delivered in accordance with the applicable procedures of the Depositary and shall be sufficiently given to it if so delivered within the time prescribed.

Failure to mail or deliver a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication is mailed or delivered, as the case may be, in the manner provided above, it is duly given, whether or not the addressee receives it.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice to Holders by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 17.04 . *Governing Law; Jurisdiction.* THIS INDENTURE, THE GUARANTEE AND EACH NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE, THE GUARANTEE AND EACH NOTE, SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (WITHOUT REGARD TO THE CONFLICTS OF LAWS PROVISIONS THEREOF).

Each of Company and the Reference Entity irrevocably consents and agrees, for the benefit of the Holders from time to time of the Notes and the Trustee, that any legal action, suit or proceeding against the Company or the Reference Entity with respect to obligations, liabilities or any other matter arising out of or in connection with this Indenture, the Guarantee or the Notes may be brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and, until amounts due and to become due in respect of the Notes have been paid, hereby irrevocably consents and submits to the non-exclusive jurisdiction of each such court *in personam* , generally and unconditionally with respect to any action, suit or proceeding for itself in respect of its properties, assets and revenues.

Each of the Company and the Reference Entity irrevocably and unconditionally waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any of the aforesaid actions, suits or proceedings arising out of or in connection with this Indenture, the Guarantee or the Notes brought in the courts of the State of New York or the courts of the United States located in the Borough of Manhattan, New York City, New York and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

(the “**Trustee**”), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company, the Reference Entity and the Holders of the Notes. Additional Notes may be issued in an unlimited aggregate principal amount, subject to certain conditions specified in the Indenture. Capitalized terms used in this Note and not defined in this Note shall have the respective meanings set forth in the Indenture.

In case certain Events of Default shall have occurred and be continuing, the principal of, and interest on, all Notes may be declared, by either the Trustee or Holders of at least 25% in aggregate principal amount of Notes then outstanding, and upon said declaration shall become, due and payable, in the manner, with the effect and subject to the conditions and certain exceptions set forth in the Indenture.

Subject to the terms and conditions of the Indenture, the Company will make all payments and deliveries in respect of the Fundamental Change Repurchase Price on the Fundamental Change Repurchase Date, the Redemption Price on the Redemption Date, and the principal amount on the Maturity Date, as the case may be, to the Holder who surrenders a Note to a Paying Agent to collect such payments in respect of the Note. The Company will pay cash amounts in money of the United States that at the time of payment is legal tender for payment of public and private debts.

The Indenture contains provisions permitting the Company, the Reference Entity and the Trustee in certain circumstances, without the consent of the Holders of the Notes, and in certain other circumstances, with the consent of the Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures modifying the terms of the Indenture and the Notes as described therein. It is also provided in the Indenture that, subject to certain exceptions, the Holders of a majority in aggregate principal amount of the Notes at the time outstanding may on behalf of the Holders of all of the Notes waive any past Default or Event of Default under the Indenture and its consequences.

Each Holder shall have the right to receive payment or delivery, as the case may be, of (x) the principal (including the Redemption Price and the Fundamental Change Repurchase Price, if applicable) of, (y) accrued and unpaid interest, if any, on, and (z) the consideration due upon

exchange of, this Note at the place, at the respective times, at the rate and in the lawful money or shares of Common Stock, as the case may be, herein prescribed.

The Notes are issuable in registered form without coupons in minimum denominations of \$250,000 principal amount and integral multiples of \$1,000 principal amount in excess thereof. At the office or agency of the Company referred to on the face hereof, and in the manner and subject to the limitations provided in the Indenture, Notes may be exchanged for a like aggregate principal amount of Notes of other authorized denominations, without payment of any service charge but, if required by the Company or Trustee, with payment of a sum sufficient to cover any transfer or similar tax that may be imposed in connection therewith as a result of the name of the Holder of the new Notes issued upon such exchange of Notes being different from the name of the Holder of the old Notes surrendered for such exchange.

The Notes shall be redeemable at the Company's option in accordance with the terms and subject to the conditions specified in the Indenture. No sinking fund is provided for the Notes.

Upon the occurrence of a Fundamental Change, the Holder has the right, at such Holder's option, to require the Company to repurchase for cash all of such Holder's Notes or any portion thereof (in principal amounts of \$1,000 or integral multiples thereof) (subject in all cases to the Representations of Purchasers) on the Fundamental Change Repurchase Date at a price equal to the Fundamental Change Repurchase Price.

Subject to the provisions of the Indenture, the Holder hereof has the right, at its option, during certain periods and upon the occurrence of certain conditions specified in the Indenture, prior to the close of business on the second Scheduled Trading Day immediately preceding the Maturity Date, to exchange any Notes or portion thereof that is \$1,000 or an integral multiple thereof (subject in all cases to the Representations of Purchasers), for cash, shares of Common Stock or a combination of cash and shares of Common Stock, as applicable, at the Exchange Rate specified in the Indenture, as adjusted from time to time as provided in the Indenture.

In addition to the rights provided to Holders of Notes under the Indenture, Holders shall have all the rights set forth in the Registration Rights Agreement dated as of October 2, 2017, among the Company, the Reference Entity and the Representatives of the Initial Purchasers named therein.

Computershare Trust Company, N.A., as Trustee
8742 Lucent Boulevard, Suite 225, Highlands Ranch, Colorado 80129

[Name of Purchaser]

Ladies and Gentlemen:

The undersigned is delivering this letter to you in connection with the Purchaser's (as defined below) purchase of the 0.875% Exchangeable Senior Notes due 2022 (the "**Notes**") of IAC FinanceCo, Inc. (the "**Company**"), which are being issued pursuant to an indenture (the "**Indenture**"), dated as of October 2, 2017, by and among the Company, IAC/InterActiveCorp, as guarantor and Computershare Trust Company, N.A., as trustee (the "**Trustee**"). Capitalized terms used and not otherwise defined herein are defined in the Indenture.

The undersigned represents warrants and covenants to you as follows:

1. The purchaser is purchasing the Notes for its own account or for a beneficial owner for which such Person is acting as fiduciary or agent with complete investment discretion and with authority to bind such other Person (the purchaser, and each such beneficial owner, collectively, the "**Purchaser**"), and not with a view to any public resale or distribution thereof.
2. The Purchaser understands and acknowledges that the Notes have not been and will not be registered under the Securities Act or any U.S. state or foreign securities laws and may not be offered, sold or otherwise transferred except pursuant to an exemption from registration. Notwithstanding the availability of an exemption from the registration requirements under the Securities Act, the Notes may not be resold or transferred except to investors who are Qualified Institutional Buyers and who are also Qualified Purchasers.
3. The Purchaser is a Qualified Institutional Buyer and also a Qualified Purchaser. The Purchaser is aware (and any other Person for whom such Purchaser is purchasing is aware) that any sale of the Notes to it will be made in reliance on Rule 144A and such acquisition will be for its own account or for the account of another Qualified Institutional Buyer and Qualified Purchaser who is also aware that the sale to it is being made in reliance on Rule 144A.
4. The Purchaser is not a broker-dealer which owns and invests on a discretionary basis less than \$25,000,000 in securities of issuers unaffiliated with such broker-dealer.
5. The Purchaser is not a participant-directed employee plan, such as a 401(k) plan, or a trust holding the assets of such a plan, unless the investment decisions with respect to such plan are made solely by the fiduciary, trustee or sponsor of such plan.

6. The Purchaser and each account for which it is purchasing or otherwise acquiring the Notes (or beneficial interests therein), will purchase, hold or transfer at least \$250,000 of the Notes (or beneficial interests therein).

7. The Purchaser was not formed, reformed or recapitalized for the specific purpose of investing in the Notes and/or other securities of the Company (unless all of the beneficial owners of such Purchaser's securities are both Qualified Institutional Buyers and Qualified Purchasers).

8. If the Purchaser is an investment company excepted from the Investment Company Act pursuant to Section 3(c)(1) or Section 3(c)(7) thereof and was formed on or before April 30, 1996, it has received the consent of its beneficial owners who acquired their interests on or before April 30, 1996, with respect to its treatment as a Qualified Purchaser in the manner required by Section 2(a)(51)(C) of the Investment Company Act and the rules promulgated thereunder.

9. The Purchaser is not a partnership; common trust fund; or corporation, special trust, pension fund or retirement plan, or other entity, in which the partners, beneficiaries, beneficial owners, participants, shareholders or other equity owners, as the case may be, may designate the particular investment to be made, or the allocation thereof, unless all such partners, beneficiaries, beneficial owners, participants, shareholders or other equity owners are both Qualified Institutional Buyers and Qualified Purchasers.

10. The Purchaser has not invested more than 40% of its assets in the Notes (or beneficial interests therein) and/or other securities of the Company after giving effect to the purchase of the Notes (or beneficial interests therein) (unless all of the beneficial owners of such Purchaser's securities are both Qualified Institutional Buyers and Qualified Purchasers).

11. The Purchaser agrees that the Company shall be entitled to require any Holder of the Notes (or a beneficial interest therein) that is determined not to have been both a Qualified Institutional Buyer and a Qualified Purchaser (and to have met the other requirements set forth in paragraphs 1 through 12 and paragraph 14 of this Investor Representation Letter) at the time of acquisition of such Notes (or such beneficial interest) to sell such Notes (or such beneficial interest) in accordance with the provisions described in the third paragraph of the legend below.

12. The Purchaser understands that the Company may receive a list of participants holding positions in the Notes from the Depositary or any other depositary holding beneficial interests in the Notes.

13. The Purchaser and each person for which it is acting understands that any sale or transfer to a Person that does not comply with the requirements set forth in paragraphs 1 through 12 and paragraph 14 of this Investor Representation Letter relating to the requirements for Qualified Institutional Buyers may, at the Company's discretion, be considered void and of no effect and that any sale or transfer to a Person that does not comply with the requirements set

forth in paragraphs 1 through 12 and paragraph 14 of this Investor Representation Letter relating to the requirements for Qualified Purchasers will be void and of not effect.

14. The Purchaser agrees on its own behalf and on behalf of any investor account for which it is purchasing the Notes, and each subsequent Holder of the Notes by its acceptance thereof will agree, to offer, reoffer, sell or otherwise transfer such Notes only (i) to an investor who is both a Qualified Institutional Buyer and a Qualified Purchaser, and (ii) in accordance with all applicable securities laws of the United States, any state of the United States and any other applicable jurisdiction, subject in each case to any requirement of law that the disposition of its property or the property of such investor account or accounts be at all times within its or their control. “Registrable Securities” shall mean shares of Reference Common Stock initially issuable in exchange for the Notes initially sold to the Initial Purchasers pursuant to the Purchase Agreement other than those that have (i) been registered under a Shelf Registration Statement and disposed of in accordance therewith, (ii) become eligible to be sold without restriction as contemplated by Rule 144 under the Act or any successor rule or regulation thereto that may be adopted by the Commission, (iii) ceased to be outstanding, whether as a result of redemption, repurchase, cancellation, exchange or otherwise, or (iv) been sold to the public pursuant to Rule 144 under the Act.

“Representatives” shall have the meaning set forth in the preamble hereto.

“Shelf Registration Period” shall have the meaning set forth in Section 2(c) hereof.

“Shelf Registration Statement” shall mean a “shelf” registration statement of the Registration Rights Agreement Party pursuant to the provisions of Section 2 hereof which covers some or all of the Reference Common Stock on an appropriate form under Rule 415 under the Act, or any similar rule that may be adopted by the Commission, amendments and supplements to such registration statement, including post-effective amendments, in each case including the Prospectus contained therein, all exhibits thereto and all material incorporated by reference therein.

“underwriter” shall mean any underwriter of Reference Common Stock in connection with an offering thereof under the Shelf Registration Statement.

“Well-Known Seasoned Issuer” shall have the meaning set forth in Rule 405 under the Act.

2. Shelf Registration. (a) IAC shall use commercially reasonable efforts to (i) file a Shelf Registration Statement (which shall be, if IAC is then a Well-Known Seasoned Issuer, an Automatic Shelf Registration Statement) with the Commission and to cause such Shelf Registration Statement to become effective on or prior to the 181st day after the Issue Date, covering resales of the shares of the IAC Common Stock, if any, issuable upon exchange of the Notes; and (ii) keep such Shelf Registration Statement effective until the earlier of (A) the 20th trading day immediately following the maturity date of the Notes and (B) date on which there are no longer any Notes or “restricted” (within the meaning of Rule 144) shares of IAC Common Stock outstanding that have been received upon exchange of the Notes (such period, the “IAC Shelf Registration Period”); provided, however, that IAC shall not be required to keep such Shelf Registration Statement effective if (x) IAC is no longer the Reference Entity and (y) the successor Reference Entity has executed a joinder agreement to this Agreement (a “Joinder Agreement”) substantially in the form of Exhibit A hereto in accordance with Section 2(b) hereof.

(b) On or prior to any date on which a successor Reference Entity guarantees, on a senior unsecured basis, the Issuer’s obligations (or, if the prior Reference Entity has become the issuer of the notes, the prior Reference Entity’s obligations) under the Notes and the Indenture or becomes the issuer of the Notes, as applicable, such successor Reference Entity shall execute a Joinder Agreement substantially in the form of Exhibit A hereto, and such successor Reference Entity shall use commercially reasonable efforts to (i) file a Shelf Registration Statement (which shall be, if such successor Reference Entity is then a Well-Known Seasoned Issuer, an Automatic Shelf Registration Statement) with the Commission and to cause such Shelf Registration Statement to become effective on or prior to the 181st day after the relevant date on which such successor Reference Entity guarantees, on a senior unsecured basis, the Issuer’s obligations (or, if the prior Reference Entity has become the issuer of the notes, the prior Reference Entity’s obligations) under the Notes and the Indenture or becomes the issuer of the Notes, as applicable, covering resales of the shares of Reference Common Stock, if any, issuable upon exchange or conversion of the Notes; and (ii) keep such Shelf Registration Statement effective until the earlier of (A) the 20th trading day immediately following the maturity date of the Notes and (B) the date on which there are no longer any Notes or “restricted” (within the meaning of Rule 144) shares of the Reference Common Stock outstanding that have been received upon exchange or conversion of the Notes (each such period, the “Successor Reference Entity Shelf Registration Period”); provided, however, that such successor Reference Entity shall not be required to keep such Shelf Registration Statement effective if (x) such successor Reference Entity is no longer the Reference Entity and (y) another successor Reference Entity has entered into a Joinder Agreement in accordance with this Section 2(b).

(c) IAC or any successor Reference Entity, as applicable (the “Registration Rights Agreement Party”), shall be deemed not to have used its commercially reasonable efforts to keep the Shelf Registration Statement effective during the IAC Shelf Registration Period or the Successor Entity Shelf Registration Period, as applicable (the “Shelf Registration Period”), if it voluntarily takes any action that would result in Holders of Registrable Securities not being able to offer and sell such Reference Common Stock at any time during the applicable Shelf Registration Period, unless such action is (x) required by applicable law or otherwise undertaken by the Registration Rights Agreement Party in good faith and for valid business reasons (not including avoidance of the Registration Rights Agreement Party’s obligations hereunder), including, without limitation, the acquisition or divestiture of assets, or (y) permitted by Section 3(i) hereof.

(d) The Registration Rights Agreement Party shall cause the Shelf Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement or such amendment or supplement, (i) to comply in all material respects with the applicable requirements of the Act; and (ii) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein (in the case of the Prospectus), in the light of the circumstances under which they were made, not misleading.

(e) The Registration Rights Agreement Party shall use commercially reasonable efforts to notify the Holders of the anticipated effective date of the Shelf Registration Statement at least 15 Business Days prior to the anticipated effective date thereof. Each Holder agrees that if such Holder wishes to sell Securities pursuant to a Shelf Registration Statement and related Prospectus, it will do so only in accordance with this Section 2(e). Each Holder seeking to sell Registrable Securities pursuant to a Shelf Registration Statement and related Prospectus agrees that it shall:

(i) complete and deliver a Notice and Questionnaire and such other information as the Registration Rights Agreement Party may reasonably request in writing, if any, to the Registration Rights Agreement Party at least 10 Business Days prior to the anticipated effective date of the Shelf Registration Statement as set forth in the notice to Holders. If a Holder does not timely complete and deliver a Notice and Questionnaire or provide the other information the Registration Rights Agreement Party may reasonably request in writing, that Holder will not be named as a selling securityholder in the Prospectus and will not be permitted to sell its Registrable Securities under the Shelf Registration Statement. From and after the effective date of the Shelf Registration Statement, the Registration Rights Agreement Party shall use reasonable best efforts, as promptly as is practicable after the date a Notice and Questionnaire is timely delivered, and in any event within 20 Business Days after such date, (i) if required by applicable law, to file with the Commission a post-effective amendment to the Shelf Registration Statement or to prepare and, if permitted or required by applicable law, to file a supplement to the related Prospectus or an amendment or supplement to any document incorporated therein by reference or file any other required document so that the Holder delivering such Notice and Questionnaire is named as a selling securityholder in the Shelf Registration Statement and the related Prospectus, and so that such Holder is permitted to deliver such Prospectus to purchasers of the Registrable Securities in accordance with applicable law and, if the Registration Rights Agreement Party shall file a post-effective amendment to the Shelf Registration Statement, use its reasonable best efforts to cause such post-effective amendment to be declared effective under the Act as promptly as is practicable; provided, that the Registration Rights Agreement Party shall not be required to file more than one post-effective amendment or supplement to the related Prospectus in any 90-day period in accordance with this Section 2(e) (i); (ii)

provide such Holder, upon request, one copy of any documents filed pursuant to this Section 2(e)(i); and (iii) notify such Holder as promptly as practicable after the effectiveness under the Act of any post-effective amendment filed or the filing of any supplement to the related Prospectus, pursuant to this Section 2(e)(i); provided, that if such Notice and Questionnaire is delivered during a Deferral Period, the Registration Rights Agreement Party shall so inform the Holder delivering such Notice and Questionnaire and shall take the actions set forth in clauses (i), (ii) and (iii) above upon expiration of the Deferral Period in accordance with Section 3(i) hereof. Notwithstanding anything contained herein to the contrary, the Registration Rights Agreement Party shall be under no obligation to name any Holder that is not a Notice Holder as a selling securityholder in the Shelf Registration Statement or related Prospectus; provided, however, that any Holder that becomes a Notice Holder pursuant to the provisions of this Section 2(e) (whether or not such Holder was a Notice Holder at the effective date of the Shelf Registration Statement) shall be named as a selling securityholder in the Shelf Registration Statement or related Prospectus in accordance with the requirements of this Section 2(e);

(ii) to the extent required by applicable law, deliver a Prospectus to the purchaser of such Reference Common Stock;

(iii) notify the Registration Rights Agreement Party when it has sold all of the Registrable Securities or shares of Reference Common Stock held by it; and

(iv) promptly notify the Registration Rights Agreement Party in the event that any information supplied by such Holder in writing for inclusion in the Registration Statement or related Prospectus is untrue or omits to state a material fact required to be stated therein or necessary to make such information not misleading in the light of the circumstances then existing; immediately discontinue any sale or other disposition of such Reference Common Stock pursuant to the Registration Statement until the filing of an amendment or supplement to such Prospectus as may be necessary so that such Prospectus does not contain an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; and use reasonable best efforts to assist the Registration Rights Agreement Party as may be appropriate to make such amendment or supplement effective for such purpose.

3. Registration Procedures. The following provisions shall apply in connection with the Shelf Registration Statement.

(a) The Registration Rights Agreement Party shall:

(i) furnish to each of the Representatives and to counsel for the Notice Holders (as appointed in accordance with Section 4 hereof), not less than five Business Days prior to the filing thereof with the Commission, a copy of the Shelf Registration Statement and each amendment thereto and each amendment or supplement, if any, to the Prospectus included therein (including all documents incorporated by reference therein after the initial filing) and shall consider in good faith any modifications thereto resulting from comments as the Representatives reasonably propose; and

(ii) include information regarding the Notice Holders and the methods of distribution they have elected for their Registrable Securities provided to the Registration

Rights Agreement Party in any Notice and Questionnaire as necessary to permit such distribution by the methods specified therein.

(b) The Registration Rights Agreement Party shall ensure that:

(i) the Shelf Registration Statement and any amendment thereto and any Prospectus forming part thereof and any amendment or supplement thereto complies in all material respects with the Act; and

(ii) the Shelf Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) The Registration Rights Agreement Party shall advise the Representatives, the Notice Holders and any underwriter that has provided in writing to the Registration Rights Agreement Party a telephone or facsimile number and address for notices, and confirm such advice in writing (which notice pursuant to clauses (ii) through (v) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the Registration Rights Agreement Party shall have remedied the basis for such suspension):

(i) when the Shelf Registration Statement and any amendment thereto has been filed with the Commission and when the Shelf Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for any amendment or supplement to the Shelf Registration Statement or the Prospectus or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Shelf Registration Statement or the initiation of any proceeding for that purpose or any other lapse in the effectiveness of the Shelf Registration Statement during the Shelf Registration Period;

(iv) of the receipt by the Registration Rights Agreement Party of any notification with respect to the suspension of the qualification of the Reference Common Stock included therein for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) of the occurrence of any event that requires any change in the Shelf Registration Statement or the Prospectus so that, as of such date, they (A) do not contain any untrue statement of a material fact and (B) do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

(d) The Registration Rights Agreement Party shall use its commercially reasonable efforts to prevent the issuance of any order suspending the effectiveness of the Shelf Registration Statement or the qualification of the securities therein for sale in any jurisdiction and, if issued, to obtain as soon as possible the withdrawal thereof.

(e) Upon request, the Registration Rights Agreement Party shall furnish to each Notice Holder, without charge, at least one copy of the Shelf Registration Statement and any post-effective amendment thereto, and, if a Notice Holder so requests in writing, all exhibits thereto.

(f) During the Shelf Registration Period, the Registration Rights Agreement Party shall promptly deliver to each Initial Purchaser, each Notice Holder and any sales or placement agents or underwriters acting on their behalf, without charge, as many copies of the Prospectus (including the preliminary Prospectus, if any) included in the Shelf Registration Statement and any amendment or supplement thereto as any such person may reasonably request. The Registration Rights Agreement Party consents to the use of the Prospectus or any amendment or supplement thereto by each of the foregoing in connection with the offering and sale of the Registrable Securities.

(g) Prior to any offering of Reference Common Stock pursuant to the Shelf Registration Statement, the Registration Rights Agreement Party shall use commercially reasonable efforts to (i) arrange for the qualification of the Reference Common Stock for offer and sale under the securities or “blue sky” laws of such states of the United States as any Notice Holder shall reasonably request and shall maintain such qualification in effect so long as required to enable such Notice Holder to consummate the disposition in such jurisdictions of the Reference Common Stock owned by such Notice Holder, and (ii) cooperate with the Holders in connection with any filings required to be made with FINRA; provided, that in no event shall the Registration Rights Agreement Party be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to taxation or service of process in suits, other than those arising out of the Initial Placement or any offering pursuant to the Shelf Registration Statement, in any jurisdiction where it is not then so subject.

(h) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above, the Registration Rights Agreement Party shall promptly (or within the time period provided for by Section 3(i) hereof, if applicable) prepare and file a post-effective amendment to the Shelf Registration Statement or an amendment or supplement to the related Prospectus or file any other required document to remedy the basis for any suspension of the Shelf Registration Statement and so that, as thereafter delivered to each Initial Purchaser, each Notice Holder and any sales or placement agents or underwriters acting on their behalf, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Registration Rights Agreement Party notifies the Holders in accordance with subsections (c)(ii) through (v) above to suspend the use of the Prospectus until the requisite changes to the Prospectus have been made, then the Holders of the Securities shall suspend the use of such Prospectus.

(i) Upon the occurrence or existence of any pending corporate development, public filing with the Commission or any other business reason that, in the reasonable judgment of the Registration Rights Agreement Party, makes it appropriate to suspend the availability of the Shelf Registration Statement and the related Prospectus, the Registration Rights Agreement Party shall give notice (without notice of the nature or details of such events) to the Notice Holders that the availability of the Shelf Registration Statement is suspended and, upon actual receipt of any such notice, each Notice Holder agrees not to sell any Registrable Securities pursuant to the Shelf Registration Statement until such Notice Holder’s receipt of copies of the supplemented or amended Prospectus provided for in Section 3(h) hereof, or until it is advised in writing by the Registration Rights Agreement Party that the Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus. The period during which the availability of the Shelf Registration Statement and any Prospectus is suspended pursuant to this Section 3(i) (the “Deferral Period”) shall not exceed 45 days in any 90-day period or 120 days in any 360-day period; provided, that, if the event triggering the Deferral Period relates to a proposed or pending material

business transaction, the disclosure of which the board of directors of the Registration Rights Agreement Party or a committee thereof determines in good faith would be reasonably likely to impede the ability to consummate the transaction or would otherwise be detrimental to the Registration Rights Agreement Party and its subsidiaries taken a whole, the Registration Rights Agreement Party may extend the Deferral Period from 45 days to 60 days in any 90-day period or from 120 days to 150 days in any 360-day period. Each Notice Holder, by its acceptance of the Notes, agrees to hold any such suspension notice in strict confidence.

(j) The Registration Rights Agreement Party shall comply with all applicable rules and regulations of the Commission and shall make generally available to its securityholders an earnings statement satisfying the provisions of Section 11(a) of, and Rule 158 under, the Act as soon as practicable after the effective date of the Shelf Registration Statement and in any event no later than 45 days after the end of a 12-month period (or 90 days, if such period is a fiscal year) beginning with the first month of the Registration Rights Agreement Party's first fiscal quarter commencing after the effective date of the Shelf Registration Statement.

(k) The Registration Rights Agreement Party may require each Holder of Reference Common Stock to be sold pursuant to the Shelf Registration Statement to furnish to the Registration Rights Agreement Party such information regarding the Holder and the distribution of such Reference Common Stock as the Registration Rights Agreement Party may from time to time reasonably require for inclusion in the Shelf Registration Statement. The Registration Rights Agreement Party may exclude from the Shelf Registration Statement the Reference Common Stock of any Holder that fails to furnish such information within ten Business Days after receiving such request.

(l) Subject to Section 6 hereof, the Registration Rights Agreement Party shall enter into customary agreements (including, if requested, an underwriting agreement in customary form) and take all other appropriate actions in order to expedite or facilitate the registration or the disposition of the Reference Common Stock, and in connection therewith, if an underwriting agreement is entered into, cause the same to contain customary indemnification provisions and procedures.

(m) Subject to Section 6 hereof, the Registration Rights Agreement Party shall:

(i) make reasonably available for inspection by not more than one representative appointed by the Majority Holders, any underwriter participating in any disposition pursuant to the Shelf Registration Statement, and one firm of attorneys and one accounting firm retained by the Holders (collectively, the "Inspectors") all relevant financial and other records and pertinent corporate documents of the Registration Rights Agreement Party and its subsidiaries that are referenced in the Shelf Registration Statement (collectively, the "Records"). Records that the Registration Rights Agreement Party determines, in good faith, to be confidential or privileged and any Records that it notifies the Inspectors are confidential or privileged shall not be disclosed by any Inspector, unless (A) the disclosure of such Records is necessary to avoid or correct a material misstatement or material omission in the Shelf Registration Statement if a Shelf Registration Statement is then available, (B) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (C) disclosure of such information is, in the opinion of counsel for the Majority Holders, necessary or advisable in connection with any action, claim, suit or proceeding, directly involving or potentially involving the Holders or their Inspectors and arising out of, based upon, relating to, or involving this Agreement or any transactions contemplated hereby or arising hereunder or (D) the information in such Records has been made generally available to the public other than through the acts of the Inspectors; provided, however,

that prior notice shall be provided as soon as practicable to the Registration Rights Agreement Party of the potential disclosure of any information by such Inspector pursuant to clauses (B) or (C) of this Section 3(m)(i) to permit the Registration Rights Agreement Party to obtain a protective order (or waive the provisions of this Section 3(m)). Each Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information to the extent such actions are otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector, unless and until such information in such Records has been made generally available to the public other than as a result of a breach of this Agreement;

(ii) cause the Registration Rights Agreement Party's officers, directors, employees, accountants and auditors to supply all relevant information reasonably requested by the Holders or Inspector in connection with the Shelf Registration Statement as is customary for similar due diligence examinations;

(iii) make such representations and warranties to the Holders of Reference Common Stock registered thereunder and the underwriters, if any, in form, substance and scope as are customarily made by issuers to underwriters in primary underwritten offerings and covering matters, including, but not limited to, those set forth in the Purchase Agreement;

(iv) obtain opinions of counsel to the Registration Rights Agreement Party and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters, if any) addressed to each selling Holder and the underwriters, if any, covering such matters as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Holders and underwriters;

(v) obtain "comfort" letters and updates thereof from the independent certified public accountants of the Registration Rights Agreement Party (and, if necessary, any other independent certified public accountants of any subsidiary of the Registration Rights Agreement Party or of any business acquired by the Registration Rights Agreement Party for which financial statements and financial data are, or are required to be, included in the Shelf Registration Statement), addressed to the underwriters, if any, in customary form and covering matters of the type customarily covered in "comfort" letters in connection with primary underwritten offerings; and

(vi) deliver such documents and certificates as may be reasonably requested by the Managing Underwriters, if any, including those to evidence compliance with Section 3(i) hereof and with any customary conditions contained in the underwriting agreement or other agreement entered into by the Registration Rights Agreement Party.

The actions set forth in clauses (iii) through (vi) of this Section 3(m) shall be performed in connection with any underwriting or similar agreement as and to the extent required thereunder.

(n) In the event that any Broker-Dealer registered under the Exchange Act shall underwrite any Reference Common Stock or participate in a public offering (within the meaning of the rules of FINRA) as a member of an underwriting syndicate or selling group, whether as a Holder of such Reference Common Stock or as an underwriter, a placement or sales agent or a broker or dealer in respect

thereof, or otherwise, the Registration Rights Agreement Party shall reasonably assist such Broker-Dealer in complying with the applicable rules and regulations of FINRA.

(o) The Registration Rights Agreement Party shall use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Reference Common Stock covered by the Shelf Registration Statement.

4. Registration Expenses. The Registration Rights Agreement Party shall bear all expenses incurred in connection with the performance of its obligations under Sections 2 and 3 hereof and shall reimburse the Holders for the reasonable fees and disbursements of one firm or counsel (which shall be a nationally recognized law firm experienced in securities matters designated by the Majority Holders) to act as counsel for the Holders in connection therewith; provided, however, that such expenses shall not include, and the Registration Rights Agreement Party shall not have any obligation to pay, any underwriting fees, discounts or commissions attributable to the sale of such Registrable Securities, or any fees and expenses of any Broker-Dealer or other financial intermediary engaged by any Holder.

5. Indemnification and Contribution. (a) The Registration Rights Agreement Party agrees to indemnify and hold harmless each Holder covered by the Shelf Registration Statement, each Initial Purchaser, the directors, officers, employees, Affiliates and agents of each such Holder or Initial Purchaser and each person who controls any such Holder or Initial Purchaser within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or arises out of or is based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any preliminary prospectus or the Prospectus, in the light of the circumstances under which they were made) not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Registration Rights Agreement Party will not be liable (x) in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Registration Rights Agreement Party by or on behalf of the party claiming indemnification specifically for inclusion therein or (y) to any Holder from whom the person asserting any such losses, claims, damages or liabilities purchased the Reference Common Stock concerned, to the extent that a Prospectus relating to such Reference Common Stock was required to be delivered (including through satisfaction of the conditions of Commission Rule 172) by such Holder by the Securities Act in connection with such purchase and any such loss, claim, damage or liability of such Holder results from the fact that there was not conveyed to such person, at or prior to the time of the sale of such Reference Common Stock to such person, an amended or supplemented prospectus or a free writing prospectus of the Registration Rights Agreement Party, in each case, correcting such untrue statement or omission or alleged untrue statement or omission if the Registration Rights Agreement Party had previously furnished copies thereof to such Holder. This indemnity agreement shall be in addition to any liability that the Registration Rights Agreement Party and the Issuer may otherwise have to the indemnified party.

The Registration Rights Agreement Party also agrees to indemnify as provided in this Section 5(a) or contribute as provided in Section 5(d) hereof to Losses of each underwriter, if any, of Reference Common Stock registered under the Shelf Registration Statement, its directors, officers, employees, Affiliates or agents and each person who controls such underwriter on substantially the same basis as that of the indemnification of the Initial Purchasers and the selling Holders provided in this paragraph (a) and shall, if requested by any Holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 3(l) hereof.

(b) Each Holder of securities covered by the Shelf Registration Statement (including each Initial Purchaser that is a Holder, in such capacity) severally and not jointly agrees to indemnify and hold harmless the Registration Rights Agreement Party and the Issuer, each of their respective directors, each of their respective officers who signs the Shelf Registration Statement and each person who controls the Registration Rights Agreement Party or the Issuer within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Registration Rights Agreement Party and the Issuer to each such Holder, but only with reference to written information relating to such Holder furnished to the Registration Rights Agreement Party or the Issuer by or on behalf of such Holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement shall be acknowledged by each Notice Holder that is not an Initial Purchaser in such Notice Holder's Notice and Questionnaire and shall be in addition to any liability that any such Notice Holder may otherwise have to the Registration Rights Agreement Party or the Issuer.

(c) Promptly after receipt by an indemnified party under this Section 5 or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 5, notify the indemnifying party in writing of the commencement thereof; provided that the failure so to notify the indemnifying party (i) will not relieve it from liability under Section 5(a) or 5(b) above unless and to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in Section 5(a) or 5(b) above. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, as reasonably determined by such counsel; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded, based on advice of counsel, that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. It is understood and agreed that the indemnifying party shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate law firm (in addition to any local counsel) for all indemnified persons, and that all such fees and expenses shall be reimbursed as they are incurred. An indemnifying party will not, without the prior written consent of the

indemnified party, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential parties to such claim or action), unless such settlement, compromise or consent includes an unconditional release of such indemnified party from all liability arising out of such claim, action, suit or proceeding.

(d) In the event that the indemnity provided in Section 5(a) or 5(b) is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party will contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending loss, claim, liability, damage or action) (collectively, “Losses”) to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the Initial Placement and the Shelf Registration Statement which resulted in such Losses; provided, however, that in no case shall any Initial Purchaser be responsible, in the aggregate, for any amount in excess of the commission applicable to the Notes, as set forth in the Final Memorandum nor shall any underwriter be responsible for any amount in excess of the underwriting discount or commission applicable to the securities purchased by such underwriter under the Shelf Registration Statement which resulted in such Losses; provided, further, that no such Holder will be required to contribute any amount in excess of the public offering price of all such shares of the Reference Common Stock offered by it pursuant to such Shelf Registration Statement. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Registration Rights Agreement Party and the Issuer shall be deemed to be equal to the total net proceeds from the Initial Placement (before deducting expenses) as set forth in the Final Memorandum. Benefits received by the Initial Purchasers shall be deemed to be equal to the total commissions as set forth in the Final Memorandum, and benefits received by any other Holders shall be deemed to be equal to the value of the public offering price of all such shares of Reference Common Stock offered by it pursuant to such Shelf Registration Statement. Benefits received by any underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth on the cover page of the Prospectus forming a part of the Shelf Registration Statement which resulted in such Losses. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this Section 5(d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 5, each person who controls a Holder within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Holder, and each person who controls the Registration Rights Agreement Party or the Issuer within the meaning of either the Act or the Exchange Act, each officer of the Registration Rights Agreement Party or the Issuer who shall have signed the Shelf Registration Statement and each director of the Registration Rights Agreement Party or the Issuer shall have the same rights to contribution as the Registration Rights Agreement Party and the Issuer, subject in each case to the applicable terms and conditions of this Section 5(d).

(e) The provisions of this Section 5 shall remain in full force and effect, regardless of any investigation made by or on behalf of any Holder or the Registration Rights Agreement Party or the Issuer or any of the indemnified persons referred to in this Section 5, and shall survive the sale by a Holder of securities covered by the Shelf Registration Statement.

6. Underwritten Registrations.

(a) In no event will the method of distribution of Registrable Securities take the form of an underwritten offering without the prior written consent of the Registration Rights Agreement Party. Such consent may be conditioned on waivers of any of the obligations in Section 3, Section 4 or Section 5 of this Agreement.

(b) If any shares of Reference Common Stock covered by the Shelf Registration Statement are to be sold in an underwritten offering, the Managing Underwriters shall be selected by the Registration Rights Agreement Party.

(c) No person may participate in any underwritten offering pursuant to the Shelf Registration Statement, unless such person (i) agrees to sell such person's shares of Reference Common Stock on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements; and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

7. Registration Defaults. If any of the following events shall occur (each, a "Registration Default"), then the Issuer (or, if the Registration Rights Agreement Party has become the issuer of the Notes, the Registration Rights Agreement Party) shall pay liquidated damages (the "Registration Default Damages") to the applicable Holders as follows:

(a) if the Shelf Registration Statement (which shall be, if the Registration Rights Agreement Party is then a Well-Known Seasoned Issuer, an Automatic Shelf Registration Statement) is not filed with the Commission and effective on or prior to the 181st day following the Issue Date (in the case of IAC) or the relevant date on which the successor Reference Entity guarantees, on a senior unsecured basis, the Issuer's obligations (or, if the prior Reference Entity has become the issuer of the notes, the prior Reference Entity's obligations) under the Notes and the Indenture or becomes the Issuer of the Notes, as applicable (in the case of a successor Reference Entity), then commencing on the 182nd day after the Issue Date (in the case of IAC) or the relevant date on which the successor Reference Entity guarantees, on a senior unsecured basis, the Issuer's obligations (or, if the prior Reference Entity has become the issuer of the notes, the prior Reference Entity's obligations) under the Notes and the Indenture or becomes the Issuer of the Notes, as applicable (in the case of a successor Reference Entity), Registration Default Damages shall accrue on the aggregate outstanding principal amount of the Notes, at a rate of 0.25% per annum for the first 90 days from and including such 182nd day and 0.50% per annum thereafter; or

(b) [Reserved];

(c) if the Shelf Registration Statement has been declared or becomes effective but ceases to be effective for the offer and sale of the Registrable Securities, other than (i) in connection with a Deferral Period or (ii) as a result of a requirement to file a post-effective amendment or supplement to the Prospectus to make changes to the information regarding selling securityholders or the plan of distribution provided for therein, at any time during the Shelf Registration Period and the Registration Rights Agreement Party does not cure the lapse of effectiveness or usability within ten Business Days (or,

if a Deferral Period is then in effect and subject to the ten Business Day filing requirement and the proviso regarding the filing of post-effective amendments in Section 2(e) with respect to any Notice and Questionnaire received during such period, within ten Business Days following the expiration of such Deferral Period or period permitted pursuant to Section 2(e)), then Registration Default Damages shall accrue on the aggregate outstanding principal amount of the Notes at a rate of 0.25% per annum for the first 90 days from and including the day following such tenth Business Day and 0.50% per annum thereafter; or

(d) if the Registration Rights Agreement Party through its omission fails to name as a selling securityholder any Holder that had complied timely with its obligations hereunder in a manner to entitle such Holder to be so named in (i) the Shelf Registration Statement at the time it first became effective or (ii) any Prospectus at the later of time of filing thereof or the time the Shelf Registration Statement of which the Prospectus forms a part becomes effective, then Registration Default Damages shall accrue, on the aggregate outstanding principal amount of the Notes held by such Holder, at a rate of 0.25% per annum for the first 90 days from and including the day following the effective date of such Shelf Registration Statement or the time of filing of such Prospectus, as the case may be, and 0.50% per annum thereafter; or

(e) if the aggregate duration of Deferral Periods in any period exceeds the number of days permitted in respect of such period pursuant to Section 3(i) hereof, then commencing on the day the aggregate duration of Deferral Periods in any period exceeds the number of days permitted in respect of such period, Registration Default Damages shall accrue on the aggregate outstanding principal amount of the Notes at a rate of 0.25% per annum for the first 90 days from and including such date, and 0.50% per annum thereafter;

provided, however, that (1) upon the filing of the Shelf Registration Statement (in the case of Section 7(a) above), (2) upon the effectiveness of the Shelf Registration Statement (in the case of Section 7(b) above), (3) upon such time as the Shelf Registration Statement which had ceased to remain effective or usable for resales again becomes effective for resales (in the case of Section 7(c) above), (4) upon the time such Holder is permitted to sell its Registrable Securities pursuant to any Shelf Registration Statement and Prospectus in accordance with applicable law (in the case of Section 7(d) above) or (5) upon the termination of the Deferral Period that caused the limit on the aggregate duration of Deferral Periods in a period set forth in Section 3(i) to be exceeded (in the case of Section 7(e) above), the Registration Default Damages shall cease to accrue.

Any amounts of Registration Default Damages due pursuant to this Section 7 will be payable in cash on the next succeeding interest payment date to Holders entitled to receive such Registration Default Damages on the relevant record dates for the payment of interest. If a Note ceases to be outstanding during any period for which Registration Default Damages are accruing (as a result of the holder exercising its exchange or conversion rights or otherwise), the Issuer (or, if the Registration Rights Agreement Party has become the issuer of the Notes, the Registration Rights Agreement Party) will pay the liquidated damages with respect to such Note only for the period of time that such Note remained outstanding during which such Registration Default Damages were accruing.

The Registration Default Damages rate on the Notes shall not exceed in the aggregate 0.50% per annum and shall not be payable under more than one clause above for any given period of time, except that if Registration Default Damages would be payable because of more than one Registration Default, but at a rate of 0.25% per annum under one Registration Default and at a rate of 0.50% per annum under the other, then the Registration Default Damages rate shall be the higher rate of 0.50% per annum. Other than the obligation of the Issuer (or, if the Registration Rights Agreement Party has become the issuer of the Notes, the Registration Rights Agreement Party) to pay Registration Default Damages in accordance

with this Section 7, neither the Registration Rights Agreement Party nor the Issuer will have any liability for damages with respect to a Registration Default. If a Registration Default occurs after a Holder has exchanged its Notes for, or exchanged its Notes into, Reference Common Stock, such Holder shall not be entitled to any compensation with respect to such Reference Common Stock.

8. No Inconsistent Agreements. Neither the Registration Rights Agreement Party nor the Issuer has entered into, and each agrees not to enter into, any agreement with respect to its securities that is inconsistent with the registration rights granted to the Holders herein.

9. Rule 144A and Rule 144. So long as any Registrable Securities remain outstanding, the Registration Rights Agreement Party shall use its commercially reasonable efforts to file the reports required to be filed by it under Rule 144A(d)(4) under the Act and the Exchange Act in a timely manner and, if at any time the Registration Rights Agreement Party is not required to file such reports, it will, upon the written request of any Holder, make publicly available other information so long as necessary to permit sales of such Holder's Registrable Securities pursuant to Rules 144 and 144A of the Act. The Registration Rights Agreement Party covenants that it will take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Act within the limitation of the exemptions provided by Rules 144 and 144A (including, without limitation, the requirements of Rule 144A(d)(4)). Notwithstanding the foregoing, nothing in this Section 9 shall be deemed to require the Registration Rights Agreement Party or the Issuer to register any of its securities pursuant to the Exchange Act.

10. Amendments and Waivers. The provisions of this Agreement may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Registration Rights Agreement Party has obtained the written consent of the Majority Holders; provided, that, with respect to any matter that directly or indirectly affects the rights of any Initial Purchaser hereunder, the Registration Rights Agreement Party shall obtain the written consent of each such Initial Purchaser against which such amendment, qualification, supplement, waiver or consent is to be effective; provided, further, that no amendment, qualification, supplement, waiver or consent with respect to Section 7 hereof shall be effective as against any Holder unless consented to in writing by such Holder; and provided, further, that the provisions of this Section 10 may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Registration Rights Agreement Party has obtained the written consent of the Initial Purchasers and each Holder.

11. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier or air courier guaranteeing overnight delivery:

(a) if to a Holder, at the most current address given by such holder to the Registration Rights Agreement Party in accordance with the provisions of the Notice and Questionnaire;

(b) if to the Initial Purchasers or the Representatives, initially at the address or addresses set forth in the Purchase Agreement; and

(c) if to IAC or the Issuer, initially at the address set forth in the Purchase Agreement.

All such notices and communications shall be deemed to have been duly given when received.

The Initial Purchasers, the Registration Rights Agreement Party or the Issuer by notice to the other parties may designate additional or different addresses for subsequent notices or communications.

Notwithstanding the foregoing, notices given to Holders (i) holding Notes in book-entry form may be given through the facilities of DTC or any successor depository and (ii) may be given by e-mail at the e-mail address provided by such Holder in accordance with the provisions of the Notice and Questionnaire.

12. Remedies. Each Holder, in addition to being entitled to exercise all rights provided to it herein or in the Purchase Agreement or granted by law, including recovery of liquidated or other damages, will be entitled to specific performance of its rights under this Agreement; provided that specific performance will not be available for a breach by the Registration Rights Agreement Party of its obligations under Section 3 hereof, for which Registration Default Damages have been paid pursuant to Section 7 hereof. The Registration Rights Agreement Party and the Issuer agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by them of the provisions of this Agreement and hereby agrees that the Initial Purchasers or any Holder may obtain such relief as may be required to specifically enforce the Registration Rights Agreement Party's obligations under Section 2 hereof.

13. Successors. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors and assigns, including, without the need for an express assignment or any consent by the Registration Rights Agreement Party and the Issuer thereto, subsequent Holders of Registrable Securities, and the indemnified persons referred to in Section 5 hereof; provided that nothing herein shall be deemed to permit any assignment of this Agreement, or transfer or other disposition of Registrable Securities to a person who is not both (a) a QIB and (b) a QP. The Registration Rights Agreement Party and the Issuer hereby agree to extend the benefits of this Agreement to any Holder, and any such Holder may specifically enforce the provisions of this Agreement as if an original party hereto.

14. Counterparts. This Agreement may be signed in one or more counterparts (which may include counterparts delivered by any standard form of telecommunication), each of which shall constitute an original and all of which together shall constitute one and the same agreement.

15. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.

16. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed in the State of New York. The parties hereto each hereby waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating to this Agreement.

17. Severability. In the event that any one of more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

18. Reference Common Stock Held by the Registration Rights Agreement Party, etc. Whenever the consent or approval of Holders of a specified percentage of Reference Common Stock is

required hereunder, Reference Common Stock held by the Registration Rights Agreement Party or its Affiliates (other than subsequent Holders of Reference Common Stock if such subsequent Holders are deemed to be Affiliates solely by reason of their holdings of such Reference Common Stock) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

 - (c) This Agreement, the Credit Agreement and each other Loan Document to which it is a party constitutes a legal, valid and binding obligation of the Successor Borrower, enforceable against the Successor Borrower in

All references to the “Borrower” in the Credit Agreement, the Pledge Agreement, the Subsidiary Guarantee, and any of the other Loan Documents shall be deemed to refer to the Successor Borrower, and are hereby amended to give effect to the terms of this Agreement, but only to the extent, necessary to give effect to the terms of this Agreement. IN THE COURT OF CHANCERY OF THE STATE OF DELAWARE

IN RE IAC/INTERACTIVECORP CLASS) CONSOLIDATED
 C RECLASSIFICATION LITIGATION) C.A. No. 12975-VCL

STIPULATION AND [PROPOSED] ORDER OF DISMISSAL

WHEREAS, the above-captioned consolidated class action (the "Consolidated Action") was commenced on behalf of a putative class of IAC/InterActiveCorp ("IAC" or the "Company") stockholders to challenge a proposal disclosed on November 2, 2016 to adjust the capital structure of IAC through an amendment and restatement of IAC's Certificate of Incorporation to establish a new class of non-voting capital stock, which would be known as "Class C common stock" (the "New Certificate"), and the potential declaration and payment of a dividend of one share of the Class C common stock for each outstanding share of IAC common stock and Class B common stock (the "Dividend" and, together with the adoption of the New Certificate, the "Class C Recapitalization");

WHEREAS, on November 2, 2016, IAC filed a Preliminary Proxy Statement with the U.S. Securities and Exchange Commission disclosing the proposed Class C Recapitalization, which had been approved by IAC's Board of Directors (the "Board") on November 1, 2016, upon the recommendation of a

Special Committee of the Board, and which was set to be submitted to a vote of the stockholders on December 15, 2016, during IAC's Annual Meeting;

WHEREAS, on November 7, 2016, IAC filed a Definitive Proxy Statement with the U.S. Securities and Exchange Commission requesting, among other things, that IAC stockholders vote to adopt the New Certificate to create the Class C common stock, and disclosing, among other things, (1) that any amendment and restatement of IAC's Certificate of Incorporation would not be effective unless and until the Company filed the New Certificate with the Secretary of State of the State of Delaware, and (2) that the Company's Board had reserved the right to abandon or delay the filing of the New Certificate notwithstanding stockholder approval of the proposed Class C Recapitalization;

WHEREAS, following the announcement of the Class C Recapitalization, and as of December 12, 2016, three purported class actions had been filed in this Court titled: *Miller v. IAC/InterActiveCorp*, C.A. No. 12929-VCL (Del. Ch. Nov. 22, 2016); *Halberstam v. Bronfman*, C.A. No. 12935-VCL (Del. Ch. Nov. 22, 2016); and *California Public Employees' Retirement System v. IAC/InterActiveCorp*, C.A. No. 12975-VCL (Del. Ch. Dec. 12, 2016) (collectively, the "Delaware Actions");

WHEREAS, the Delaware Actions alleged generally, among other things, that IAC's directors breached their fiduciary duties in connection with the Class C

Recapitalization, that the creation of Class C common stock will not be in the best interests of IAC's public stockholders, and that the creation of Class C common stock is designed to unduly benefit Defendant Barry Diller;

WHEREAS, on November 28, 2016, IAC filed a Supplement to its Definitive Proxy Statement disclosing, among other things, that IAC had agreed not to effect the Class C Recapitalization during the pendency of litigation challenging the Class C Recapitalization, and had so informed the Court;

WHEREAS, on December 15, 2016, IAC held its Annual Meeting;

WHEREAS, Defendants represent that certain IAC stockholders that together possess majority voting power adopted amendments to the Company's existing Restated Certificate of Incorporation, as amended, to authorize 600,000,000 shares of Class C common stock and to establish the powers, preferences, rights and qualifications, limitations, and restrictions of the Class C common stock;

WHEREAS, on December 23, 2016, the Court entered an Order (the "December 23 Order") appointing Plaintiff California Public Employees' Retirement System as Lead Plaintiff and the law firms of Bernstein Litowitz Berger & Grossmann LLP and Friedlander & Gorris, P.A. (together, "Co-Lead Counsel");

WHEREAS, on January 25, 2017, the Court entered an Order consolidating the Delaware Actions filed by Plaintiffs into the Consolidated Action and setting the schedule for the Consolidated Action;

WHEREAS, from December 2016 to June 2017, the Parties engaged in discovery in the Consolidated Action;

WHEREAS, on March 22, 2017, the International Brotherhood of Teamsters Local No. 710 Pension Plan filed a purported class action in this Court challenging the Class C Recapitalization, *International Brotherhood of Teamsters Local No. 710 Pension Plan v. IAC/InterActiveCorp*, C.A. No. 2017-0208-JTL (Del. Ch. Mar. 22, 2017) (the “International Brotherhood Action”);

WHEREAS, on April 3, 2017, the Court consolidated the International Brotherhood Action into the Consolidated Action;

WHEREAS, on June 21, 2017, the IAC Board determined to abandon the Class C Recapitalization that, according to Defendants, had been approved by stockholders with majority voting power on December 15, 2016, and, accordingly, not to file the New Certificate;

WHEREAS, that decision of the IAC Board, which is the subject of a Form 8-K publicly filed with the U.S. Securities and Exchange Commission on June 23, 2017, mooted the claims alleged in the Consolidated Action;

WHEREAS, on June 26, 2017, the Court entered a Stipulation and Order Dismissing Action as Moot and Retaining Jurisdiction to Determine Plaintiffs' Counsel's Application for an Award of Attorneys' Fees and Reimbursement of Expenses, which provided for the dismissal of the Consolidated Action with prejudice to Plaintiffs and without prejudice to all other IAC stockholders, with the Court retaining jurisdiction for the purpose of the Court determining an appropriate award of attorneys' fees and expenses;

WHEREAS, the parties thereafter engaged in extensive arm's-length negotiations, including engaging a nationally-known mediator and conducting a mediation that included IAC's insurers, and with the assistance and support of the mediator, IAC has agreed to pay \$9,250,000 to Co-Lead Counsel for Plaintiffs pursuant to and following entry of this Stipulation and Order (the "Fee Payment"), which the parties and mediator believe is reasonable;

NOW, THEREFORE, upon consent of the parties:

IT IS HEREBY ORDERED this day of , 2017, pursuant to Court of Chancery Rule 23(e), that:

1. The Company shall file a Form 8-K within ten (10) days following the entry of this Stipulation and Order of Dismissal ("Order") that includes the disclosure set forth in Exhibit A hereto, which shall constitute adequate notice for purposes of Rule 23(e) (the "Notice");

2. The Company shall file with the Court an affidavit that the Notice has been made (the "Affidavit") in accordance with paragraph 1 above no later than three (3) business days after the Notice has been made;

3. Upon the filing of the Affidavit:

- A. The Register in Chancery is directed to close this case on the docket;
- B. The Court will no longer retain any jurisdiction over this action.

4. The Company shall make the Fee Payment within three (3) business days of entry of this Order to an account designated by Co-Lead Counsel.

RE IAC/INTERACTIVECORP CLASS C RECLASSIFICATION LITIGATION

Court Authorizer: Laster, J Travis

/s/ **Judge Laster, J Travis**

EXHIBIT A

On December 12, 2016, the California Public Employees' Retirement System ("CalPERS") filed a purported class action (the "Action") in the Court of Chancery of the State of Delaware against IAC/InterActiveCorp ("IAC" or the "Company") and members of its Board of Directors (the "Board"). The suit was captioned *California Public Employees' Retirement System v. IAC/InterActiveCorp*, C.A. No. 12975-VCL (Del. Ch. Dec. 12, 2016). The complaint alleged that the Company's directors breached their fiduciary duties by approving two amendments to IAC's Restated Certificate of Incorporation: (i) creating a new series of non-voting Class C common stock and authorizing the issuance of 600,000,000 Class C shares; and (ii) providing that IAC's common stock, Class B super-voting common stock, and new Class C common stock would share ratably on a per share basis in any dividends declared by the Board (together, the "Reclassification"). The complaint further alleged that (i) the Reclassification conveyed a benefit to the Company's controlling stockholder, Barry Diller, not shared with the Company's unaffiliated stockholders and was adopted for the purpose of enabling the Diller family to maintain voting control; (ii) certain members of the Board lacked independence from Mr. Diller due to personal ties and business relationships with him; and (iii) the Board was coerced by what the complaint characterized as Mr. Diller's threat to block potentially beneficial acquisitions that would dilute his voting power.

IAC and the Board filed an answer denying the material allegations of the complaint.

The parties engaged in extensive discovery until June 23, 2017, when the Company publicly announced in a Current Report on Form 8-K filed with the SEC that the Board had determined not to pursue the Reclassification. On June 26, 2017, the Court of Chancery entered an order dismissing the Action as moot, with the claims being dismissed with prejudice as to the named plaintiffs and without prejudice to the other members of the putative class. The Court retained jurisdiction to determine any application for an award of attorneys' fees filed by Plaintiffs. After extensive arms'-length negotiations including the retention of a nationally-known mediator, the parties reached an agreement with respect to such fees of \$9,250,000 (the "Fee Payment"). On October 3, 2017, the Court entered a Stipulation and Order requiring the Company to make the disclosures contained herein, and to make the Fee Payment within three (3) business days of the entry of the Order. The Court was not asked to and did not determine the amount of the award of attorneys' fees.
