

ABOUT INTEGRA

Integra LifeSciences, a world leader in medical technology, is dedicated to limiting uncertainty for clinicians, so they can concentrate on providing the best patient care.

- Founded in 1989 and headquartered in Plainsboro, NJ
- Employs ~3,700 people worldwide
- Traded on NASDAQ under “IART”

Integra strives to grow profitably through its three-prong strategy, **Execute, Optimize and Accelerate Growth**, offering innovative solutions including leading plastic and regenerative technologies, in specialty surgical solutions, orthopedics and tissue technologies.

Integra is committed to driving shareholder value through the achievement of the Company’s long-term growth and profitability targets by making strategic investments in channel growth, new products and differentiated technologies, while completing its efforts to remove cost by streamlining operations, systems and back-office functions.
