Innophos Postpones 2017 Investor Day Due To Winter Storm Stella

Event to Be Rescheduled for a Later Date

CRANBURY, N.J., March 12, 2017 /PRNewswire/ -- [Innophos Holdings, Inc.](#) (Nasdaq: IPHS), today announced that it is postponing its 2017 Innophos Investor Day, currently scheduled for Wednesday, March 15th in New York City, due to winter storm Stella.

"At Innophos, the safety of our employees and stakeholders is our number one priority," said Kim Ann Mink, Chairman, President and Chief Executive Officer. "Authorities have issued a severe weather warning for the New York area from Monday night into Wednesday of this upcoming week. Given the high likelihood of severe weather conditions, we believe it is appropriate to communicate this decision at this time so everyone can plan accordingly."

The Company will announce a new date for its Investor Day as soon as it is confirmed.

About the Company

Innophos is a leading international producer of specialty ingredient solutions that deliver far-reaching, versatile benefits for the food, health, nutrition and industrial markets. We leverage our expertise in the science and technology of blending and formulating phosphate, mineral and botanical based ingredients to help our customers offer products that are tasty, healthy, nutritious and economical. Headquartered in Cranbury, New Jersey, Innophos has manufacturing operations across the United States, in Canada, Mexico and China. For more information, please visit www.innophos.com. 'IPHS-G'
