

INAP to Present at Spring 2017 Investor Conferences

ATLANTA, May 25, 2017 /PRNewswire/ -- Internap Corporation (NASDAQ: INAP), a provider of high-performance Internet infrastructure including Colocation, Cloud, and Network Services, today announced that Peter D. Aquino, chief executive officer and Robert M. Dennerlein, chief financial officer will present at the following Spring investor conferences:

- 1 On May 31, management will meet with investors at the Craig-Hallum 14th Annual Institutional Investor Conference taking place in Minneapolis, Minnesota.
- 1 On June 6, management will present at the Stifel 2017 Technology, Internet & Media Conference, taking place in San Francisco, at 8:00 a.m. PT, and meet with investors that day. A webcast of the presentation will be available on INAP's website at <http://ir.internap.com/events.cfm>.

About INAP

Internap Corporation (NASDAQ: INAP) is a leading technology provider of Internet infrastructure through both Colocation Business and Enterprise Services (including network connectivity, IP, bandwidth, and Managed Hosting), and Cloud Services (including enterprise-grade AgileCLOUD 2.0, Bare-Metal Servers, and SMB iWeb platforms). INAP's global high-capacity network connects 15 company-controlled Tier 3-type data centers in major markets in North America, 34 wholesale partnered facilities, and points of presence in 26 central business districts around the world. INAP continues to transform since its inception in 1996, meeting customer demand for custom solutions and high-touch state-of-the-art colocation and cloud products and services. INAP now operates a premium business model that also provides high-power density colocation, low-latency bandwidth, and public and private cloud platforms in an expanding internet infrastructure industry.
