BELLEVUE, Wash., Sep 21, 2009 (BUSINESS WIRE) -- InfoSpace, Inc. (NASDAQ:INSP) today announced the appointment of Braden Kelly to the Company's Board of Directors.

"Braden is another great addition to our board. His experience aligns perfectly with our strategy to grow InfoSpace both organically and through acquisitions," said Will Lansing, president and chief executive officer of InfoSpace.

Kelly, an independent investor and strategic advisor to companies in the technology and healthcare industries, brings more than 17 years of investment strategy and finance experience across multiple industry sectors. Prior to joining General Atlantic, Kelly worked in the investment banking division at Morgan Stanley & Co. as a member of the mergers, acquisitions, and restructuring department.

"This is an exciting time to join the InfoSpace board as the company is executing its strategy to grow its search business and solidifying its acquisition strategy," Kelly said. "I look forward to working with the board to help bring the company into its next phase."
