### Item 1.01. Entry into a Material Definitive Agreement.

In 2004, the Executive Compensation Committee (the "Committee") of the Board of Directors of Insteel Industries, Inc. (the "Company") retained the services of an independent outside compensation consultant to assist the Committee with (1) the development of the 2005 Equity Incentive Plan of Insteel Industries, Inc. (the "2005 Plan") to replace the successor plan which expired in September 2004, and (2) the completion of a competitive market review of the total compensation for the Company's executive officers and its directors. At its meeting on March 4, 2005, the Committee reviewed and discussed the consultant's report on the comparable market position of the total compensation for the Company's executive officers together with the consultant's recommendations. Based on its review and discussions, the Committee took the following actions:

#### Base Salary Adjustments

The Committee approved increases in the base salaries for the Company's executive officers with a portion of the increases effective the next pay period following the date of the Committee's approval and the remainder effective as of the end of the current fiscal year ending October 1, 2005. The salary increases for the executive officers are the first such adjustments to occur following the imposition of a salary "freeze" in 2000. The following table sets forth the current annual base salaries of the named executive officers and the adjusted salaries that are to become effective on March 13, 2005 and October 1, 2005:

	Annual Base Salary		
	Current	Effective March 13, 2005	Effective October 1, 2005
H.O. Woltz III President and Chief Executive Officer	\$320,000	\$ 365,000	\$ 405,000
Michael C. Gazmarian Chief Financial Officer and Treasurer	190,000	215,000	235,000
Gary D. Kniskern Vice President — Administration and Secretary	135,000	143,000	143,000

The adjusted base salaries of the Company's executive officers are subject to further adjustment by the Committee for fiscal 2006 based upon its assessment of subsequent competitive market reviews.

#### Long-Term Incentive Plan

The Committee approved a long-term incentive plan award structure that provides for the following targeted values of stock options and restricted stock to be awarded to the Company's executive officers on an annual basis under the 2005 Plan which was approved by the Company's shareholders at its annual meeting held February 15, 2005:

	Targeted Long- Term Incentive	Stock Options	Restricted Stock
H.O. Woltz III President and Chief Executive Officer	\$ 325,000	\$162,500	\$162,500
Michael C. Gazmarian Chief Financial Officer and Treasurer	145,000	72,500	72,500
Gary D. Kniskern Vice President — Administration and Secretary	90,000	45,000	45,000

---

The number of options granted will be based on their fair market value with the exercise price set equal to fair market value as of the date of the grant. The options will have a ten-year term and vest ratably over a three-year period. The number of shares of restricted stock granted will be based on the Company's stock price as of the date of the grant and will vest 100% three years from the date of the grant. The Committee will retain the flexibility to adjust the long-term incentive award from 0.5x – 1.5x the targeted level based upon company and individual performance. For 2005, the long-term incentive awards, which will be granted as of the date of the Committee's approval, will be at the targeted level.
