

## INAP to Ring Nasdaq Stock Market Closing Bell on August 30th

ATLANTA, Aug. 24, 2017 /PRNewswire/ -- Internap Corporation (NASDAQ: INAP), a provider of high-performance Internet infrastructure including Colocation, Network and Managed Services, and Cloud Services, today announced that President and CEO Peter D. Aquino will be joined by other company executives to ring the Closing Bell of the Nasdaq Stock Market on Wednesday, August 30, 2017 at 4:00 p.m. The Company is ringing the closing bell to celebrate INAP's new identity as an emerging retail colo provider with its redefined global data center portfolio, strategically positioned in 20 major markets and offering nearly 1 million square feet of data center space.

"Over the past year, INAP's new management team has accomplished a complete corporate reorganization and the recapitalization of our balance sheet, and we are repositioning our data center assets. We are thrilled to debut the new INAP, and are celebrating with a Nasdaq Closing Bell," stated Mr. Aquino. "Our market proposition is our state-of-the-art Tier III-like facilities with colo presence in 9 of the top 10 MSAs in the US as well as the number 2 market in Montreal, 100% coverage with 85 POPs globally, and tremendous capacity for growth in central business districts where demand for internet infrastructure tends to be the greatest. By leveraging our position as one of the few providers able to bundle services, as well as our strong core competencies in sales, operations, and customer service, we aim to capture our fair share of increasing demand in the markets we serve."

The ceremony will take place at the Nasdaq Marketsite, 4 Times Square, 43rd and Broadway, in New York.

The live ceremonies will begin at 3:45 p.m. and can be viewed at <http://www.nasdaq.com/about/marketsitetowervideo.aspx>. Hi-resolution photographs of the market close can be obtained afterwards at [http://www.nasdaq.com/reference/marketsite\\_events.stm](http://www.nasdaq.com/reference/marketsite_events.stm).

### About INAP

Internap Corporation (NASDAQ: INAP) is a leading provider of Internet infrastructure through both Colocation Business and Enterprise Services (including colocation, network connectivity, IP, bandwidth, and managed hosting), and Cloud Services (including enterprise-grade AgileCLOUD, bare-metal servers, and SMB iWeb platforms). INAP operates in Tier 3-type data centers in 20 metropolitan markets, primarily in North America, with 46 datacenters and 85 POPs around the world. Currently, there is approximately 950,000 square feet under lease and 500,000 of data center footprint square feet. Of the company's total data center footprint, there is approximately 325,000 raised floor, and 200,000 occupied, connected through a high-capacity network. INAP operates a premium business model that provides high-power density colocation, low-latency bandwidth, and public and private cloud platforms in an expanding Internet infrastructure industry.
